### REQUESTED ACTION

Authorize the New Hampshire Department of Energy (NH Energy) to enter into a **SOLE SOURCE** contract with Southern New Hampshire Services, Inc. (VC #177198), Manchester, NH, in the amount of \$213,119 to supplement the Agency's Weatherization Assistance Program (WAP), effective upon Governor and Executive Council approval through December 31, 2023. 100% Federal Funds. (LIHEAP-US DHHS)

Funding is available in the following account, contingent upon the availability and continued appropriation of funds in the operating budget, as follows:

<u>New Hampshire Department of Energy, Fuel Assistance</u>	<u>FY2023</u>
02-52-52-520010-33540000-074-500587	
Grants for Pub Assist & Relief	\$213,119

### EXPLANATION

This contract is **SOLE SOURCE** because of the US Department of Energy's (US DOE) grant guidance (10 CFR 440.15) giving Community Action Agencies preferred status for the Weatherization Assistance Program due to their non-profit status, their role providing a range of services to clients eligible for WAP, and their historical performance delivering the weatherization program.

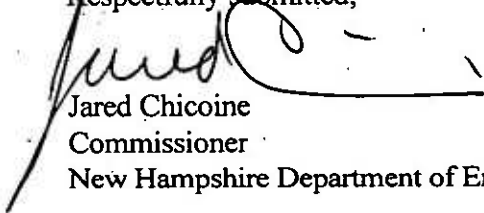

NH Energy is responsible for administering New Hampshire's statewide Weatherization Assistance Program (WAP). The objective of the program is to reduce energy consumption and the impact of energy costs in low-income households. Priority is given to the elderly, disabled, households with children, and households with high-energy usage. The funding in this contract will supplement WAP work.

The Low Income Home Energy Assistance Program (LIHEAP-US DHHS) funding in this contract will allow the Community Action Agency (CAA) to effectively and efficiently increase the number of

homes receiving heating system improvements and/or full weatherization services in the program year which begins upon G&C approval. NH Energy estimates that approximately 31 additional homes will be assisted in the CAA's service area as a result of the supplemental funding.

In the event Federal Funds are no longer available, General Funds will not be requested to support this contract.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jared Chicoine", is written over a horizontal line. The signature is fluid and cursive.

**2. SERVICES TO BE PERFORMED.** The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

**3. EFFECTIVE DATE/COMPLETION OF SERVICES.**

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

**5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

**7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

## 9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

submit to the State a Transition Plan for services under the Agreement.

## 10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. **CONTRACTOR'S RELATION TO THE STATE.** In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

## 12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. **INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State; which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

#### 15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. **CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. **CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. **HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. **SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. **SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. **ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

## EXHIBIT A

### SPECIAL PROVISIONS

1. 2 CFR 200, as amended, (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards), 10 CFR 440 dated February 1, 2002 (Weatherization Assistance Program), the New Hampshire Weatherization Assistance Program (NHWAP) State Plan, NHWAP Policies and Procedures Manual (P&PM), and NHWAP Field Guide are all considered part of this contract by inclusion and shall be legally binding and enforceable documents under this contract. The New Hampshire Department of Energy (NH Energy) reserves the right to use any legal remedy at its disposal including, but not limited to, disallowance of costs, withholding of funds, suspension of agency personnel, disbarment of agency personnel, disbarment of agencies and/or subcontractors from present or future contracts, and such other legal remedies as determined to be appropriate by the New Hampshire Department of Justice in the enforcement of rules and regulations pertaining to the Weatherization Program.
2. An audit shall be made at the end of the Contractor's fiscal year in accordance with 2 CFR 200, Subpart F - Audit Requirements. This audit report shall include a schedule of revenues and expenditures by contract or grant number of all expenditures during the Contractor's fiscal year. The Contractor shall utilize a competitive bidding process to choose a qualified financial auditor at least every four years.  
  
The audit report shall include a schedule of the prior year's questioned costs along with a response regarding the current status of the prior year's questioned costs. Copies of all management letters written as a result of the audit along with the audit report shall be forwarded to the NH Energy within one month of the time of receipt by the Contractor accompanied by an action, if applicable, for each finding or questioned cost.
3. The following paragraph shall be added to paragraph 9 of the general provisions:  
  
"9.3 All negotiated contracts (except those of \$5,000 or less) awarded by the New Hampshire Department of Energy to the Contractor shall allow the New Hampshire Department of Energy, the US Department of Energy, Health and Human Services, the Comptroller General of the United States, or any duly authorized representatives access to any books, documents, papers, and records of the Subgrantee or their subcontractors, which are directly pertinent to this contract for the purpose of making audits, examinations, excerpts, and transcriptions."
4. The costs charged under this contract shall be determined as allowable under the cost principles detailed in 2 CFR 200 Subpart E - Cost Principles.
5. Program and financial records pertaining to this contract shall be retained by the NH Energy and the Contractor for 3 (three) years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as stated in 2 CFR 200.334 - Retention Requirements for Records.

6. CLOSE OUT OF CONTRACT. All final required reports and reimbursement requests shall be submitted to the State within forty-five (45) days of the completion date (Agreement Block 1.7).
7. The following paragraphs shall be added to the general provisions:

"25. RESTRICTION ON ADDITIONAL FUNDING. It is understood and agreed between the parties that no portion of the "Grant" funds may be used for the purpose of obtaining additional federal funds under any other law of the United States, except if authorized under that law."

"26. ASSURANCES/CERTIFICATIONS. The following are attached and signed: Certification Regarding Drug-Free Workplace Requirements; Certification Regarding Lobbying; Certification Regarding Debarment, Suspension and Other Responsibility Matters; Certification Regarding the Americans With Disabilities Act Compliance; Certification Regarding Environmental Tobacco Smoke; Assurance of Compliance Nondiscrimination in Federally Assisted Programs; and Certification Regarding the Federal Funding Accountability and Transparency Compliance."

"27. COPELAND ANTI-KICKBACK ACT. All contracts and subgrants in excess of \$2,000.00 for construction or repair shall include a provision for compliance with Copeland "Anti-Kickback" Act (18 USC 874) as supplemented in Department of Labor Regulations (29 CFR, Part 3). This Act provides that each contractor, subcontract or subgrantee shall be prohibited from inducing, by any means, any person employed in the construction, completion or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The subgrantee should report all suspected violations to the New Hampshire Department of Energy."

"28. PROCUREMENT. Subgrantee shall comply with all provisions of 2 CFR 200 Subpart D – Post Federal Award Requirements – Procurement Standards with special emphasis on financial procurement (2 CFR 200 Subpart F – Audit Requirements) and property management (2 CFR 200 Subpart D – Post Federal Award Requirements – Property Standards.)"

## NEW HAMPSHIRE DEPARTMENT OF ENERGY

### EXHIBIT B

#### SCOPE OF SERVICES

1. Southern New Hampshire Services, Inc., hereinafter "the Contractor," agrees to utilize the Building Weatherization Program (BWP) funds, which are the subject of this contract and which have their origin in the federal Low Income Home Energy Assistance Program (LIHEAP), to provide eligible clients with weatherization services, including heating system repair and replacement services, which meet the requirements and standards for LIHEAP weatherization work as modified and approved in the FY23 New Hampshire LIHEAP State Plan. In addition, all work completed using BWP funds will be in accordance with the fiscal requirements of regulations set forth in 2 CFR 200 as amended, and will be guided and implemented as directed by the New Hampshire Department of Energy (NH Energy) in this contract and, from time to time, in BWP Subgrantee Notices or other communications. The Contractor agrees to revise BWP practices and procedures to incorporate instructions from NH Energy.

Contractor agrees to incorporate changes to the NH Building Weatherization Program as prescribed by NH Energy to improve program delivery. Contractor further agrees to perform all weatherization services in a manner that will successfully interact with utility administered energy efficiency programs for low income households in order to provide the best collaborative services for those households.

2. This BWP contract period, to be known as "BWP23," will commence upon approval of this contract by the Governor and Executive Council, and will have a completion date of December 31, 2023, also subject to the approval of the Governor and Executive Council.
3. BWP funds, which are the subject of this contract, shall not be expended for health and safety purposes. However, in projects where BWP money is used without any federal Weatherization Assistance Program (WAP) money involved – in other words, where there is no money for the installation of health and safety measures – then that BWP project may include the cost of incidental repair measures (see the NH Policies and Procedures Manual) if, by so doing, the cumulative SIR for the entire project is not brought down to below 1.
4. No portion of the BWP funding in this contract is set aside for training and technical assistance (T&TA). However, Contractor may choose to expend some or all of the designated administrative funds on T&TA activities. Appropriate back-up and justification for the use of those funds will be required by NH Energy prior to reimbursement.
5. During the contract period, the Contractor agrees to complete weatherization services on the number of units that is the result of dividing the Contractor's PY23 BWP allocation by \$6,500. NH Energy understands that the actual number of BWP completions will likely differ from that number due to the unpredictability of heating system costs, etc., but NH Energy expects to see monthly BWP payment requests from the Contractor in order to monitor BWP spending progress. Unit completions will be done to the standards and expectations presented in LIHEAP weatherization guidance, this contract, and the NH WAP *Policies and Procedures Manual*, 2019 edition, section on BWP management.
  - a. The number of dwelling units and the amount of funds to be expended shall conform to the provisions of this contract. NH Energy reserves the right to review progress under this contract

Exhibit B

Page 1 of 4

Initials DL Date 11/3/2022

at any time and may utilize information from such reviews to alter dwelling unit goals and funds to be expended.

- b. All funds provided to the Contractor under this agreement must be expended by December 31, 2023.

- 6. Effective April 1, 2015, all work performed under the federal Weatherization Assistance Program (WAP) in New Hampshire must meet the minimum specifications defined in the US Department of Energy's Quality Work Plan (QWP) and the associated Standard Work Specifications (SWS). While BWP work is to be managed mostly under DOE rules, and is therefore not subject to all of the same specifications and requirements as WAP work, Contractor will manage BWP work in a manner which provides clients with weatherization outcomes similar to those achieved under WAP guidance whenever possible. The occasions when WAP rules must apply to BWP work are set out in this document (Exhibit B).
- 7. Client eligibility for BWP-funded weatherization work should generally be the same as for WAP-funded weatherization work: client income is to be no greater than 60% of the state median income (SMI).
- 8. BWP money may be "leveraged" (used in combination) with any other weatherization funding source. If WAP/DOE money is used in a dwelling weatherization project, and if the Subgrantee wishes to count that project as a WAP/DOE completion, then the project must have at least one energy conservation measure that meets the SIR test, that measure (or those measures) must be paid for with WAP dollars, and the final inspection of the whole job must be done by a current BPI certified Quality Control Inspector (QCI) and declared "WAP complete, ready for reimbursement."
- 9. BWP money may be used for either full dwelling weatherization upgrades or for heating system improvements alone. Contractor is obligated under this contract to expend at least 50% of the contracted BWP amount on heating system repairs and/or replacements.
  - a. The PY23 BWP package of forms (see item 12b, below) for reporting BWP expenditures will include columns to make clear whenever BWP money was used:
    - i. for restoration of heating services (repair or replacement of inoperable heating equipment),
    - ii. for prevention of heating system service loss (repair or replacement to avoid approaching failure), or
    - iii. for supplementing or fully supporting a whole house weatherization project, with space to report when heating system work paid for with BWP funds is part of that whole house upgrade.
- 10. The maximum amount of BWP money to be spent on any one dwelling project without an approved waiver is \$12,000. If the BWP budget for any one project must exceed that amount, a waiver must be received from NH Energy. NH Energy will review all waiver requests promptly and will provide approval when possible. However, applying the expenditure guidelines in the FY23 NH LIHEAP State Plan, NH Energy will not approve total BWP expenditures on any one dwelling weatherization project that exceed \$15,000. This total is cumulative, summing the BWP expenditures made during all visits to that dwelling (including amounts from program years in which the name of the LIHEAP-funded weatherization program may have been different).

- 11. BWP production includes:

- a. Weatherization upgrades which are commensurate with a work plan developed from a thorough dwelling energy audit and a TREAT model prepared by a qualified (BPI-certified) Building Analyst or Energy Auditor or Quality Control Inspector who has developed the work plan (the energy conservation measures – ECMs – to be installed) using either the “benefit/cost ratio” (B/C) methodology as defined by the utilities’ Home Energy Assistance (HEA) program or the “savings to investment ratio” (SIR) methodology as defined by the US DOE for use in WAP. The SIR methodology must be used to justify the installation of any ECMs which are to be paid for with WAP funds.
- b. Final inspections which determine:
  - i. whether the project’s work plan was appropriate and complete, taking into account the methodology – B/C or SIR – used by the energy auditor to select the ECMs to be installed, the pre-weatherization condition of the building, etc.
  - ii. whether that appropriate work plan was fully and effectively implemented in the dwelling, providing the client with a comprehensive energy-saving weatherization outcome, or, in the case of heating system only improvements, providing the client with a safe and efficient and fully operational home heating system.
- c. In projects where BWP money is used alongside WAP money in the same dwelling (and there may be other funding sources as well), that project’s ECMs which are to be paid for using BWP and/or WAP funds must be completed using the WAP rules and standards, including the installation of only those measures which individually achieve an SIR equal to or greater than 1, the use of a certified Quality Control Inspector to perform the final inspection, etc.
- d. In projects where no WAP money is involved, the final BWP inspection may be performed by a person holding a current BPI certification in at least one of the following areas: Building Analyst, Energy Auditor, or Quality Control Inspector.
- e. Because BWP money is not WAP money, BWP money may be used in weatherization upgrades to dwellings which have received WAP-funded or BWP-funded upgrades more recently than the 15-year rolling time period which governs WAP re-weatherization by presenting a waiver request to NH Energy. However:
  - i. re-weatherization should be done sparingly, remembering that there are thousands of potential clients who have received no weatherization services at all;
  - ii. care should be taken, as always, to avoid even the appearance of favoritism;
  - iii. all BWP-funded second visits to previously weatherized dwellings, whether that weatherization work was done with WAP or BWP or HEA funds, must be preceded by receipt of an approved waiver from NH Energy.

12. The tracking of BWP jobs will include:

- a. Contractor preparation and maintenance of a client file on every BWP job. Contractor will utilize a filing protocol which allows recovery of the file when checking future jobs against previous weatherization work performed at that address, etc., even if no WAP money was used. Future CAP agency WAP Directors need to be able to check on weatherization work completed in dwellings, even when WAP money was not involved.
- b. The use of a separate BWP reimbursement request package/spreadsheet package supplied by NH Energy. All jobs with any BWP money invested must be submitted for reimbursement on

Exhibit B

the BWP set of forms. If a particular job also includes the use of any WAP money, then that job will have to be submitted for WAP reimbursement as well, using the WAP reimbursement request forms. Therefore, if a single weatherization job uses funds from two different weatherization funding sources managed by NH Energy, that job must be submitted to NH Energy twice in order for it to be reimbursed for the correct amount from each source.

13. This agreement consists of the following documents: a completed P-37 form, and Exhibits A, B, C, D, E, F, G, H, I, and J. All exhibits are incorporated herein by reference as if fully set forth herein.

**EXHIBIT C**

**PAYMENT TERMS**

In consideration of the satisfactory performance of the services set forth in Exhibit B, the State agrees to pay the Contractor, Southern New Hampshire Services, Inc. up to the total sum of:

\$213,119	(which hereinafter is referred to as the "Contracted Amount"), of which
\$10,656	is the maximum to be spent on BWP related administrative costs,
\$202,463	(the balance) to be spent on weatherization activities (Program Activity).

Drawdowns from the total contracted amount will be paid to the Contractor only after written documentation of cash need is submitted to NH Energy. Disbursement of the contracted amount shall be made in accordance with the procedures established by the State and 2 CFR 200.305(b) on an advance basis; limited to minimum amounts needed; and be timed to be in accordance with the actual, immediate cash requirements of the Contractor in carrying out the purpose of the program. The Contractor must make timely payments to (sub)contractors in accordance with the contract provisions. Contractor shall submit a payment request to NH Energy for each month of the contract period using the forms to be provided by NH Energy for that purpose. Payment requests from Contractor shall be received at NH Energy no later than the 15<sup>th</sup> day of each month or the first business day following the 15<sup>th</sup> day.

Administrative costs are provided in order to support a specified number of unit completions at minimal standards. Administrative funds may be pro-rated by NH Energy if production unit completions do not meet expected production goals.

NH Energy will also be allowed, as a function of its administrative oversight, to modify contracted budget amounts as necessary to ensure the efficient and effective operation of the contract as long as these modified expenditures do not exceed the total "Contracted Amount" as specified above.

All obligations of the State, including the continuance of any payments, are contingent upon the availability and continued appropriation of funds for the services to be provided.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

### CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

#### US DEPARTMENT OF HEALTH AND HUMAN SERVICES US DEPARTMENT OF ENERGY US DEPARTMENT OF HOMELAND SECURITY

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989, regulations were amended and published as Part II of the May 25, 1990, Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner, New Hampshire Department of Energy  
21 S. Fruit Street, Suite 10, Concord, NH 03301

- (A) The grantee certifies that it will or will continue to provide a drug-free workplace by:
- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  - (b) Establishing an ongoing drug-free awareness program to inform employees about—
    - (1) The dangers of drug abuse in the workplace;
    - (2) The grantee's policy of maintaining a drug-free workplace;
    - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
    - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  - (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
  - (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—
    - (1) Abide by the terms of the statement; and
    - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12529 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER  
RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS**

*Instructions for Certification*

- (1) By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Energy (NH Energy) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when NH Energy determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, may terminate this transaction for cause or default.
- (4) The prospective primary participant shall provide immediate written notice to the NH Energy to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76.
- (6) The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NH Energy.
- (7) The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by NH Energy, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, NH Energy may terminate this transaction for cause or default.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS, cont'd**

*Certification Regarding Debarment, Suspension, and Other Responsibility Matters - Primary Covered Transactions*

- (11) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- (a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - (b) have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - (c) are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1) (b) of this certification; and
  - (d) have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- (12) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

*Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions*  
(To Be Supplied to Lower Tier Participants)

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

- (a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
- (b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

ENVIRONMENTAL TOBACCO SMOKE**

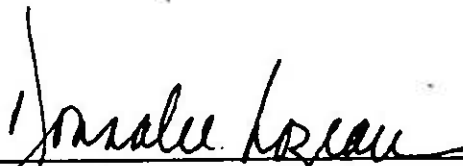

Public Law 103227, Part C Environmental Tobacco Smoke, also known as the Pro Children Act of 1994, requires that smoking not be permitted in any portion of any indoor facility routinely owned or leased or contracted for by an entity and used routinely or regularly for provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee.

The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per day and/or the imposition of an administrative compliance order on the responsible entity.

By signing and submitting this application the applicant/grantee certifies that it will comply with the requirements of the Act.

The applicant/grantee further agrees that it will require the language of this certification be included in any subawards which contain provisions for the children's services and that all subgrantees shall certify accordingly.

Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of Information Resources Management Policy, Plans, and Oversight, Records Management Division, HR-422 - GTN, Paperwork Reduction Project (1910-0400), U.S. Department of Energy, 1000 Independence Avenue, S.W., Washington, DC 20585; and to the Office of Management and Budget (OMB), Paperwork Reduction Project (1910-0400), Washington, DC 20503.

**Southern New Hampshire Services, Inc.** (Hereinafter called the "Applicant") HEREBY AGREES to comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), Section 16 of the Federal Energy Administration Act of 1974 (Pub. L. 93-275), Section 401 of the Energy Reorganization Act of 1974 (Pub. L. 93-438), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284), the Department of Energy Organization Act of 1977 (Pub. L. 95-91), the Energy Conservation and Production Act of 1976, as amended, (Pub. L. 94-385) and Title 10, Code of Federal Regulations, Part 1040. In accordance with the above laws and regulations issued pursuant thereto, the Applicant agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Applicant receives Federal assistance from the Department of Energy.

##### Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Applicant by the Department of Energy, this assurance obligates the Applicant for the period during which Federal assistance is extended. In the case of any transfer of such service, financial aid, equipment, property, or structure, this assurance obligates the transferee for the period during which Federal assistance is extended. If any personal property is so provided, this assurance obligates the Applicant for the period during which it retains ownership or possession of the property. In all other cases, this assurance obligates the Applicant for the period during which the Federal assistance is extended to the Applicant by the Department of Energy.

##### Employment Practices

Where a primary objective of the Federal assistance is to provide employment or where the Applicant's employment practices affect the delivery of services in programs or activities resulting from Federal assistance extended by the Department, the Applicant agrees not to discriminate on the ground of race, color, national origin, sex, age, or disability, in its employment practices. Such employment practices may include, but are not limited to, recruitment, advertising, hiring, layoff or termination, promotion, demotion, transfer, rates of pay; training and participation in upward mobility programs; or other forms of compensation and use of facilities.

##### Subrecipient Assurance

The Applicant shall require any individual, organization, or other entity with whom it subcontracts, subgrants, or subleases for the purpose of providing any service, financial aid, equipment, property, or structure to comply with laws and regulations cited above. To this end, the subrecipient shall be required to sign a written assurance form; however, the obligation of both recipient and subrecipient to ensure compliance is not relieved by the collection or submission of written assurance forms.

### Data Collection and Access to Records

The Applicant agrees to compile and maintain information pertaining to programs or activities developed as a result of the Applicant's receipt of Federal assistance from the Department of Energy. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program; and (6) any additional written data determined by the Department of Energy to be relevant to the obligation to assure compliance by recipients with laws cited in the first paragraph of this assurance.

The Applicant agrees to submit requested data to the Department of Energy regarding programs and activities developed by the Applicant from the use of Federal assistance funds extended by the Department of Energy. Facilities of the Applicant (including the physical plants, buildings, or other structures) and all records, books, accounts, and other sources of information pertinent to the Applicant's compliance with the civil rights laws shall be made available for inspection during normal business hours on request of an officer or employee of the Department of Energy specifically authorized to make such inspections. Instructions in this regard will be provided by the Director, Office of Civil Rights, U.S. Department of Energy.

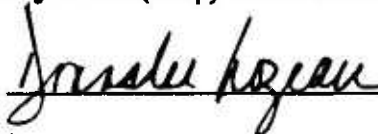

This assurance is given in consideration of and for the purpose of obtaining any and all Federal grants, loans, contracts (excluding procurement contracts), property, discounts or other Federal assistance extended after the date hereof, to the Applicants by the Department of Energy, including installment payments on account after such data of application for Federal assistance which are approved before such date. The Applicant recognizes and agrees that such Federal assistance will be extended in reliance upon the representations and agreements made in this assurance, and that the United States shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Applicant, the successors, transferees, and assignees, as well as the person(s) whose signatures appear below and who are authorized to sign this assurance on behalf of the Applicant.

### Applicant Certification

The Applicant certifies that it has complied, or that, within 90 days of the date of the grant, it will comply with all applicable requirements of 10 C.F.R. § 1040.5 (a copy will be furnished to the Applicant upon written request to DOE).

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than \$25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of \$25,000 or more. If the initial award is below \$25,000 but subsequent grant modifications result in a total award equal to or over \$25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the New Hampshire Department of Energy must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

- 1) Name of entity
- 2) Amount of award
- 3) Funding agency
- 4) NAICS code for contracts / CFDA program number for grants
- 5) Program source
- 6) Award title descriptive of the purpose of the funding action
- 7) Location of the entity
- 8) Principle place of performance
- 9) Unique identifier of the entity (UEI #)
- 10) Total compensation and names of the top five executives if:
  - a. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25M annually and
  - b. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

### CERTIFICATION REGARDING NHPA and NEPA COMPLIANCE FOR WAP22

The Grantee identified in Section 1.3 of the General Provisions agrees to comply with the provisions of the National Environmental Policy Act (NEPA) 42 U.S.C. §4321 et seq., rules promulgated thereunder (40 CFR Parts 1500-1508, guidance documents issued by the Office of Management and Budget or the US Department of Energy (USDOE), New Hampshire's DOE executed Historic Preservation Programmatic Agreement, and USDOE Office of Energy Efficiency and Renewable Energy (EERE) NEPA Determination GFO-WAP-2022A (NEPA Determination-WAP22).

The Grantee agrees to assure compliance with Section 106 of the National Historic Preservation Act (NHPA) and New Hampshire's DOE executed Historic Preservation Programmatic Agreement prior to authorizing the use of funds.

The Grantee agrees that it will not fund activities that are not "Allowable Activities" pursuant to the NEPA Determination-WAP22, which include:

1. Administrative activities associated with management of the designated Weatherization Office and management of programs and strategies in support of weatherization activities.
2. Development and implementation of training programs and strategies for weatherization effort, including initial home energy audits, final inspections, and client education.
3. Purchase of vehicles and equipment needed for administrative activities, weatherization energy audits, installation of measures indicated below, and quality control inspections.
4. Weatherization activities provided that activities adhere to the requirements of the respective Recipients' DOE executed Historic Preservation Programmatic Agreement, are installed in existing buildings, are appropriately sized, are covered by Appendix A of 10 CFR 440, and/or approved as part of the energy audit approval procedures and material approvals process, and limited to:
  - a. Building Shell Measures:
    - i. Install insulation where needed
    - ii. Perform air sealing
    - iii. Repair and replace windows, storm windows, install window film, awnings and solar screens
  - b. Mechanical Measures:
    - i. Clean, tune, repair, or replace heating and/or cooling systems
    - ii. Install duct and heating pipe insulation
    - iii. Repair leaks in heating/cooling ducts
    - iv. Install programmable thermostats
    - v. Repair/replace domestic water heaters
    - vi. Install domestic hot water heater tank insulation
  - c. Electric and Water Measures:
    - i. Install efficient light sources
    - ii. Install low-flow showerheads
    - iii. Replace inefficient refrigerators with energy-efficient models
5. Energy-related health and safety measures (per Weatherization Program Notice 22-7, or the most current guidance) provided that activities adhere to the requirements of New Hampshire's DOE executed Historic Preservation Programmatic Agreement, occur in existing buildings, and are limited to:

- a. Combustion appliance safety inspections
- b. Air quality assessment and limited removal of formaldehyde, volatile organic compounds, flammable liquids, and other air pollutants
- c. Gas and bulk fuel leak inspections
- d. Testing and/or containment, removal or disposal of lead, asbestos, mold, moisture, refrigerant, mercury, and other materials so WAP activities may be completed
- e. Conduct radon testing and precautionary measures, including but not limited to, sump pump covers, covering exposed dirt floors with polyethylene sheeting which contains a rating of no more than 0.1 perm, which is sealed and attached at all seams, walls and foundation penetrations
- f. Inspect and install carbon monoxide and smoke alarms
- g. Install ventilation as required by the American Society of Heating and Air-Conditioning Engineers (ASHRAE) 62.2-2016 standard, including blower door testing addressing infiltration, ventilation, and exhaust

6. Incidental and necessary energy-related repairs and replacements limited to:

- a. Repair/replace damaged windows and doors
- b. Electrical and plumbing repairs

7. Readiness activities focused on structural, health, and safety issues required before weatherization measures can be completed, provided that activities adhere to the requirements of the respective New Hampshire's DOE executed Historic Preservation Programmatic Agreement, are installed in existing buildings, and are limited to:

- a. Repair/replace damaged windows and doors
- b. Electrical and plumbing repairs
- c. Roof repairs
- d. Interior and exterior wall repairs
- e. Ceiling repairs
- f. Floor repairs
- g. Foundation or subspace (crawl space) repairs
- h. Exterior drainage repairs limited to gutter repair or replacement, trimming shrubs, and/or grading in close proximity to the perimeter of the foundation.

8. Development, implementation, and installation of onsite renewable energy technology from renewable resources, provided that activities adhere to the requirements of New Hampshire's DOE executed Historic Preservation Programmatic Agreement, are installed in or on an existing structure, do not require ground disturbance, no trees are removed, and limited to:

- a. PV systems appropriately sized that do not exceed 60 kW
- b. Solar hot water heating systems appropriately sized that do not exceed 200,000 BTU/HR
- c. Battery storage, if applicable, attached to a structure (e.g. inside a garage) and not visible from the public right of way

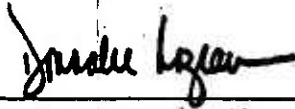

Activities/projects not listed above, including ground disturbing activities and tree removal; activities where the following elements exist: extraordinary circumstances, cumulative impacts or connected actions that may lead to significant effects on the human environment, or any inconsistency with the "integral elements" (as contained in 10 CFR Part 1021, Appendix B) as they relate to a particular project; and activities restricted elsewhere in Award No. DE-EE00100001.0000 are not "Allowable Activities."

Activities that do not qualify as "Allowable Activities" as defined above are subject to additional NEPA review, which requires additional documentation and submission of an environmental questionnaire. If the Contractor wants to fund activities that do not qualify as "Allowable Activities," then Contractor agrees to notify NHDOE WAP Administrator, and to seek NEPA review through the NHDOE WAP Administrator. Activities requiring NEPA review are not authorized for Federal funding and the

Contractor may not undertake or fund those activities unless and until the USDOE Contracting Officer, through the NHDOE WAP Administrator, provides written authorization for those activities.

The Contractor agrees to document conformance with the Allowable Activities listed above before commencement of any project.

The Contractor agrees to complete the online USDOE training on NEPA and Historic Preservation at [www.energy.gov/node/4816816](http://www.energy.gov/node/4816816).

## **Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Directors  
Southern New Hampshire Services, Inc. and Affiliate

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Southern New Hampshire Services, Inc. (the Organization) and affiliate, which comprise the combined statement of financial position as of July 31, 2021, and the related combined statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the combined financial statements, and have issued our report thereon dated March 3, 2022.

### **Internal Control over Financial Reporting**

In planning and performing our audit of the combined financial statements, we considered the Organizations' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the combined financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control. Accordingly, we do not express an opinion on the effectiveness of the Organizations' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organizations' combined financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Southern New Hampshire Services, Inc. and affiliate's combined financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organizations' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organizations' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major Program and on  
Internal Control over Compliance and Schedule of Expenditures of  
Federal Awards Required by the Uniform Guidance**

To the Board of Directors  
Southern New Hampshire Services, Inc. and Affiliate

**Report on Compliance for Each Major Federal Program**

We have audited Southern New Hampshire Services, Inc. (the Organization) and affiliate's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Southern New Hampshire Services, Inc. and affiliate's major federal programs for the year ended July 31, 2021. Southern New Hampshire Services, Inc. and affiliate's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Southern New Hampshire Services, Inc. and affiliate's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southern New Hampshire Services, Inc. and affiliate's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Southern New Hampshire Services, Inc. and affiliate's compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, Southern New Hampshire Services, Inc. and affiliate complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended July 31, 2021.

### **Report on Internal Control over Compliance**

Management of Southern New Hampshire Services, Inc. and affiliate is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southern New Hampshire Services, Inc. and affiliate's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southern New Hampshire Services, Inc. and affiliate's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## **Report on Schedule of Expenditures of Federal Awards Required by Uniform Guidance**

We have audited the combined financial statements of Southern New Hampshire Services, Inc. and affiliate as of and for the year ended July 31, 2021, and have issued our report thereon dated March 3, 2022, which contained an unmodified opinion on those combined financial statements. Our audit was conducted for the purpose of forming an opinion on the combined financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the combined financial statements as a whole.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**YEAR ENDED JULY 31, 2021**

---

**NOTE 1: BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Southern New Hampshire Services, Inc. and affiliate under programs of the federal government for the year ended July 31, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Southern New Hampshire Services, Inc. and affiliate, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Southern New Hampshire Services, Inc. and affiliate.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Pass-through entity identifying numbers are presented where available.

**NOTE 3: HEAD START PROGRAMS CFDA #93.600**

Due to the COVID-19 pandemic, the Organization was unable to meet its matching requirements in accordance with terms of the grant award. The Organization received a waiver from the Department of Health and Human Services due to the pandemic to remain in compliance with the grant award during the year ended July 31, 2021.

**NOTE 4: INDIRECT COST RATE**

Southern New Hampshire Services, Inc. and affiliate has negotiated an indirect cost rate of 9.50% with the Department of Health and Human Services.

***INDEPENDENT AUDITOR'S REPORT***

To the Board of Directors of  
Southern New Hampshire Services, Inc. and Affiliate  
Manchester, New Hampshire

**Report on the Financial Statements**

We have audited the accompanying combined financial statements of Southern New Hampshire Services, Inc. (a nonprofit organization) and affiliate, which comprise the combined statements of financial position as of July 31, 2021 and 2020, and the related combined statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the combined financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organizations' preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Southern New Hampshire Services, Inc. and affiliate as of July 31, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 3, 2022, on our consideration of Southern New Hampshire Services, Inc. and affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Southern New Hampshire Services, Inc. and affiliate's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southern New Hampshire Services, Inc. and affiliate's internal control over financial reporting and compliance.

## NOTES TO COMBINED FINANCIAL STATEMENTS

JULY 31, 2021 AND 2020

---

### NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of the Organization**

Southern New Hampshire Services, Inc. (SNHS) is a nonprofit umbrella corporation that offers an array of services to the elderly, disabled, and low-income households in New Hampshire's Hillsborough County and Rockingham County. The Organization's programs provide assistance in the areas of education, child development, employment, energy and its conservation, housing, and homelessness prevention. The Organization is committed to providing respectful support services and assisting individuals and families in achieving self-sufficiency by helping them overcome the causes of poverty. The primary source of revenues is derived from governmental contracts. Services are provided through Southern New Hampshire Services, Inc. and SNHS Management Corporation.

#### **Basis of Accounting and Presentation**

The Organization prepares its combined financial statements in accordance with accounting principles generally accepted in the United States of America, which involves the application of accrual accounting; and accordingly reflect all significant receivables, payables, and other liabilities. The financial statement presentation follows the recommendation of the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, *Not-For-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. Under ASU 2016-14, net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

*Net Assets without Donor Restrictions* - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

*Net Assets with Donor Restrictions* - Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be fulfilled and removed by actions of the Organization pursuant to those stipulations or by passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as an increase in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

The Organization has no net assets with donor restrictions at July 31, 2021 and 2020.

#### **Combined Financial Statements**

All significant intercompany items and transactions have been eliminated from the basic combined financial statements. The combined financial statements include the accounts of SNHS Management Corporation because Southern New Hampshire Services, Inc. controls more than 50% of the voting power.

#### **Use of Estimates**

The preparation of combined financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results may differ from these amounts.

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Cash and Cash Equivalents**

For the purpose of the combined statements of cash flows, the Organization considers all unrestricted highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Organization has no cash equivalents at July 31, 2021 and 2020.

**Current Vulnerabilities Due to Certain Concentrations**

The Organization maintains its cash balances at several financial institutions located in New Hampshire and Maine. The balances are insured by the Federal Deposit Insurance Organization (FDIC) up to \$250,000 per financial institution. In addition, on October 2, 2008, the Organization entered into an agreement with its principal banking partner to collateralize deposits in excess of the FDIC insurance limitation on some accounts. The balances, at times, may exceed amounts covered by the FDIC and collateralization agreements. It is the opinion of management that there is no significant risk with respect to these deposits at either July 31, 2021 and 2020.

**Accounts and Contracts Receivable**

All accounts and contracts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Receivables are recorded on the accrual basis of accounting primarily based on reimbursable contracts, grants, and agreements. Balances outstanding after management has used reasonable collection efforts are written off through a charge to bad debt expense and a credit to the applicable accounts receivable. Management does not believe an allowance for uncollectible accounts receivable is necessary at July 31, 2021 and 2020.

**Support and Revenue Recognition**

*Contracts with Customers*

Program fees are reported at the amount that reflects the consideration to which the Organization expects to be entitled for providing childcare services to its clients.

Generally, the Organization bills customers and third-party payors several days after the services are performed. Revenue is recognized as performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided by the Organization. The Organization measures the performance obligations of its childcare services to the point when it is no longer required to provide services to the client, which is generally weekly for childcare services. These services are considered to be a single performance obligation. Revenue for performance obligations satisfied at a point in time is recognized when services are provided, and the Organization does not believe it is required to provide additional services to the client.

Based on the nature of services provided by the Organization and due to the fact that all of the Organization's performance obligations related to contracts with a duration of less than one year, the Organization has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a) and, therefore is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

The transaction price for childcare services is based on standard charges for services provided to clients. Under the terms of the State of New Hampshire Department of Health and Human Services childcare subsidy programs, reimbursement for childcare services provided may differ from established rates. It is the Organization's policy to set its rates to be consistent with current reimbursement rates. Therefore, amounts due do not include significant variable consideration subject to retroactive revenue adjustments due to settlement of reviews and audits.

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Support and Revenue Recognition - Continued**

*Contracts with Customers – Continued*

The Organization has elected to apply the practical expedient allowed under FASB ASC 606-10-10-4 for applying the revenue standard to a portfolio of contracts with similar characteristics. The Organization accounts for the contracts within each portfolio as a collective group, rather than individual contracts, based on the payment pattern expected in each portfolio category and the similar nature and characteristics of the clients within each portfolio. The portfolios consist of major payor classes for childcare services. Based on historical collection trends and other analysis, the Organization has concluded that revenue for a given portfolio would not be materially different than if accounting for revenue on a contract-by-contract basis.

The Organization has also elected to apply the practical expedient allowed under FASB ASC 606-10-32-18 for the financing component, as the period of time between the service being provided and the time that the client or third-party payor pays for the service is typically one year or less.

*Private Grant Revenue and Contributions*

Private grant contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions, if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the combined statements of activities as net assets released from restrictions.

*Grants and Support*

Grant revenue is derived from various federal grant agreements and various state and private entity pass-through grant agreements and contracts to provide funding support of the Organization's programs and services provided by the Organization including childcare, child development, social, health, nutrition, employment, language, energy, and special needs services to families enrolled in the Organization's programs. The Organization has evaluated its grant agreements against applicable accounting standard guidance and determined that the grant agreements are contributions (nonreciprocal transaction) conditioned upon certain performance requirements and/or incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenses in compliance with specific provisions of the grant agreements. Refundable advances result from unexpended balances from these conditional contributions and will be subsequently recognized as contribution revenue when donor conditions are met. Federal and state grant revenue comprised approximately 93% and 91% of total revenue in the fiscal years ended July 31, 2021 and 2020, respectively.

*In-Kind Donations*

In-kind revenues and expenses represent fair market value of volunteer services and non-paid goods which were donated to the Organization during the current fiscal year. All in-kind revenues in the fiscal year 2021 and 2020 were generated through the Head Start and Economic Workforce Development programs. Since the recognition criteria is not met under financial accounting standards, no in-kind revenues are recognized as contributions in the combined financial statements and the in-kind expenses have been eliminated.

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Investments**

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the combined statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying combined statements of activities.

**Fixed Assets**

Fixed assets acquired by the Organization are capitalized at cost if purchased or fair value if donated. It is the Organization's policy to capitalize expenditures for these items in excess of \$5,000. Major additions and renewals are capitalized, while repairs and maintenance are expensed as incurred. Depreciation is calculated using the straight-line basis over the estimated useful lives of the assets, which range from three to forty years. Depreciation expense for July 31, 2021 and 2020 was \$666,892 and \$570,806, respectively.

Fixed assets purchased with grant funds are owned by the Organization while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the fixed assets purchased with grant funds. The disposition of fixed assets, as well as the ownership of any proceeds is subject to funding source regulations.

**Advertising**

The Organization uses advertising to promote programs among the people it serves. The production costs of advertising are expensed as incurred.

**Functional Allocation of Expenses**

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support services are allocated directly according to their natural expenditure classification. Other expenses, that are common to several functions, are allocated by management based on effort. Supporting services are those related to operating and managing the Organization and its programs on a day-to-day basis. Supporting services have been sub-classified as follows:

*Management and General* - includes all activities related to the Organization's internal management.

**Subsequent Events**

Management has made an evaluation of subsequent events through March 3, 2022, which represents the date on which the combined financial statements were available to be issued and determined that any subsequent events that would require recognition or disclosure have been considered in the preparation of these combined financial statements.

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Recently Adopted Accounting Pronouncements**

*Revenue Recognition*

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers*, to clarify the principles for recognizing revenue and to develop a common revenue standard for U.S. GAAP and International Financial Reporting Standards. The core principle of the guidance requires entities to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The ASU was effective for fiscal periods beginning after December 15, 2018, however ASU 2020-05, *Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842) – Effective Dates for Certain Entities*, allowed for a one-year deferral for implementation due to the coronavirus pandemic. The Organization implemented the guidance for the year ended July 31, 2021 combined financial statements. The adoption of this update did not result in adjustments to net assets, or any other account balance and no account has been affected in the current period by the application of the guidance.

*Contributions*

In June 2018, the FASB issued ASU No. 2018-08: *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The issuance of this ASU was in response to the difficulty and diversity in practice of distinguishing between exchange transactions (reciprocal) and contributions (nonreciprocal), as well as distinguishing between conditional and unconditional contributions. The guidance is effective for the Organization's fiscal years beginning after June 15, 2018, with early adoption permitted. Management has adopted the ASU effective August 1, 2020, on a modified prospective basis. As a result, this ASU has been applied to the portion of revenue that has not been recognized before the effective date in accordance with current guidance. No prior period results have been restated, and there has been no cumulative-effect adjustment to the opening balance of net assets on August 1, 2020.

**Recent Accounting Pronouncements**

*Leases*

In February 2016, the FASB released ASU 2016-02, *Leases (Topic 842)*, which provides users of the financial statements a more accurate picture of the assets and the long-term financial obligations of organizations that lease. The standard is for a dual-model approach; a lessee will account for most existing capital leases as Type A leases, and most existing operating leases as Type B leases. Both will be reported on the statement of financial condition of the organization for leases with a term exceeding 12 months. Lessors will see changes as well, primarily made to align with the revised model. The guidance is effective for non-public entities for fiscal years beginning after December 15, 2021, with early adoption permitted. The Organization will implement the guidance in its July 31, 2023 consolidated financial statements. Management is currently evaluating the impact of adoption on the Organization's financial statements.

NOTE 2: RESTRICTED CASH

The Organization, as stipulated in many of the loan agreements associated with the housing projects included in SNHS Management Corporation, is required to maintain separate accounts, and make monthly deposits into certain restricted reserves for the replacement of property and other expenditures. In addition, the Organization is required to maintain separate accounts for tenant security deposits and any surplus cash that may result from annual operations. These accounts are also not available for operating purposes and generally need additional approval from oversight agencies before withdrawal and use of these funds can occur.

**NOTE 3: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the organization has the ability to access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2021 and 2020.

*Mutual Funds*: Valued at the net asset value of shares held on the last trading day of the fiscal year, which is the basis for transactions at that date.

JULY 31, 2021 AND 2020

NOTE 5: AVAILABILITY AND LIQUIDITY

The Organization's financial assets available for expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date comprise the following as of July 31:

	<u>2021</u>	<u>2020</u>
Cash and Cash Equivalents	\$ 8,496,942	\$ 6,456,196
Investments	10,396,716	9,102,421
Grants Receivable	3,451,639	3,346,435

Total financial assets available within one year	<u>\$23,123,907</u>	<u>\$19,626,647</u>

None of the financial assets are subject to donor or other contractual restrictions. Accordingly, all such funds are available to meet the needs of the Organization in the next 12 months. In addition, the Organization maintains several reserve funds for property taxes, insurance expenses, and repair and replacement or emergency needs which are required by financing authorities. These funds may be withdrawn only with the approval of the financing authority and are not considered by the Organization to have donor restrictions.

The Organization manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they become due.

NOTE 7: OPERATING LEASES

The Organization leases various facilities and equipment under several operating leases. Total lease payments for the years ended July 31, 2021 and 2020 equaled \$865,098 and \$681,354, respectively. The leases expire at various times through October 2025. Some of the leases contain renewal options that are contingent upon federal funding and some contain renewal options subject to renegotiation of lease terms. Annual leases with the Organization for the years ended July 31, 2021 and 2020 totaled \$222,117 and \$133,204, respectively. These leases have been eliminated in the combined financial statements.

The following is a schedule of future minimum lease payments for the operating leases as of July 31:

**NOTE 8: RETIREMENT BENEFITS**

The Organization has an Employer-Sponsored 403(b) plan offering coverage to all of its employees. Participating employees must contribute at least 1% of their wages, while the Organization contributes 10% of their wages. The pension expense for the years ended July 31, 2021 and 2020 was \$1,012,187 and \$940,492, respectively.

**NOTE 9: RISKS AND UNCERTAINTIES**

The Organization is operated in a heavily regulated environment. The operations of the Organization are subject to the administrative directives, rules, and regulations of federal, state, and local regulatory agencies. Such administrative directives, rules, and regulations are subject to change by an act of Congress or Legislature. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

**NOTE 10: CONTINGENCIES AND CONTINGENT LIABILITIES**

The Organization receives grant funding from various sources. Under the terms of these agreements, the Organization is required to use the funds within a certain period and for purposes specified by the governing laws and regulations. If expenditures were found not to have been made in compliance with the laws and regulations, the Organization might be required to repay the funds. No provisions have been made for this contingency because specific amounts, if any, have not yet been determined.

**Cotton Mill Square**

In 2015, SNHS Management Corporation entered into a contract as part of the Community Development Investment Tax Credit Program with the Community Development Finance Authority (CDFA) and was awarded \$1,000,000 to provide funding for the development and adaptive reuse of an abandoned historic cotton mill in downtown Nashua, NH. Under this program, the Project (Cotton Mill Square) created 109 units of housing and was required to reserve 55 of these units for low to moderate income households.

As stipulated by the contract and after a 20% program fee retained by the CDFA, SNHS Management Corporation entered into a subrecipient agreement with the owners of the Project (Cotton Mill Square LLC) to provide a promissory note and mortgage of the remaining award amount of \$800,000. The 20 year note to Cotton Mill Square LLC is non-interest bearing and the principal is forgivable at a rate of 5% each year. The Project maintains the required minimum of 55 low to moderate income household units.

The Cotton Mill Square Project was awarded the certificate of occupancy on August 22, 2014 and remains in full compliance with the required regulations as of July 31, 2021 and 2020. SNHS Management Corporation feels that it is extremely unlikely that the Project will fall into noncompliance in future periods. Therefore, SNHS Management Corporation has not recorded any contingent receivable or liability related to this transaction. The note repayment is accelerated if the units fall out of compliance.

NOTE 10: CONTINGENCIES AND CONTINGENT LIABILITIES (Continued)

**Cotton Mill Square (Continued)**

In October of 2017, the subrecipient agreement with Cotton Mill Square LLC was amended to cease the annual 5% debt forgiveness. This modification effectively holds the promissory note balance at \$720,000 which will now be forgiven in full at the end of the agreement as long as the Project maintains compliance with the original agreement's terms. This modification did not change the contingent receivable or liability with SNHS Management Corporation.

**Coronavirus Pandemic**

An outbreak of a novel strain coronavirus (COVID-19) has spread to the U.S. and in March 2020, the World Health Organization characterized COVID-19 as a pandemic. The Organization was unable to meet its matching requirements in accordance with the terms of its Head Start Programs grant award due to the COVID-19 pandemic but received a waiver from DHHS to remain in compliance. Many programs that historically had direct contact with participants were closed or changed significantly while staff was retained. However, the extent of the future impact of COVID-19 on the Organization's operational and financial performance is not known as of the date these financial statements were issued, but management will continue to monitor conditions as the COVID-19 pandemic continues and take further action if considered necessary.

*INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION*

To the Board of Directors of  
Southern New Hampshire Services, Inc. and Affiliate  
Manchester, New Hampshire

We have audited the combined financial statements of Southern New Hampshire Services, Inc. (a nonprofit organization) and affiliate as of and for the years ended July 31, 2021 and 2020, and our report thereon dated March 3, 2022, which contained an unmodified opinion on those combined financial statements, appears on page I. Our audits were performed for the purpose of forming an opinion on the combined financial statements as a whole.

The combining information in Schedules A and B (pages 23-24), the schedules of revenues and expenses - by grant (pages 25-29), required by the State of New Hampshire Governor's Office of Strategic Initiatives, and the required schedules and financial information for Whispering Pines II, J.B. Milette Manor, and Sherburne Woods (pages 30-49), required by the New Hampshire Housing Finance Authority are presented for purposes of additional analysis and are not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The combining information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

# RYAN CLOUTHIER

## OBJECTIVE

Seeking a leadership role which will allow me the opportunity to utilize and build upon my knowledge and passion for the work performed by Community Action Agencies in the state of New Hampshire, while at the same time being the support and strength for the Communities we serve.

## EXPERIENCE

**Deputy Director | Southern New Hampshire Services Inc.**  
FEB. 2018-PRESENT

Serving as part of the Executive Management Team and is responsible for providing inspiring leadership to the Southern New Hampshire Services (SNHS) senior management team and developing a performance culture to ensure the effective management of a comprehensive array of over sixty programs. The Deputy Director will tie the various component programs including: nutrition; housing; energy; workforce development; income enhancement; education; and elderly services to the agency, to each other, and to the general community, by promoting and communicating the mission of Community Action. In conjunction with the Executive Director and Fiscal Officer the Deputy Director provides the stewardship of SNHS by being actively involved with the agency's high-performance senior leadership team in the development, implementation, and management of the program content as well as annual budgets.
