GOVERNOR'S OFFICE
for

EMERGENCY RELIEF AND RECOVERY

December 9, 2022

His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to enter into a **sole source** agreement with New Hampshire Community Development Finance Authority (VC #177292), Concord, NH in the amount of \$20,000,000, to facilitate the Community Center Investment Program, which would support community centers around the State by enabling investments in the construction, expansion, equipment, capital infrastructure, and other costs as they adapt to the effects of the COVID-19 health crisis and continued provision of essential services in communities, effective upon Governor and Council approval through December 31, 2025. This is an allowable use of ARPA SFRF funds under Section 602 (c)(1)(A) to respond to the public health emergency or its negative economic impacts. **100% Federal Funds.**

Funding is available in Fiscal Year 2023 as follows:

01-002-002-020210-24690000 - ARP Grants and Disbursements

072-500574 – Grants Federal

FY2023

\$20,000,000

EXPLANATION

This request would enable GOFERR to enter into a sole source agreement with the New Hampshire Community Development Finance Authority (CDFA) to run the Community Center Investment Program, which would support community centers across New Hampshire by enabling investments in the construction, expansion, equipment, capital infrastructure, and other costs as they adapt to the effects of the COVID-19 health crisis and continued provision of essential services in communities. This is a **Sole Source** agreement because CDFA is uniquely situated and qualified to run this Community Center Investment Program and ensure it equitably distributes available funding while satisfying federal compliance standards. CDFA is an instrumentality of the State, specifically tasked with facilitating the State's Community Development Block Grant program, and it has more than 35 years of experience effectively deploying technical and financial resources to help New Hampshire communities and invests millions of dollars of financial resources annually, including the competitive deployment grants, loans and New Hampshire state tax credit equity, to support nonprofits, municipalities and businesses. Community Centers are incredibly important for New Hampshire's health and vibrancy, and they provide opportunities for residents to be active and to interact with others, as well as receive essential services.

His Excellency, Governor Christopher T. Sununu
And the Honorable Council

December 9, 2022

Page 2 of 2

Moreover, Community Centers are inclusive and foster a culture of health and wellbeing in the communities they serve.

For this program, CDFA will develop final program parameters and policies, which will be approved by GOFERR before administration of the program.

Generally, Community Centers will include facilities owned and operated by a Municipality or nonprofit community organization. The primary purpose of the facility must be community led recreation, social welfare, community improvement, and/or public assembly. Eligible Community Centers must also provide public access to their facilities and programming as part of their primary purpose.

This may include facilities that provide care for senior citizens and/or children under 18; food banks; services for persons with disabilities; health, mental health, or substance abuse services; homeless services; and family resource centers.

Examples of the types of projects that could be funded include:

- Construction of a facility;
- Rehabilitating physical and outdoor programming space;
- Facility expansion;
- Improving air quality and/or ventilation; and
- Other investments that improve the health and safety of the center.

The awards in the program per Community Center are subject to a \$1,000,000 cap, with a match requirement of no more than 15% of eligible project costs.

In the event that Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully Submitted,

Chase Hagan
Deputy Director, GOFERR

The allowable purposes and use of funds are more specifically described in EXHIBIT A.

3. EFFECTIVE DATE: COMPLETION OF GRANT.

Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in paragraph 1.14, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in paragraph 1.1 ("Effective Date").

Except as otherwise specifically provided herein, this Grant, including all activities and reports required by this Agreement, shall be completed as follows: all awards under Exhibit A below must be obligated by June 30, 2024, and fully expended by December 31, 2025, with all required reports submitted no later than March 2, 2026. Notwithstanding these dates, all GOFERR's obligations are contingent upon continued appropriation of funds beyond June 30, 2023, and in no event shall GOFERR be liable for any payments in excess of the appropriated funds, as detailed in paragraph 8 below.

4. GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT.

The Grant Amount is identified in paragraph 1.8 and is more particularly described in EXHIBIT B, attached hereto. The manner of, and schedule of payment shall be as set forth in EXHIBIT B.

In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Grant, as determined by the GOFERR, the GOFERR shall pay the Grantee the Grant Amount.

The payment by the GOFERR of the Grant amount shall be the only, and the complete payment to the Grantee for all expenses, of whatever nature, incurred by the Grantee and claimed as allowable expenses under this Agreement. To the extent that the Grant amount does not cover all of the Grantee's allowable expenses, nothing in this Agreement shall be construed to limit the Grantee's ability to pursue other COVID-19 relief that may be available. However, under this Agreement, the GOFERR shall have no liabilities to the Grantee other than the Grant Amount.

Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in Paragraph 1.8 of these general provisions.

5. COMPLIANCE BY GRANTEE WITH LAWS AND REGULATIONS. In connection with the performance of the Grant, the Grantee shall comply with all statutes, laws, regulations, and orders of federal, State, county, or municipal authorities which shall impose any obligations or duty upon the Grantee, including the acquisition of any and all necessary permits.

6. RECORDS AND ACCOUNTS.

Between the Effective Date and the date five (5) years after the Completion Date, the Grantee shall keep detailed accounts of all expenses incurred in connection with the Grant, including, but not limited to, costs of administration, transportation, insurance, telephone calls, and clerical materials and services. Such accounts shall be supported by receipts, invoices, bills and other similar documents.

Between the Effective Date and the date five (5) years after the Completion Date, at any time during the Grantee's normal business hours, and as often as the GOFERR, the U.S. Department of Treasury or OMB shall demand, the Grantee shall make available to the GOFERR, the U.S. Department of Treasury or OMB all records pertaining to matters covered by this Agreement. The Grantee shall permit the GOFERR, the U.S. Department of Treasury or OMB to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, personnel records, data, and other information relating to all matters covered by this Agreement. As used in this paragraph, "Grantee" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Grantee in Paragraph 1.3 of these provisions

7. PERSONNEL.

The Grantee shall, at its own expense, provide all personnel necessary to perform the Grant. The Grantee warrants that all personnel engaged in the Grant shall be qualified to perform such Grant, and shall be properly licensed and authorized to perform such Grant under all applicable laws. Grantee shall comply with all GOFERR and federal personnel and labor laws applicable to its employees.

The Grant Officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement by the Grant Officer, and his/her decision on any dispute, shall be final.

8. CONDITIONAL NATURE OF AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the GOFERR hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the GOFERR be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the GOFERR shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

9. EVENT OF DEFAULT: REMEDIES.

Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

- Failure to perform the Grant satisfactorily or on schedule;
- Failure to submit any report required hereunder;
- Failure to maintain, or permit access to, the records required hereunder; or
- Failure to perform any of the other covenants and conditions of this Agreement.

Upon the occurrence of any Event of Default, the GOFERR may take any one, or more, or all, of the following actions:

Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the GOFERR determines that the Grantee has cured the Event of Default shall never be paid to the Grantee;

Set off against any other obligation the GOFERR may owe to the Grantee any damages the GOFERR suffers by reason of any Event of Default;

Recoup from the Grantee, including by withholding any other payment of funds that becomes due to Grantee from the GOFERR, any payments under this Agreement that have been used in a manner contrary to the terms of this Agreement or the CLSFRF, H.R. 1319, Section 9901; and/or

Treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

In the event of Termination under paragraph 9 of these general provisions, the approval of such a Termination Report by the GOFERR shall entitle the Grantee to retain the portion of the Grant amount earned up to and including the date of termination.

The approval of such a Termination Report by the GOFERR shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the GOFERR as a result of the Grantee's breach of its obligations hereunder.

Notwithstanding anything in this Agreement to the contrary, either the GOFERR or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

11. CONFLICT OF INTEREST. No officer, member or employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Grant is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Grant, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the GOFERR, which immunity is hereby reserved to the GOFERR. This covenant shall survive the termination of this Agreement.

15. INSURANCE AND BOND.

The Grantee shall, at its own expense, obtain and maintain in force, the following insurance: Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Grant; and Comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$1,000,000 per occurrence and \$2,000,000 aggregate for bodily injury or death in any one incident, and \$500,000 for property damage in any one incident; and

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the GOFERR to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, by United States Mail, addressed to the parties at the addresses first above given.

GRANT AGREEMENT EXHIBIT A

Scope of Allowable Uses of Coronavirus State and Local Fiscal Recovery Fund Grant

1. Grantee, Community Development Finance Authority (CDFA), will use the grant funds for the Community Center Investment Program, which will provide funding to community centers for investment in equipment, capital infrastructure, and other costs as the centers adapt to the effects of the COVID-19 health crisis and continue to offer essential services.

CDFA shall develop the final parameters and policies for the Community Center Investment Program, subject to final approval by GOFERR. CDFA shall consult with GOFERR on the planned program parameters and policies before administering the program.

In designing the program, CDFA shall incorporate the following framework to assess eligibility:

- Community Centers will include facilities owned and operated by a governmental agency or charitable organization, such as a nonprofit community organization.
- The primary purpose of the facility must be community led recreation, social welfare, community improvement, and/or public assembly.
- To be eligible, facilities must also provide public access to their facilities and programming as part of their primary purpose.

This may include facilities that provide care for senior citizens and/or children under 18; food banks; services for persons with disabilities; health, mental health, or substance abuse services; homeless services; and family resource centers.

Awards in the program are subject to a \$1,000,000 cap per Community Center, with an eligible project cost match requirement. CDFA will require applicants to commit to a 15% match to the Community Center funds requested by the applicant. An applicant may submit a waiver of this requirement if it impedes the projects feasibility in the timeframe required by the funding, all waiver requests will be evaluated using consistent program guidance.

This approach is intended to help achieve program goals, such as ensuring individual project success and completion, as well as effective use of program funds.

Awarded projects must be fully obligated by June 30, 2024, and completed within 18 months of award date, subject to limited extension upon approval by Grantee and GOFERR.

Subaward completion date reflects the above timeline and monitoring of program awardees to ensure project completion.

Grantee agrees and covenants that the funds will be used solely for an allowable purpose as set forth in paragraph 1 and as defined in the American Rescue Plan Act of 2021 ("ARPA"), H.R. 1319, Section 9901, for which Grantee has not received payment or reimbursement from any other source, specifically, to respond to the public health emergency with respect to the Coronavirus Disease 2019

(COVID-19) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality.

3. To the extent that Grantee is making sub-awards or other award types from this award for program purposes, Grantee shall develop and use a template of such award vehicle that will be subject to review and approval by GOFERR before use to ensure that documentation contains adequate provisions that the funds can only be used for allowable ARPA costs and require compliance with other applicable 2 CFR 200 requirements.

4. The U.S. Treasury's final rules on allowable uses of CSLFRF funds at [2022-00292.pdf \(govinfo.gov\)](#) Overview of the final rule at [SLFRF-Final-Rule-Overview.pdf \(treasury.gov\)](#), and the U.S. Treasury's Answers to Frequently Asked Questions (FAQ's) <https://home.treasury.gov/system/files/136/SLFRPFAQ.pdf> regarding allowable uses of CSLFRF funds are incorporated herein and made part of this Agreement as if set forth in full.

Such reports shall include at least expenses and costs related to the Community Center Investment Program for which the grant funds have been used, including any required subrecipient related information, and shall break down the reporting by facilities awarded funds. Grantee shall provide such reports within 15 days of the close of each quarter.

Grantee will also provide a program-end summary report within 60 days of the program's completion or by March 2, 2026, whichever comes first and with specific elements to be designated by GOFERR in coordination with the Grantee, but it will include at a minimum summary details on the expended funds and projects completed.

If deemed appropriate by GOFERR, the Grantee may also be required to provide more frequent, higher-level/summary reporting electronically to the GOFERR grant officer by email or other electronic means subsequently designated by GOFERR.

7. Any portion of the grant not expended by Grantee for allowable costs by the Completion Date in 1.7 above shall lapse and shall not be paid and must be repaid to the State/GOFERR if funds have already been advanced to the Grantee.

8. Unique entity identifier and System for Award Management (SAM)—Required. Grantees must (i) Be registered in SAM before submitting an application or entering into an agreement; (ii) provide a

The Grantee identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12529 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Grantee's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS

Instructions for Certification

- (1) By signing and submitting this Grant Agreement, the Grantee is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Grantee shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the GOFERR determination whether to enter into this transaction. However, failure of the Grantee to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when GOFERR determined to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, GOFERR may terminate this transaction for cause or default.
- (4) The Grantee shall provide immediate written notice to GOFERR, to whom this Grant is submitted if at any time the Grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76.
- (6) The Grantee agrees by submitting this Grant that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by GOFERR.
- (7) The Grantee further agrees by submitting this Grant that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by GOFERR, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A Grantee in a covered transaction may rely upon a certification of Grantee in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Grantee may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph 6 of these instructions, if a Grantee in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended,

debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, GOFERR may terminate this transaction for cause or default.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS, cont'd

 - (d) have not, within a three-year period preceding this Grant, had one or more public transactions (Federal, State or local) terminated for cause or default.

L. 88-352), Title IX of the Education Amendments of 1972, as amended, (Pub. L. 92-318, Pub. L. 93-568, and Pub. L. 94-482), Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112), the Age Discrimination Act of 1975 (Pub. L. 94-135), Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284). In accordance with the above laws and regulations issued pursuant thereto, the Grantee agrees to assure that no person in the United States shall, on the ground of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity in which the Grantee receives Federal assistance.

Applicability and Period of Obligation

In the case of any service, financial aid, covered employment, equipment, property, or structure provided, leased, or improved with Federal assistance extended to the Grantee by GOFERR with federal ARPA funds, this assurance obligates the Grantee for the period during which Federal assistance is extended. Such information shall include, but is not limited to the following: (1) the manner in which services are or will be provided and related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination; (2) the population eligible to be served by race, color, national origin, sex, age and disability; (3) data regarding covered employment including use or planned use of bilingual public contact employees serving beneficiaries of the program where necessary to permit effective participation by beneficiaries unable to speak or understand English; (4) the location of existing or proposed facilities connected with the program and related information adequate for determining whether the location has or will have the effect of unnecessarily denying access to any person on the basis of prohibited discrimination; and (5) the present or proposed membership by race, color, national origin, sex, age and disability in any planning or advisory body which is an integral part of the program.

The Grantee agrees to submit requested data to GOFERR, the U.S. Department of Treasury or OMB regarding programs and activities developed by the Grantee from the use of ARPA funds extended by GOFERR upon request.
