This is an allowable use of ARPA SLFRF funds under section 602(c)(1)(C) for provision of government services to the extent of the reduction in revenue. 100% Federal Funds.

\$640,040

EXPLANATION

Municipal Demolition Grants will be awarded to New Hampshire municipalities, either for their own use or for the municipalities to pass on to developers of qualifying projects. These funds may be used for demolition-related expenses for structures which are vacant and dilapidated, therefore are unsuitable for residential use. Each municipality receiving an award has demonstrated that the funded project is part of a larger revitalization effort which will positively impact the available housing shortage in New Hampshire.

Funds will be awarded as grants to the municipalities and will be distributed on a reimbursement basis for actual costs incurred between May 4, 2022, and December 31, 2024. Awardees will be required to submit documentation of all expenses for which reimbursement is sought. Awardees will also be required to provide progress reports on the status of the project to ensure ongoing program compliance.

If Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully Submitted,

Taylor Caswell

InvestNH Demolition Grant Award #DEMO22-111

Dear Authorized Official:

We are pleased to inform you that your application for funding under the InvestNH Demolition Program grant has been selected for an award.

The project **Neighborhood Revitalization-3** located at 119 Main Street, Claremont NH, 03743, has been awarded grant funding up to **\$35,000**.

InvestNH congratulates you on this achievement.

Please note that while you have been awarded a grant, several conditions must be met before your award is finalized and you can begin receiving reimbursements. Please review the following terms carefully:

- As the authorized official for this project, you must acknowledge receipt of this award letter and the funding requirements outlined below. Please return a fully executed copy of this letter to BEA via investnh@livefree.nh.gov, with your project name and BEA grant number referenced in the email subject line by noon on **March 10, 2023**.
- This grant award is contingent upon execution of a grant agreement between your organization, BEA, and the administrator of your project, if applicable, incorporating the InvestNH Demolition Program Guidance and other appropriate terms and conditions. You will need a certificate of insurance from your carrier demonstrating sufficient general liability (\$1,000,000 per occurrence and \$2,000,000 aggregate) and workers compensation coverage, and a certificate of authority that establishes that the signatory has the authority to bind your organization. We urge you to begin compiling these forms to avoid delay in receipt of your award.

- Your project is not eligible to request reimbursements until you receive a "Notice to Proceed" from InvestNH.

Please reach out to BEA with any questions at (603) 931-2109 or investnh@livefree.nh.gov. We wish you great success in this project and look forward to working with you.
