State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Judicial Council to enter into a contract with the Court Appointed Special Advocates of New Hampshire, Inc. (hereinafter CASA, Vendor Code 156690) in the amount of \$2,253,100 to provide guardian ad litem services in abuse and neglect cases and certain termination of parental rights and guardianship cases, pursuant to the provisions of RSA 490:26-F, effective July 1, 2023 upon Governor and Council approval through June 30, 2025. 100% General Funds.

Funds are anticipated to be available in Fiscal Years 2024 and 2025, upon the availability and continued appropriation of funds in the future operating budget, as follows:

	<u>FY 2024</u>	<u>FY 2025</u>
02-07-07-070010-1099-102 Court Appointed Spec. Adv-CASA	\$1,126,550	\$1,126,550

EXPLANATION

RSA 169-C:10, I and RSA 604-A:1-a require the appointment of guardians ad litem, at State expense, to assist abused and neglected children for the duration of court proceedings. This contract will enable CASA to continue to recruit, train and supervise volunteers to fill this important role, and will enable the State to avoid, in most cases, the more costly alternative of assigning these matters to private guardians ad litem who do not benefit from the same level of direct supervision and who bill the state for their time by the hour. This contract represents an efficacious public-private partnership in which state funds are further leveraged with CASA's private fundraising, resulting in a significant reduction in direct costs to the State, while providing abused and neglected children with access to a well-trained corps of volunteers dedicated to representing their best interests. This contract will enable CASA to accept a minimum of 450 new appointments in state fiscal year 2024, and 475 new appointments in state

fiscal year 2025. The agreement also acknowledges the shared commitment of CASA and the Judicial Council to developing CASA's capacity to maximize its share of the overall statewide demand for guardian ad litem services in abuse or neglect matters and termination of parental rights cases.

The Attorney General's Office has approved this contract as to form, substance and execution.

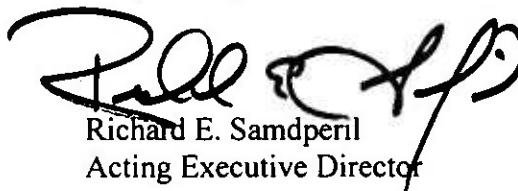

REQUEST FOR PROPOSALS AND REVIEW PROCESS

The Judicial Council developed a detailed Request for Proposals (RFP) for guardian ad litem services and made the RFP available on the Judicial Council website. The availability of the RFP and the opportunity to submit proposals were also publicized in a statewide newspaper (Union Leader) on March 26, 2023. In addition, the RFP was listed on the Department of Administrative Services, Procurement and Support Services' website for Statewide Bids and Proposals. Notice regarding the availability of the RFP also appeared on the New Hampshire Bar Association's classifieds website.

Other than CASA of New Hampshire, no group or individual submitted a proposal for consideration. The proposal submitted by CASA was reviewed thoroughly by the Judicial Council's Child Protection Subcommittee and was found to be compliant with the Judicial Council's Request for Proposals.

Thank you for your consideration. I would be happy to answer any questions you may have regarding this proposed contract.

Respectfully submitted,

Richard E. Sandperil
Acting Executive Director

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

U/18
5/19/23

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

10.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

10.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. INDEMNIFICATION. Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 commercial general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate or excess; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 10.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than ten (10) days prior to the expiration date of each insurance policy. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("*Workers' Compensation*").

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. The Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

17. **AMENDMENT.** This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

18. **CHOICE OF LAW AND FORUM.** This Agreement shall be governed, interpreted and construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party. Any actions arising out of this Agreement shall be brought and maintained in New Hampshire Superior Court which shall have exclusive jurisdiction thereof.

19. **CONFLICTING TERMS.** In the event of a conflict between the terms of this P-37 form (as modified in EXHIBIT A) and/or attachments and amendment thereof, the terms of the P-37 (as modified in EXHIBIT A) shall control.

20. **THIRD PARTIES.** The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. **HEADINGS.** The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. **SPECIAL PROVISIONS.** Additional or modifying provisions set forth in the attached EXHIBIT A are incorporated herein by reference.

23. **SEVERABILITY.** In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. **ENTIRE AGREEMENT.** This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings with respect to the subject matter hereof.

EXHIBIT A
ADDITIONAL PROVISIONS

1. Provisions 7.1 and 7.2 of the standard State contract are inapplicable to the extent that the parties agree that State employees or officials may serve as CASA volunteers.
2. CASA of N.H. may substitute comprehensive general liability insurance in the amount of \$1,000,000 per occurrence for the \$2,000,000 per occurrence amount identified in Paragraph 14.1.1 of the P-37.
3. No CASA volunteer shall have any personal right to reimbursement or payment from the State for services performed under this contract and CASA shall notify all participating volunteers that they are agents of CASA, and that they have no individual rights under this contract.
4. CASA and the Council will meet regularly during the term of this Agreement to assess the performance of CASA in attaining the goal of maximizing the number of new cases assigned to CASA during the term of this Agreement. This assessment will include a review of active cases and the number of cases assigned to CASA and other guardians ad litem. The assessment will also review the aggregate number of cases in each county, with special attention paid to the number of active cases in which CASA is providing services and the number of cases being handled by private, non-CASA guardians ad litem.

**EXHIBIT B
SCOPE OF SERVICES TO BE
PROVIDED**

PRELIMINARY

As used herein, "guardian ad litem services" are those services provided under the authority of RSA 169-C:10, RSA 170-C:8, applicable Supreme Court rules, and rules promulgated by the Guardian Ad Litem Board under RSA 490-C:5. The scope of services provided in individual cases shall be subject to the discretion and requirements of the appointing court.

As used herein, "abuse-and-neglect" proceedings shall mean those proceedings conducted in the Circuit Court, Family Division, the Superior Court on appeal, and the Supreme Court on appeal, concerning the child-protection proceedings under RSA 169-C.

As used herein, "termination-of-parental-rights" proceedings shall mean those proceedings conducted in the Circuit Court Probate Divisions, or the Supreme Court on appeal, concerning the termination of parental rights pursuant to RSA 170-C.

As used herein, "new cases" are:

- Those cases in which a Court appoints a CASA guardian ad litem during the period.
- Those cases in which a CASA guardian ad litem continues to provide services in the Probate Division in termination-of-parental-rights proceedings when CASA provided services in an underlying abuse-and-neglect case in the Circuit or Superior Court.

It is not considered a "new case" when:

- A CASA guardian ad litem continues to provide services at the request of the Supreme Court when a case is appealed from the Circuit Court to Supreme Court pursuant to RSA 169-C:28 or RSA 567-A.

As used herein, "active cases" shall include all cases existing at the beginning of a fiscal year and all new cases initiated during the fiscal year which have not been concluded and closed.

SERVICES

The Contractor, Court Appointed Special Advocates of New Hampshire, Inc. (hereinafter "CASA") shall provide the following services to the State of New Hampshire (hereinafter "State"), acting through the Judicial Council (hereinafter "Council") pursuant to RSA 490:26-f:

1. CASA will provide guardian ad litem services in those abuse-and-neglect cases to which CASA certified and trained volunteers are appointed by the Circuit, Superior and Supreme Courts.
- 2.

3. CASA will provide guardian ad litem services in those termination-of-parental-rights cases to which CASA certified and trained volunteers are appointed by the Probate and Supreme Courts.
4. When a CASA guardian ad litem is appointed in an abuse-and-neglect case, the CASA shall continue as the appointed guardian ad litem in any related termination-of-parental-rights proceeding. This continued appointment shall constitute a new case for the purposes of this agreement.
5. Notwithstanding the language in RSA 170-C:13, CASA will not be obligated to provide guardian ad litem services in termination-of-parental-rights proceedings when CASA was not involved in an underlying abuse-and-neglect proceeding and the State is not the moving party.
6. CASA will strive to meet fully the demand for guardian-ad-litem services in abuse-and-neglect and termination-of-parental rights cases in New Hampshire, subject to the constraints imposed by ethical guidelines regarding caseloads, the avoidance of conflicts of interest and resources.
7. CASA will implement the following timeline for training volunteers on a statewide basis:
 - a. July – August of 2023;
 - b. September – October of 2023;
 - c. November – December of 2023;
 - d. January – February of 2024;
 - e. March – April of 2024;
 - f. May – June of 2024;
 - g. July – August of 2024;
 - h. August – September of 2024;
 - i. October – November of 2024;
 - j. November – December of 2024;
 - k. January – February of 2025;
 - l. February – March of 2025;
 - m. April – May of 2025; and
 - n. May – June of 2025.

In the event that there is insufficient interest to justify the cost of training, CASA will notify the Judicial Council. Training can be provided via simulcast or similar technology.

8. CASA will implement the following recruitment efforts in the 16-week period leading up to each training session:
 - a. Engage in advocate's letter to the editor campaign;
 - b. Communicate directly to individuals who have expressed interest in volunteering;
 - c. Engage in community outreach through poster campaign;
 - d. Issue public service announcements as funding and staff resources allow;
 - e. Implement social media efforts to publicize upcoming trainings; and
 - f. Host a virtual or live community reception for prospective CASAs. Publicity for these events will include the following:
 - i. Press releases to local media;
 - ii. Invitations to local civic organizations and houses of worship;
 - iii. Posting on social media platforms; and
 - iv. Signage in local libraries and businesses.
9. CASA will accept a minimum of 450 "new" appointments – to include both abuse and neglect and termination appointments – in State Fiscal Year 2024 and a minimum of 475 "new" appointments – to include both abuse and neglect and termination appointments – in State Fiscal Year 2025.
10. CASA will provide supervision and training to the CASA volunteers in accordance with National CASA guidelines and standards, as well as any applicable State standards as required by RSA 490-C:6. This shall include training on the topic of parenting in poverty.
11. CASA will ensure that its volunteers are adequately screened and made subject to the following specific requirements:
 - a. A criminal background check conducted by the New Hampshire Department of Safety;
 - b. A Central Registry Check, conducted by the New Hampshire Department of Health and Human Services, Division of Children, Youth and Families; and
 - c. A Sex Offender Registry Check conducted by CASA.

Records of these background checks shall be made available for review by the Council.

12. In its promotional materials and publicly distributed information, CASA shall make appropriate acknowledgement of the support CASA receives from the State.
13. CASA's Chief Executive Officer will submit the name of a volunteer or employee of the organization to the Governor for consideration and appointment to the Guardian ad Litem Board, pursuant to RSA 490-C:2.

REPORTING

1. CASA will maintain such records and reports as may be prescribed from time to time by the Council, and permit reasonable inspection of such records and reports by the Council subject to any restrictions concerning the confidentiality of such records and reports.
2. CASA will provide the Council with a copy of the Audited Financial Statement of the organization within one week of CASA's receipt of its Audited Financial Statement.
3. CASA will provide the Council with a copy of the organization's annual operating budget within 21 days of the adoption of the operating budget by the organization's governing body.
4. CASA will provide the Council with written notice of all declinations of requested court appointments within 48 hours of notice to the court.
5. CASA will provide the Council with written notice of any complaint, legal action or asserted claim filed in any court in the State of New Hampshire.
6. CASA shall provide notice to the Council in writing prior to closing case intake from any court.
7. CASA will provide the Council with quarterly reports in a format acceptable to the Council. Quarterly reports must be received within twenty-one (21) days of the end of each quarter. The quarterly report shall report this information:

New Cases: Case information regarding each new case opened during the quarter, including:

- The case name (subject to statutory and common law confidentiality rules);
- The appointing court;
- The case type:
 - Abuse-and-neglect in the Family Division Circuit Court
 - Termination-of-parental rights in the Family Division Circuit Court
 - Supreme Court appeal
- The number of children served in the case;
- The date the case was assigned by the court; and
- The date the case closed (if the case closed);

Closed Cases: Case information regarding each case closed during the quarter, including:

- The case name (subject to statutory and common law confidentiality rules);
- The appointing court;
- The case type, either abuse-and-neglect or termination-of-parental rights;
- The number of children served in the case; and
- The date the case closed.

Declined Cases: Case information regarding each case closed during the quarter, including:

- The case name (subject to statutory and common law confidentiality rules);
- The appointing court;

- The case type, either abuse-and-neglect or termination-of-parental rights;
- The date the case was declined; and,
- The reason why the case was declined

General Information: concerning operations:

- CASA's definition of a "case";
 - The number of active cases at the beginning of the quarter;
 - The number of active cases at the end of the quarter;
 - The number of new CASA guardians ad litem added to its roster during the quarter; and
 - The total number of CASA guardians ad litem delivering services in active cases as of the last day of the quarter.
8. CASA will provide the Council with a final annual summary report following the conclusion of each State Fiscal year in a format acceptable to the Council. The annual report must be received within twenty-one (21) days of the end of the fiscal year. The final annual report shall report this information for all cases during the State Fiscal year:
- CASA's definition of a "case";
 - The number of new cases to which CASA was appointed during the year by case type;
 - The number of cases closed during the year by case type;
 - The number of active cases at the beginning of the State Fiscal Year;
 - The number of active cases at the end of the State Fiscal Year;
 - The total number of hours of services provided in cases closed during the year;
 - The total number of miles driven by CASA volunteers in cases that were closed during the year; and,
 - The total number of CASA guardians ad litem delivering services in active cases as of the last day of the State Fiscal Year.

PRICE AND METHOD OF
PAYMENT**

Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the continued appropriation of funds for the services provided herein.

The State shall pay CASA the amount one million one hundred twenty-six thousand five hundred fifty dollars (\$1,126,550.00) in State Fiscal Year 2024 and one million one hundred twenty-six thousand five hundred fifty dollars (\$1,126,550.00) in State Fiscal Year 2025. Payment shall be made in four equal installments annually. Payments will be made upon receipt of a written request for payment postmarked after the effective date of this contract.

In State Fiscal Year 2024, each quarterly payment shall be in the amount of two hundred eighty-one thousand six hundred thirty-seven dollars and fifty cents (\$281,637.50). In State Fiscal Year 2025, each quarterly payment shall be in the amount of two hundred eighty-one thousand six hundred thirty-seven dollars and fifty cents (\$281,637.50).

Payment shall be made by electronic transfer to contractor's designated financial institution within thirty (30) days following the State's receipt of the contractor's written request for payment. Such written request may be submitted up to twenty (20) days before the payment date specified above.

The parties hereto agree that neither RSA 604-A: 1 *et seq.*, nor any court rule shall entitle CASA to seek payments from the Council or the indigent defense fund for the matters for which CASA provides services other than those payments provided by the terms of this Agreement.

April 14, 2023

Dear Council Members:

Court Appointed Special Advocates (CASA) of NH is grateful for your history of tangible endorsement of the work CASA of NH performs every day for abused and/or neglected children. We now respectfully submit for your consideration the enclosed proposal in response to the Judicial Council's RFP.

We are proud to engage in this private/public partnership. Your funding, in addition to support we raise elsewhere, has helped CASA provide outstanding advocacy for **thousands of abused and neglected children and aided New Hampshire in meeting the mandate of providing Guardians ad Litem (GAL) for each victimized child.** At the funding level included in this proposal, CASA of NH will serve greater numbers of children.

For over Thirty-four years, we have worked diligently to improve the lives of New Hampshire's children by providing reliable Guardian ad Litem advocacy. In all areas of service, CASA of NH meets or exceeds standards prescribed by National CASA and the New Hampshire GAL Board; and regular self-assessments and NCASA evaluations keep CASA of NH's performance quality high. We believe these facts make CASA of NH the definitive choice as the primary provider of GALs for abused and neglected children.

As authorized contract signatory for CASA of NH and the person responsible for binding the organization to the provisions of the proposal, I accept the following stipulations of the RFP:

The bidder acknowledges that the bidder has read the N.H. Standard form contract (Form P-37) and all applicable exhibits and forms for a contract resulting from this RFP, understand them, agrees to all terms and conditions (unless otherwise mutually agreed upon terms supersede them), and if selected will provide all applicable exhibits and forms required to execute a contract with original signatures.

Sincerely,

Marcia Sink

Item #3 of Proposal: Executive Summary

The mission of CASA of NH is to recruit, train, and supervise compassionate, motivated, and articulate volunteer advocates who provide guardian ad litem (GAL) services to children and the family courts throughout the state of New Hampshire. Currently, CASA of NH provides over \$8 million of value in volunteer advocacy supported by experienced program resources.

CASA of NH is committed to continuing to grow its capacity for the state to satisfy its statutory obligation under NH RSA 169-C:10. With CASA of NH as its primary source, the State will deliver millions of dollars in effective advocacy for its children in need.

CASA of NH meets or exceeds requirements to be in compliance with national, state, and local program standards of practice. Documents outlining the National CASA/GAL Association for Children local and state standards and practices, and CASA of NH Standards of Professional Conduct, are attached. (See **Appendix A; 1, 2, 3**) Periodically, all member programs must conduct a stringent self-evaluation and undergo review and audit procedures by the National CASA/GAL Association for Children.

Upon the effective date of July 1, 2023 or approval from Governor/Executive Council, CASA of NH will be prepared to assume responsibility for providing GAL services in all new cases available for assignment, except where a conflict of interest exists or where there is no immediately available CASA/GAL in that area of the state. Specifically, CASA of NH will be prepared to provide guardian ad litem services in approximately *925-950 total active cases*, during *2023/2024*, and *950-975 active cases in 2024/2025*. CASA of NH continues to strive to accomplish the program goal of attaining sufficient capacity to handle all but the few cases that involve a conflict of interest.

Tightly-controlled volunteer screening remains uncompromised. A carefully constructed written application, personal interview with two staff members or one staff member and a highly skilled, experienced CASA Advocate, triple background checks, and three letters of reference with follow-up conversations, if necessary, all contribute to the cautious selection of viable candidates.

Comprehensive training classes, group activities, and written assignments yield many opportunities for CASA staff to observe and assess candidates. It is even possible that, part way through the 40-hour instruction, a trainee could be counseled toward withdrawal if it appears not to be a good fit.

CASA/GALs visit the child regularly, collect all pertinent information about the child and submit written and oral reports to the court that include recommendations regarding the child's best interest. In FY22 CASA/GALs had 20,721 contacts/ in person visits.

CASA uses leading data base and network communication technologies in order to manage cases and volunteers in the most effective manner. For example, CASA Manager,™ a case management system designed specifically for CASA agencies, is used as our primary case-tracking and statistics repository.

In thirty-four years of consistent advocacy for victimized children, CASA of NH has earned its reputation for effective advocacy. To date since 1989, over 12,880 New Hampshire children in more than 6975 cases have found dedicated, focused CASA advocates standing beside them as they make their way through the child protection system.

Current System challenges:

The OPIOID EPIDEMIC:

The opioid epidemic continues to plague families in New Hampshire and children are bearing a huge cost. In FY 2022 77% of CASA cases involved families who have been impacted by substance use. In 10% of the CASA cases children are navigating the death of a parent as well as all of the other trauma that brought the case to court.

CASA'S COVID RESPONSE

CASA dealt with numerous challenges to its normal operations. Many advocates are older individuals who faced increased risk from COVID-19. CASA had to implement a retention campaign to encourage advocates to continue this important work. Advocates had to be updated on numerous Court Orders, be trained on various platforms for court hearings, and be instructed on remote visits with children. As a result of the pandemic vulnerable children became further isolated. Due to this increased risk, CASAs averaged three times more contacts per child in 2020.

New advocates receive 40+ hours of training. During the COVID pandemic period from March of 2020 until the present CASA reconfigured the training for a remote setting. While in-person trainings could be handled by an individual trainer, remote trainings require two trainers for each session. Recruitment efforts also transitioned to virtual platforms. In 2023 we plan to begin to hold several in-person trainings for those would prefer that training experience.

Item #4 of Proposal: Bidder Profile

Mission statement: Court Appointed Special Advocates (CASA) of New Hampshire, Inc. is a not-for-profit organization committed to speaking for the best interests of abused and neglected children in the New Hampshire courts. CASA recruits, trains and supervises volunteers who advocate for this vulnerable population. The CASA program's primary goal is to ensure that each and every child in the state is permitted to grow up in a safe and permanent home.

Court Appointed Special Advocates (CASA) of New Hampshire, Inc. guides abused and neglected children expeditiously through the child protection system to safe and permanent homes by recruiting, training and supervising ordinary citizen volunteers to represent victimized children as their *Guardian ad Litem*s (GALs). By providing these children with a strong and sensible voice amidst the confusion and uncertainty of overburdened systems, CASA/GALs make an extraordinary difference in the New Hampshire Courts. They can focus dedicated time and energy to determine and express the best interests of that one child or one sibling group. Judges can then make more informed decisions, prompting more hopeful, productive futures, while interrupting the cycle of abuse that can often repeat generation after generation.

Currently, CASA of NH employs thirty-four full-time (40hrs/wk) and nine part-time (under 40hrs/wk) staff members. Twenty of those provide direct service as they supervise and co-manage cases with approximately 650 carefully screened and comprehensively trained volunteers who have been actively involved in cases around the state of New Hampshire. Five people are dedicated to recruiting, screening and training applicants. Three part-time attorneys provide statewide legal support to CASA advocates and the children they serve. In 2022 approximately 58% of cases required work by a staff attorney in the form of motions, responsive pleadings, court appearances and case consults. When needed, a number of outside attorneys also assist CASA OF NH with pro bono legal services. Additional staff ensure the capacity of CASA to continue to provide critical services for abused and neglected children.

CASA of NH maintains 7 regionally placed offices. CASA of NH is a non-profit (501c:3) organization, governed by a Board of Directors. CASA of NH has two professional responsibility/liability policies. The first is through Philadelphia Insurance Company that covers all Board members, all staff and all CASA volunteers (\$1,000,000/\$2,000,000). The second is a corporate counsel policy through Business Risk Partners (\$1,000,000/\$1,000,000).

(In the event the contract is awarded, any necessary changes to CASA's current insurance coverage will be made to remain in full compliance with NH state requirements outlined in section 14.1.1)

An organizational chart is attached (see appendix B)
CASA of NH Employee Handbook attached (see appendix G)

Item #5 of Proposal: Financial statements (see appendix C).

Item #6 of Proposal: Subcontractor Profiles - (Not Applicable)

Item #7 of Proposal: Bidder Background and Experience, legal and managerial

In 1974, Congress enacted legislation that required the appointment of a Guardian ad Litem (GAL) to promote and protect the best interest of children in abuse and neglect cases. It soon became apparent that legal professionals, the most typical appointees, often did not have sufficient time or resources to effectively represent these children.

In 1977, a Seattle judge started utilizing volunteer citizen advocates to serve as GALs. Founded upon the premise that all children must be valued, protected, and defended, Court Appointed Special Advocates (CASA) harnessed the energy of capable and caring citizens who responded to the need in effective ways when given the opportunity and administrative framework. The national network of approximately 950 CASA and GAL programs has utilized this model ever since and has, since its inception in 1979, advocated for over one million children in the United States.

CASA of NH was founded in 1989 when Marcia Sink of Manchester was inspired and challenged to do so by her experience as a foster parent. Founding members of the New Hampshire CASA program developed a comprehensive, effective, and accountable method of screening, training, and supervising

volunteers by experienced staff professionals. The CASA of NH program gathered momentum as New Hampshire judges discovered that citizen GALs were capable, reliable, and efficient. CASA of NH has become a national model program, while adhering to stringent legal and managerial standards (see **appendix A: 1&2**) prescribed by its parent organization National CASA/GAL Association for Children. Periodically, a rigorous self-evaluation exercise is prescribed, which is reviewed and audited by the National CASA/GAL Association for Children. Mandates are given for areas needing improvement.

Policy for CASA of NH is set and governed by a Board of Directors; and President/CEO Marcia Sink administers day-to-day operations with the assistance of a Senior Management Team comprised of a Senior Staff Attorney, three CASA/GAL Program Directors, Director of Recruitment, Operations Manager, Director of Training, Community Relations Director, Director of Development, Director of Technology and Finance Manager. Seventeen additional CASA/GAL Program Managers (formally called Volunteer Supervisors) work out of seven regional offices – Dover, Keene, Colebrook, Berlin, Manchester, Claremont and Laconia – in order to be accessible to children and courts in all areas of the state, provide a local presence for recruitment and education, and carry out advocacy in the most cost-effective and efficient manner possible.

CASA of NH has adopted strict accountability guidelines which regulate staff and volunteers, as they focus solely on the child's best interest. These guidelines are more detailed and rigorous than required by statute and rules, RSA 490 and the Gal Board Rules. GALs must meet minimum criteria:

- be at least 21;
- have a high school diploma or GED;
- possess good oral and written communication skills;
- have the ability to relate to diverse populations;
- drive and have access to their own transportation;
- have no personal involvement with child protection or the courts;
- possess common sense and manner to proactively speak for the child's best interest.

Prospective volunteers must also pass careful screening – i.e., comprehensive interview with two CASA staffers, one staff member and a highly skilled, experienced CASA Advocate, criminal records and Central Registry checks, and three personal and/or professional references.

Candidates must then:

- satisfactorily complete 40 hours of pre-service training and ongoing in-service instruction; (see **appendix D**)
- visit each child s/he represents at least once per month;
- meet with those significantly involved in the child's life in order to assemble complete information about the child's situation and needs;
- provide the court with a report in advance of every hearing, attend all court proceedings, and monitor resulting court orders;
- engage in ongoing education for 12 hours a year, specifically in Permanency and Termination of Parental Rights; and
- work collaboratively with service providers for the benefit of the child.

From initial screening through training, and at each step of their tenure as advocates, CASA volunteers are continually assessed for effectiveness and appropriateness. Any concerns are addressed by Senior Management.

CASA/GAL Program Managers co-manage every case to guarantee a uniformly high level of service and accountability. CASA Program Managers, themselves, are monitored with respect to volunteer ratios, national standards and practices, and ongoing performance reviews by their CASA/GAL Program Director and the President/CEO. CASA selects the best personnel it can attract, while being cognizant of diversity issues and Equal Employment Opportunity responsibility. Program Managers are chosen for their educational preparation, communication capabilities, supervisory skills, experience, and commitment to children. All CASA employees are required to take the same 40-hour training provided to volunteers and are encouraged to further their professional development by attending conferences, networking among child protection and judicial professionals, participating on task forces and committees, and in on-site training provided by CASA Staff Attorneys and the Program Directors. All CASA volunteer Program Managers are required to engage in 12 hours per year of continuing education.

Additionally, all staff and advocates working with older youth ages 14-21 are required to attend the Fostering Futures Program presented by CASA staff. This curriculum was developed by the National Court Appointed Special Advocate Association and focuses on improving outcomes for older and aging-out youth (14-21 years of age) served by CASA/GAL volunteers. It has been informed by the 2008 *Fostering Connections to Success Act* and is inspired by a model of youth advocacy and development called *possible selves* (see appendix E)

From the outset, CASA of NH has worked to reduce the number of placements and the time a child is involved in the system without a safe, permanent home. The organization has a proven track record that is measured, quantitatively and qualitatively, from its beginning in two courts with ten volunteers to a statewide presence and approximately 650 volunteers. Since its inception CASA of NH has served 12,880 New Hampshire children on more than 6,975 cases. These children have received extraordinary help from ordinary citizens and, as a result, have greater potential to become healthy, productive adults. The U.S. Department of Justice recognizes that CASA's involvement in a case interrupts the cycle of abuse and neglect and reduces both direct and indirect social expenditures.

In 2020 the New Hampshire Legislature amended the Child Protection Act to make the "best interest" of the child the primary consideration of all proceedings under the statute. This focus makes CASA's best interest focused advocacy more important to judges as they make the decisions that will impact the lives of the children who come before them.

In addition to its positive, direct impact on individual children, CASA OF NH strengthens the overall community as it captures every opportunity to educate the public-at-large concerning issues of child abuse and neglect; mobilizes thousands of volunteers in cost-effective and efficient ways; and collaborates with many other public, private, and professional stakeholders for the benefit of our state's victimized children.

CASA of NH has an admirable mission; seasoned personnel and committed volunteers; and a sound advocacy program. It enhances its programmatic expertise with sound business practices and managerial acumen that have been recognized in the following ways:

- The *Walter J. Dunfey Award* for excellence in nonprofit management, The Corporate Fund, 2001.
- 2001, New Hampshire Bar Association's *Frank Rowe Kenison Award*
- Citizens Bank and WMUR TV-9's *Community Champion*, April 2002.
- *Business NH's 2002 Nonprofit Business of the Year.*
- *The Spirit of New Hampshire Award* from Volunteer NH!
- Citizens Bank and WMUR TV-9's *Champion's In Action*, April 2012.
- 2014 Outstanding Woman in Business Award from NH Business Review, Marcia Sink, President and CEO of CASA,
- Marcia Sink, One of 20 Outstanding Women in 2016, WZID
- 2016, Child and Family Services, *Voice for Children Award*
- New Hampshire Advantage Award, Business and Industry Association, October 24th, 2018

In summary and to specifically address points (page 7 of the RFP):

- CASA of NH has been performing these services for 34 years and has provided guardian ad litem services to 12,880 children spanning 6,975 cases involved in District Court, Family Court, Probate Court, Superior Court and the NH Supreme Court.
- CASA of NH exercises supervision and quality control by adhering to 1) strict National CASA Standards, 2) the close co-managing philosophy that is at the core of the supervised volunteer model, and 3) The State of NH Guardian ad litem rules.
- Anecdotally, Judges relate that they are better informed and able to make more timely decisions when a CASA/GAL is appointed.
- Please see **Appendix J** for the five-year update on claims that CASA OF NH has been involved in.

Item #8 of Proposal: Personnel Resumes for Key Personnel (appendix F)

- All listed on the cover to the appendix F

Item #9 of Proposal: Detailed Response and Scope of Work

CASA of NH's goal is to provide outstanding and personalized advocacy for each child brought to the attention of the New Hampshire courts because they have suffered abuse and/or neglect at the hands of their parents or primary caregivers.

CASA of NH projects that we must secure an additional 300 active volunteers over these two years to assume responsibility for the projected increase in cases and to address anticipated attrition, while assuring that proper volunteer to case ratios are maintained. To accomplish this, the organization must continually and rigorously recruit volunteers to offset natural attrition and increase the pool of GALs available to take new cases.

With the funds being requested in this budget cycle CASA will still seek to increase its advocate and staff capacity in order to meet the increasing state demand for GALs in child protection cases. CASA recognizes the necessity of appropriate case management and oversight as we build our capacity to meet the demand. With the influx of the projected 300 new advocates CASA will maintain the strict case oversight and supervision required by our own program guidelines and National CASA program standards. Strong staff supervision and support are key elements in the retention of existing advocates. As cases become more complex and litigious our advocates look to staff for support, guidance and training.

CASA volunteers are available for appointment by judges in all New Hampshire District and Family Courts. They also participate in termination of parental rights (TPR) proceedings and adoptions that still remain in Probate Court and at the New Hampshire Superior and Supreme Court level upon case appeal. CASA of NH assumes GAL responsibility for as many children as it can effectively serve. Only when there is a conflict of interest or when a volunteer is not immediately available in a specific area, do we decline the appointment. Standards for determining guardian ad litem conflicts are set forth in the New Hampshire Guardian ad litem Board Administrative rules at 503.06. CASA/GALs are subject to and comply with these rules. The more CASA of NH is able to increase the pool of CASA advocates, the fewer the number of cases we will decline.

CASA/GALs comply with all statutes, laws, regulations and orders of Federal, State, County, and municipal authorities and provide the following service components:

- Visit the child/children at least once each month to gather firsthand information and offer personal support and guidance.
- Interview each person who has bearing on the child's life – parents, foster parents, teachers, health care professionals, counselors, coaches, et al.
- Assemble all the pieces of information into a clear, objective, informative, reliable court report which is reviewed by the CASA/GAL Program Manager and submitted to the court and other case principals at least five days before the review hearing.
- Attend every court hearing involving the child's case and respond to questions and comments concerning the child's best interest.
- Monitor and/or help advance any court orders pertaining to the child; report updates in subsequent reports.
- Follow the case as it enters other phases and courts – e.g., TPR, adoption and appeals in Family, Probate, Superior, and NH Supreme Courts.
- Continue to represent the child until a satisfactory conclusion is reached for his/her future and the child is in a safe, permanent home.

In the execution of these duties, CASA/GALs contribute not only the hours of their volunteerism, but also an amazing number of miles and other un-reimbursed expenditures. In FY 2022 alone, they donated more than 89,866 hours of service and 518,368 un-reimbursed travel miles. To support their efforts, CASA of NH provides ample non-monetary resources: direct support, oversight, and guidance from their CASA staff; access to on-line resources; regional office and meeting space; immediate legal

counsel from Staff Attorneys; and supplemental, pro bono legal advice from law firms who assist with special expertise as it is required.

Case files, hearing and court order tracking, statistics, and other pertinent information are managed by computer software developed specifically for the needs of CASA programs and is customizable for individual program needs. CASA Manager™ is a powerful reservoir of vital information. CASA/GAL Program Managers are fully trained in its use and required to input all case data in a timely manner. Our case management software has been optimized to track everything from volunteer training through supervision of CASAs and child referrals through assignments and outcomes. The system enables us to generate immediate and accurate reports to the Judicial Council, NCASAA and others, in the timeframe they require.

CASA OF NH has critical seats on commissions and committees seeking to improve a multi-system response to child abuse and neglect. CASA of NH is statutorily assigned to a number of these efforts and is a trusted contributor in efforts to improve the quality and standards of child protection and judicial activity. For its part, CASA of NH recognizes its responsibility in the broader context as much as in the individual lives of young children. Toward that end, CASA of NH staff members accepts assignments on child protection and judicial committees, task forces, review teams, and the like. Some of these opportunities are the following:

- NH Attorney General's Task Force on Child Abuse & Neglect since 1991
- New Hampshire Child Fatality Review Team since 1993
- Sudden Unexpected Infant Death Review Committee
- New Hampshire Domestic Violence Fatality Review Committee
- NH Human Trafficking Collaborative
- Executive Committee for the New Hampshire Court Improvement Project since 1996
- Model Court Project
- National CASA Board of Directors, former Vice President and National President
- NH Guardian ad Litem Board
- Member NH Supreme Court Access to Justice, Citizens Commission on the Court
- Legislative Oversight Commission on Children's Services

CASA of NH's vision is for every child in New Hampshire to be safe, nurtured and thriving in a permanent home. For thirty-four years, CASA of NH has clearly demonstrated its commitment to this lofty goal and its solid, strategic efforts toward achieving it. It has been exemplary in its stewardship and financial management, forward thinking in its capacity-building efforts, and collaborative in its programmatic approach.

STANDARDS FOR STATE CASA/GAL ORGANIZATIONS

Introduction

The implementation of the 2018 Standards for State CASA/GAL Organizations represents a significant milestone in the implementation of National CASA Association's Strategic Framework. The standards reflect our focus on becoming a highly effective organization at the national, state and local levels in providing quality volunteer advocacy for children who have experienced abused or neglect.

This work includes redesigning the prior quality assurance (QA) approach, which had been in place since 2004 and required state organizations to participate in self-assessments in relation to the state standards, scheduled to occur every four years. We are formally beginning the shift away from simply compliance with standards to a focus on helping and developing state organizations become highly effective.

The quality assurance process will utilize a continuum with Established, Advancing and Highly Effective levels to help identify program strengths, capacity, challenges and opportunities to promote program growth and sustainability. Operating based on a set of quality standards remains vital. This set of standards outlines expectations that state organizations:

- Respect and are committed to quality service to the local programs
- Work positively and collaboratively with other state organizations, local programs and with National CASA
- Utilize established policies and procedures necessary for effective management
- Manage their financial affairs prudently, are financially sound, and are committed to the principles of public disclosure
- Continually evaluate their services and operations
- Recruits, trains, develops and supports a high-caliber team through effective people practices

The National CASA network is strengthened through participation in the new highly effective standards review process, fostering greater awareness among staff, volunteers and governing body of how the organization operates, including both program excellence and program challenges. National CASA is committed to quality and will support this commitment through technical assistance to state organizations and the local programs they support.

We are excited about the direction it will take our network to achieve our collective mission.

STANDARDS FOR STATE CASA/GAL ORGANIZATIONS

History of NCASAA Standards and Revisions

Prior to 2018

The National CASA Association first issued standards and recommended management practices for local CASA/guardian ad litem (GAL) programs in 1990. A year later, compliance with the standards became a mandatory condition of membership in National CASA. In 1994, the board of directors appointed a committee to review the existing standards, recommend management practices and provide revisions and updates. As a result the Standards for Local CASA/GAL Programs were formed. It contains standards, requirements and implementation guidelines for local program members of the National CASA Association, referred to in the body of the document as CASA/GAL programs. The standards committee incorporated the Code of Ethics document into the local CASA/GAL standards in 2000. In an effort to promote and maintain high-quality, consistent and ethical governance and management at both the state and local level, Standards for State CASA/GAL Organizations was developed in 1998. In 2003 the state standards were reviewed and revised by members of the National CASA network, Standards Committee and National CASA Board of Trustees, resulting in the 2004 edition. In 2009 the National CASA Board of Trustees approved an edition of the Standards for State CASA/GAL Organizations.

Preparing 2018 Standards

Work began in 2017 to update the standards to align with the direction of becoming highly effective organizations. The State Leadership Council served as the primary work group. First, the Role of State Organizations and the definition of a Highly Effective State Organization were developed. These then informed creation of the new Standards for State CASA/GAL Organizations.

The work was further shaped by reviews with the local leadership councils and input gathered from the CASA/GAL network at large. The first network comment period focused on the proposed state standards in late December 2017. The second comment period in March 2018 gathered input on the related technical guidance. The State Leadership Council then approved the revised standards with technical guidance in April 2018. And the standards with technical guidance were then approved in June 2018 by the National CASA Board of Trustees.

On the Standards and Quality Assurance webpage in the member portal, is a collection of related highly effective documents as well. The document set is dynamic, with new resources or policies added once approved and ready for implementation.

About the National CASA/GAL Association for Children

The National CASA/GAL Association for Children (National CASA/GAL Association, National CASA/GAL or the Association), together with its state and local member programs, supports and promotes court-appointed volunteer advocacy so every child in the United States who has experienced abuse or neglect can be safe, have a permanent home and the opportunity to thrive. National CASA/GAL is the federated membership association for 948 state and local court appointed special advocate (CASA) and volunteer guardian ad litem (GAL) programs in 49 states and the District of Columbia. CASA/GAL volunteers and staff work every day to help change a child's story.

Executive Summary

The adoption of *2020 Standards for Local CASA/GAL Programs (Standards)* represents a significant milestone in the implementation of the National CASA/GAL Association for Children's (National CASA/GAL) Strategic Framework. The 11 updated Standards reflect our focus on becoming a highly effective organization at the national, state and local levels, as well as our unwavering commitment to providing quality volunteer advocacy for children who have experienced abuse or neglect. Operating based on a set of quality standards remains vital to our focus on developing and supporting highly effective local programs.

The objective of *Standards for Local CASA/GAL Programs* is to set performance levels for local programs to ensure quality while allowing individual programs room for creativity and innovation. A set of quality standards to measure a program's operations demonstrates that a program:

- **Respects and is committed** to quality for the children and families served and that volunteers provide best-interest advocacy
- **Utilizes established policies and procedures** necessary for effective management and governance
- **Manages their financial affairs** prudently, are financially sound, and are committed to the principles of public disclosure
- **Continually evaluates** its services and operations
- **Works positively and collaboratively** with their stakeholders, state organization, other local programs and with National CASA/GAL
- **Recruits, trains, develops and supports** a high-caliber team through effective human resource practices

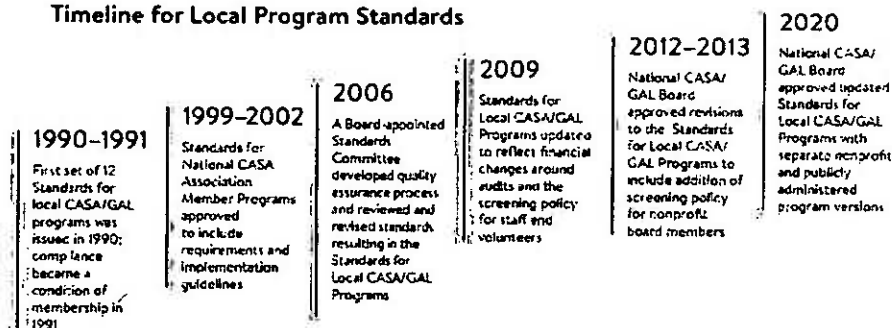

The National CASA/GAL network is strengthened through programs operating under a national set of standards that ensures high-quality best-interest advocacy. Programs are required to adhere to standards that align with a core model, support best practices in governance, management and operations, and are based child welfare consistent guiding principles. The programs participate in standards-based quality assurance (QA) reviews which foster greater awareness among staff,

volunteers and governing bodies of how the programs are governed, operate, and execute on our shared mission. National CASA/GAL is strongly committed to high quality best-interest advocacy and will support this commitment through technical assistance to the local network to achieve these Standards.

History of National CASA/GAL Association Standards and Revisions (Prior to 2020)

The National CASA/GAL Association first issued a simple set of 12 Standards for local CASA/GAL programs in 1990, with the Standards becoming a condition of membership a year later. The Standards have evolved over time to include separate standards for local CASA/GAL programs compared to standards for state CASA/GAL programs, the development of QA processes as well as revisions to the respective standards to reflect improved operations and updated management practices.

Timeline for Local Program Standards

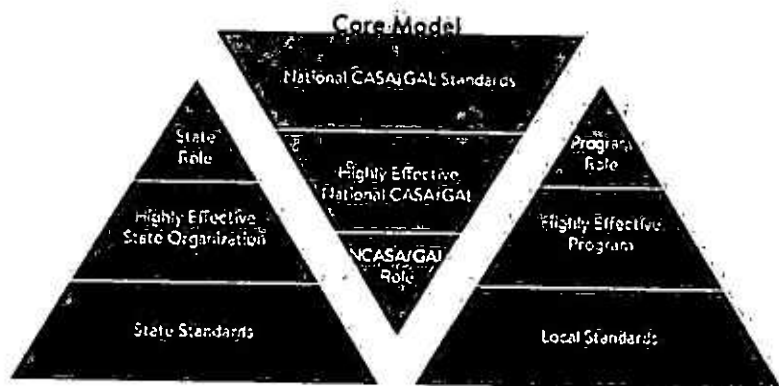

To update and revise the Standards, National CASA/GAL sought and received significant input from the entire CASA/GAL network. A Standards Committee was formed representing a broad cross-section of the CASA/GAL network diverse in demographics and skill set. Staff from state and local programs; urban and rural programs; guardian ad litem and friend of the court models; the judiciary; and National CASA/GAL staff were represented on the Standards Committee.

This commitment to network input continued with the latest inclusive process launched in the Spring of 2017 to update the state and the local program standards to align with the strategic direction of becoming highly effective organizations. Along with the development of key foundational documents to guide the work of the network, to include the *National CASA/GAL Association Core Model*, documents describing the roles of National CASA/GAL, state CASA/GAL organizations and local CASA/GAL programs, and the highly effective definitions for each level within the network, new *Standards for State CASA/GAL organizations* were adopted by the National CASA/GAL Board of Trustees in 2018.

Creating the 2020 Standards for Local CASA/GAL Programs

In April 2017, the four local leadership councils (Rural, Suburban, Tribal and Urban) served as the primary work groups in the development of updated local program standards. First, the *Role of a Local CASA/GAL Program* and the definition of a *Highly Effective Local CASA/GAL Program* were developed individually by each leadership council. The four versions of these two documents were then combined into a unified document to help inform creation of new standards for local CASA/GAL programs.

Foundational Documents

The local standards work was further shaped by reviews from the State Leadership Council, all state directors and input gathered from the CASA/GAL network at large. The first network comment period in response to the draft Standards was conducted in December 2018. Feedback was received and incorporated into a revised draft version of the new local standards in 2019. A subsequent comment period was held in early 2020, followed by the local leadership councils approving the overarching 11 Standards for local programs in March 2020 followed by approval of related elements of practice for each of the 11-Standards during their meetings in May 2020.

In June 2020, the 11 Standards and accompanying elements of practice were approved by both the State and National Leadership Councils resulting in the next step of separate documents being created - one for nonprofit local programs and another for publicly administered programs, along with a combined glossary of terms. During June-August 2020 council meetings, the Nonprofit Standards, Publicly Administered Standards and Glossary of Terms were approved by the six leadership councils with a recommendation to move the documents forward to the National CASA/GAL Board of Trustees for review and adoption. The Board of Trustees approved the Standards for adoption in September 2020.

Process for New Local Standards Development

April 2017	Local leadership councils start developing the <i>Role of a Local Program</i> , a <i>Highly Effective Program</i> and updated local standards
Dec 2018	45-day comment period held to give the network an opportunity to provide feedback on the draft of the updated local standards
Oct 2019	New draft of local standards developed in consultation with the leadership councils in response to network feedback received
Jan 2020	Subsequent network-wide comment period conducted for input on the revised draft of the local standards
Sep 2020	<i>Standards for Local CASA/GAL Programs</i> adopted by National CASA/GAL Board of Trustees following leadership council approvals

Primary Contributors

Many members of the CASA/GAL network contributed to the update of the local Standards. This includes serving on work groups and/or providing input during comment periods. We wish to recognize the following 2017 through 2020 leadership council members, the Quality and Accountability Committee members and a group of National CASA/GAL staff for their specific contributions to development of the 2020 versions of the *Standards for Local CASA/GAL Programs*. We thank everyone for your time and your partnership as we focus on quality, capacity, growth and effectiveness at the national, state and local levels.

How to Use the Standards

The document provides a framework for quality program management and operations excellence for nonprofit CASA/GAL programs. The document is organized into sections dealing with specific areas of program management. Each section begins with a standard. There are 11 *Standards for Local CASA/GAL Programs*. The order of the standards does not in any way represent importance; they are all equal in stature.

The standard statement in each section defines the overall approach to manage a particular aspect of program operations. Under each standard, "Elements of Practice" are provided as indicators for how the standard is implemented. Elements of Practice operationalize the standards by specifying activities, policies and/or processes for a local program to have in place to adhere to and to carry out the intent of the overall standard.

A **Glossary of Terms** is provided as a complement to the standards to provide a definition of select terms. The first use of each term in the *Standards At A Glance* and the elements of practice is linked to the term in the glossary.

The **Documentation List** is organized by standard and is designed to itemize the documents or type of documentation that will or can help to substantiate the elements of practices for the respective standards. Though all documentation is requisite, a series of the documents will be required to be submitted to National CASA/GAL as a part of the local QA process.

A Integrates the following guiding principles into all aspects of program practices, policies and procedures:

- 1 | Recognize the importance of family preservation and/or reunification:
 - a It is in a child's best interest to remain with their family of origin when safely possible.
 - b The program acknowledges that children experience trauma when separated from their family of origin.
 - c If a child is removed from their family of origin, it is in the child's best interest to be reunified with their family of origin as soon as safely possible.
 - d If a child is removed from their family of origin, the child should be placed with a relative whenever safely possible and in the child's best interest.
 - e Strengthening families, through recommendations for services, supports, visitation and communications, is in the child's best interest to achieve stability and/or reunification.
 - f The program requires and demonstrates respect for the parents and all parties associated with the case.
 - g The program ensures that information regarding the family's strengths is incorporated into reports to the court.
 - h The program ensures that information regarding the child's wishes is incorporated into reports to the court.
 - i When a court determines a child cannot be safely reunified with their family of origin consistent with legal mandates, another permanent placement is in a child's best interest.

2 | Recognize the importance of diversity, equity and inclusion:

- a All children regardless of age, race, ethnicity, national origin (ancestry), color, religion (creed), gender, gender expression, sexual orientation, disability or physical challenge should be safe, have a permanent home and an opportunity to thrive.
- b The program acknowledges the existence of implicit bias and takes steps to minimize and/or eliminate implicit bias.
- c The program demonstrates an understanding of disproportionality impacting children who have experienced abuse or neglect.

3 | Recognize the importance of collaboration:

- a The CASA/GAL program's governing board and the executive director, along with program staff and volunteers, cooperate and coordinate with other volunteer and public service agencies, the courts, community groups, families and individuals to:
 - i Improve services for individual children and their families.
 - ii Advocate for needed change in the conditions which adversely affect the children served.

B Provides orientation, training, and continuing education for staff, volunteers and nonprofit governing board members about these guiding principles.

STANDARD 3

Diversity, Equity and Inclusion

STANDARD 3

Diversity, Equity and Inclusion

3

Commits to diversity, equity and inclusion and demonstrates these qualities in its own operations, governance, management and quality advocacy for children.

Elements of Practice

A Works to diversify its staff, volunteers and governing board to reflect the population and meet the needs of the children served.

- 1 | Written plan and action steps are adopted to diversify the program's staff, volunteers and governing board to reflect the population of children served.
- 2 | Written plan and action steps are adopted to promote equity and inclusion of diverse staff, volunteers and members of the governing board.
- 3 | Written plan is measurable and reviewed by the governing board to assess progress, at least annually, as part of the program evaluation process and the goals and measures are updated every three years.
- 4 | The governing board identifies strategies and outcomes for diversity, equity and inclusion for program planning.
- 5 | The program engages in collaborative efforts with its state CASA/GAL organization to foster diversity, equity and inclusion.
- 6 | The program staff, volunteers and governing board participate in, at least annually, education and training approved and documented by the program related to diversity, equity and inclusion.
- 7 | The program engages individuals who can:
 - a | Help the program identify and understand the needs of the children served.
 - b | Identify the action steps the program can take to address these needs in governance, recruitment, training, supervision, retention, evaluation and advocacy.

B Promotes equity and inclusion through its governance, management, operations, recruitment, continuing education, retention and advocacy policies and practices.

C Commits to understanding disproportionality and disparate outcomes.

- 1 | Collects and reviews data which may include: race, ethnicity, nationality, socioeconomic, gender, sexual orientation, and disability for the children served to inform the program about disproportionality and disparate outcomes.
- 2 | Engages in activities to increase the awareness and understanding of volunteers, staff and governing board members regarding issues of disproportionality and disparate outcomes within its local child welfare and court systems.
- 3 | Participates and works in partnership with child welfare providers and court representatives in identifying, understanding, and addressing their community's issues of disproportionality and disparate outcomes.

D Promotes a diverse, equitable and inclusive workplace.

- 1 | The program is inclusive and actively recruits qualified staff reflective of the children served.
- 2 | The program administers its human resources practices to all persons without discrimination based upon age, race, ethnicity, national origin (ancestry), color, religion (creed), gender, gender expression, sexual orientation, disability or physical challenge.
- 3 | The program's staff recruitment and selection practices are in compliance with applicable laws and regulations.
- 4 | The program is in compliance with the Equal Employment Opportunity Act.
- 5 | The program has written equal opportunity, anti-discrimination and anti-harassment policies which clearly state its practices in recruiting, selecting and promoting staff.
- 6 | The program publicizes its equal opportunity policy in their staff recruitment materials.
- 7 | The program makes reasonable efforts to ensure the workplace is free of barriers for staff, volunteers and others.

STANDARD 4

Ethical Conduct and Confidentiality

STANDARD 4

Ethical Conduct and Confidentiality

Upholds the credibility, integrity, dignity and reliability of CASA/GAL advocacy by conducting all interactions in an honest, fair, respectful and compassionate manner. The program incorporates policies and practices to avoid conflicts of interest and preserve confidentiality.

4

Elements of Practice

A Requires ethical conduct.

- 1 | The program establishes policies to govern ethical conduct of its staff, paid consultants, volunteers and governing board.
- 2 | The program maintains a written conflict of interest policy approved by the governing board. The conflict of interest policy:
 - a Help the program identify and understand the needs of the children served.
 - b Identify the action steps the program can take to address these needs in governance, recruitment, training, supervision, retention, evaluation and advocacy.
 - c Is signed annually by staff, paid consultants, and members of the governing board and the program retains this document in the appropriate record or file.
 - d Identifies and defines conduct and transactions in which a conflict of interest exists or has the potential to exist and warrants disclosure.
 - e Prohibits staff, paid consultants, volunteers and members of the governing board from having direct or indirect financial interest in the assets, leases, business transactions or professional services of the program.
 - f Prohibits staff and/or assigned CASA/GAL volunteers from being related to any parties involved in the case or being employed in a position and/or affiliated with an agency that might result in a conflict of interest.

- e identifies other specific conduct or circumstances that constitute a conflict or potential conflict and would therefore be prohibited.
 - f Requires that the individual involved makes timely disclosure to the program of any conflict or potential for conflict of interest.
 - g Includes a procedure for recusal from the transaction, case or decision by the individual with the conflict or potential conflict.
 - h Includes a procedure for dismissal or other appropriate discipline of the individual involved with a conflict in the event said individual fails to disclose the conflict prior to becoming involved in the transaction, case or decision affected by the conflict.
- 2 | The program maintains a written conflict of interest policy approved by the governing board. The conflict of interest policy:
 - 3 | Although legal counsel may be provided to the program under voluntary auspices on a pro bono basis and a lawyer who offers legal counsel may sit on the program board, the program clarifies these roles in order to keep the two functions separate.
 - 4 | If active volunteers are members of the governing board, there are processes and procedures in place for handling potential conflicts of interest in relation to human resources and other issues with potential for a conflict of interest.
 - 5 | The program's staff, volunteers and governing board members must immediately notify the CASA/GAL program of any criminal charges filed against them.
 - 6 | The program shall promptly refer to National CASA/GAL and the state CASA/GAL organization any credible evidence that a staff person, volunteer, governing board member, contractor, subcontractor, subgrantee or other person affiliated with the program has committed a criminal or civil violation of law pertinent to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving program funds.

B Maintains Confidentiality.

- 1 | The program follows written policies and procedures regarding access to, use of, and release of information about the children it serves to ensure that the confidentiality of children and their families is maintained at all times.
- 2 | Staff and volunteers respect the child's right to privacy by maintaining confidentiality.
- 3 | Volunteers take an oath of confidentiality upon completion of the National CASA/GAL Association Pre-Service Training and sign a statement of confidentiality upon acceptance of each case.
- 4 | Staff and members of the governing board sign a statement of confidentiality upon hire or affiliation with the program.
- 5 | The program demonstrates its compliance with applicable statutory requirements pertaining to confidentiality of case-related information by ensuring that its policies, procedures and practices are consistent with all applicable laws and regulations.
- 6 | Access to records is limited to the court, authorized program staff and others outside the program whose request for access to confidential information is permitted by statute or the court.
- 7 | The program has a written policy to protect confidential information of staff, volunteers, governing board and advisory committee members, and donors.
- 8 | All confidential electronic and hard copy correspondence, files and records are securely maintained and are readily accessible.

Governance and Administration

STANDARD 5

Governance and Administration

Oversees and ensures compliance with applicable laws, regulations, fiduciary obligations, written agreements, standards and financial sustainability of the program.

Elements of Practice

- 5** **A** Ensures the governing board adheres to its role and responsibilities:
- 1 | Ensures program compliance with applicable state and local statutes, court rules, ordinances, executive orders and appropriate regulations.
 - 2 | Provides the program with access to legal counsel and/or relevant legal expertise to clarify the meaning of laws and regulations governing its program operations and to provide legal counsel as needed to assist in performing the duties assigned to the volunteers by the courts.
 - 3 | Establishes a written strategic plan with annual operational goals and objectives that is reviewed and evaluated annually.
 - 4 | Ensures development of and compliance with all policies required by National CASA/GAL.
 - 5 | Reviews all required policies at least every three (3) years (or more often if required by law, rule, regulation, ordinance, executive order, court order, or standards) to assess the need for updates. The date of each review shall be noted on the corresponding document.
 - 6 | Adheres to a whistleblower policy which provides members of the governing board, staff and volunteers a procedure for reporting unethical, inappropriate or illegal activities by members of the governing board, staff or volunteers and such policy affords the reporter protection in making good faith report about such activities.
 - 7 | Secures sufficient financial resources, and manages resources prudently in order to support the program's provision of services.

- 8 | Adopts the program's written budget annually which guides the management of resources based on:
 - a Funding anticipated during the program year.
 - b Fixed and incremental costs of operating the program and identification of potentially changing costs.
 - c Review, approval and documentation of any budget deviations.
- 9 | Ensures the program has applicable insurance coverages, such as liability insurance, workers' compensation insurance and directors' and officers' coverage.
- 10 | Appoints the executive director, or functional equivalent, and delegates authority and responsibility for program operations, financial management and policy implementation to the executive director.
- 11 | Evaluates the performance of the executive director in writing at least annually utilizing written performance criteria.
 - a Provides for the participation of the executive director in the evaluation process.
 - b The executive director is given the opportunity to sign the evaluation report, to obtain a copy and to include written comments before the report is entered into the human resources record.
- 12 | Establishes a written succession plan for the executive director position. The plan makes provision for the following:
 - a Designating an interim executive director, if necessary.
 - b Charging a committee or designee with responsibility for conducting a formal search.
 - c Identifying and providing resources needed to carry out the search effectively.
 - d Notifying the state CASA/GAL organization, National CASA/GAL, significant funders, staff and stakeholders promptly.
- 13 | Maintains records of every governing board meeting and accurately reports all actions taken by the governing board and includes a summary of the governing board's deliberations. The written record also includes reports of board committees. The written record is prepared in a timely manner and copies are made available to members of the governing board. A master copy of the written record, to include all board meeting

minutes, dates, topics or agendas, and attendance records, is kept with the CASA/GAL program's official documents.

- 14 | Ensures the program has been granted the legal authority to operate through state or local statutes, executive or judicial order or court rules.
- 15 | Ensures the program has a statute or written agreement with the juvenile or family court that defines the case assignment and acceptance process as well as the working relationship between the program and the court.
 - a The agreement must be reviewed at least once every three (3) years to assess the need for updates.
 - b The written agreement between the CASA/GAL program and the court must be renewed when there is a change in the judicial leadership or changes in policy, law or local court rules, or program resources that substantially impact the relationship between the program and the court.
 - c The CASA/GAL program has regular communication with the court in order to evaluate the court's satisfaction with the program and to obtain the court's recommendations for improving the effectiveness of the program.
- 16 | Ensures the development of, compliance with and review of by-laws for programs structured as nonprofits. At a minimum, the by-laws:
 - a Meet statutory requirements.
 - b Describe the organizational structure and responsibilities of the governing board.
 - c Establish the mechanisms for selection, rotation and duration of membership, and election of officers.
 - d Describe terms of board membership.
 - e Set the minimum number of formal meetings of the full governing board at least four (4) times per calendar year.
 - f Set the quorum for these meetings of at least a simple majority of the current membership of the governing board.
 - g Describe standing committees to include executive and finance committees.

B Ensures and monitors screening of all staff, volunteers and members of the governing board as follows:

- 1 | Obtains a completed written application from each prospective staff person, volunteer or governing board member containing information about educational background, training, employment history and experience working with children.
- 2 | Obtains the names of three (3) or more references that are unrelated to the applicant.
- 3 | Obtains written authorization and information for the program and other appropriate agencies to secure and secure a background check on each prospective staff person, volunteer and governing board member initially and at least every four (4) years if there are no Rap Back services to include:
 - a Criminal records from the court jurisdiction in which the applicant currently resides and works.
 - b State criminal records.
 - c FBI or other national criminal database.
 - d National sex offender registry.
 - e Child abuse registry or child protective services check where permissible by law.
 - f Social security number check or the equivalent that allows for additional names, aliases and/or addresses to be obtained for the individual for further checks.
- 4 | Conducts a personal interview in-person with each prospective staff person, volunteer and governing board member.
- 5 | Secures county and state criminal record checks for any county or state not covered by a national criminal background check in which the prospective staff person, volunteer or governing board member has resided for the previous seven (7) years.
- 6 | Secures a child abuse registry or child protective services check, unless prohibited by law, for any state in which the prospective staff person, volunteer or governing board member has resided for the previous seven (7) years.

5

- 7 | Declines any prospective staff person, volunteer or governing board member who refuses or fails to sign a release of information form or submit the required information necessary for any of the checks required by these Standards for Local CASA/GAL Programs.
- 8 | Declines or dismisses any prospective or current staff person, volunteer or governing board applicant found to have been convicted of, or having charges pending for a felony or misdemeanor involving a sex offense, child abuse or neglect or related acts that would pose risks to children or the program's credibility.
- 9 | Considers if an applicant is found to have committed a misdemeanor or felony that is unrelated to or would not pose a risk to children and would not negatively impact the credibility of the program, the extent of the rehabilitation since the misdemeanor or felony was committed, as well as other factors that may influence the decision, to accept the applicant as a staff person, volunteer or governing board member.
- 10 | Completes and documents all screening before the staff person, volunteer or governing board member is accepted by the program and written verification is maintained on file at the program office.
- 11 | Provides written notification as part of the application process for prospective staff, volunteers and governing board members about all screening and background check requirements.
- 12 | Repeats and documents these record checks for each active staff person, volunteer and governing board member at least every four (4) years. Rap Back services may be utilized for criminal background re-checks.
- 13 | Determines and monitors adherence to policies related to corrective action(s) for any current staff person, volunteer or governing board member who violates a program policy, court rule or law that poses a risk to a child or negatively impacts the program.

C Provides program administration oversight as follows:

- 1 | Ensures clear lines of accountability and authority exist at all levels of the program's organizational and management structures and are formalized in a chart of the organization, showing lines of accountability to which all staff, volunteers, and governing board members have received orientation.
- 2 | If the CASA/GAL program is under the umbrella of a parent organization, a written agreement or memorandum of understanding (MOU) is developed that:

- a Details the rights and responsibilities of the program and the parent organization.
 - b Includes procedures for resolving situations in which a conflict of interest exists between the CASA/GAL program and its parent organization.
 - c Contains the protocol for resource development activities of both organizations.
 - d Sets a time frame of no more than two (2) years for review and possible revisions of the agreement.
 - e Specifies the process for termination of the agreement or memorandum of understanding.
- 3 | Communication and collaboration between staff, volunteers and governing board members is promoted by providing opportunities for interactions amongst volunteers, staff and the governing board.

D Recruits members of the governing board:

- 1 | The governing board is diverse and has members who bring a range of skills, backgrounds and knowledge which support the CASA/GAL program in fulfilling its mission.
- 2 | The program utilizes a written plan or matrix to guide its recruitment efforts.
- 3 | The CASA/GAL program governing board includes individuals with various capabilities:
 - a Skills and experience to serve at a policy-making level.
 - b Ability to advocate for sufficient financial resources for the program to carry out its purpose.
 - c Knowledge of the court system and the community served.
 - d Ability to reflect community and client interests and to advocate for culturally responsive service delivery.
 - e Other specialized skills needed to carry out the objectives of the program.
- 4 | The program develops and utilizes on an ongoing basis the following:
 - a Job descriptions for board members.
 - b Board recruitment strategies.
 - c Election and screening procedures.

E Provides formal orientation for governing board members:

- 1 | Ensures new members of the governing board receive formal orientation to:
 - a Applicable laws and regulations.
 - b National CASA/GAL Association Core Model.
 - c National CASA/GAL Association Standards for Local CASA/GAL Programs.
 - d Roles of national, state and local CASA/GAL programs.
 - e The program's goals, objectives, structure and operations.
 - f Applicable fiduciary responsibilities, including financial oversight.
- 2 | Ensures the governing board members are familiarized with program services and are provided with key documents related to program governance and/or nonprofit board responsibilities.
- 3 | Completes screening and background checks for governing board members consistent with Standard 5.B above prior to affiliation.

5

F Establishes a written plan for ongoing training and development to improve the knowledge and skills of the governing board that is reviewed and evaluated annually.

G Maintains governing board records:

- 1 | Applications and screening documentation consistent with standard 5.B for each governing board member.
- 2 | Signed and dated statement of confidentiality for each governing board member.
- 3 | Signed and dated conflict of interest policy for each governing board member.
- 4 | Board minutes signed by the board secretary or designee, including attendance, dates of meetings, agendas, topics covered and decisions or resolutions.
- 5 | Standing committee meeting minutes, including attendance, dates of meetings, agendas, topics covered and decisions or resolutions, if applicable.

STANDAR 6

Management and Funding

STANDARD 6

Management and Funding

Demonstrates mission-oriented leadership in operations management and is a responsible steward of all resources in order to maximize advocacy for children who are eligible for and in need of a CASA/GAL volunteer.

Elements of Practice

A Demonstrates program leadership.

- 1 | The executive director is responsible for the day-to-day management of the CASA/GAL program.
- 2 | The executive director has the following qualifications:
 - a Education and/or training in a related field.
 - b Management skills and experience to effectively administer the program's human and financial resources.
 - c Ability to effectively coordinate services with the court and other community agencies.
- 3 | The executive director:
 - a Plans and coordinates with the governing board the development and periodic review of program policies for approval.
 - b Establishes a logic model that is adopted by the governing board and evaluated annually.
 - c Attends, or is represented by a designee, at all meetings of the governing board and its committees to the extent authorized by the governing board.
- 4 | The executive director is delegated human resources management authority by the governing board and the executive director ensures that the program's staff management is carried out in accord with written policy.

B Manages financial resources.

- 1 | The program follows a written plan for securing and maintaining diversified financial resources adequate to accomplish its established goals and objectives.
- 2 | The program maintains its tax-exempt status, if applicable.
- 3 | The program seeks to conserve its financial resources by:
 - a Accessing benefits allowed for tax exempt organizations, when applicable.
 - b Maintaining sound policies regarding purchasing and inventory control.
 - c Using competitive bidding, where applicable, in accordance with governing board policy and law or regulation.
- 4 | The program regularly analyzes:
 - a Cost of operations.
 - b Current and potential funding sources.
 - c Allocation of funds.
 - d Effectiveness in achieving budget objectives.

C Reports and accounts for fiscal operations.

- 1 | The executive director is accountable to the governing board for prudent financial management.
- 2 | The executive director ensures the submission of financial reports to the governing board at least quarterly.
- 3 | The program ensures that an annual report is developed which includes financial, statistical and service data summary information.
- 4 | The program annually files the required Internal Revenue Service (IRS) Form 990 in a timely manner which is provided to the governing board or designee prior to filing.
- 5 | The program makes timely payments to the IRS and to other taxing authorities, as required by law.
- 6 | Independent audits, financial reviews or compilations are required annually as follows in the table below. Audits are recommended at least every three (3) years regardless of annual revenue.

Annual Program Revenue	Time Requirement	Required Level of Independent Review	Acceptable Service Provider
> \$500,000	Annual	<u>Audit</u>	Independent CPA
\$250,000-\$500,000	Annual	<u>Financial Review</u>	Independent CPA
< \$250,000	Annual Independent CPA Review recommended every three (3) years	<u>Financial Compilation</u>	<u>Qualified Individual</u>

- 6
- a A financial audit, review or compilation is completed within nine (9) months following the close of the fiscal year.
 - b A designated committee of the governing board, such as a finance or audit review committee, or a designated member of the governing board reviews the audit findings and meets with the independent auditor as necessary.
 - c The auditor's report is reviewed and formally approved or accepted by the governing board and is made available for public inspection.
 - d When a management letter has accompanied the audit, the governing board promptly reviews and ensures that the recommendations are implemented.
 - e The program sends to National CASA/GAL any audit findings or questioned costs from any private or government audit/monitoring report within 60 days of receipt of findings.
 - f Programs receiving grant funding through National CASA/GAL may be subject to additional financial oversight.

D Adheres to accounting and financial reporting policies

- 1 | Generally Accepted Accounting Principles (GAAP) apply to independent audits and reviews. Therefore, management's financial statements must be prepared in accordance with GAAP.
- 2 | The program has written operational policies and procedures with regard to accounting controls to which the program adheres. In the case of programs under an umbrella organization, the program adheres to the extent that is within the program's control. These policies and procedures include:
 - a Descriptive chart of accounts.
 - b Prompt and accurate recording of revenues and expenses.
 - c Maintenance of a filing system which contains account records and receipts.
 - d Safeguarding and verification of assets.
 - e Control over expenditures.
 - f Separation of duties to the extent possible.
 - g Internal financial control policies:
 - i Accounting controls including limited system access, segregation of duties and dual controls.
 - ii Authority parameters and approval procedures.
 - iii Documentation standards.
 - iv Protection of assets.
 - v Limited access to key assets.
 - vi Reports, reconciliations and reviews.
- 3 | The program uses a financial management system that ensures the segregation of restricted funds.
- 4 | When the program has the authority, its policies and procedures require:
 - a Staff with financial responsibilities receive orientation to the bookkeeping system and retraining when system changes occur.
 - b Systems are in place to prevent or to detect fraud or abuses of the system, such as control, use, and review of the system by more than one person.

- 5 | The program's accounting records are kept up to date and balanced on a monthly basis.
- 6 | The program reconciles bank statements to the general ledger on a monthly basis.

E Develops resources to sustain the program.

- 1 | The program's governing board sets policies and provides oversight for resource development activities carried out by its staff and volunteers.
- 2 | The program registers with the applicable state agency to conduct charitable solicitations.
- 3 | The program provides potential funders with an accurate description of the program, its purpose and services as well as the financial needs for which the solicitation is being made.
- 4 | The program spends funds for the purposes for which they were solicited and/or designated, except for reasonable costs for administration of resource development activities.
- 5 | The program establishes controls on processing and acknowledging contributions in accordance with applicable laws.

F Manages the workplace.

- 1 | The program operates from commercial or community (donated, leased or owned) offices which provide a safe, well-maintained physical environment for its staff, volunteers and visitors.
- 2 | The program maintains a work environment for its staff and volunteers that is conducive to effective performance.
- 3 | The program's facilities comply with applicable health, fire safety and accessibility codes and regulations.
- 4 | The program takes reasonable measures to maintain its equipment and ensure it is used as intended.
- 5 | The program plans for the disposition of property in the event of its dissolution.

G Monitors for and minimizes risk.

- 1 | The program protects its physical, human and financial resources by evaluating, preventing and reducing the risks to which it is exposed.
- 2 | The program has liability protection for the governing board, the organization, program staff and volunteers through the court, state statute or private insurance coverage.
- 3 | The governing board has responsibility for determining the extent and nature of the liability protection needed for the program, staff, volunteers and governing board, when applicable laws are unclear or silent, and has a plan for regularly reviewing potential liability and establishes the necessary protections for preventing or reducing exposure.
- 4 | The program evaluates and reduces potential liability by:
 - a Assigning the risk management function to a person or committee whose job description includes responsibility for risk management policies and activities.
 - b Ensuring that appropriate bonding, self-insurance, or external coverage is adequate to meet the potential liability.
 - c Developing a process to identify risks in terms of their nature, severity and frequency.
 - d Avoiding risk through loss prevention and risk reduction.
 - e Evaluating and monitoring the effectiveness of the risk management function.
 - f Carrying workers' compensation insurance and other insurance as deemed necessary based upon evaluation of its risks and protects itself through means such as indemnification, participation in a risk-pooling trust or external insurance coverage.
 - g Establishing and adhering to procedures to safeguard all staff, volunteer, governing board and program confidential email communications.
- 5 | The program requires all persons with authority to sign checks, handle cash or contributions, or manage funds to be bonded or the program maintains appropriate insurance coverage to cover losses which may be incurred.
- 6 | The program informs its governing board members and executive director of the amount and type of coverage that is provided on their behalf by the program.

- 7 | The program annually reviews its insurance coverage with its insurance carrier to insure adequate coverage.
- 8 | The program displays licenses and notices required by and in accordance with applicable statutes, rules or ordinances.
- 9 | The program requires staff, volunteers and governing board members to immediately notify the program leadership if/when they have been involved in any criminal activity.
- 10 | When the practice of transporting children is not prohibited in the state, and the program allows staff or volunteers to provide transportation for children, the program:
 - a Has written policies.
 - b Secures the necessary liability insurance to cover the program and the staff or volunteer.
 - c Ensures that the staff or volunteer obtains written permission of the supervisor or executive director.
 - d Obtains written permission of the child's legal guardian or custodial agency.
 - e When allowing use of a personal vehicle for transportation of children, ensures that the staff or volunteer who has agreed to provide the transportation:
 - i Has passed a motor vehicles division record check annually.
 - ii Provides annually to the program a copy of a valid unexpired current driver's license, and proof of adequate personal automobile insurance that meets the required state minimum if one exists or the program's insurance carrier minimum if absent a state minimum.
 - iii Is knowledgeable of the potential personal risk of liability and chooses to accept the responsibility.

STANDARD

Human Resources

STANDARD 7

Human Resources

Follows written policies for recruiting, screening, training, supervising, evaluating and developing staff from diverse backgrounds in an equitable and inclusive environment that advances the CASA/GAL mission.

Elements of Practice

A Maintains and adheres to human resources policies.

- 1 | The program has and adheres to written human resources policies and practices that specify the responsibilities of staff. Human resources policies and practices are equitable, clear and consistent.
- 2 | Written human resources policies are made available to all program staff, which include, but are not limited to:
 - a Human resources practices.
 - b Working conditions.
 - c Wage policies and benefits, as applicable.
 - d Insurance protection.
 - e Required and supplemental training, and development opportunities.
 - f Social media policy.
 - g Policy requiring all staff and contract workers to disclose any paid employment, contract work, volunteer service, or membership on a board of directors that might present a conflict of interest.
 - h Whistleblower policy.
- 3 | Each staff person receives a copy of the human resources policies and provides a signed acknowledgement of reading and understanding the policies which is kept on file.
- 4 | The program complies with applicable laws and regulations governing fair employment practices.

- 5 | The executive director and/or appropriate designee reviews at least every three (3) years the human resources policies including Equal Employment Opportunity (EEO), anti-discrimination and anti-harassment policies and practices; updates policies and revises the policies as needed and submits the proposed policies to the governing board for review and approval.
- 6 | Salaries and benefits are established by considering practices of similar nonprofit organizations in the program's area.
- 7 | The program maintains written operational procedures regarding grievances to provide staff the opportunity and means to lodge complaints and appeals, unless prohibited by law.
- 8 | The program acts on any complaints in accordance with its procedures and keeps documentation on file.
- 9 | The complainant is informed of the resolution of any complaint, subject to confidentiality limitations, and a copy of the notification is maintained on file.
- 10 | Written procedures allow for the periodic participation by the executive director or delegate in the governing board's review of human resources policies and for written notification to staff of any changes to the human resources policies.

B Recruits and selects diverse qualified staff.

- 1 | Recruitment and selection procedures ensure that the needs of the program are adequately met through an ongoing planning process, which details the type and number of staff required to accomplish its goals and objectives.
- 2 | The program conducts an interview with all applicants considered for employment with the program.
- 3 | The program is required to complete full screening of any applicant considered for employment prior to finalizing any offer of employment, consistent with Standard 5.B.
- 4 | The program's selection process for all staff includes discussion about the issues and challenges that impact the children and families the program serves.

C Retains qualified staff.

- 1 | The program establishes a succession plan for key staff.
- 2 | The program retains staff qualified to carry out its program goals.
- 3 | The program has a written job description for each position or group of similar positions which clearly specifies qualifications and responsibilities.
- 4 | The program efficiently manages its administrative systems, including accounting, bookkeeping, human resources records and statistical reporting, and assigns appropriately skilled staff to carry out those tasks.
- 5 | Administrative and/or supervisory responsibility is assigned to staff qualified by experience and training.
- 6 | Program staff meet all applicable state registration, licensing or certification requirements for their assignment and/or use of professional titles.
- 7 | The program, in its ongoing planning process, details the type and number of staff required to accomplish the program's goals and objectives.

D Ensures new staff receive orientation.

- 1 | The program provides new staff orientation introducing the National CASA/GAL Association Core Model, Standards for Local CASA/GAL Programs, Role of the Local Program, the program's policies and services including, but not limited to:
 - a | Information about confidentiality laws and program policies and the staff person's responsibility to abide by these laws.
 - b | Information about the program's structure, service mandates, relationship to the court and human resources policies including sexual harassment and non-discrimination policies.
 - c | Lines of accountability and authority within the program.
 - d | Information about pertinent laws, regulations, and policies.
 - e | Demographics of the community and the children served by the program.
 - f | Job responsibilities and description.
- 2 | Newly hired program directors and volunteer supervisors complete the National CASA/GAL Association Pre-Service Training within six (6) months of hire.

E Trains and develops staff.

- 1 | The program implements a training and development plan for staff that is reviewed annually and ensures that staff complete 12 hours of continuing education annually to improve knowledge and skills to fulfill the requirements of their respective positions and/or advance the CASA/GAL mission.
- 2 | The training and development plan prepares executive directors and volunteer supervisors to effectively support volunteers who work with children who have experienced abuse or neglect. The training and development plan provides information about child welfare, law and legal process, trauma-informed care, child development, cultural competency, inclusion, and diversity issues, the Indian Child Welfare Act (ICWA) and other relevant subjects.
- 3 | A program considering using a peer coordinator model (or other models utilizing volunteers coordinating other volunteers) must:
 - a | Inform National CASA/GAL of intent to explore and/or implement the model and undergo any required training and adhere to applicable standards, policies and procedures.
 - b | Seek legal counsel before adoption so the requirements of the Fair Labor Standards Act (FLSA) and all applicable laws are considered.
 - c | Engage in a review of insurance considerations, including workers' compensation, to explore implications of such a model.
 - d | Participate in learning opportunities about the peer coordinator model.
 - e | Undergo an organizational assessment to determine need and readiness including considerations around budget, training, recruitment, staffing and organizational culture.
 - f | Develop a written plan and timeline for implementation of the model.
- 4 | A program that adopts and implements a peer coordinator model (or other models utilizing volunteers coordinating other volunteers):
 - a | Has a written job description for the position of peer coordinator.
 - b | Provides adequate supervision for the peer coordinator and holds them accountable for the performance of assigned duties and responsibilities.
 - c | Has a written policy that requires a peer coordinator to participate in equivalent staff orientation, training and evaluation as paid staff.

- d Maintains that any staff assigned to the supervision of a peer coordinator as a full-time function will not supervise more than 15 peer coordinators.
- e Maintains that a peer coordinator will not oversee more than 10 volunteer advocates.
- f Establishes a plan for managing cases assigned to the peer coordinator in the event that the peer coordinator leaves or becomes unavailable.

F Supervises and evaluates staff.

- 1 | The program provides adequate supervision for its staff and holds staff accountable for the performance of assigned duties and responsibilities.
- 2 | Frequency of individual or group supervision is arranged on the basis of staff needs, the complexity and size of the workload and the staff's familiarity with assignments.
- 3 | The program supervisor holds regularly scheduled case conferences with staff who supervise volunteers to review progress on each case.
- 4 | The program develops and implements a system for the periodic evaluation of all staff.
- 5 | At least once a year, the performance of each staff person is evaluated to review performance against established criteria and the evaluation is documented and kept on file. The staff person actively participates in this process.
- 6 | Staff evaluations include:
 - a Assessment of job performance in relation to the quality and quantity of work defined in the job description and to the performance objectives established in the most recent evaluation.
 - b Clearly stated objectives for future performance.
 - c Opportunity for staff self-evaluation.
 - d Recommendations for further training and skill building, if applicable.
- 7 | Staff are given the opportunity to sign the evaluation report, to obtain a copy and to include written comments before the report is entered into the human resources record.
- 8 | The program's human resources policies and practices specify, in writing, the conditions for disciplinary action and termination of employment, including violations of program policy and/or documented substandard

performance. The program's policies and procedures specify the person or persons with authority to implement disciplinary action(s) and/or terminate employment.

- 9 | The CASA/GAL program has policies and procedures for termination of employment that are in compliance with applicable laws and regulations.

G Maintains human resources records.

- 1 | Maintains a confidential file or record for each staff person that contains:
 - a Identifying information and emergency contacts.
 - b Recruiting and screening documents such as applications and resumes and educational verification.
 - c Pay and compensation information.
 - d Job description.
 - e Training and/or professional development records.
 - f Performance evaluations with signature page.
 - g Disciplinary notices.
 - h Termination of employment notices.
 - i Letters of commendation or recommendation.
 - j Time and attendance.
- 2 | Retains the following confidential information separately:
 - a Security/background/reference checks.
 - b Employment Eligibility Verification (I-9) forms.
 - c Self-identified disability, veteran or other status records.
 - d Medical/insurance forms and records.
 - e Drug test results.
 - f Child support/garnishments.
 - g Requests for employment/payroll verification.
 - h Workers' compensation claims.
 - i Internal investigation notes and reports.
 - j Litigation-related or legally privileged communications and documents.

Volunteer Administration

STANDARD 8

STANDARD 8

Volunteer Administration

Follows written policies for recruiting, screening, training, supporting, supervising, recognizing and retaining volunteers to fulfill the role and duties of court appointed special advocates/guardians ad litem, in accordance with applicable laws, rules, regulations and standards.

Elements of Practice

A Recruits volunteer advocates.

- 1 | The program has a written, inclusive plan for recruiting and selecting volunteers who reflect the diversity of children served.
 - a | The recruitment plan includes CASA/GAL program Guiding Principles (Standard 2), measurable goals, and strategies to attract a diverse volunteer pool.
 - b | The recruitment plan includes measurable goals and strategies for community collaboration, media outreach, speaking engagements and other appropriate recruitment efforts.
- 2 | The program prepares standardized information that is readily available to recruit volunteers which includes the following:
 - a | Purpose and role of the CASA/GAL volunteer.
 - b | Qualifications to become a CASA/GAL volunteer.
 - c | Minimum time commitment required.
 - d | Equal opportunity statement.
- 3 | The program informs potential volunteers of, and refers them to other CASA/GAL programs, National CASA/GAL or the state CASA/GAL organization if the applicant might be eligible for or prefer to serve in another program.
- 4 | The program responds to all potential volunteer inquiries within five (5) business days of receipt.

B Screens prospective volunteers.

- 1 | A volunteer CASA/GAL is an individual who is at least 21 years of age and has successfully passed the application and screening process, has successfully completed the National CASA/GAL Association Pre-Service Training, serves under the supervision of the program, and is appointed by the court to advocate for children who come into the court system as a result of abuse or neglect as defined by the state child welfare laws.
- 2 | All volunteer applicants are required to provide the necessary information for screening, consistent with Standard 5.B.
- 3 | If a volunteer applicant refuses or fails to provide the necessary documentation for screening consistent with Standard 5.B., the applicant is rejected.
- 4 | The program's volunteer selection procedures ensure that those not selected are treated with dignity, respect and, if appropriate, referred to alternative volunteer opportunities.
- 5 | The program completes all screening consistent with Standard 5.B. before the volunteer is assigned to a case and all screening is documented on file at the program office.
- 6 | Upon selection, prior to assignment of a case, the program obtains signed agreement from each volunteer to the following written policies:
 - a | Conflict of Interest policy.
 - b | Confidentiality policy.
 - c | Social media policy.
 - d | CASA/GAL volunteer policies and procedures.
- 7 | A qualified volunteer who transfers to a new program must complete the full application and screening process consistent with Standard 5.B.
- 8 | The program has a written policy regarding the reactivation of volunteers who have been inactive for more than one (1) year. The written policy shall include guidelines under which a volunteer would not have to be retrained. The volunteer's file must include documentation of reactivation.

C Trains volunteers.

- 1 | The CASA/GAL program delivers training to volunteers using the current National CASA/GAL Association Pre-Service Training curriculum (or equivalent curriculum and process for qualification of facilitators that is reviewed and pre-approved in writing by National CASA/GAL in accordance with the National CASA/GAL Association Use of Pre-Service Training Materials Policy).
- 2 | The program verifies and documents that all volunteers successfully complete the required pre-service training including:
 - a Training dates.
 - b Name(s) of facilitator(s).
 - c Verification that the facilitator has been trained as specified above.
 - d Participant attendance and completion records.
- 3 | The National CASA/GAL Association Pre-Service Training is to be delivered in accordance with the one of the National CASA/GAL Association modalities and for the duration specified by the chosen modality, including in-person contact for program staff to evaluate the applicant's suitability to serve as a volunteer, as specified by the chosen modality.
- 4 | The National CASA/GAL Association Pre-Service Training must be delivered by a qualified facilitator. A qualified facilitator has previously completed the National CASA/GAL Association Pre-Service Training in accordance with Standard 8.C.1 above, and
 - a Completed the National CASA/GAL Association Training of Facilitators, or
 - b Completed a training of facilitators provided by the state CASA/GAL organization's facilitator who has completed the National CASA/GAL Association Training of Facilitators, or
 - c Co-facilitates his/her first pre-service training with a qualified facilitator who has completed the training of facilitators offered by the National CASA/GAL Association or state CASA/GAL organization.
- 5 | The program ensures that the training facilitator(s) offer the current, approved curriculum and prohibit the use of curriculum or materials that have been retired.

- 6 | The program documents that the facilitator completes 12 hours of continuing education annually to include topics related to facilitation, child welfare and CASA/GAL mission.
- 7 | Guest speakers shall not deliver the curriculum unless trained to facilitate the CASA/GAL training or a CASA/GAL Training Facilitator co-facilitates the content.
- 8 | In addition to the 30 hours of pre-service training, if allowed by the court, the program requires each volunteer to visit the court served while the court is in session to observe abuse/neglect proceedings before appearing in court for an assigned case.
- 9 | The program ensures that volunteers complete 12 hours of continuing education annually (pro-rated based on the volunteer's date of swearing-in) consistent with National CASA/GAL guidelines and the program documents completion of this requirement for each volunteer. Continuing education hours should be related to the work of best interest advocacy, and can be completed through a variety of sources and delivery methods such as education events hosted by the local program or state organization (such as an annual conference), program-approved externally provided opportunities (in person or online), National CASA/GAL webinars, program-approved books and videos. To encourage a diverse learning experience, no more than four (4) hours of continuing education should be completed by reading books/articles.
- 10 | A qualified volunteer who transfers to a new program must complete, at a minimum, training regarding the local court, laws, program policies and procedures, investigation and report writing.

D Establishes and adheres to policies for acceptance, assignment and closure of cases.

- 1 | The program has procedures for the acceptance and assignment of cases.
- 2 | The program accepts and assigns cases consistent with the Guiding Principles (Standard 2), statutory authority, National CASA/GAL Association Core Model and program capacity.
- 3 | A volunteer is sworn in by the judge or court personnel before appointment to a case as permitted by local court practice.

- 4 | Cases are accepted and assigned regardless of age, race, ethnicity, national origin (ancestry), color, religion (creed), gender, gender expression, sexual orientation, disability or physical challenge.
- 5 | When possible, a volunteer is assigned at the earliest possible stage of the court proceedings.
- 6 | All appointments and assignments are made by an appropriate written order of the court.
- 7 | The program or the court notifies all parties and agencies involved in the case of the volunteer's appointment and release.
- 8 | Volunteers are assigned to children with consideration to:
 - a Experience, knowledge and skills.
 - b Nature and difficulty of the current assignments.
 - c Specific circumstances and availability of the volunteer.

E Supervises volunteers.

- 1 | The program provides supervision which is appropriate to the volunteers' needs and complexity of case assignments and monitors performance consistent with Standard 8.F.
- 2 | Supervisors provide timely and thorough guidance to volunteers through contact at least once per month by video conference, telephone or in-person meeting.
- 3 | Program staff supervising volunteers full time will not supervise more than 30 active volunteers or a maximum of 45 cases. If the staff person is required to perform duties other than supervision of volunteers, the number of volunteers to be supervised shall be reduced pro rata.
- 4 | The program supervisor holds regularly scheduled case meetings with volunteers to review the issues or progress of the case and needs of the child(ren).
- 5 | The program supervisor conducts a review of the case and the volunteer's performance of the job description of a CASA/GAL volunteer on an ongoing basis and as a component of case closure.
- 6 | The CASA/GAL program has in place a written plan to retain volunteers which includes mechanisms for volunteer recognition.

F Establishes and adheres to volunteer administration policies and procedures.

- 1 | The program maintains written volunteer policies and procedures.
- 2 | Each volunteer receives a copy of the current volunteer policies and procedures and provides signed acknowledgement of reading and understanding the policies which is retained by the program in the volunteer's record.
- 3 | The job description of the CASA/GAL volunteer is clearly communicated through written policies, role descriptions, pre-service training, continuing education and supervision.
- 4 | The program volunteer policies and procedures specify the role and responsibilities of the CASA/GAL volunteer, are developed with the input and approval of the court (if not already determined by statute) and align with the National CASA/GAL Association Core Model and Standards for Local CASA/GAL Programs.
- 5 | The volunteer policies and procedures shall include a description of the volunteer's role and responsibilities including but not limited to the following. The volunteer:
 - a Reports any incident of child abuse or neglect, or any situation in which the volunteer has reason to believe that a child is in imminent danger to the appropriate authorities and the program supervisor.
 - b Obtains first-hand a clear understanding of the needs and situation of the child by conducting an ongoing review of all relevant documents and records and interviewing the child, parents, social workers, teachers and other relevant persons to gather information about the child's situation.
 - c Identifies and advocates for the best interests of the child.
 - d Collaborates and coordinates with legal, child welfare, and other partners to ensure service provision that is in the child's best interests.
 - e At every hearing where permitted, provides a report for the court which includes information and recommendations about the child's needs and best interests.
 - f Appears in court to advocate for the child's best interests and provide testimony when necessary.

g Meets in-person with the child once every 30 days at a minimum.

i In-person contact should take place where the child lives for a majority of visits to ensure in-depth knowledge of the child's environment for informed recommendations to the court.

ii To allow for an exception, the program must have a written exceptions policy outlining circumstances when exceptions may be permitted. Exceptions to permit less frequent in-person contact, or alternatives for in-person contact, shall be documented and retained in the program's case record as to the justification for and reasonableness of the exception.

h Makes recommendations for services for the child and the child's family.

i Seeks information about whether a permanency plan has been created for the child and makes recommendations concerning permanency.

j Monitors implementation of service plans and court orders and assesses whether court-ordered services are implemented in a timely manner and whether review hearings should be scheduled with the court.

k Informs the court promptly of important developments in the case through appropriate means as determined by court rules or statute.

l Advocates for the child's best interests in the community by interfacing with mental health, educational and other relevant systems, subject to confidentiality limitations.

m Participates in all scheduled case reviews with program supervisory staff.

n Participates in continuing education relevant to CASA/GAL service.

o Maintains complete records about the case, including appointments, interviews and information gathered about the child and the child's life circumstances.

p Discusses all recommendations concerning the case with the program supervisor prior to submitting recommendations to the court.

q Is prohibited from the following activities:

i Taking a child to the volunteer's home.

ii Taking a child to any location that is not pre-approved by the child's legal guardian, custodial agency and CASA/GAL program supervisor or director.

iii Giving legal advice or therapeutic counseling.

iv Making placement arrangements for the child.

v Giving money or expensive gifts to the child, the child's family or caregiver.

r Returns the case file and notes to the program when the volunteer's assignment concludes or the case closes.

6 | The program supervisor does not alter the volunteer's reports or recommendations without the knowledge and documented agreement of the CASA/GAL volunteer.

7 | The program has a written policy to resolve conflicts between a volunteer and the program supervisor regarding the handling of a case, reporting of information, or the recommendations to be included in a report to the court.

8 | The program will not assign more than two (2) cases at a time to a volunteer.

a To allow for an exception, the program must have a written exceptions policy outlining circumstances when exceptions may be permitted. An exception may be granted in the discretion of the CASA/GAL program staff. However, the decision to permit additional assignments shall be documented as to the justification for and reasonableness of the exception.

b Under the exception, a volunteer is not assigned more than five (5) cases and the program ensures that the volunteer adheres to the roles and responsibilities as described in Standard 8.F.5.

9 | When the practice of transporting children is not prohibited in the state, and the program allows staff or volunteers to provide transportation for children, the program:

a Has written policies.

b Secures the necessary liability insurance to cover the program and the staff or volunteer.

c Ensures that the staff or volunteer obtains written permission of the supervisor or director.

d Obtains written permission of the child's legal guardian or custodial agency.

- e When allowing use of a personal vehicle for transportation of children, ensures that the staff or volunteer who has agreed to provide the transportation:
 - i Has passed a motor vehicles division record check annually.
 - ii Provides annually to the program a copy of a valid unexpired current driver's license, and proof of adequate personal automobile insurance that meets the required state minimum if one exists or the program's insurance carrier minimum if absent a state minimum.
 - iii Is knowledgeable of the potential personal risk of liability and chooses to accept the responsibility.
- 10 | When a program allows volunteers or staff to take photos of children, the program has written policies that guide the purpose, use, distribution, storage and destruction of the photos after case closure.
 - a Policies allow photos only when:
 - i Requested or required by the court to be included with or in the court report, or
 - ii Written permission is obtained from the legal guardian.
 - b Policies prohibit the use of photos for social media, marketing or personal use unless written authorization is provided by the legal guardian.

- f Falsifying a volunteer application or misrepresenting facts during the screening process.
- g Having allegations of child abuse or neglect brought against them.
- h Experiencing an irresolvable conflict of interest.
- 3 | The program's policies and procedures specify the person or persons with authority to dismiss a volunteer.

H Maintains volunteer records.

- 1 | The program maintains a written confidential record for each volunteer that contains, at minimum:
 - a Application.
 - b Emergency and identifying contact information.
 - c Volunteer job description.
 - d References documentation.
 - e Documentation of all records checks.
 - f Pre-service training and continuing education records.
 - g Performance evaluations and any other applicable documentation related to performance.
 - h Documentation of volunteer status.
 - i Copy of volunteer's current driver's license, motor vehicles records check and verification of automobile insurance (if program allows transportation).
 - j Documentation of personal interview.
 - k Name of each child assigned
 - l Date of each assignment.
 - m Date of release from each assignment.
- 2 | Written policies outline when, and if, volunteers have access to their records and detail the procedures for review, addition and correction (by volunteers) of information contained in the record.
- 3 | The program retains the record after a volunteer has left the program in accordance with the program's records retention policy.

8

G Takes corrective action when necessary.

- 1 | The program has policies and procedures that specify the conditions for corrective action and non-voluntary dismissal of volunteers.
- 2 | Appropriate grounds for dismissal of a volunteer include, but are not limited to:
 - a Taking action without program or court approval which endangers the child or is outside the role or authority of the program.
 - b Engaging in ex-parte communication with the court.
 - c Violating a program policy, court rule or law.
 - d Failing to complete the required National CASA/GAL Association Pre-Service Training or 12 hours of continuing education each year.
 - e Failing to effectively carry out assigned duties, which may include not following program direction or guidance.

STANDARD 9

Public Education and Engagement

STANDARD 9

Public Education and Engagement

Communicates and actively engages with stakeholders and the general public to provide information and build support for the CASA/GAL mission and the needs of children who have experienced abuse or neglect.

Elements of Practice

A Educates and Engages the Public.

- 1 | Consistent with the National CASA/GAL Association Core Model and National CASA/GAL Association Brand Guidelines and Intellectual Property Standards, the program establishes and executes a written plan for public information, outreach and education activities to provide an understanding of the program's purpose, function and role in judicial proceedings and the community social service system.
- 2 | The program disseminates public information to broaden awareness about the needs of the children it serves and the benefits of CASA/GAL advocacy for those children.
- 3 | The program works closely with representatives from the legal and social services communities, other child advocacy programs, community service and civic groups, as well as with businesses to advance the CASA/GAL mission and to foster interagency collaboration and coordination of services for children.
- 4 | The program works in partnership with the state CASA/GAL organization and the National CASA/GAL Association to disseminate timely information concerning newsworthy events, stories and occurrences to advance the CASA/GAL mission and benefit the children served.
- 5 | The program has a written communications policy that:
 - a | Aligns with the National CASA/GAL Association Brand Guidelines and Intellectual Property Standards.
 - b | Outlines appropriate contact with the media and an escalation protocol for state or national media inquiries.

c Identifies who communicates with the public.

d Addresses use of social media.

e Describes when to escalate issues to program, state CASA/GAL organization and National CASA/GAL leadership.

- 6 | The program has a written crisis management plan that addresses issues that may have significant impact on the credibility, reputation or funding at the local, state or national level. This crisis management plan provides for information sharing between the program, governing board, national, state and local CASA/GAL organizations within 24 hours, subject to confidentiality limitations.

STANDARD 10

Data and Records

STANDARD 10

Data and Records

Compiles, maintains, manages and reports quality data and information in accordance with applicable laws, policies and/or standards. The program maintains complete, accurate and current case records and volunteer files.

Elements of Practice

A Collects Data for Reporting.

- 1 | The program collects the information needed to complete the National CASA/GAL Association's six-month and annual surveys, and other data collection requests.
- 2 | The program has a tool and/or software for the collection of data with the following safeguards:
 - a Operational procedures governing use of the tool, system and/or software.
 - b Confidentiality policies concerning electronic data and information sharing via electronic media.
 - c Review of all decisions regarding electronic files by program management.

B Retains child and case information.

- 1 | The program maintains complete, accurate and current records for each child served, which include:
 - a Name of the child.
 - b Name of volunteer.
 - c Date of appointment by the court.
 - d Date of assignment of the case to the volunteer.
 - e Date the case is closed by the court.

- f Date the volunteer is released from the case.
 - g Biographical or other identifying information.
 - h Background on the nature of the presenting problem or reason for referral by the court.
 - i Court reports and any court orders related to the service being provided.
 - j Social service case plan, or other document from the child protection agency indicating the plans for the child.
- 2 | Records for all children served are kept up to date through:
 - a Current contact entries.
 - b Periodic progress notes or summaries.
 - 3 | The program maintains copies of all volunteer reports, written correspondence concerning the case, and significant case updates and issues discussed through non-written communications (such as in-person meetings or phone calls) not otherwise included in volunteer reports or written correspondence, and requires its volunteers to turn in their case records including all notes when the case is closed.
 - 4 | Upon case closure, a record (e.g. court order, case closure summary, recording in database) is made of the date and reason for closure.
 - 5 | The program has written operational procedures, consistent with legal requirements, and with the policy on confidential information, governing the retention, maintenance, protection, destruction and return of case files when the case is closed. Procedures should include:
 - a Records are kept a minimum of seven (7) years from case closure unless there is a court or statutory requirement that dictates otherwise.
 - b Electronic children's case files are backed up on a separate system at least once a week and the backup is kept off site.
 - 6 | The program has established procedures for the legal and programmatic release, in writing, of volunteers when a case is closed or when a volunteer is removed from a case.

Network and Membership

STANDARD 11

Network and Membership

Maintains membership with National CASA/GAL Association and is a member or an affiliate of the state CASA/GAL organization (if one exists) and meets the standards, requirements and policies of both.

Elements of Practice

A Is a member of the National CASA/GAL Association for Children.

- 1 | Maintains membership and works cooperatively and collaboratively with the National CASA/GAL Association for Children.
- 2 | The program adheres to all National CASA/GAL Association standards, policies and agreements.
- 3 | The program follows all National CASA/GAL protocols.
- 4 | If the program has an auxiliary, the program has a written agreement with the auxiliary, follows any National CASA/GAL Association policies relating to working with an auxiliary, and makes the auxiliary aware of National CASA/GAL Association standards and requirements for CASA/GAL auxiliary program membership.
- 5 | The program provides a copy of the National CASA/GAL Association Core Model and Standards for Local CASA/GAL Programs to its governing board and program staff, and reviews these periodically to strengthen understanding and clarity of the role and requirements of local CASA/GAL programs in advancing our shared mission.
- 6 | Existing programs contemplating expansion to a new county, regionalization, merger, or a change in governance structure must adhere to the applicable procedures of the National CASA/GAL Program Membership Process.

B Is a member or affiliated with the state CASA/GAL organization (if one exists).

- 1 | Maintains membership or affiliation with the state CASA/GAL organization (if one exists).
- 2 | The program takes advantage of the services available from the state CASA/GAL organization which may include:
 - a Technical assistance.
 - b Resource materials.
 - c State conference.
 - d Local program directors' meetings.
 - e Training opportunities.
 - f Web resources.
- 3 | The program complies with state CASA/GAL standards (if they exist). When the program believes a conflict exists between National CASA/GAL Association standards and state CASA/GAL standards, laws, regulations or court rules, the program and state organization, present the perceived conflict to the National CASA/GAL Association. National CASA/GAL will review the conflict and determine which takes precedence.
- 4 | Recognizing the unique relationship between tribal programs and state organizations, the tribal CASA/GAL program and state CASA/GAL organization collaborate to the fullest extent possible.

STANDARDS FOR LOCAL CASA/GAL PROGRAMS

Glossary

Administrative Authority

The oversight authority for a publicly administered program.

Audit

When a certified public accountant (CPA) examines a CASA/GAL program's financial records in order to formulate an opinion on the financial statements. Generally Accepted Accounting Principles (GAAP) apply to independent audits and reviews. Therefore, management's financial statements must be prepared in accordance with GAAP and the auditor must follow generally accepted auditing standards. Internal controls are evaluated and transactions are tested for legitimacy. These tests provide a basis for an audit opinion which will state the accuracy of the financial statements.

Case

An action before the court involving one child or a sibling group.

Core Model

The National CASA/GAL Association Core Model identifies the foundational elements of CASA/GAL best interest advocacy. This includes our guiding principles, the types of cases served, the primary activities performed by CASA/GAL volunteers, parameters for staff serving cases and the screening, training and supervision requirements. National CASA/GAL assistance and support is limited to core model activities. [Click here to link to the National CASA/GAL Association Core Model and other foundational documents](#)

Disproportionality

The over or under-representation of populations of certain groups compared to their representation in the general population.

Executive Director

This title is used throughout the standards to refer to the person who manages the day-to-day operations of the local nonprofit CASA/GAL program and is accountable to a nonprofit governing board. Other titles may be utilized by local

programs for this role such as Chief Executive Officer, Program Director, or CASA/GAL Program Manager.

Financial Compilation

When a qualified individual creates financial statements based upon all of an entity's transactions for a fiscal period and compiles them into the form of a Statement of Financial Position and Statement of Activities.

Financial Review

When a certified public accountant (CPA) reviews the CASA/GAL program's financial statements to ensure they are presented in accordance with generally accepted accounting principles (GAAP). A review includes inquiries and analytical procedures to identify trends or areas in the financial statements which may be presented incorrectly.

IRS Form 990

An Internal Revenue Service form required to be completed and filed annually by nonprofits.

Local program

A member entity of the CASA/GAL network that recruits volunteers to provide best interest advocacy to include: stand-alone, independent CASA/GAL member programs; member programs within an umbrella organization; and member programs that are administered by a public entity such as a government office or a court. Local programs may cover a single county/jurisdiction or multiple counties/jurisdictions.

National CASA/GAL Pre-Service Training

A required training using National CASA/GAL's proprietary or National CASA/GAL-approved curriculum that is completed by volunteers in preparation to serve a child or group of siblings.

Operational Procedures

Organizational protocols and procedures that establish controls over any internal and/or financial processes. Written operational procedures for accounting may also be known as Financial Internal Controls.

Peer Coordinator

A volunteer coordinating and supporting other volunteers within the guidelines of the Standards for Local CASA/GAL Programs.

Peer Coordinator Model

A practice of implementing and managing Peer Coordinator volunteers who coordinate and support other volunteers within the guidelines of the Standards for Local CASA/GAL Programs.

Program Auxiliary

A nonprofit organization whose purpose is to promote the CASA/GAL program primarily by raising funds and heightening community awareness of the program.

Program Director

This title is used throughout the standards to refer to the person who manages the day-to-day operations of the local publicly administered CASA/GAL program and is accountable to an administrative authority such as the court, county or state. Other titles may be utilized by local programs for this role such as Chief Executive Officer, Executive Director, or CASA/GAL Program Manager.

Publicly Administered Program

A program that is administered by a state or county government entity or court.

Qualified Individual (performing financial compilation services)

An individual with 3-5 years of experience creating financial statements based upon all of an entity's transactions for a fiscal period and compiling them into the form of a Statement of Financial Position and Statement of Activities.

Risk Management

The overall systematic approach to analyzing risk and implementing controls to minimize risk.

Screening

The process of vetting potential volunteers, staff and nonprofit governing board members which includes, but is not limited to, an application, reference checks, background checks, personal interviews and pre-service training (for volunteers, staff supervising volunteers and training facilitators).

Trained and Qualified Community Volunteers

The National CASA/GAL Association history and mission support court appointment of individuals who serve as volunteers to advocate for children who have experienced abuse and neglect. Standard 8 sets forth required training and supervision for individuals who serve as trained community volunteers. Volunteers must meet the screening and training requirements and be under the supervision and guidance of a CASA/GAL program. The National CASA/GAL Association acknowledges that there may be exceptional times when it would be necessary and appropriate to appoint local program staff members to fulfill all or a part of the CASA/GAL volunteer roles and responsibilities as set forth in Standard 8 for a limited and time specific basis. In the event local program staff members are assigned, the staff member appointed by the court must be trained and supervised in the same manner as required for volunteers in Standard 8.

Volunteer Job Description

A document that describes the roles and responsibilities of the volunteer advocate.

NH Professional Code of Conduct

CASA of NEW HAMPSHIRE STANDARDS of PROFESSIONAL CONDUCT

Introduction

The CASA-N.H. program is committed to its staff and CASA Guardians ad Litem (GALs) adhering to high standards of professional conduct. This is essential if the program is to be respected for providing quality advocacy for abused and neglected children.

The standards that follow have been developed by the CASA-N.H. organization, *and are in addition to those promulgated by the N.H. Guardian ad Litem Board*. They are of two types: general and those addressing conflicts of interest. For the most part, the general standards are of the black-and-white variety whereas conflicts of interest issues can be more challenging. Explanatory notes have been provided for those standards needing clarification. In addition, Appendix "A" provides several examples illustrating different types of conflict of interest. An effort has been made to limit the number of Standards, and to only develop a standard for those problem or potential problem areas that CASA deems most important. Should there be a conflict between a CASA-N.H. standard and a N.H. *Guardian ad Litem* standard, the latter prevails.

Please note the following materials also include CASA-N.H.'s Automatic Rejection/Termination policy which immediately follows Part II. (Conflict of Interest).

I. General Standards

Standard #1:

CASA staff members and CASA GALs are prohibited from transporting a case-child or parent.

Standard #2:

CASA staff members and CASA GALs are prohibited from having a case-child or parent in their home.

Standard #3:

CASA staff (except the staff attorney) and CASA GALs are prohibited from giving legal advice to anyone associated with a CASA case.

Explanatory note:

Legal “advice” is distinguished from legal “information.” An example of legal advice would be instruction to a parent on how the law works, what the statutes mean, or what the parent should or should not do in court. Legal information may include information on how to access the courts, where to find free or reduced-fee legal advice, or procedural information regarding the court hearings. Legal information may be appropriate to pass on to a case-parent or child but only after a staff member or CASA GAL has consulted with one of CASA’s staff attorneys.

Many CASA GALs hold professional degrees such as medicine or law. While such CASA GALs may feel qualified to give advice on certain subjects, it is important for legal reasons to remain in the role of the CASA GAL while involved in CASA matters. For example, malpractice insurance may not cover CASA GALs who give professional advice on CASA matters.

Standard #4:

CASA staff and CASA GALs are prohibited from giving therapeutic advice to anyone associated with a CASA case, regardless of the CASA GAL’s professional qualifications.

Explanatory note:

Therapeutic “advice” is distinguished from therapeutic “information” as explained in the explanatory note to Standard #3.

Many CASA GALs hold professional degrees such as medicine or law. While such CASA GALs may feel qualified to give advice on certain subjects, it is important for legal reasons to remain in the role of the CASA GAL while involved in CASA matters. For example, malpractice insurance may not cover CASA GALs who give professional advice on CASA matters.

Standard #5:

CASA staff and CASA GALs are prohibited from giving gifts/money to, or receiving gifts/money from, case-parents or any professionals associated with a case.

Standard #6:

CASA staff and CASA GALs are prohibited from giving gifts and/or money to a case-child. Exceptions may occur with permission from a CASA GAL’s Program Manager.

Standard #7:

CASA Program Managers are prohibited from making a material change in a CASA GAL’s court report without the CASA GAL’s permission. In the event a Program Manager continues to believe a material change is essential, see Standard #8.

Standard #8:

A conflict between a CASA Program Manager and CASA GAL over a material issue in a case or a recommendation to the court shall be referred to CASA's senior leadership team by the CASA Program Manager for resolution.

Explanatory note:

Whenever possible, a member of the senior leadership team will speak with the CASA GAL as well as his/her Program Manager prior to the team rendering a decision.

Standard #9:

CASA staff shall promptly advise a member of the senior leadership team – and CASA GALs shall promptly advise their Program Manager – if they become a party in any court case in NH (civil or criminal) other than in a CASA capacity. CASA staff and CASA GALs will be similarly obligated to disclose if a spouse or anyone they are living with is charged with child or elder abuse (civil or criminal).

Standard #10:

CASA staff shall promptly advise a member of the senior leadership team – and CASA GALs shall promptly advise their Program Manager - if they or members of their immediate family anticipate or become employed by or volunteer their services to an organization that is involved in RSA169-C cases.

Standard #11:

CASA GALs shall ensure the confidentiality of any CASA case files (paper and electronic) maintained in their home.

Standard #12:

CASA GALs shall promptly return all case files (paper and electronic) in their possession to their CASA Program Manager upon completing their involvement in a case.

Explanatory note:

Standard #12 requires CASA GALs to download any electronically stored information onto an electronic storage device and return it to CASA along with any paper files.

Standard #13:

CASA GALs shall promptly eliminate all electronically stored information upon completing their involvement in a case.

Explanatory note:

Standard #13 requires CASA GALs to eliminate any electronically stored information on their personal computer immediately after any such information has been downloaded to an electronic storage device for return to CASA pursuant to Standard #12.

Standard #14:

CASA staff and CASA GALs shall refrain from being disrespectful to anyone associated with a CASA case.

Standard #15:

CASA staff and CASA GALs shall strive to present and behave professionally at all times.

Explanatory note:

This standard is not limited to court appearances. It extends to any activities associated with a case and being a CASA guardian ad litem including but not limited to DCYF administrative reviews, team meetings, IEP meetings, Court Improvement project meetings, and conferences.

Standard #16:

CASA staff and CASA GALs shall strive to conduct themselves in such a manner that an objective person would perceive them as singularly motivated to assist the child for whom CASA has been appointed guardian ad litem.

Standard #17:

CASA staff and CASA GALs shall strive to consistently maintain their focus on the child's needs and interests.

Standard #18:

As per New Hampshire statute, RSA 169-C:29, all CASA staff and CASA GALs are mandated reporters of possible child abuse or neglect.

Standard #19:

CASA staff and CASA GALs are prohibited from making placement arrangements for any child.

II. Conflict of Interest

Preface

Conflicts of interest are a special type of conduct or potential conduct deserving of special consideration. They arise in all professions but are a particularly sensitive matter in court cases where important legal rights are adjudicated, including (in some cases) the permanent loss of one's child. It is for this reason that CASA believes part of being a CASA staff member or CASA GAL includes assuming a responsibility to be vigilant re: conflicts of interest. See Appendix A for examples of a conflict of interest, a potential conflict of interest, and the appearance of a conflict of interest.

Conflicts of interest involving guardians ad litem in New Hampshire are also controlled by the N.H. Guardian ad Litem Board rules. [Supreme Court Guidelines and Standards for Guardians ad Litem (GAL 503.06).] [See Appendix B.]

Standard #20:

CASA staff and CASA GALs are discouraged from developing personal relationships with judges, DCYF personnel and other professionals who are involved with RSA 169-C cases.

Explanatory note:

This Standard serves multiple purposes: (1) the importance of CASA recommendations not being influenced by personal relationships; and (2) CASA avoiding the appearance that its recommendations are influenced by personal relationships. See Appendix "A" for a discussion of what constitutes a "personal relationship" as well as for other information bearing on conflicts.

Standard #21:

CASA staff and CASA GALs shall promptly advise the CASA organization of any personal relationship with a judge, professional person, parent, child, or relative of the child who is involved in any active case for which CASA is the guardian ad litem.

Explanatory note:

Because the CASA organization's integrity may be affected, conflicts of interest or potential conflicts are best resolved through a group process vs. the involved staff member or CASA GAL deciding on his/her own whether there is or may be a problem.

If a CASA staff member has a personal relationship, the staff member shall so advise his/her Program Manager. If a CASA GAL has a personal relationship, the CASA GAL shall so advise his/her Program Manager. In turn, a Program Manager shall so advise the senior leadership team. If a member of the senior leadership team has a personal relationship, the member shall so advise CASA's CEO or senior staff attorney.

Standard #22:

CASA staff and CASA GALs are discouraged from developing a personal relationship with a case-child, during the pendency of a case and after a case closes.

Explanatory note:

As one CASA GAL eloquently put it in reference to a child she served as guardian ad litem: "...I know that he's happy and safe, and I hope he forgets I was ever a part of his life, that I ever needed to be part of his life."

There are exceptions, especially after a case closes and the case-child seeks to maintain contact with the professional. See Appendix "A" for further explanation.

Standard #23:

CASA staff and CASA GALs are prohibited from developing a personal relationship with a case-parent, during the pendency of a case and after a case closes.

Explanatory note:

The CASA organization does not believe there is any situation which would justify a CASA GAL continuing to serve as GAL in a case where a personal relationship has developed between the CASA GAL and a case-parent during the pendency of a case. In rare instances, a Program Manager may approve the development of a personal relationship between a CASA GAL and a case-parent after a case closes.

Standard #24:

CASA staff and CASA GALs shall promptly advise the CASA organization of any personal relationship with a current or former CASA case-child or with someone closely related to the child.

Explanatory note:

As with the other reporting Standard (#21), Standard 24 requires a group process to assess a personal relationship because the relationship may affect the CASA organization. Standard #22 calls for the same reporting procedure as discussed in the explanatory note to Standard #21.

Standard #25:

CASA staff and CASA GALs are prohibited from providing non-case related services, paid or unpaid, to any case-child, parent or professional person during the pendency of a case.

Explanatory note:

Reference is made to N.H. Supreme Court Guidelines and Standards 403.07 which is included in Appendix "B".

Standard #26:

CASA staff are discouraged from developing personal relationships with CASA GALs and vice-versa.

Explanatory note:

This standard refers to a CASA staff member and a CASA GAL, not one CASA GAL with another CASA GAL or one CASA staff member with another CASA staff member.

III. Rejection/Termination Policy

The existence of any of the following under Part A may result in an applicant being rejected from further consideration as a CASA GAL. The existence of any of the following under Part B may result in a CASA GAL being terminated from the program. A final determination concerning rejections and terminations is made by the President and CEO or his/her designee in consultation with the senior staff attorney.

A. Rejection

1. Falsifying an application to become a CASA GAL.
2. Misrepresenting material information during the interview and/or subsequent screening process including the 40-hour training program.

B. Termination

1. Taking action without program or court approval that endangers the child or is outside the role or powers of the CASA/GAL program.
2. Engaging in ex-parte communication with the court.
3. Violating a program policy, court rule, or law.
4. Existence of a child abuse or neglect allegation against the CASA GAL.
5. Existence of a conflict of interest which cannot be resolved.
6. Any other conduct, including but not limited to conduct related to the above-noted Standards in Part I and Part II, which in the program's judgment jeopardizes a child's or the program's well being.

APPENDIX "A"

Standard #20-24 and Standard #26 hinge on the term "personal relationship." The term is not easy to define, yet most people have at least a general understanding of the distinction between a professional relationship and a personal relationship.

The former can involve certain types of socializing, such as having dinner together at a conference with a group of professionals. A relationship begins to become personal when it involves after-hours socializing outside of the work setting. A personal relationship can include non-romantic, non-"best friend" type relationships. However, most personal relationships are "friends"-based.

The better policy is for any CASA staff member or CASA GAL who is unsure whether a relationship they have is "personal" is to bring it to their Program Manager's attention rather than make a self-determination.

One of the purposes of the N.H. Child Protection Act is to assure all parties a "fair hearing." RSA169-C:2 III (c). Moreover, it cannot be stated too often that CASA does its work within a framework which involves constitutional rights of a high magnitude. It is for these reasons that anyone who is involved in court-managed child protection cases needs to be especially sensitive to conflict issues.

Conflicts of interest present special challenges to professional persons and organizations alike. They come in several forms including an actual conflict of interest, a potential conflict of interest, and the appearance of either an actual or potential conflict of interest.

- Example of an actual conflict of interest:

Mary Smith is the CASA GAL. Midway through a case, the child for whom Mary is the GAL is placed in a foster home. The new foster mother is Mary's sister. There is an actual conflict of interest here because it would be very difficult for Mary not to give undue weight to her sister's opinions about the child and/or the child's parent(s). Knowing that other parties know or think this, Mary would also be vulnerable to overcompensating by putting too little weight on her sister's opinions as a means of persuading others that she is not unduly influenced by her sister.

Other conflicts, some actual and others potential, are also apparent. For example, if another party developed concerns about the foster parent (Mary's sister), it could be awkward for that party to present her concerns in a forthright way, especially in Mary's presence. Similarly, Mary would be hard-pressed to assess any concerns in an objective way.

Clearly, it would be best for all concerned for Mary to withdraw from the case, and for another CASA to replace her.

- Example of a potential conflict of interest:

Mary Smith is the CASA GAL. The CASA Program Manager is considering assigning Mary to a new case in Hillsborough County in which the children will very likely be removed from their

parents' custody at some point. Mary's sister is a newly licensed foster parent who as yet does not have any foster children in her home. DCYF has a shortage of foster homes in Hillsborough County.

Although an actual conflict of interest has not yet arisen, there is the potential for a conflict because the children for whom Mary would serve as the CASA GAL if she is appointed to the case could wind up in Mary's sister's home. The concern for the CASA Program Manager is that if this happened, the Program Manager would then have to take Mary off the case, thereby causing another discontinuity in the children's lives.

Probably better for the CASA Program Manager to appoint another CASA GAL to the case at the outset to eliminate this potential conflict of interest.

● Example of an appearance of a conflict of interest:

This type of conflict often presents the most difficulty, mainly because it stands for the proposition that even if there isn't a problem, there may appear to be a problem from an outside observer. Sounds very confusing and hair-splitting, but is not to be dismissed out of hand, particularly in court cases where judicial decision-making often affects very important legal rights. Here is an example:

Nancy Doe is the CASA GAL. Somewhat unthinkingly, Nancy has made it a practice of sitting with the DCYF case worker in the hallway outside the court room while waiting for their case to be called. Nancy does not know the case worker other than on a professional basis, but she finds it lessens stress to share a joke or humorous situation which has nothing to do with the case. Nancy also sits next to the case worker when the parties are called into the court room for a hearing. Her recommendations are usually the same as or similar to DCYF's notwithstanding Nancy arriving at her recommendations independent of DCYF.

Like many 169-C parents, the parent in Nancy's case (Bertha B.) believes DCYF, CASA and the judge are all working together against her. Bertha B. was told this by a friend who also has a 169-C case. In addition, Bertha B. has used the internet to learn more about "the system", and has "chatted" with a number of other 169-C parents. She read online that DCYF is against parents, and that CASA works with DCYF as part of a corrupt system. Bertha B. believes that "it's me and my lawyer (maybe) against them."

If Bertha B. ever had any doubts about this, they were out the window the first time she went to court (and every time thereafter) where it was very obvious that her child's GAL (Nancy Doe) and the DCYF worker are personal friends. As Bertha B. told her attorney: "Just look at them. Always sitting together, laughing at me, and always coming up with the same recommendations about my child. The GAL will do what DCYF wants and vice-versa. They don't care about my child. What a joke."

No doubt, Nancy would be dismayed if she overheard this, especially given there is no truth to any of it other than she does sit with the DCYF worker in the hallway and in court, and they do share some humor on occasion but it is never at Bertha B.'s expense. In addition, Nancy Doe

knows without any question that she would never make a recommendation about Bertha B.'s child unless she truly felt it was in the child's best interest.

Unfortunately, Bertha B. does not know this. And, even if Nancy attempted to dissuade Bertha B. of her beliefs, she would probably not be successful unless she overcompensated and began making recommendations to please Bertha B. rather than on the basis of what is best for the child.

It might be asked "why should CASA or anyone else care whether Bertha B. has an erroneous perception of the GAL, especially if Nancy Doe knows in her heart that the only basis for her recommendations is what is best for the child?"

At least part of the answer lies (once again) with the important rights at stake, and the corresponding importance of all parties feeling they have been treated fairly. In short, maintaining the integrity of the judicial process is important. Consequently, it is incumbent upon the professionals involved with court cases (DCYF, CASA, the judges) to do whatever they reasonably can to promote fairness as well as the perception of fairness.

Nancy Doe can do her part by making it a point not to always sit with the DCYF worker in the hallway. She can also sit apart from DCYF in the hearing room, and she can refrain from sharing jokes with DCYF in a parent's presence. In addition, she can help by spending some time with the parent in the hallway while waiting for a hearing or, if this is not feasible, sitting by herself for at least part of the time. These are reasonable adjustments, and they send messages of neutrality and independence.

If Nancy did these types of things from the outset of a case and a parent such as Bertha B. nonetheless believed that Nancy was in cahoots with DCYF, it would be unfortunate. However, there would be nothing Nancy could reasonably do to alter a parent's perception, and, consequently, she should not further concern herself with this.

Standards #20 and #22 can present particularly difficult challenges, and are deserving of additional explanation.

The first distinction to be made is between "personal" and "professional" relationships. A "personal" relationship is generally understood to mean a friendship that carries on outside the context of an abuse/neglect case or attending professional conferences, and involves socializing with one-another during non-work time. Although professional relationships can be problematic as illustrated by the above appearance of a conflict example (Nancy Doe), personal relationships are cause for greater concern because of the greater difficulty of eliminating the conflict short of CASA withdrawing from the case.

A second distinction is seen in Standard #20 which speaks to avoiding the development of personal relationships once someone has assumed a CASA staff or CASA GAL position with the organization. It is distinguished from situations where a personal relationship existed prior to the individual becoming a staff member or CASA GAL. However, even prior personal relationships need to be disclosed to the CASA organization so that conflicts of interest (be they actual, potential, or appearance of) can be minimized or eliminated.

A third distinction concerns whether the personal relationship is with someone who is directly involved with 169-C cases (e.g. a person who appears in 169-C cases or does evaluations for DCYF in 169-C cases that can affect the outcome of a case) vs. someone who has indirect involvement (e.g. foster care licensing or operates out of a different district office). The former usually presents the greatest concerns, especially if the CASA staff person or CASA GAL and the professional person are involved in the same case. However, the latter is not always problem-free.

It is important to note that Standard #26 “discourages” such relationships but does not forbid them. Selection of the word “discourages” reflects CASA’s reluctance to venture into the private lives of staff members. On the other hand, because of the problems these relationships sometimes cause (e.g. conflicts of interest, appearance of conflicts), there needs to be a standard. Ultimately, Standard #26 relies to a significant extent on each staff member and CASA GAL recognizing that such relationships can affect the CASA organization, and, consequently are not solely a private matter.

Standard #22 mainly pertains to whether it is advisable for CASA staff or CASA GALs to develop a personal relationship with a child once a case has concluded. Clearly, such a relationship is not acceptable while a case is pending. Generally speaking, CASA takes much the same position after a case closes.

However, in a very small number of cases, there can be situations where not to allow for a personal relationship would be unfair to a child. Usually, it involves an older teenager who cannot return home, has been involved with the court system and CASA for years, and it is the child who seeks a personal or post-case closure relationship with the CASA or CASA program. In such cases, “personal” relationship does not include socializing after hours, but does include the child having a degree of involvement with the CASA program and staff member(s) that is generally not allowed.

Standard #22 issues need to be addressed on a case-by-case basis, subject to review by the senior leadership team. An exception is where the CASA staff member or CASA GAL is no longer affiliated with the CASA program at the time the child seeks a personal relationship. In such cases, the program has no authority over the former staff member or CASA GAL.

APPENDIX "B"

Gal 503.06 Disclosures, Conflicts of Interest and Appearances of Impropriety.

(a) A guardian ad litem who is aware that he or she possesses a prior acquaintance of any type, including but not limited to a professional, personal, or financial relationship, with any party in a case, shall:

(1) At or before the time of appointment, disclose such fact to the parties and the appointing court, either orally or in writing; and

(2) If such an acquaintance becomes known only after appointment, immediately disclose such fact to the parties and the appointing court, either orally or in writing.

(b) A guardian ad litem shall:

(1) Seek to decline appointment in a proceeding where he or she has a present or prior personal, professional, business or legal relationship with any party involved in the proceeding that the guardian reasonably believes would adversely impact upon his or her ability to perform the functions of a guardian ad litem in accordance with these rules and in accordance with any requirements of the appointing court; and

(2) If a relationship described in (a) (1) above arises after appointment, advise the court of the existence of such a relationship and seek an order regarding whether or not he or she must withdraw.

(c) If it is alleged by a party to any proceeding in which a guardian ad litem is appointed that the guardian ad litem has failed to disclose any present or prior acquaintance of any type that impacts upon his or her objectivity, or upon his or her ability to perform the functions of a guardian ad litem in accordance with these rules or in accordance with requirements of the appointing court, the guardian ad litem shall:

(1) Inform the appointing court that the allegation has been made; and

(2) Respond either orally or in writing to the appointing court and to all parties regarding the nature of the present or prior acquaintance, if any.

(d) A guardian ad litem shall immediately disclose to the appointing court and to the board the existence of any civil, equity or other writ or petition, or criminal charge, of which he or she is aware alleging that any of the following persons have engaged in child abuse or neglect, as that term is used within the meaning of RSA 169-C, or that any of the following persons have engaged in adult abuse, as that term is used within the meaning of RSA 161-F:

(1) The guardian ad litem him or herself;

(2) The guardian ad litem's spouse;

(3) The parent or guardian of a child of the guardian ad litem where the child is the alleged victim; or

(4) Any person with whom the guardian ad litem resides.

(e) Unless otherwise allowed by the appointing court after disclosure by the guardian ad litem, no guardian ad litem shall serve on any case if a civil, equity or other writ or petition, or criminal charge, of child abuse or neglect, or adult abuse in violation of RSA 161-F, is pending against him or her.

(f) If a guardian ad litem is a party to any case in a specific court, other than in his or her capacity as a guardian ad litem, he or she shall not serve as a guardian ad litem in that specific court unless:

(1) He or she immediately discloses to the judge making the appointment that he or she is a party to a case in the specific court, as well as the name and nature of any such case and requests direction from the appointing court as to service or continued service as a guardian ad litem; and

(2) After such disclosure, the judge appoints the person to serve as a guardian ad litem, or consents to the person's continued service as a guardian ad litem, provided that during the pendency of any decision by the appointing court as to continued service, the guardian ad litem may continue to serve.

(g) No person shall serve as a guardian ad litem if that person is a party to a pending, contested matter, other than in his or her capacity as a guardian ad litem, involving issues of fact or law similar to, or the same as, those that may be raised in a case to which the person may be appointed as guardian ad litem unless:

(1) He or she immediately discloses to the judge making the appointment that he or she is a party to the pending, contested matter involving issues of fact or law similar to, or the same as, those that might be raised in a case to which the person might be appointed as guardian ad litem, as well as the name and nature of any such case and requests direction from the appointing court as to service or continued service as a guardian ad litem; and

(2) After such disclosure, the judge appoints the person to serve as a guardian ad litem, or consents to the person's continued service as a guardian ad litem, provided that during the pendency of any decision by the appointing court as to continued service, the guardian ad litem may continue to serve.

(h) Whenever a guardian ad litem is, or becomes, a party, except solely by virtue of his or her appointment as a guardian ad litem, to any proceeding in any court, regardless of the capacity in which he or she is named as a party, the guardian ad litem shall immediately notify the following authorities of the existence of the case, describing the nature of the case in such notification:

(1) The appointing court;

(2) The administrative judge designated under New Hampshire supreme court rule 54 for each court in which the person is serving as a guardian ad litem, or, if the guardian ad litem is appearing before the supreme court, the clerk of the supreme court; and

(3) The board.

(i) A guardian ad litem shall not serve in a case if he or she has any financial relationship with any counsel on the case or any material witness unless:

(1) He or she immediately discloses to the judge making the appointment that he or she has such a financial relationship, as well as the nature of any such relationship and requests direction from the appointing court as to service or continued service as a guardian ad litem; and

(2) After such disclosure, the judge appoints the person to serve as a guardian ad litem, or consents to the person's continued service as a guardian ad litem provided that during the pendency of any decision by the appointing court as to continued service, the guardian ad litem may continue to serve.

Gal 503.07 Business Transactions.

(a) Except for the guardian ad litem's fee agreement, a guardian ad litem shall not, during the term of his or her appointment, enter into any business transaction with a recipient of services, a party, counsel for a party, or a material witness.

(b) A guardian ad litem shall not possess an ownership, possessory, security, or other pecuniary interest of any type that is unfavorable to a recipient of services, unless the appointing court, after full disclosure to it of the nature of the interest, allows the guardian ad litem to serve while still in the possession of the interest.

(c) Except for the guardian ad litem's fee agreement, a guardian ad litem shall not, without the express written agreement of all of the parties, enter into a business relationship of any type with any of the following persons during the time of the guardian ad litem's appointment in a case, or for a period of 6 months after the appointment has ended:

- (1) The recipient of services; or
- (2) If the case to which the guardian ad litem was appointed involved child custody, any party to the case.

The above are taken from the N.H. Supreme Court: Guidelines and Standards for Guardians ad Litem.

APPENDIX C

Governing Principles for Processing Violations [of Standards of Conduct] :

- An organizational commitment to addressing violations and conflicts.
- Ongoing education and discussion within the CASA program involving staff and CASA GALs.
- Written standards addressing foremost areas of concern.
- A group process for identifying, processing, and resolving violations of conduct and conflict of interest issues.
- Assessing violations and conflicts with the well-being of the children CASA serves and the CASA organization foremost in mind
- Recognition that standards of conduct cannot answer or resolve all violations and conflicts of interest, and that there can be exceptional circumstances which render a standard non-applicable but only after review and approval by CASA's senior management team.
- Recognition that all staff members and CASA GALs have a responsibility to ensure that standards are taken seriously.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.
Manchester, New Hampshire

Opinion

We have audited the accompanying financial statements of Court Appointed Special Advocates of New Hampshire, Inc. ("CASA") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CASA as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CASA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CASA's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CASA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CASA's ability to continue as a going concern for a reasonable period of time.

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited CASA's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 15, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

Note 1. NATURE OF ACTIVITIES

Court Appointed Special Advocates of New Hampshire, Inc. ("CASA") is a non-stock, non-profit corporation organized in New Hampshire. CASA's primary service is training volunteers in New Hampshire to advocate for abused and neglected children in the court system. The major source of revenue is government grant income.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies

CASA prepares its financial statements in accordance with generally accepted accounting principles promulgated in the United States of America (U.S. GAAP) for not-for-profit entities. The significant accounting and reporting policies used by CASA are described subsequently to enhance the usefulness and understandability of the financial statements.

Comparative financial information

The financial statements of CASA include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with CASA's financial statements for the year ended June 30, 2020, from which the summarized information was derived.

Use of estimates and assumptions

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Accordingly, actual results may differ from estimated amounts.

Cash equivalents

For purposes of reporting cash flows, CASA considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2021. Temporary cash investments held in the investment portfolio are excluded from cash and cash equivalents.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net assets

The financial statements report net assets and changes in net assets that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net assets without donor restrictions – Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of CASA, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions – Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; CASA must continue to use the resources in accordance with the donor's restrictions.

Investments

CASA carries investments in marketable securities with readily determinable fair values based upon quoted market prices. Unrealized and realized gains and losses are included in the accompanying statement of activities and changes in net assets with investment income. Purchased and gifted securities are recorded at fair value on the date of the acquisition or gift date, net of any brokerage fees. CASA's investments do not have a significant concentration of credit risk within any industry, geographic location or specific location.

Sponsorships receivable

Sponsorships receivable consist of amounts billed to event sponsors for events that have already occurred, but for which amounts have not yet been paid. CASA establishes its allowance for uncollectible accounts based on prior collection experience. It is CASA's policy to charge-off uncollectible accounts receivable when management determines the receivable will not be collected. Management does consider a variety of factors, including risk characteristics of the selected accounts, number of days outstanding and current economic conditions.

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Pledges receivable

CASA has launched a capital campaign to generate funds to expand their capacity to meet the emergency faced by our children today from the impact of the opioid epidemic. The campaign was designed to solicit pledges to be paid over time (up to 5 years). Pledges are recorded as net assets with donor restrictions due to the purpose and/or implied time restrictions. The contributions are recorded as revenue at the time the pledges are made. When the purpose and/or time restrictions are met, the time restrictions are released and the amounts are recorded on the statement of activities as net assets released from restrictions.

Property and equipment

Property and equipment are recorded at cost, or in the case of donated assets, at fair value. Items with an individual or aggregate cost of less than \$1,000 are expensed in the year of purchase. Maintenance, repairs and minor renewals are expensed as incurred.

The provision for depreciation is made using the straight-line method by annual charges calculated to absorb the costs over the following estimated useful lives:

Buildings and improvements	39 years
Furniture, equipment and software	3-5 years

Revenue recognition

CASA has revenue streams that are accounted for as a reciprocal exchange transaction, including grants and fundraising events.

Because CASA's performance obligations relate to contracts with a duration of less than one year, CASA has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a), *Revenue from Contracts with Customers*, and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. There are no incremental costs of obtaining a contract and no significant financing components.

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Grants and fundraising events are recognized ratably over the period each service is provided on a straight-line basis in an amount that reflects the consideration CASA expects to be entitled to in exchange for those services. All CASA's revenue from contracts with customers are from performance obligations satisfied over time. Prices are specific to a distinct performance obligation and do not consist of multiple transactions.

Contributions and grants

Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in net assets with donor restrictions. Contributions restricted by the donor are reported as increases in net assets without donor restrictions if the restriction expires in the fiscal year in which the contributions are recognized. When a restriction expires, donor restricted net assets are reclassified to net assets without donor restrictions.

Donated goods and services

A significant portion of CASA's functions are conducted by unpaid officers, board members and volunteers. The value of this contributed time is not reflected in the accompanying financial statements since it does not meet the criteria necessary for recognition under U.S. GAAP. Donated materials and equipment are reflected as in-kind donations at their estimated fair value at the date of receipt.

Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying statement of activities and changes in net assets and in the statement of functional expenses. Accordingly, certain costs have been allocated among program services, supporting activities and fundraising as benefited.

Advertising costs

CASA charges advertising costs to operating expenses as incurred.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Income taxes

CASA is a not-for-profit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. However, certain unrelated business income is subject to federal taxation. For the year ended June 30, 2021, there was no liability for tax on unrelated business income. Accordingly, no provision for federal income tax has been recorded in the accompanying financial statements.

CASA is no longer subject to income tax examinations by U.S. Federal or State tax authorities for tax years before 2017.

Accounting pronouncement adopted

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers Topic (606)*. This ASU supersedes the revenue recognition requirements in *Topic 605, Revenue Recognition*, and most industry-specific guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. CASA adopted this ASU on July 1, 2020.

CASA implemented ASU 2014-09 using a full retrospective method of application. The adoption of ASU 2014-09 resulted in changes to the disclosure of revenue. There were no material changes to the recognition or presentation of revenue as a result of the application of ASU 2014-09. As a result, no cumulative effect adjustment was recorded upon adoption.

Amount available for general expenditures within one year	<u>\$ 3,960,483</u>	<u>\$ 2,412,417</u>

CASA's endowment funds consist of donor-restricted endowments. Income from donor-restricted endowments is available for general use and could be made available if necessary. Donor-restricted endowment funds are not available for general expenditure.

Note 4. INVESTMENTS AND FAIR VALUE MEASUREMENT

The FASB defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in CASA'S principal or most advantageous market in an orderly transaction between market participants on the measurement date.

The standard establishes a fair value hierarchy which requires CASA to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that CASA has the ability to access as of the measurement date.

COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 4. INVESTMENTS AND FAIR VALUE MEASUREMENT (continued)

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect CASA's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Investments measured at fair value at June 30 are summarized below:

June 30, 2021	Fair Value	(Level 1)	(Level 2)	(Level 3)

NOTES TO FINANCIAL STATEMENTS

Note 4. INVESTMENTS AND FAIR VALUE MEASUREMENT (concluded)

Fair values for investments are determined by reference to quoted market prices and other relevant information generated by market transactions. The fair value of pledges receivable is estimated at net realizable value. The fair value of Level 2 investments has been measured using quoted market prices of similar assets and the fair value market approach.

Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. CASA's significant financial instruments are cash and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

Note 5. PLEDGES RECEIVABLE

Pledges receivable were as follows at June 30:

	<u>2021</u>	<u>2020</u>
Promises to give expected to be collected in		
Less than one year	\$ 380,345	\$ 329,868
One to five years	<u>192,600</u>	<u>296,067</u>
	572,945	625,935
Less discount to present value	(7,511)	(15,249)
Less allowance for uncollectible pledges	<u>(31,297)</u>	<u>(31,297)</u>
Net pledges receivable	<u>\$ 534,137</u>	<u>\$ 579,389</u>

Pledges receivable are reported at their fair value, which is estimated as the present value of expected future cash inflows on a non-recurring basis. At June 30, 2021, a discount rate of 3.0% was considered to determine net present value. As discussed in Note 4, the valuation technique used by CASA is a level 3 measure because there are no observable market transactions.

Note 8. ENDOWMENT FUNDS AND NET ASSETS

CASA adheres to the Other Presentation Matters section of the Presentation of Financial Statements for Not-for-Profit Organizations in accordance with U.S. GAAP. U.S. GAAP provides guidance on the net asset classification of donor-restricted endowment funds for a non-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA). U.S. GAAP also requires additional disclosures about an organization's endowment

**COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 8. ENDOWMENT FUNDS AND NET ASSETS (continued)

funds (both donor-restricted endowment funds and board-designated endowment funds), whether or not the organization is subject to UPMIFA.

The State of New Hampshire enacted UPMIFA effective July 1, 2008, the provisions of which apply to endowment funds existing on or established after that date. CASA adopted these provisions for the year ended June 30, 2009.

CASA's endowment is comprised of five named funds and includes donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds, including any funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of CASA has interpreted UPMIFA as allowing CASA to appropriate for expenditure or accumulate as much of an endowment fund as CASA determines to be prudent for the uses, benefits, purposes and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument.

The original gift is defined by CASA as (a) the original value of gifts donated to the donor-restricted endowment, (b) the original value of any subsequent gifts to donor-restricted endowment, and (c) accumulations to donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Investment Return Objectives, Risk Parameters and Strategies

CASA has adopted an investment policy, approved by the Board of Directors, to create a balanced portfolio among several asset classes managing moderate levels of return with moderate levels of risk, while exceeding long-term inflation. Given CASA has no immediate intention of appropriating any assets for expenditure, there is currently no spending policy in place for the year ended June 30, 2021. However, management is currently in the process of establishing a spending policy that will be in accordance with UPMIFA. During this process, CASA will consider the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of CASA and (7) the investment policies of CASA.

In a prior year, CASA created a donor-restricted endowment fund named in memory of one of CASA's strongest supporters, Mr. John Zahr. While the endowment principal will be permanently invested, the income from the endowment may be used to support the general operations of CASA, unless otherwise stated by the donor. Through the donor-restricted endowment fund, donors who feel compelled to leave a legacy gift or otherwise invest in CASA's future will now have that opportunity.

Note 9. NOTES PAYABLE

On April 13, 2020, CASA was granted a loan from St. Mary's Bank in the amount of \$334,200 through the Paycheck Protection Program ("PPP") under Division A, Title I of the CARES Act, which was enacted March 27, 2020. Funds from the loan may only be used for payroll costs, costs used to continue group health care benefits, rent, and utilities. Under the terms of the PPP, certain amounts of the loan may be forgiven if they are used for qualifying expenses as described in the CARES Act. On January 11, 2021, the entire loan amount was forgiven.

NOTES TO FINANCIAL STATEMENTS

Note 10. CONCENTRATION OF CREDIT RISK

CASA maintains its cash at various institutions insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor at each financial institution. At June 30, 2021, CASA's uninsured cash balance at one financial institution totaled \$3,119,207.

Note 11. OPERATING LEASE COMMITMENTS

CASA has operating lease agreements for various office space in Laconia, Dover Claremont, Berlin and Keene, New Hampshire. These lease agreements require monthly rental payments ranging from approximately \$400 to \$1,900 and expire between November 2021 and October 2025.

There is currently no rent requirement other than utilities for CASA's Colebrook office. The estimated fair value of the monthly rental for this space was \$7,800.

Minimum future commitments under non-cancelable operating leases are as follows:

Year ending <u>June 30,</u>	<u>Amount</u>

Note 13. COMMITMENTS AND CONTINGENCIES

CASA has entered into grant agreements that are recognized when qualifying costs are incurred for cost-reimbursement grants or when a unit of service is provided for performance grants. Revenue from government agencies are subject to review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grants or reductions of future grant awards.

Note 14. SUBSEQUENT EVENTS

CASA has evaluated subsequent events through November 8, 2021, the date which the financial statements were available to be issued, and has not evaluated subsequent events after that date. No subsequent events were identified that would require disclosure in the financial statements for the year ended June 30, 2021.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.
Manchester, New Hampshire

Opinion

We have audited the accompanying financial statements of Court Appointed Special Advocates of New Hampshire, Inc. ("CASA") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CASA as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CASA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

Subsequent to the date of the financial statements, we issued other reporting required by *Government Auditing Standards*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CASA's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CASA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CASA's ability to continue as a going concern for a reasonable period of time.

To the Board of Directors
Court Appointed Special Advocates of New Hampshire, Inc.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited CASA's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 8, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2022 on our consideration of CASA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CASA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CASA's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Note 1. NATURE OF ACTIVITIES

Court Appointed Special Advocates of New Hampshire, Inc. ("CASA") is a non-stock, non-profit corporation organized in New Hampshire. CASA's primary service is training volunteers in New Hampshire to advocate for abused and neglected children in the court system. The major sources of revenue are government grant income and contributions.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies

CASA prepares its financial statements in accordance with generally accepted accounting principles promulgated in the United States of America (U.S. GAAP) for not-for-profit entities. The significant accounting and reporting policies used by CASA are described subsequently to enhance the usefulness and understandability of the financial statements.

Comparative financial information

The financial statements of CASA include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with CASA's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Use of estimates and assumptions

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Accordingly, actual results may differ from estimated amounts.

Cash equivalents

For purposes of reporting cash flows, CASA considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2022. Excess cash is deposited into a sweep account and earns interest on a daily basis. Temporary cash investments held in the investment portfolio are excluded from cash and cash equivalents.

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net assets

The financial statements report net assets and changes in net assets that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Net assets without donor restrictions – Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of CASA, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions – Net assets with donor restrictions are resources that are restricted by a donor for use for a particular purpose or in a particular future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed. Other donor-imposed restrictions are perpetual in nature; CASA must continue to use the resources in accordance with the donor's restrictions.

Investments

CASA carries investments in marketable securities with readily determinable fair values based upon quoted market prices. Unrealized and realized gains and losses are included with investment income in the accompanying statement of activities and changes in net assets. Purchased and gifted securities are recorded at fair value on the date of the acquisition or gift date, net of any brokerage fees. CASA's investments do not have a significant concentration of credit risk within any industry, geographic location or specific location.

Sponsorships receivable

Sponsorships receivable consist of amounts billed to event sponsors for events that have already occurred, but for which amounts have not yet been paid. CASA establishes its allowance for uncollectible accounts based on prior collection experience. It is CASA's policy to charge-off uncollectible accounts receivable when management determines the receivable will not be collected. Management does consider a variety of factors, including risk characteristics of the selected accounts, number of days outstanding and current economic conditions.

OF NEW HAMPSHIRE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Pledges receivable

CASA has launched a capital campaign to generate funds to expand their capacity to meet the emergency faced by our children today from the impact of the opioid epidemic. The campaign was designed to solicit pledges to be paid over time (up to 5 years). Pledges are recorded as net assets with donor restrictions due to the purpose and/or implied time restrictions. The contributions are recorded as revenue at the time the pledges are made. When the purpose and/or time restrictions are met, the time restrictions are released and the amounts are recorded on the statement of activities as net assets released from restrictions.

Property and equipment

Property and equipment are recorded at cost, or in the case of donated assets, at fair value. Items with an individual or aggregate cost of less than \$1,000 are expensed in the year of purchase. Maintenance, repairs and minor renewals are expensed as incurred.

The provision for depreciation is made using the straight-line method by annual charges calculated to absorb the costs over the following estimated useful lives:

Buildings and improvements	39 years
Furniture, equipment and software	3-5 years

Revenue recognition

CASA has revenue streams that are accounted for as a reciprocal exchange transaction, including grants and fundraising events.

Grants and fundraising events are recognized ratably over the period each service is provided on a straight-line basis in an amount that reflects the consideration CASA expects to be entitled to in exchange for those services. All CASA's revenue from contracts with customers are from performance obligations satisfied over time. Prices are specific to a distinct performance obligation and do not consist of multiple transactions.

**COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.**

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Because CASA's performance obligations relate to contracts with a duration of less than one year, CASA has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a), *Revenue from Contracts with Customers*, and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. There are no incremental costs of obtaining a contract and no significant financing components.

Contributions and grants

Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in net assets with donor restrictions. Contributions restricted by the donor are reported as increases in net assets without donor restrictions if the restriction expires in the fiscal year in which the contributions are recognized. When a restriction expires, donor restricted net assets are reclassified to net assets without donor restrictions.

Donated goods and services

A significant portion of CASA's functions are conducted by unpaid officers, board members and volunteers. The value of this contributed time is not reflected in the accompanying financial statements since it does not meet the criteria necessary for recognition under U.S. GAAP. Donated materials and equipment are reflected as in-kind donations at their estimated fair value at the date of receipt.

Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying statement of activities and changes in net assets and in the statement of functional expenses. Accordingly, certain costs have been allocated among program services, supporting activities and fundraising as benefited.

Advertising costs

CASA charges advertising costs to operating expenses as incurred.

COURT APPOINTED SPECIAL ADVOCATES

NOTES TO FINANCIAL STATEMENTS

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Income taxes

CASA is a not-for-profit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is classified as other than a private foundation. However, certain unrelated business income is subject to federal taxation. For the year ended June 30, 2022, there was no liability for tax on unrelated business income. Accordingly, no provision for federal income tax has been recorded in the accompanying financial statements.

CASA is no longer subject to income tax examinations by U.S. Federal or State tax authorities for tax years before 2018.

Note 3. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of June 30 are:

	<u>2022</u>	<u>2021</u>
Financial assets:		
Cash	\$ 3,727,198	\$ 3,869,357

NOTES TO FINANCIAL STATEMENTS

Note 4. INVESTMENTS AND FAIR VALUE MEASUREMENT

The FASB defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in CASA'S principal or most advantageous market in an orderly transaction between market participants on the measurement date.

The standard establishes a fair value hierarchy which requires CASA to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that CASA has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect CASA's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Investments measured at fair value at June 30 are summarized below:

June 30, 2022	Fair Value	(Level 1)	(Level 2)	(Level 3)
Valued on a recurring basis				
Investment cash	\$ 93,824	\$ 93,824	\$ -	\$ -

NOTES TO FINANCIAL STATEMENTS

Note 4. INVESTMENTS AND FAIR VALUE MEASUREMENT (concluded)

June 30, 2021	Fair Value	(Level 1)	(Level 2)	(Level 3)
Valued on a recurring basis				
Investment cash	\$ 71,532	\$ 71,532	\$ -	\$ -
US equities	520,965	520,965	-	-
International equities	77,188	77,188	-	-

Total investments	<u>\$1,016,649</u>	<u>\$690,901</u>	<u>\$325,748</u>	<u>\$ -</u>

Fair values of Level 1 investments are determined by reference to quoted market prices and other relevant information generated by market transactions. The fair value of Level 2 investments has been measured using quoted market prices of similar assets and the fair value market approach.

Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. CASA's significant financial instruments are cash and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

Note 5. PLEDGES RECEIVABLE

Pledges receivable were as follows at June 30:

	<u>2022</u>	<u>2021</u>
Promises to give expected to be collected in		
Less than one year	\$ 181,196	\$ 380,345

COURT APPOINTED SPECIAL ADVOCATES
OF NEW HAMPSHIRE, INC.

NOTES TO FINANCIAL STATEMENTS

Note 5. PLEDGES RECEIVABLE (concluded)

Pledges receivable are reported at their fair value, which is estimated as the present value of expected future cash inflows on a non-recurring basis. At June 30, 2022, a discount rate of 3% was considered to determine net present value. As discussed in Note 4, the valuation technique used by CASA is a level 3 measure because there are no observable market transactions.

Note 6. PROPERTY AND EQUIPMENT

Property and equipment are stated at cost and were as follows at June 30:

	<u>2022</u>	<u>2021</u>
Buildings and improvements	\$ 1,394,343	\$ 1,394,343
Furniture, equipment and software	<u>262,127</u>	<u>204,457</u>

NOTES TO FINANCIAL STATEMENTS

Note 8. ENDOWMENT FUNDS AND NET ASSETS

CASA adheres to the Other Presentation Matters section of the Presentation of Financial Statements for Not-for-Profit Organizations in accordance with U.S. GAAP. U.S. GAAP provides guidance on the net asset classification of donor-restricted endowment funds for a non-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA). U.S. GAAP also requires additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds), whether or not the organization is subject to UPMIFA.

The State of New Hampshire enacted UPMIFA effective July 1, 2008, the provisions of which apply to endowment funds existing on or established after that date. CASA adopted these provisions for the year ended June 30, 2009.

CASA's endowment is comprised of five named funds and includes donor-restricted endowment funds. As required by GAAP, net assets associated with endowment funds, including any funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of CASA has interpreted UPMIFA as allowing CASA to appropriate for expenditure or accumulate as much of an endowment fund as CASA determines to be prudent for the uses, benefits, purposes and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument.

The original gift is defined by CASA as (a) the original value of gifts donated to the donor-restricted endowment, (b) the original value of any subsequent gifts to donor-restricted endowment, and (c) accumulations to donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Investment Return Objectives, Risk Parameters and Strategies

CASA has adopted an investment policy, approved by the Board of Directors, to create a balanced portfolio among several asset classes managing moderate levels of return with moderate levels of risk, while exceeding long-term inflation. Given CASA has no immediate intention of appropriating any assets for expenditure, there is currently no spending policy in place for the year ended June 30, 2022. However, management is currently in the process of establishing a spending policy that will be in accordance with UPMIFA. During this process, CASA will consider the following

factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of CASA and (7) the investment policies of CASA.

NOTES TO FINANCIAL STATEMENTS

Note 8. ENDOWMENT FUNDS AND NET ASSETS (concluded)

In a prior year, CASA created a donor-restricted endowment fund named in memory of one of CASA's strongest supporters, Mr. John Zahr. While the endowment principal will be permanently invested, the income from the endowment may be used to support the general operations of CASA, unless otherwise stated by the donor. Through the donor-restricted endowment fund, donors who feel compelled to leave a legacy gift or otherwise invest in CASA's future will now have that opportunity.

Note 9. CONCENTRATION OF CREDIT RISK

CASA maintains its cash at various institutions insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor at each financial institution. At June 30, 2022, CASA's uninsured cash balance at one financial institution totaled \$2,989,591.

Note 10. OPERATING LEASE COMMITMENTS

CASA has operating lease agreements for various office space in Laconia, Dover Claremont, Berlin and Keene, New Hampshire. These lease agreements require monthly rental payments ranging from approximately \$440 to \$1,900 and expire between November 2022 and October 2025.

There is currently no rent requirement other than utilities for CASA's Colebrook office. The estimated fair value of the monthly rental for this space was \$7,800.

Minimum future commitments under non-cancelable operating leases are as follows:

Year ending <u>June 30,</u>	<u>Amount</u>
2023	\$ 50,345
2024	27,965
2025	23,565
2026	<u>3,685</u>
Total	<u>\$ 105,560</u>

For the years ended June 30, 2022 and 2021, rent expense was \$64,937 and \$63,870, respectively.

NOTES TO FINANCIAL STATEMENTS

Note 11. RETIREMENT PLAN

CASA has a defined contribution plan covering all eligible employees. During the year ended June 30, 2022, CASA approved plan contributions up to 2% of eligible employees' salary. For the year ended June 30, 2022, CASA contributed \$7,436. CASA made no contributions to the plan during the year ended June 30, 2021.

Note 12. COMMITMENTS AND CONTINGENCIES

CASA has entered into grant agreements that are recognized when qualifying costs are incurred for cost-reimbursement grants or when a unit of service is provided for performance grants. Revenue from government agencies is subject to review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grants or reductions of future grant awards.

Note 13. SUBSEQUENT EVENTS

CASA has evaluated subsequent events through November 7, 2022, the date which the financial statements were available to be issued, and has not evaluated subsequent events after that date. No subsequent events were identified that would require disclosure in the financial statements for the year ended June 30, 2022.

Questions – Begin with asking;

Do I have permission to share some of your feedback with members of our Senior team?

What do you feel was your greatest success this year?

What do you feel your greatest challenge(s) was/were this past year? What were the obstacles? As a result of the challenge, what tools have you been able to add to your "tool box"?

What skills or areas of knowledge do you see yourself working on in the year ahead that CASA can support you with?

On-going Support Groups are intended to provide enrichment opportunities for all advocates. What have you most enjoyed or benefitted from in your participation in these groups? Are there any topics or speakers you would like to hear more about or from? If you haven't attended support groups, what are the barriers for you? How can we help?

Please share with me any ways I can further support you in this role? What should I be doing more of? What should I be doing less of?

What are ways the CASA organization can further support you and better respond to your needs as a CASA/GAL?

The Fostering Futures program engages CASA/GAL volunteers as advocates for and advisors to foster youth ages 14-21. The program is built around the framework of the Fostering Connections to Success Act, to help youth identify supportive, lifelong adult connections, and to develop specific plans for their transition to become independent, successful adults. A key principle of the training and work with older youth is the "possible selves" model, based on research out of the University of Michigan, to help young people achieve their full potential.

Fostering Futures: Supporting Youth Transitions Into Adulthood

Tools for the Advocate:

- An Older Youth Needs assessment, focusing on education, employment, housing, life skills, mental/physical health needs, and relationships
- A goal-setting packet, based on the "possible selves" concept from the University of Michigan Institute of Social Research

Goals for the Youth:

- A sense of permanence by connecting to at least one caring, committed adult who will be a long-term support
- Empowered to plan for their future and make choices that will positively impact their future years
- Confidence that their CASA/GAL volunteer will be a tenacious advocate to obtain needed services, and a trusted guide to help them navigate through important decisions

For more information:

Development of the Fostering Futures program was supported by a grant from the Walmart Foundation.

PROFESSIONAL DEVELOPMENT AND YOU

"Ordinary people doing extraordinary things."

These words are typically used to describe Court Appointed Special Advocate Guardians. We are highly trained professionals from all walks of life who advocate for the best interests of children in abuse or neglect situations. As with other professional organizations, CASA of New Hampshire believes in on-going professional development for its members. We are enthusiastic about the various ways our volunteers can strengthen their knowledge about families, the law, and the children they advocate for. CASA of New Hampshire's Professional Development Standards are in place in order to accomplish several goals:

- To ensure that each CASA continues his/her training each year and broadens his/her knowledge base about issues relevant to GAL work;
- To further strengthen the CASA program's assistance to courts statewide;
- To maintain compliance with the National CASA Association program standards.

REQUIREMENTS

As part of their professional development beyond the Pre-Service Training, CASAs will make a commitment to earning 12 credits of on-going training each calendar year. For new CASAs, the number of credits would be prorated according to the number of months remaining in the year during which they completed training.

TYPES AND VALUES

Credits can be earned in a variety of ways. Below is a listing of ways to earn credit and the verification required.

CASA Monthly Support Groups earn hour-for-hour credit: A two-hour support group would earn two credits. Verification is provided through attendance at the meeting.

CASA Summer Series also earn hour-for-hour credit and will typically earn 1-2 credits each session for the attendee. Verification is provided through attendance at the in-service.

Granite State College opens their caregiver series to CASA staff and advocates as well as foster parents and relative caregivers.

Approved Conferences. These are the same conferences that CASA staff attend for professional development. One credit is earned for each hour of workshops attended. Approved conferences include, but are not limited to:

- National CASA Association Conference
- AG's Conference on Child Abuse & Neglect
- AG's Conference on Domestic Violence
- DCYF Annual Conference
- Foster Parent Conference
- Dartmouth-Hitchcock CHAD Conferences

Other Relevant Conferences: Some other types of conferences may be directly applicable to GAL work. For example, a medical conference, teacher workshop, legal conference, etc. A CASA may submit a copy of the workshop description to the Professional Development Team for review. If the conference is offering CEUs for the workshops, the number of CEUs will determine the number of credits applied.

Independent Research, E-Learning, and other formats: There are other ways individuals can earn credits as well. These include on-line training through <https://member.nationalcasagal.org/blog/>, which provides an entire library of resources for advocates, reading of relevant books and periodicals, research of case-specific subjects, videos and DVDs, on-line excerpts from the National CASA Conference. Your CASA supervisor will oversee your independent research project and help to determine the amount of credit you will earn for these activities.

CASA/GAL Volunteer Qualifications & Training Requirements

Qualifications

Persons applying to be CASA volunteers must meet the following requirements:

- Minimum Age of 21 years
 - Minimum education requirement: high school degree or GED
 - Oral and written communication skills
 - Ability to relate to diverse people
 - Basic understanding of children and families
 - Confidentiality and objectivity
-

Screening

Persons qualifying to be CASA volunteers must submit a comprehensive application, undergo three personal reference and three criminal background checks (State Police, Child Abuse Registry, Sex Offender). They then must participate in 40 hours of training.

Training: 40-Hour Curriculum

Offers a broad overview of the course agenda. Covers the role and responsibilities of the CASA/GAL volunteer. The activities in this unit are designed to establish an environment that is conducive to participation and learning.

The Law, the Child Protection System, and the Courts

Provides an historical review of child advocacy, the importance of confidentiality, information about how cases of abuse and/or neglect come to the attention of DCYF (Division for Children, Youth & Families) and a general overview of the juvenile court process. The activities of this chapter are designed to help the participants become more comfortable with the courtroom experience.

Cultural Awareness

Examines the dynamics of cultural differences. Participants examine values and how values determine how a culture meets and defines basic needs. Participants will identify their own values and relate those values to those of other cultures. Activities will give participants the opportunity to identify how language, class, and culturally bound values influence the recommendations concerning the child. Participants are encouraged to gain competence working cross culturally, identifying ways to become more sensitive to cultural diversity.

Understanding Families - Part 1

Focuses the CASA/GAL on strengths and resources within families, and discusses risk factors (including substance abuse, domestic violence and mental illness) that influence the ways a family copes with change, crisis and stress. Activities in this chapter will help the CASA/GAL recognize personal values and maintain objectivity regarding risks for a child.

Understanding Families - Part 2

Discusses the impact of parental substance abuse, poverty and domestic violence on children. Participants will separate myths from facts about poverty. This chapter will also focus on the bond children have with their

families. Activities will help the participant focus on the feelings and fears of the children for whom they will advocate.

Understanding Children

Analyzes a child's needs, assesses age-appropriate behaviors, identifies behavioral signs of attachment and lack of attachment in children, recognizes typical reactions of children and their parents to separations and loss, examines a child's need for a safe and permanent home, identifies warning signs which might require professional assessment and/or intervention. Activities will focus the participant on child development and on any issues which might require professional assessment and/or intervention.

Communicating as a CASA/GAL Volunteer

Names the basic elements of communication, recognizes the importance of observation in gathering information about children and identifies the elements of a successful child interview, reviews important skills for building rapport and trust with a child, applies a collaborative approach to dealing with conflict, identifies different styles of dealing with conflict and revisits the concept of confidentiality.

Practicing the CASA/GAL Volunteer Role - Gathering Information

Reviews the process used to appoint a CASA/GAL volunteer to a case, creates and implements a strategy to gather information about a case, identifies the components of a successful interview and names community recourses that might be effective in addressing the needs of a child.

Practicing the CASA/GAL Volunteer Role - Reporting and Monitoring

Systematically organizes information pertinent to a case, synthesizes information to write an effective court report, utilizes all of the above to make appropriate recommendations about the needs of a child, identifies strategies for testifying and presenting information in court effectively, practices the steps required to monitor a case from the dispositional order until the child is in a safe, permanent home. Activities are designed to help the CASA/GAL create an effective court report and gain confidence in presenting information to the court.

Pulling it All Together

Identifies strategies for self-care, identifies safety tips for volunteers; reviews the role of CASA/GAL program staff for volunteer supervision and support; reviews office procedures for case assignment, obtaining records, submitting court reports; revisits the need for an advocate for abuse and/or neglected children; wrap-up.

Additional Training Requirements

- Permanency (3 hours)
- Termination of Parental Rights (3hours)
- Fostering Futures (12 hours)

Continuing Education

CASA volunteers are required to earn 12 or more continuing education credit hours per calendar year.

Activities that earn these credits include, but are not limited to:

- CASA support group meetings.
- CASA in-service presentations.
- Related conferences (DYCF Conference, AG Conference on Domestic Violence, etc.)
- Related statewide opportunities through local programs providing assistance to families.

(For further information see attached brochure).

Evaluation

CASA volunteers are evaluated by their supervisor annually. (See attached form)

Continuing Education for CASA Staff

TRAINING FOR CASA OF NH STAFF

I. INITIAL TRAINING

All new CASA staff members, regardless of prior training and/or experience, are required to complete the program's forty (40) hour training program. Training commences at the outset of a new staff member's employment or as soon thereafter as possible.

In addition, all new volunteer Program Manager staff members are required to attend CASA's three (3) hour training programs on permanency and on termination of parental rights/mediated agreements. Both of these trainings build on concepts that are introduced in the forty (40) hour training program.

II. CONTINUING EDUCATION

All CASA direct program staff members are required to attain at least twelve (12) hours of continuing education credits per year.

III. FOSTERING FUTURES

All CASA staff and volunteers working with older youth are required to take a twelve (12) hour Fostering Futures Training. This curriculum was developed by the National Court Appointed Special Advocate Association and focuses on improving outcomes for older and aging-out youth (14-21 years of age) served by CASA/GAL volunteers. It has been informed by the 2008 *Fostering Connections to Success Act* and is inspired by a model of youth advocacy and development called *possible selves*.

OBJECTIVES for the Fostering Future training:

- Older youth served by CASA/GAL volunteers trained with this curriculum will be more likely to set goals for their future and have clear ideas about how to achieve them.
- These youth will be empowered with practical knowledge such as how to schedule a doctor's appointment, find housing and engage in healthy relationships with family and friends.
- Older youth served by CASA/GAL volunteers trained with this curriculum will develop knowledge and skills to successfully transition to adulthood.
- CASA/GAL volunteers will be aware of the needs that older youth typically have and the resources within the local community to assist these youth.
- CASA/GAL volunteers will develop skills to assist the child in identifying permanent, caring adult connections, outside their family, to assist in sustaining their successful future.
- CASA/GAL volunteers who complete this curriculum will be better equipped to work alongside older youth in order to help them realize better outcomes than the unnerving statistics typical of youth who age out of the system.

IV. OTHER TRAINING

Staff training is considered an ongoing part of employment rather than a technical requirement. Consequently, additional training takes place in a variety of ways. Examples include guest

speakers at support groups and staff meetings; and case reviews/issue discussion involving all CASA Program Managers, the program's staff attorney and program directors at the monthly staff meetings.

Another example is the New Hampshire program on a yearly basis having Program Manager representation at several annual conferences pertaining to child protection. These include conferences sponsored by CASA National, New Hampshire DCYF, and the N.H. Attorney General's Child Abuse and Neglect.

An especially important source of training is CASA's participation in state-wide initiatives that have a significant bearing on child protection cases. Over the years, this has included regular participation in the Court Improvement Project, the Greenbook Project, the Child Fatality Review Team, The Attorney Generals task Force on Child Abuse & Neglect, the mediated adoption/agreement committee, the Chief Justice's Commission on the Status of the Courts and the N.H. Guardian ad Litem Board.

Volunteer:

As an Advocate Coordinator at CASA by the Lakes, I spent most of my time supporting the work of our volunteers, offering guidance and support whenever it was needed. But during this time, I also took on cases, advocating for several abused and neglected children. I felt it was important to understand and experience the role as a CASA volunteer in order to provide the most beneficial support to those actively in the that role.

During my time at Companion Animal Hospital, I helped organize and plan many charity functions benefiting the Marshall County Exceptional Center (a non-profit agency for adults with intellectual and developmental disabilities) and Marshall County Animal Shelter. These functions included the annual chili cook-off and ice cream social.

 - Familiar with Microsoft Word, Excel, CASA Manager database, GoTo Meeting, Zoom and Survey Monkey.

EXPERIENCE **STAFF ATTORNEY & PERMANENCY SPECIALIST, CASA OF NH**

July 2018 to the present.

As part of the legal team, I oversee the TPR (termination of parental rights) portion of on-going CASA cases. I work closely with individual CASA GALs as they write the reports making their final recommendation whether to terminate the rights of their CASA child's parent and I'm available to answer procedural questions about the TPR process they may have.

PROGRAM MANAGER, CASA OF NH

August 2011 into July 2018.

I supervised approximately 45 exceptional people who volunteer to advocate as guardians *ad litem* for children who are the subject of abuse or neglect petitions in Grafton and Belknap counties.

- I provided training to in-coming CASA volunteers and on-going education for existing CASAs.
- I coached CASAs drafting court reports, preparing to speak in court, and debriefing about what transpired after court.
- I discussed how to negotiate with DCYF workers, parents, et al, process visits they

have had with their CASA children & youth and strategize regarding interactions with all others involved.

- I am an engaging trainer and thoughtful sounding board for challenging situations.

ATTORNEY, ORR & RENO

2005-2008.

I participated in the general practice law firm of Orr & Reno in Concord, NH as an associate attorney after interning in the summer of 2004. I handled many types of cases and specialized in regulatory work, such as zoning, health care regulation and environmental regulation.

REPORTER, CASHMERE VALLEY NEWS

2000-2002.

I began as a sports writer for a small town paper when I lived in Washington state. The paper was associated with two other small town papers, and I became a principal writer of material for all three papers.

WHOLESALE SALES MANAGER, CANOE IMPORTS

1997-1999.

I sold canoes and kayaks at a popular store near Burlington, VT. While I always helped with retail sales, I came to manage the significant wholesale business to camps and institutions.

EFL TEACHER, KHON KAEN UNIVERSITY

1995-1996.

I taught English to university students in Thailand for two semesters after I graduated from Princeton University.

CASA OF NEW HAMPSHIRE, INC.

MISSION STATEMENT

CASA of New Hampshire strives to protect the rights of our state's most vulnerable children to live, learn and grow in the embrace of a loving family. Our trained volunteer advocates speak for abused children's best interests in New Hampshire's family court system.

ABOUT OUR HANDBOOK

On behalf of CASA of New Hampshire, Inc. ("CASA") and your colleagues, I welcome you and wish you every success here. We believe that each employee contributes directly to CASA's growth and success and we hope that you will take pride in being a member of our team.

We respect our employees and take pride in being a fun and fair workplace. We foster this through open communications, and this employee handbook ("Handbook") is an important part of those communications. This Handbook was developed to describe some of the expectations for our employees and to outline the policies, programs, and benefits available to eligible employees. You are expected to read, understand, and comply with all provisions of the Handbook. It describes many of your responsibilities as an employee and outlines the programs currently offered by CASA to benefit employees.

This version of the Handbook replaces and supersedes all prior handbooks, policies, practices, and understandings of CASA. CASA retains flexibility in the administration of the policies and procedures contained in the Handbook. CASA also reserves the right to change, amend or eliminate any of the policies and/or benefits described in the Handbook at any time, with or without notice, as business, employment, legislation, and economic conditions may warrant. Please also understand that although this Handbook is an important resource for you and CASA, it is not a contract and should not be construed as a contract. We ascribe to a policy of employment at-will, and nothing in this Handbook is intended to undermine that. In all instances, CASA strives to comply with applicable law, and to the extent that anything in this Handbook contradicts applicable law, the rule of law will apply.

One of our objectives is to provide a work environment that is conducive to both personal and professional growth. We welcome any suggestions that you may have regarding improving productivity or working conditions and we hope that you will maintain open communications with us. This Handbook is not intended to replace open communications. You should feel free at any time to discuss any questions, complaints, or suggestions with the President/CEO.

We hope that your experience here will be challenging, enjoyable, and rewarding. CASA wishes you success and fulfillment in your position with us. Again, welcome!

Sincerely,

Marcia (Marty) Ressimyer Sink
President and CEO

EMPLOYMENT POLICIES

1. INTRODUCTION

All CASA employees are expected to carry out the performance of their duties in a professional, respectful, and competent manner. This Handbook is intended to outline expectations for CASA employees. Questions regarding specific content of the Handbook or about a particular policy or procedure should be directed to the employee's supervisor or President/CEO.

Equal Employment Opportunity

CASA is deeply committed to a policy of equal employment opportunity for all of its employees. This commitment means CASA actively seeks and employs qualified persons in all job classifications, and administers all personnel actions affecting employees without discrimination on the basis of race, color, religion, sex, age, national origin, mental or physical disability, veteran status, marital status or sexual orientation or any other basis protected by state or federal law. This policy applies to all terms and conditions of employment, including, but not limited to: recruitment, hiring, placement, promotion, transfer, retention and training, termination, layoff, recall or rehire, leaves of absence, compensation and benefits.

Management is primarily responsible for assuring that equal employment opportunity policies are implemented, but all employees are asked to share in that responsibility.

If an employee perceives any discriminatory action or practice, please report it in accordance with the anti-harassment policy below. We prohibit any form of retaliation against individuals who raise issues of equal employment opportunity or participate in an investigation prompted by a compliant. Appropriate disciplinary action may be taken against any employee who violates this policy up to and including immediate termination.

Americans with Disabilities Act (ADA)

CASA is committed to complying with all applicable provisions of the Americans with Disabilities Act (ADA). It is CASA's policy not to discriminate against any qualified employee or applicant with regard to any terms or conditions of employment because of such individual's disability or perceived disability so long as the employee can perform the essential functions of the job. Consistent with this policy of non-discrimination, CASA will provide reasonable accommodations to a qualified individual with a disability, as defined by the ADA, who has made CASA aware of his or her disability, provided that such accommodation does not constitute an undue hardship to CASA.

An employee with a disability who believes he or she needs a reasonable accommodation to perform the essential functions of his or her job should contact the President/CEO. CASA encourages individuals with disabilities to come forward and request reasonable accommodation. You will be expected to promptly provide this information and engage in an interactive process with us so that we may evaluate whether you qualify for accommodation and make appropriate determinations regarding reasonable accommodations.

CASA may decline to provide accommodation in certain circumstances including, but not limited to, when: (1) the requesting employee is not a qualified individual with a disability within the meaning of state or federal law; (2) the accommodation would pose an undue hardship to CASA or our employees; and/or (3) the employee may cause a direct threat to his or her own health or safety or the health or safety of others, even with the benefit of reasonable accommodation.

Employees with questions or concerns about this policy should contact the President/CEO.

Anti-Harassment & Anti-Discrimination Policy and Complaint Procedure:

CASA has adopted a policy of zero tolerance with respect to unlawful employee harassment, discrimination and retaliation. CASA expressly prohibits any form of unlawful harassment, discrimination, or intimidation based on race, color, religion, ancestry, sex, pregnancy, national origin, age, gender identity, physical or mental disability, military service or veteran status, marital status, genetic information, sexual orientation or other characteristics protected by applicable law.

Definition & Prohibited Conduct

Harassment and discrimination refer to conduct or behavior, which is personally offensive or threatening, impairs morale, or interferes with the work effectiveness of employees and is based on age, race, religion, ancestry, color, sex, pregnancy, national origin or ancestry, sexual orientation, gender identity, marital status, military service or veteran status, physical or mental disability or handicap, genetic information or other characteristics protected by applicable law. Examples of harassment include conduct or comments that threaten physical violence; offensive, unsolicited remarks; unwelcome gestures or physical contact; display or circulation of written materials, items or pictures, that are degrading to individuals or groups based upon the characteristics listed above; and verbal abuse or insults about or directed at any employee, or group of employees because of any of the characteristics listed above.

Offensive comments, jokes, innuendoes, and other statements or conduct based on an individual's membership in any of the legally protected categories listed above have no place in a business environment and will not be tolerated. Prohibited conduct also includes, but is not limited to, slurs, epithets, derogatory comments, ridicule; verbal or physical abuse; unwelcome jokes, teasing; unwelcome sexual advances, requests for sexual favors; posting of offensive pictures, photographs, cartoons, or comments; oral, computer, phone (including telephone messages), text messages, tweets, blogs, or social networking sites; or other similar verbal or physical conduct.

Employees must not use CASA property, such as CASA software and equipment, to transmit or receive any threatening, offensive, or disruptive messages in violation of CASA's Anti-Harassment Policy.

We expect that every employee will adhere to this important policy against discrimination and harassment in all of their dealings with other employees, volunteers, and others with whom you come in contact as part of your work. Any suspected violation of this policy should be reported to CASA immediately in accordance with the reporting procedures outlined below. Any

employee who engages in behavior in violation of this policy will be subject to disciplinary action, up to and including termination of employment.

Sexual Harassment

One type of harassment that deserves specific attention is sexual harassment. Sexual harassment is illegal. Sexual harassment involves unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:

- Submission to the conduct is made either an explicit or implicit condition of employment or advancement;
- Submission to or rejection of the conduct is used as the basis for an employment or advancement decision affecting the harassed employee; or
- The harassment has the purpose or effect of substantially interfering with the employee's work performance or creates an unreasonable, intimidating, hostile, or offensive work environment.

Sexual harassment applies not only to interactions between members of the opposite sex but also between members of the same sex.

While it is not possible to list all of the types of conduct that may violate this policy, the following are some examples of conduct that will not be tolerated by CASA:

- Unwelcome sexual advances – whether they involve physical touching or not
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life, comments on an individual's body, comments about an individual's sexual activity, deficiencies or prowess
- Offering employment benefits in exchange for sexual favors
- Making or threatening reprisals after a negative response to sexual advances
- Displaying sexually suggestive, racist or insensitive objects, pictures, cartoons or posters
- Sending or viewing inappropriate e-mail messages or viewing inappropriate web sites
- Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments
- Inappropriate physical conduct such as touching, assault, impeding or blocking movements
- Inquiries into one's sexual experiences
- Discussion of one's sexual activities

Individuals and Conduct Covered

These policies apply to all applicants and employees, whether related to conduct engaged in by fellow employees or someone not directly connected to CASA (e.g., an outside consultant or volunteer).

Conduct prohibited by these policies is unacceptable in the workplace and in any work-related setting outside the workplace, such as during work-related trips, work-related meetings and work-related social events.

Supervisors, managers or any other employee who compromises the authority of their position to control, influence or affect the career, salary or job of another employee (or prospective employee) through any form of sexual harassment will be subject to severe disciplinary action.

Employee Responsibility & Reporting

As a CASA employee, you are responsible for keeping our work environment free of harassment. Anyone who feels that he or she has been subject to conduct that violates this policy must report the incident immediately to their supervisor/manager and/or President/CEO.

Investigation

When CASA receives notice of an incident reported to management, through this procedure, it will take prompt and appropriate action to thoroughly and impartially investigate the situation, as may be appropriate given the circumstances. The President/CEO typically has the primary responsibility of investigating and resolving complaints of harassment and will promptly undertake such an investigation. The investigation will be handled as discreetly as possible, consistent with a thorough investigation, and disclosure will be limited to those who have a need to know to investigate the matter or take appropriate remedial measures. In some instances, CASA may designate another individual (internal or external) as the responsible party for the investigation. All employees are required to fully and honestly participate as requested by CASA in any such investigation.

No Retaliation

Open communications of this type are important and employees can raise concerns and make reports without fear of reprisal. CASA will not tolerate retaliation against any employee who files a good faith complaint under this policy or against anyone who participates or otherwise assists in a complaint investigation. Any employee found to have engaged in retaliation will be subject to disciplinary action, which may include suspension or immediate termination of employment. Employees who feel they have been subjected to retaliation should follow the reporting procedure contained above and report the concern as soon as possible.

CASA Determinations & Disciplinary Action

CASA will take all reasonable steps to protect its employees from being subjected to harassment or discrimination by other employees, volunteers, or anyone else who has contact with an employee. In determining whether alleged conduct violates this policy, the totality of the circumstances, the nature of the conduct and the context in which the alleged incidents occurred will generally be considered.

CASA considers violation of this Anti-Harassment and Discrimination Policy to be a serious matter. Violations of this policy can result in disciplinary action, up to and including the suspension or immediate termination of employment. CASA may also take other corrective and remedial actions.

Whistleblower Protection

Purpose: CASA is committed to adhering to all applicable laws, regulations and CASA policies, and fostering an environment that is free from all forms of intimidation and retaliation. CASA likewise expects all employees to observe high standards of work and personal ethics in the conduct of their duties and responsibilities. This policy is one of a number in place to help ensure maintenance of the high ethical standards to which we all are committed. CASA will endeavor to address appropriately all serious concerns brought to its attention about legal, financial, accounting or work related improprieties. If improper conduct is found to have occurred, CASA will take appropriate corrective action.

Reporting Process: Any employee who has a good faith belief that any financial, accounting or work related wrongdoing or unlawful or unsafe activity has occurred, or will occur, may bring his or her concern to the President/CEO without fear of harassment or retaliation. The disclosure of such information is sometimes known as "whistle blowing." Such concerns may be reported to any one of the following individuals: the Board of Directors or the President/CEO.

Anonymity: Employees are encouraged to put their names to allegations because appropriate follow-up questions and investigation may not be possible unless the source of the information is identified. Concerns expressed anonymously will be investigated to the extent possible, but consideration will be given to the likelihood of confirming the allegation from attributable sources.

Prohibition against Retaliation: Employees who raise concerns pursuant to this policy are protected from retaliation. CASA expressly prohibits any form of retaliation against individuals who in good faith report suspected violations of law, cooperate in governmental hearings, inquiries or investigations, or refuse to carry out illegal directives. CASA will not discharge, demote, suspend, threaten, harass, or in any manner discriminate or retaliate against anyone because that person has made a report consistent with this policy. Anyone who engages in such prohibited retaliatory conduct will be subject to disciplinary action up to and including possible termination of employment. Any conduct which is perceived as retaliatory should be reported immediately in accordance with the reporting procedure outlined above.

Investigation and Resolution: If CASA receives a report of alleged improper conduct pursuant to this policy, it will investigate the matter promptly and thoroughly. All employees are expected to cooperate fully with any investigation. Failure to cooperate will be grounds for discipline up to and including possible termination of employment. Reporting improper conduct will not absolve the "whistleblower" of personal responsibility if he or she participated in the wrongdoing. If improper conduct has in fact occurred, CASA will address the issue in a manner that reflects its high ethical and legal standards.

Acting in Good Faith: Anyone reporting a suspected violation of law or CASA policy must be acting in good faith and have reasonable grounds for suspicion of illegal, dishonest or inappropriate activity. Allegations that prove to have been made maliciously, recklessly or with knowledge that the allegations are false will be viewed as a serious disciplinary offense and may result in disciplinary action, up to and including termination of employment or dismissal from a current position.

2. EMPLOYMENT

Employment At-Will

We value our employees and hope that employment remains mutually satisfying for the long term, but we also recognize that changes occur and that both CASA and our employees benefit from flexibility. We therefore believe in and adhere to a policy of employment at-will as this maintains maximum flexibility for CASA and our employees.

Our at-will employment relationship allows CASA or an employee to terminate the employment relationship at any time, with or without cause or notice. This Handbook is prepared for informational purposes only and does not constitute a contract between CASA and its employees and should not be construed as such.

The at-will nature of an employment relationship cannot be changed by anyone other than the President/CEO. Any agreement by the President/CEO to change the at-will nature of an employment relationship will be effective only if the agreement is in writing and signed by the President/CEO and the employee.

Compliance with the Immigration Reform and Control Act

CASA is committed to immigration law compliance and to employing only those individuals who are authorized to work in the United States.

In compliance with the Immigration Reform and Control Act of 1986, each new employee, as a condition of employment in the United States, must complete the Employment Eligibility Verification Form I-9 and present documentation establishing identity and employment eligibility within three (3) days of hire. Former employees who are rehired must also complete the form if they have not completed an I-9 with CASA within the past three years, or if their previous I-9 is no longer retained or valid.

Failure to provide the requisite documentation sufficient to demonstrate eligibility to work in the United States within the time frame set forth above may result in termination of employment. Employees with questions or seeking more information on work authorization issues are encouraged to contact the Finance Manager.

Personnel Records/ Status Changes

CASA maintains personnel records for every employee. The personnel file may include such information as the employee's job application, resume, records of training, documentation of performance appraisals, salary increases, and other employment records.

Supervisors may only have access to personnel file information on a need-to-know basis subject to the prior approval of the Finance Manager or the President/CEO. A supervisor considering the hire of a former employee or transfer of a current employee may be granted access to the file, or limited parts of it, in accordance with applicable law.

All personnel records are the property of CASA. An employee may have access to his or her personnel records upon request to the Finance Manager. Access to your records is arranged at a mutually agreeable time, during normal working hours, within a reasonable time after the employee makes the request. The Finance Manager or the President/CEO or designee will be present during the record inspection to assist the employee in understanding the content of the records.

If an employee wishes to dispute information in his or her personnel records, the employee may submit a written statement for disagreement, which will be included in the file. An employee, however, may not alter or change documents in his or her files without CASA's express approval.

In order to maintain the accuracy of each employee's records and to avoid issues, compromising your benefit eligibility or having W-2s returned, employees are required to promptly notify the Finance Manager of any change to personal information including:

- Marital status
- Home address or phone number
- Person to be notified in case of emergency
- Beneficiary designations for any insurance, disability or pension plans
- Number of dependents for withholding tax and benefit plans
- Birth or adoption of child
- Driver's license status
- Emergency telephone number
- Name and social security number
- Education achievements

As changes in family status (marriage, civil union, divorce, dependents, etc.) may also impact benefit eligibility, such changes must be reported within 30 days of the change.

Failure to update the information described above could result in failure to receive timely pay or forfeiture of certain rights under CASA's group benefit plans.

Reference and Background Checks:

To ensure that individuals who join CASA are well qualified and to ensure that CASA maintains a safe and productive work environment, it is our policy to conduct criminal background checks on all applicants who accept an offer of employment. Background checks may include verification of any information on the applicant's resume or application form.

All offers of employment are conditioned on receipt of a criminal background check report that is acceptable to CASA. All background checks are conducted in conformity with the Federal Fair Credit Reporting Act, the Americans with Disabilities Act, state and federal privacy and antidiscrimination laws, and any other applicable law. Reports are kept confidential and are only viewed by individuals involved in the hiring process.

If information obtained in a background check would lead CASA to deny employment, a copy of the report will be provided to the applicant, and the applicant will have the opportunity to dispute the report's accuracy. Background checks may include a criminal record check, although a criminal conviction does not automatically bar an applicant from employment.

Additional checks such as a driving record or credit report may be made on applicants for particular job categories if appropriate and job related.

CASA also reserves the right to conduct a background check for current employees to determine eligibility for promotion or reassignment in the same manner as described above.

Motor Vehicle Records Check

A valid driver's license and an acceptable motor vehicle record may be required as part of the hiring process if the job responsibilities require the use of a motor vehicle. A motor vehicle record which is determined to be unacceptable will result in a decision not to hire an applicant or, if a conditional offer has been extended, to revoke the offer.

CASA may require periodic driving record checks for existing employees, and employees are required to authorize such checks, if necessary, as a condition of employment. In addition, any employee who drives a personal vehicle as part of his or her job responsibilities must immediately notify the Finance Manager in the event of any change in drivers' license status.

Categories of Employees

All employees are designated as either non-exempt or exempt under state and federal wage and hour laws. The following is intended to help employees understand employment classifications and employees' employment status and benefit eligibility. These classifications do not guarantee employment for any specified period of time. The right to terminate the employment-at-will relationship at any time is retained by both the employee and CASA.

Non-exempt employees are not exempt from the overtime pay requirements of the Fair Labor Standards Act (FLSA) and are therefore entitled to overtime pay under the specific provisions of applicable laws. A non-exempt employee's pay for hours worked in excess of 40 hours will be calculated at the rate of one and one half times the regular hourly rate. Please see the Overtime Pay Policy for additional information. Non-exempt employees are generally paid on an hourly basis, although there are other methods of pay that may be used.

Exempt employees are excluded from the overtime pay requirements of the FLSA and are therefore not entitled to overtime pay as their salary represents compensation for all work performed in a pay period. Exempt employees are generally paid on a salary basis, although there are other methods of payment that may be used.

An employee's exempt or non-exempt classification may be changed upon written notification by CASA management.

In addition to the above categories, each employee will belong to one other employment category:

Regular, Full-time Employees: Regularly scheduled to work a full-time schedule of at least 40 hours per week. Generally, they are eligible for benefit offerings, subject to the terms, conditions, and limitations of each benefit program.

Regular Part-time Employees: Regularly scheduled to work less than the full-time schedule and fewer than 30 hours per week. While they do receive certain legally mandated benefits, they employees are generally ineligible for other benefit programs.

Temporary Employees: Hired as interim replacements, to temporarily supplement the work force, or to assist in the completion of a specific project. Employment assignments in this category are of a limited duration. Employment beyond any initially stated period does not in any way imply a change in employment status. Temporary employees retain that status unless and until notified of a change. While temporary employees do receive certain legally mandated benefits, they are ineligible for all other benefit and insurance programs.

Orientation/Introductory Period

~~The first 90 days of employment are an orientation or introductory period for all employees.~~ This gives the employee the opportunity to determine if CASA and the position are suitable, and gives the President/CEO an opportunity to determine the employee's suitability for the job. At any time during the orientation period, the program may discharge the employee without warning or cause. If, after 90 days the employee's supervisor determines a further orientation period is needed, the supervisor may extend the orientation period. Any decision to extend the orientation period must be in writing.

Prior to the completion of the orientation period, the employee's supervisor will evaluate the employee's performance and recommend whether to continue employment. The successful completion of the orientation period does not create a contractual relationship, guarantee employment for any specific duration or establish a termination for cause standard. The employment relationship with CASA is at-will.

3. COMPENSATION

Work Schedules/Punctuality

CASA requires the presence and diligent efforts of its employees in order to maintain standards consistent with our mission. Accordingly, different working hour schedules will be established by CASA to best support its needs. These schedules are established and periodically reviewed and will generally remain in effect until compelling circumstances require a change. CASA reserves the right to alter or amend any employee's work schedule in accordance with the needs of the organization.

Employees are expected to arrive to work on-time. As a general rule, employees are expected to work a full day, unless prior arrangements are made with their supervisor.

Timekeeping

Federal and state laws require employers to keep accurate records of the time worked by non-exempt employees. Such employees are required to record when they report to work and when they stop working. As a general matter, employees are entrusted to work their scheduled hours and are expected to demonstrate honesty and diligence in completing and submitting time records. Time records must be completed fully and accurately, and employees may not provide any false information on time records or any other CASA documents. These records are used to ensure that employees are paid correctly for all hours worked, for all paid time off and for all approved absences.

CASA requires exempt employees, as well, to record their work hours and paid time off. Exempt employees should keep their supervisor informed of work schedules, meetings outside of the office and out of town travel. Any false, inaccurate, and/or altered reporting of time worked or paid time off by any employee or on behalf of another employee will be cause for disciplinary action, up to and including discharge.

Pay Periods and Pay Days

CASA's weekly pay period begins at 12:01 am on Sunday and ends at 12:00 midnight on Saturday. CASA's pay day is the Friday following the close of the bi-weekly pay period.

For clarity, paychecks are issued every two weeks for work performed during the preceding pay period. CASA does not grant any advances on pay.

In lieu of a paper check, employees may elect to receive their pay by setting up direct deposit into their own personal bank accounts. If you have chosen to receive a paper check instead of using our direct deposit option, your paycheck may be hand-delivered directly to you or put in your CASA mailbox. No other person may pick up your paycheck unless we have your authorization in writing.

Pay Stubs & Payroll Deductions

All employees receive a paystub which itemizes the income earned as well as any withholdings and deductions. Please review your pay stub each time that you are paid to ensure that it is accurate. If you have any questions or concerns about information reported on your pay stub, please contact the Finance Manager for prompt investigation and resolution.

Payroll Deductions for All Employees

There are generally two categories of payroll deductions: those required by state or federal law and those authorized by the employee.

Payroll deductions required by state and federal law include federal withholding, income tax, social security tax, and wage garnishments required by law, such as child support payments, court-ordered payments, and IRS garnishments.

If authorized in writing or online by an eligible employee, CASA will also make payroll deductions for health and dental insurance, savings plans, retirement contributions, and other deductions permitted by applicable state and federal law. Unless otherwise required by law, CASA may accept or reject requests for voluntary deductions at its sole discretion.

Payroll Deductions for Exempt Employees

CASA complies with all federal and state laws with regard to deductions from paychecks, including deductions from the salaries of exempt employees. In accordance with the laws, salaried exempt employees receive a predetermined salary which is not subject to reduction because of variations in the quality or quantity of work performed, and is not subject to reduction for absences requested by CASA or due to CASA's operating requirements.

CASA recognizes that under federal and state law there are only limited reasons for which an exempt employee's salary for a pay period can be subject to deductions. CASA prohibits deductions from salaries that are inconsistent with an employee's exempt status.

Exempt employees should note that salaries are subject to modification from time to time such as at compensation review time, when an employee's position or responsibilities change, and at other appropriate times.

Exempt employees should also note that it is permissible for an employer to apply paid time off to partial or full day absences for personal reasons, sickness, or disability, and that applying paid time is not considered a deduction from salary.

Questions Regarding Paychecks

If you have any questions or concerns about your paycheck or any deductions from your pay, please contact the Finance Manager as soon as possible.

If you do not receive a prompt response or are dissatisfied in any way with the response you receive, you should feel free to contact the Finance Manager or the President/CEO.

Questions and concerns regarding pay and deductions will be looked into and addressed as may be appropriate. If there has been an error, such as a deduction made in error, the employee will receive a corrected check or a check reimbursing the employee for the error, whichever CASA determines to be practicable under the circumstances.

Employees should feel free to communicate any questions or concerns regarding pay or deductions without fear of reprisal. Retaliation against employees who have expressed concerns using this procedure is prohibited.

Overtime

Overtime will be paid to all non-exempt employees in compliance with applicable federal and state wage and hour laws. Payment of overtime will be paid at the rate of one and one-half (1½) times an employee's regular hourly rate for all hours worked in excess of 40 hours per workweek. Only time actually worked will be considered in the calculation of overtime hours.

Paid time off, bereavement, jury duty time, and other time away from work will not be considered time worked for the purpose of determining the overtime 40 hour base pay week.

Consistent with the explanation above, an employee who works in excess of eight (8) hours in any given day will not be entitled to overtime pay unless that employee's total work hours for the work week exceeds 40 hours, or unless such overtime pay is otherwise required by applicable state law.

Employees are expected to work any overtime requested by their supervisor. The employer determines the necessity of overtime. Written authorization by an employee's supervisor is required before any overtime may be worked. Failure to obtain supervisory approval to work overtime will result in disciplinary action, up to and including discharge.

Two-Hour Minimum Pay

There may be times when CASA needs to make staffing changes. CASA will do its best to notify employees in advance of any scheduling changes. In the event that an employee reports for work as directed, and is subsequently sent home due to staffing changes, he or she will be paid a minimum of two hours. In the event that an employee asks to leave early due to a personal emergency or illness, or refuse a work assignment, he or she will be paid only for hours actually worked that day.

Performance and Salary Reviews

A performance review or appraisal provides an opportunity for ongoing communication between the employee and the supervisor about job performance. On or about the anniversary date or at least annually, the supervisor and employee will meet to review and discuss job performance, goals, career development and any concerns about job duties. These review sessions provide an excellent opportunity for on-going, constructive feedback and a means for the employee to develop skills and abilities. A supervisor may hold informal or more frequent review sessions as needed. While every effort will be made to conduct performance reviews timely, certain circumstances may prevent or delay such reviews.

On or around the anniversary date in the present position or at least annually, a supervisor and or the President/CEO may conduct a salary review. During this meeting, total compensation and performance will be discussed. A salary review does not always result in a salary increase. If a salary increase is recommended, it will be based upon performance since the last increase, years of service and placement in the salary range. Other factors affecting the award of salary increases are the financial position of CASA, the local and national economy, local and national salary trends and trends in the nonprofit arena.

Promotions

CASA promotes from within to fill a vacancy whenever practical. Vacancies, however, will be filled in the manner determined by the program to best serve its interest. If an employee's work performance has been rated satisfactory or above by the supervisor and the employee meets the qualifications of a vacant position, the employee may be eligible for a promotion. An employee who feels qualified for a vacant position should discuss the possibilities with the supervisor.

Training and Development Opportunities

CASA encourages the professional development of all employees. If a training opportunity becomes available, the employee should discuss it with the supervisor. Any workshop or seminar that may qualify for financial assistance from the agency, must be related to the current job or enhance the potential for future assignments. Approval for all seminars and workshops will be at the discretion of the employee's supervisor and the President/CEO.

4. ON THE JOB

Open Door Policy

CASA is committed to providing the best possible environment for the maximum development and achievement of goals for all of its employees. Our practice has always been to treat each employee as an individual. We have sought to develop a spirit of teamwork, i.e. individuals working together to attain a common goal. In order to maintain an atmosphere where these goals can be accomplished, we have provided a workplace that is comfortable and progressive. Most importantly, we have created a workplace where communications are open and problems can be discussed and resolved in a mutually respectful atmosphere taking into account individual circumstances and the person as well. We firmly believe that by communicating with each other directly, we can continue to resolve any difficulties that may arise and develop a mutually beneficial and satisfactory relationship.

CASA desires and intends to deal fairly with all employees, and further understands that in any organization there may be misunderstandings or misinterpretations. Employees are encouraged to make CASA aware of any problems.

At times, problems may develop between an employee and supervisor or an employee and co-worker. To resolve the problem, the employee should discuss it with the supervisor or co-worker. If the discussion does not result in a satisfactory solution, the employee may seek assistance through a problem resolution process. If the employee still has questions after meeting with the supervisor or co-worker or the employee would like further clarification on the matter, the employee may request a meeting with the President/CEO. The President/CEO will review the situation and determine the appropriate course of action.

Standards of Conduct

Work standards are necessary to make sure we all have a common understanding of what types of behavior and conduct are expected. This allows us to consistently enforce a set of standards that creates a positive work environment and earns the respect of each other and those we serve.

Examples of improper conduct include falsification of agency records, insubordination, theft or dishonesty, excessive absenteeism or tardiness, possession of a weapon or firearm, unsatisfactory job performance, engaging in harassment, disclosing confidential information, creating and/or contributing to a culture of disrespect and/or intolerance, reporting to work under the influence of alcohol or drugs and using obscene, abusive or threatening language. These examples are not all-inclusive, but present the types of conduct and behavior that are unacceptable to CASA and are contrary to its standards.

Violation of these standards and any other type of conduct the program considers contrary to its standards will result in disciplinary action, up to and including discharge. The employee's supervisor, in consultation with the President/CEO, has the discretion to decide appropriate disciplinary action, depending on the infraction and the employee's work record.

This policy does not alter the at-will status of the employment relationship. CASA reserves the right to terminate an employee's employment at any time, with or without cause and with or without notice.

Code of Ethics

CASA conducts all facets of its operations in an ethical and professional manner, and adheres to all applicable federal, state and local laws and regulations. We treat each other and those associated with our program with respect and dignity. To that end, our organization adheres to six essential values. We are:

Service Oriented
Committed to Quality
Ethical
Fair, Honest, & Human
Accountable
Mission-directed

All staff members are responsible for adhering to these six essential values in executing the responsibilities of their jobs and in representing CASA. It is important to define organizational expectations in the areas of ethical and professional behavior. Staff members appreciate knowing what is expected of everyone within your workplace culture. Once guidelines have been established, preferably with staff input, refer to them often in day-to-day operations as well as during employee performance review meetings.

Confidentiality

In the course of employment, employees will become privileged to confidential information, such as information related to the children we serve. Work-related confidential information includes identity of the CASA's volunteers, internal reports, policies, procedures or other internal work-related confidential communications. Confidential information may not be removed from CASA without its permission and employees must not disclose confidential information to any unauthorized person inside or outside of CASA. It is important that all employees maintain the confidentiality of such information.

Misuse or divulgence of confidential information will result in disciplinary action, up to and including discharge.

No employee shall discuss any cases specific or non-specific with the media or press, unless permission has been given by the President/CEO.

The obligation of confidentiality is not extinguished by termination of employment. Additionally, CASA has taken measures to protect the confidentiality of personal employee

information. Only those with a legitimate work-related reason may have access to the information in employee files.

Outside Employment

An employee may accept outside employment when it will not conflict with job performance for CASA. Employees may not engage in any outside activity that would involve the use or disclosure of any confidential information regarding the program or the children we serve. Outside employment must not interfere with an employee's work schedule, adversely affect the efficient performance of the employee's regular duties, be in conflict with the program work performed by the organization (e.g., home studies), or cause the employee to be ill or accident-prone through fatigue, worry or other condition. If an employee has any questions about whether his/her outside employment conflicts, he/she should consult with the President/CEO.

Attendance & Call-in Policy

CASA believes that a good record of attendance and punctuality is an essential component of good work performance. Employees are expected to be at work when they are scheduled to be and show up on time, alert and ready for action. If an employee is sick or going to be late, he or she must let his or her supervisor know (in the manner that they have informed the employee of) at least two (2) hours prior to his or her scheduled start time. If an employee is absent more than one (1) day, the absence must be reported each day to his or her supervisor unless other arrangements have been made with his or her supervisor in advance. Sending a message through a co-worker or family member is not acceptable protocol except if the employee is incapacitated and unable to call. Unnecessary absences and lateness are expensive, disruptive and place an unfair burden on fellow employees and managers. We expect excellent attendance from each employee.

Excessive absenteeism, tardiness or failure to follow call-out procedures may result in disciplinary action, up to and including termination. We consider absences of five (5) consecutive days without notification to be job abandonment and a voluntary resignation.

Hours of Work

CASA is open Monday through Friday from 8:00am to 4:00pm. The normal work day is eight (8.0) hours, and the normal work week is forty (40) hours for all full-time employees.

Non-exempt employees must not work any hours that are not authorized. Non-exempt employees must not start work early, finish work late or perform any other extra or overtime work unless they are authorized to do so and record their time on their time sheets. Any falsification of time records or failure to report hours worked may result in disciplinary action, up to and including termination.

Lunch Break

All full time employees including supervisors may take up to a 60 minute paid lunch break during their regular work day. Lunch breaks may not be used to make up time for tardiness or to

leave work early without the approval of the supervisor. Employees should take their lunch break and other breaks away from their workstation.

Part-time employees who work between 20 and 30 hours per week may take up to a 30 minute paid lunch break during their regular work'day. Part-time employees who work less than 20 hours per week do not receive a paid lunch break but may take an unpaid lunch break up to 30 minutes if approved by a supervisor.

Lactation/Breastfeeding

For up to one year after a child's birth, any employee who is breastfeeding her child will be provided with reasonable break times as needed to express breast milk for her baby. However, a break of more than 20 minutes in length will be unpaid for a non-exempt employee. CASA will make reasonable effort to provide a private room for this purpose, other than a restroom. Any breast milk stored in a refrigerator must be labeled with the name of the employee and the date of expressing the breast milk. Any nonconforming products stored in the refrigerator may be disposed of. Employees storing milk in the refrigerator assume all responsibility for the safety of the milk and the risk of harm for any reason, including improper storage or refrigeration and tampering. Nursing mothers wishing to use a room must request the room by contacting the President/CEO.

Professional Attire

Professional attire is required by all CASA staff members when conducting CASA business. This includes but is not limited to:

- All court room appearances (including "corridor work")
- Meetings with judges and other court personnel
- CASA Board of Directors meetings
- Meetings with DCYF/Attorneys
- Volunteer training and interviewing sessions
- Representing the CASA program at conferences & seminars
- Any professional meeting where the employee is representing the organization.

Professional attire is:

- Dresses
- Suits
- Skirts
- Pant suits, if pants must be worn which are not part of a suit, they should be accompanied by a blazer or jacket.

All court room appearances require Professional Attire which is generally regarded as business suits or dresses. Men should wear suits or sport coats and a tie in the court room at all times.

Employees who are not scheduled to be in court are required to wear businesses casual attire. Business casual, generally, is still a dressed-up or tailored look – i.e. tailored slacks, less formal

dresses and skirts, dress loafers and oxfords, blouses, collared or mock collared shirts, sweaters, sports coats with or without ties.

The following are examples of inappropriate office attire on any workday:

- Tank tops, low-cut blouses or dresses and any clothing items exposing the midriff area of the body
- Dirty or ripped clothing or shoes
- T-shirts
- Shirts with large, offensive or politically-charged logos or slogans
- Shorts
- Sport sandals, “flip flops” or Crocs
- Sneakers, athletic shoes or tennis shoes
- No blue jeans, jean style pants (like cords), skinny jeans of any color (jean jumpers, shirts, skirts or dresses are acceptable)
- Leggings are fine as long as they are worn with at least a tunic length (mid-thigh or longer) top
- No shirts with cutout shoulders (“cold shoulder shirts”)
- Dresses/skirts should be at a length that is comfortably appropriate and does not ride up when seated
- No spaghetti strap dresses or “beachy” wear
- No gym clothes, spandex, sweat pants, etc.
- No flannel shirts
- Nylons are not necessary during warmer weather.
- Sport coats or blazers, are appropriate to put on over more casual tops, shirts, blouses if necessary for attending court, meetings, etc.

Please be neat, clean, pressed, etc.

Management reserves the right to determine appropriateness. Any employee who is improperly dressed will be counseled or in severe cases may be sent home to change clothes. Continued disregard of this policy may be cause for disciplinary action, which may result in termination. CASA will make religious accommodation for an employee’s religious beliefs or practices unless doing so would create undue hardship to CASA.

CASA Equipment, Tools, Supplies & Premises and Personal Possessions

Employees shall not use any CASA equipment, tools, supplies, or premises, unless authorized to do so by virtue of their job duties and responsibilities or have permission from the President/CEO. Employees are prohibited from using CASA equipment, tools, supplies, or premises for personal purposes unless specifically authorized by their supervisor. Upon separation from employment at any time (for any reason, including resignation), or upon request at any time, employees are required to return any such property immediately.

All employees are responsible for taking precautions to safeguard the physical security of CASA’s equipment, tools, supplies and premises, including laptops, cell phones, iPads and any

other provided electronic devices issued to perform the employee's job function. These rules also apply to electronic equipment and information. Disks, CDs, USB portable drives, and other removable drive devices containing sensitive, confidential, or proprietary information should be stored in a locked drawer, whenever possible. Computers should be locked or turned off when not in use for an extended period of time or when an employee is out of his or her office, unless directed by the IT Director.

Any employee who violates this policy or uses the communications systems for improper purposes may be subject to discipline, up to and including termination.

Electronic Communications

All computer, electronic and telephonic documents and communications transmitted by, received from or stored in office equipment are the property of CASA. Employees shall not disguise their identity when creating or transmitting messages or material on CASA computers or equipment and are not to transmit material in violation of any organization policy, law or regulation.

Employees are to use caution and take all reasonable care to protect CASA's computer equipment from viruses, damage or theft, including using anti-virus software. From time-to-time audits may be conducted of all software on computers in the workplace to identify any potential virus or security threats or unlicensed, illegal, or unauthorized software copies.

An employee's computer file and electronic and telephonic communications are not private. Employees have no right to privacy in their use of CASA's equipment. We reserve the right to randomly inspect or monitor employees' use of the equipment at any time to determine that the use is authorized for a work-related purpose.

Personal use of CASA computers is permissible during lunch break. However, employees are reminded that CASA has access to all personal information on an employee's computer and thus employees should not save passwords used for banking or other purposes on their CASA computer.

Personal e-mail should not be accessed through a CASA computer unless it is for a legitimate business purpose. Accessing personal e-mail through a CASA computer poses a potential cyber security issue, so employees should only open e-mails related to CASA business.

CASA reserves the right to access voicemail, email and internet systems and obtain communications within the systems, including past voicemail and email messages, without notice to users in the ordinary course of work when deemed appropriate to do so. Further, internet usage may be reviewed to ensure that such use is appropriate. The reasons for which management may obtain such access include, but are not limited to: maintaining the system; preventing or investigating allegations of system abuse or misuse; assuring compliance with software copyright laws; complying with legal and regulatory requests for information; and ensuring that organization operations continue appropriately during an employee's absence.

CASA reserves the right to block and/or monitor internet access to any sites, monitor user's electronic communications and activity on other network connected devices.

Documents, messages and computer software developed by employees on behalf of CASA, or that is purchased for the use of CASA, is the property of CASA.

We expect employees to maintain the confidentiality of CASA messages and information. Transmitting or otherwise disseminating proprietary data, trade secrets, or other confidential information outside of CASA is strictly prohibited, unless the transmission is expressly authorized as part of any employee's job responsibilities.

When working off site, employees must remain mindful of protecting confidential information contained on CASA laptops and other equipment. Employees are expected to safeguard CASA laptops and other equipment when working off site and to not expose laptops and other equipment to excessive heat or cold.

Any violation of this policy will result in disciplinary action, up to and including termination.

Social Media Policy - Acceptable Use

CASA respects the right of its employees to use personal Web sites and Weblogs (blogs) as a medium of self-expression and networking on their own time. Generally, however, employees are expected to use good judgment using social networking sites and in their blogs, especially when identifying themselves as a CASA employee, and must not discuss any confidential or internal information regarding CASA, its management, staff members, or volunteers. Employees should refrain from checking social media sites during work time and may do so during lunch. Social media may be used by employees for work purposes during work time.

Procedures

Employees are expected to respect the privacy of other employees and refrain from posting photos, opinions, or other information which may portray other employees, or others in work relationships with CASA in a negative manner. Notwithstanding the foregoing, this policy does not apply to communications about working conditions protected under the National Labor Relations Act.

The publication of confidential information relating to CASA, its services, products, volunteers and work affiliates is prohibited. If employees are uncertain whether information is confidential, they should consult their supervisor.

Employees are reminded that information posted on personal websites can be viewed by members of the public, by others in CASA, by volunteers, or by donors to the Organization. Employees are expected to be respectful and avoid disparaging remarks or images.

Employees are expected to comply with copyright laws and avoid plagiarism. CASA logos and trademarks may not be used without prior written consent from the President/CEO.

If an employee has identified on his/her personal website that he/she is employed by CASA, then CASA strongly encourages that a disclaimer be included that states that the opinions provided do not represent the views of CASA. These restrictions apply not only to employees' personal websites, but to postings on other websites, including the personal websites of non-employees.

As a CASA employee, you are responsible for complying with this policy. Any employee, who becomes aware of an incident in violation of this policy, whether by witnessing the incident or being told of it, should report it to the President/CEO. When CASA becomes aware that such a violation might exist, it will take prompt and appropriate action to investigate and address the situation.

Employees are reminded that certain policies, such as harassment for example, apply to employees' off-duty conduct that affects that workplace, which may result in disciplinary action, up to and including, the suspension or termination of the offender. CASA will take immediate and appropriate corrective action when it determines that a violation of policy has occurred through the use of social networking.

Failure to adhere to this policy will result in disciplinary action, up to and including termination.

Personal Telephone Calls

CASA recognizes that there are times when personal calls must be made or received during work hours. However, please keep these calls to a minimum and we encourage that calls be made during lunchtime so that personal calls do not disrupt the work day.

Use of Cell Phones

This policy outlines the use of personal cell phones at work, including special issues related to camera phones, the personal use of work cell phones and the safe use of cell phones by employees while driving.

Personal Cell Phones

While at work, employees are expected to exercise the same discretion in using personal cellular phones as is expected for the use of CASA phones. Excessive personal calls during the workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. A reasonable standard is to limit personal calls during the workday to breaks and lunch hour.

For any cell phone at work, employees should keep the phone off when not needed or keep the phone on vibrate or a low volume ring so as not to disrupt the work area.

If using a cell phone for music, employees should refrain from using headsets. Employees may provide their own Bluetooth speaker.

CASA is not be liable for the loss of or damage to personal cellular phones or Bluetooth speakers brought into the workplace.

Camera Phones and Other Cameras

CASA prohibits employee use of camera phones (for taking pictures) involving Confidential Information. This is a preventative step necessary to secure CASA Confidential Information and other CASA information.

Safety Issues Relating to Cell Phone Use

Employees must comply with NH's Hands Free Law while driving on CASA business. Safety must come before all other concerns. Regardless of the circumstances, including slow or stopped traffic, employees are strongly encouraged to pull off to the side of the road and safely stop the vehicle before placing or accepting a call, texts or e-mail. If acceptance of a call is unavoidable and pulling over is not an option, employees are expected to keep the call short and use hands-free options, refrain from discussion of complicated or emotional discussions, and keep their eyes on the road. Special care should be taken in situations where there is traffic, inclement weather, or the employee is driving in an unfamiliar area. These safety precautions apply while an employee is driving on CASA business, and also apply at any time when an employee is driving if a phone call relates to CASA business.

Under no circumstances should employees place themselves or others at risk to fulfill business needs.

Much like other violations of traffic or speeding laws, employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions.

Violations of this policy may result in disciplinary action, up to and including termination of employment.

5. TIME OFF FROM WORK

Leaves Of Absence Generally

Generally, if an employee must be absent from work for a period of more than one (1) week, a formal leave of absence, approved by the President/CEO is necessary. More complete descriptions of specific employee leave policies are included below. However, there are some general rules that apply to all leaves of absence.

Unless otherwise provided by applicable law, employees on any form of leave of absence must use all accrued vacation and sick time prior to taking unpaid leave. In addition, employees on approved leaves of absence (other than Personal Leaves of Absence), in CASA's sole and absolute discretion, may be permitted to take an advance on remaining vacation and sick time that would be available to them through the balance of the calendar year. Employees borrowing time must complete the form(s) required by the President/CEO, which will include an agreement to repay CASA for time used but not accrued in the event you are separated from employment for any reason, including resignation. Please see the Benefits section of this Handbook for additional information.

Employees who are on leaves of absence and receiving workers' compensation or short- or long-term disability benefits do not have to use their available vacation and sick time once those benefit payments begin, but may elect to do so to supplement their benefit pay. Please note that workers' compensation benefits received plus any supplement added through use of vacation and sick time may not exceed 100% of the employee's regular pay in any pay period. To the extent that an employee is eligible for two or more types of leave, the leaves will run concurrently.

The following leaves may be approved by the CASA:

Vacation Time

CASA provides vacation time based upon anniversary of date of hire. Eligible employees accrue vacation time beginning on the employee's hire date each year. This process will provide our employees with specific accrual amounts at each pay period. CASA provides paid vacation time to full-time employees and employees working 30 or more hours per week. Employees classified as temporary employees are not eligible to accrue vacation time.

Accrual of Vacation Time:

Regular, full-time and eligible part-time (regularly scheduled to work 30hrs/wk.) employees accrue vacation time each anniversary year:

- 3 weeks during the first 1-5 years of service.
- 4 weeks after 5 years of service.
- 5 weeks after 10 years of service.

Employees who work 30 hours/wk. earn vacation time on a pro rata basis. Part-time employees who work fewer than 30hrs/wk. are not eligible for vacation time.

Use of Vacation Time:

Employees who have completed 3 months of continuous service are eligible to use vacation time.

All requests for vacation must be submitted to the supervisor for approval at least one month before the date of the vacation. Employees may not take more than two consecutive weeks of vacation at one time unless special permission has been granted by the President/CEO.

CASA requires all employees to use earned vacation prior to their next anniversary date.

Vacation time will not be carried forward to the next anniversary year: an employee who is unable to use earned vacation time in the anniversary year that it was earned, will lose it. However, if there are extraordinary circumstances, the President/CEO may approve the carryover of vacation time. Employees will not be paid for any unused vacation time upon separation of employment.

Sick Time

Regular, full-time employees may accrue up to 80 hours of sick time each calendar year and may use sick time after completing three months of continuous service. Part-time employees who work 30 hours per week or more accrue sick time on a pro rata basis. Only employees who have worked a full calendar year will receive the full 80 hours of sick time. Sick time accrual for an employee's first calendar year of employment will be based on the employee's actual weeks worked and will accrue at a rate of 1.53 hours per week. If the employee works less than 40 hours per week, the rate will be based upon the employee's actual weekly salary hours. Employees are encouraged to contact the Finance Director with any questions.

Sick leave may be used by employees for their own illness or to care for dependents who are ill. Dependents are identified as those to whom you are primary caregiver and can be claimed on federal tax returns. Sick leave may also be used in the case of a Parental/Family Leave as outlined in the Parental/Family Leave policy section of this handbook.

Employees who have been absent for more than 5 consecutive days for medical reasons are required to provide their supervisor with a medical release prior to returning to work. Failure to provide such medical release will result in an unauthorized absence. A statement from an employee's doctor may be required at other times as determined by the employee's supervisor. An employee who exceeds the allotment of sick days will have the option of using vacation days or personal days. If the employee has exhausted all accrued and earned paid time off, the missed days will be unpaid.

Employees who are unable to report to work because of illness are required to notify their supervisor before their normal reporting time. Failure to do so may result in an unauthorized absence. Employees may carry over unused sick time into the new benefit year in an amount not to exceed a total of 240 hours of sick time. Unused sick time is not paid out upon separation of employment.

Personal Time

~~(Regular, full-time employees accrue 16 hours of personal time each calendar year and may use personal time upon completing 3 months of continuous service. Part-time employees who work 30 hours per week or more accrue personal time on a pro rata basis. Only employees who have worked a full calendar year will receive the full 16 hours of personal time. Personal time accrual for an employee's first calendar year of employment will be based on the employee's actual weeks worked and will accrue at a rate of 3.1 hours per week.)~~ If the employee works less than 40 hours per week, the rate will be based upon the employee's actual weekly salary hours. Employees are encouraged to contact the Finance Director with any questions.

Personal time should be requested at least 2 weeks in advance. Personal leave is not granted automatically. Requests for a personal leave may or may not be approved at the discretion of CASA. However, to maintain well-being, employees are encouraged to take personal time. Any unused personal time will be carried forward to the next calendar year and will be counted towards the total of 240 hours of sick time.

Unused personal time is not paid out upon separation of employment.

Holidays

It is CASA's policy to provide its eligible regular full-time and part-time employees time off with pay in observance of the following holidays: New Year's Day, Martin Luther King Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Thanksgiving Day, the day after Thanksgiving and Christmas Day.

Employees may be scheduled to work a holiday as staffing and operational needs require. Regular part-time employees however, are only eligible for holiday pay if they would normally be scheduled for work when the holiday is observed. These employees will receive holiday pay

for their normal work day hours, not to exceed 8 hours. For example, if the employee normally works 6 hours in a day, the employee would be paid 6 holiday hours, not 8. Furthermore, a regular part-time employee who works a Monday, Wednesday, Friday schedule would not be eligible to receive holiday pay for a Thursday holiday (such as Thanksgiving), but would be eligible to receive holiday pay for a Friday holiday (such as the day after Thanksgiving).

An exempt employee who works a holiday may take another day as the paid holiday with the approval of the supervisor. This day must be taken within 60 days of the scheduled holiday. When a scheduled holiday falls on a Saturday or Sunday, CASA will observe the holiday on either the preceding Friday or the following Monday, as determined by the President/CEO.

Temporary employees and employees who are regularly scheduled to work fewer than 30 hours a week are not eligible to receive holiday pay.

If a holiday falls during an employee's scheduled vacation period, the holiday is not charged against the employee's vacation. Instead, that day is paid through the holiday pay benefit.

Personal Leave of Absence

An employee who has exhausted all forms of leave available to him or her under our other policies may apply for a personal leave of absence without pay in the event they need to be absent from work for compelling personal reasons. Regular, full-time employees who have completed 1 year of continuous employment may be eligible for a personal leave of absence up to 6 weeks unpaid.

A personal leave of absence is time off from scheduled work without pay for non-medical reasons. Personal leave is not a privilege and in no instance is a leave granted automatically. Requests for a personal leave may or may not be approved at the discretion of CASA.

Considerations for approving a personal leave will depend on:

- (1) The reason for the leave.
- (2) The length of the requested leave.
- (3) The employee's overall performance and dependability record.
- (4) The employee's length of service.
- (5) The program's staffing needs.

An employee who wishes to take a personal leave of absence must submit a written request to the supervisor at least 30 days in advance of the leave date. To maintain benefits during a personal leave of absence, an employee must make advance arrangements with the President/CEO. Group benefits for an employee and dependents will continue as long as the employee remains on an approved personal leave of absence, and the employee pays the required benefit premium payments. Employees will be required to make such payments on a monthly basis. Employees are not eligible for holiday pay during a personal leave. Paid time-off benefits will not accrue during an unpaid personal leave.

Upon return from a personal leave of absence, CASA will attempt to assign the employee to the former or a similar position. The program, however, cannot guarantee that the employee's former position or any position will be available following a personal leave of absence. If the

employee's former or a similar position is unavailable, the employee will be assigned to a position for which the employee is qualified, if such a position is available. If no position is available, the employee's employment will be terminated.

If an employee fails to report to work or contact CASA on the scheduled date of return from an approved personal leave of absence, it will be assumed that the employee has voluntarily quit and the employee's separation from employment will be processed.

Employees on personal leave are responsible for contacting the Finance Manager at least once every other week during the absence to provide updates regarding their status and intentions to return to work. Working while on personal leave is not permitted. Failure to return from a personal leave of absence on the date agreed upon will be treated as a voluntary resignation.

An employee who has been on personal leave due to his or her own medical condition will be required to submit a fitness for duty certificate before returning to work.

Medical Leave of Absence

Employees who have completed 1 year of continuous service are eligible for a medical leave of absence. If an employee is unable to work because of medical reasons, the employee may request a medical leave of absence up to 6 weeks of unpaid leave in a 12-month period.

An employee who elects to take a medical leave of absence must submit a written request to the supervisor at least 30 days in advance if the leave is foreseeable. If the leave is unexpected, the employee must notify the supervisor and provide written notice as far in advance of the anticipated leave date as practical. Normally, this would be within two business days of when the need for leave becomes known to the employee. The employee must provide medical certification to support the request for medical leave. If the employee fails to complete and submit medical verification, the request for a leave will be denied.

Before an employee may return from a medical leave, the employee will be required to produce a "Fitness to Return-to-Work" certificate, indicating that the employee is able to return to work and stating a return to work date. An employee who needs an extension of the leave beyond the projected return to work date must obtain supervisory approval in advance.

The employee must use all accrued sick days as part of a medical leave. The remainder of the leave will be unpaid. Employees, however, may use earned vacation as part of the leave.

CASA will maintain the employee's health coverage under its group health plan during a medical leave. If part of the leave is paid, premium contributions will be deducted from this pay. If the leave is unpaid, the employee must submit the premium payment to the President/CEO by the first of the month for which coverage is effective. If an employee's medical leave of absence is extended beyond 6 weeks, benefits will terminate, and the employee may elect State Continuation coverage.

An employee's election to take a medical leave will not result in loss of any employment benefits that accrued before the start of the employee's leave. Paid time off benefits, however, will not

accrue during any unpaid leave. Employees are not eligible for holiday pay while on medical leave.

An employee who takes a medical leave of absence has no guarantee of reinstatement, unless otherwise required by state law. The program, however, will attempt to assign the employee to the former or a similar position. If the employee's former or a similar position is not available, the employee will be assigned to a position for which the employee is qualified, if one is available. If no position is available, employment will be terminated. Employees who fail to return to work on the return-to-work date and who have not been granted an extension will be considered to have voluntarily resigned. Working while on medical leave is not permitted.

Parental/Family Leave:

Regular, full-time and eligible part-time employees who have completed 1 year of continuous employment may be eligible for a parental/family leave of absence up to 6 weeks unpaid in a 12 month period.

Requests for a parental/family leave may or may not be approved at the discretion of CASA. Requirements for approving a parental/family leave are as follows:

- (1) The birth and first year care of a child.
- (2) The adoption or foster placement of a child in the employee's home.
- (3) To care for a spouse, child or parent with serious health conditions.

The employee must use all accrued sick days as part of a parental/family leave. The remainder of the leave will be unpaid. Employees, however, may use earned vacation as part of the leave.

An employee who wishes to take a parental/family leave of absence must submit a written request to the supervisor at least 30 days in advance of the leave date. To maintain benefits during a parental/family leave of absence, an employee should make advance arrangements with the President/CEO. Group benefits for an employee and dependents will continue as long as the employee remains on an approved parental/family leave of absence, and the employee pays the required benefit premium payments.

Upon return from a parental/family leave of absence, CASA will attempt to assign the employee to the former or a similar position. The program, however, cannot guarantee that the employee's former position or any position will be available following a parental/family leave of absence. If the employee's former or a similar position is unavailable, the employee will be assigned to a position for which the employee is qualified, if such a position is available. If no position is available, the employee's employment will be terminated. Parental/family leaves of absence are unpaid, but an employee must use earned vacation and parental/family days as part of the leave. Employees are not eligible for holiday pay during a parental/family leave. Paid time-off benefits will not accrue during an unpaid parental/family leave.

Working while on parental/family leave is not permitted. Failure to return from a parental/family leave of absence on the date agreed upon will be treated as a voluntary resignation.

Bereavement Leave

Regular, full-time employees who have completed 90 days of continuous employment may take up to three (3) days of leave with pay if a death occurs in the employee's immediate family. These three (3) days are not to extend more than one week beyond the date of the funeral. If additional time is required or desired, the employee may request to use accrued vacation time or personal days. If time off without pay is requested for more than five (5) workdays, the Personal Leave of Absence Policy will apply.

Immediate family includes spouse, child (including adopted children), parent, brother, sister, grandparent, grandchild and all the above relatives who are in-laws or step-relatives, and any other member of the same household.

Pay is based on eight (8) hours of straight time per day for employees working a regular full time work schedule. Employees are eligible for Bereavement Pay on regularly scheduled work days only.

Employees requesting time off from work for bereavement must notify their immediate supervisor of the needed time off.

Jury Duty and Witness Leave

Regular, full-time employees who have completed 6 months of continuous employment are eligible for jury duty pay. Employees must notify their supervisor immediately when called for jury duty, and must provide a copy of the jury summons to their supervisor. If the employee has given prompt advance notice of jury duty, then CASA will pay the employee the difference between the amount normally received for his or her scheduled work day and the amount received for jury service for up to ten (10) business days, unless otherwise required by law.

When an employee is not scheduled for jury duty or is released early during the day, it is expected that the employee will report to work. Failure to do so will result in forfeiture of jury duty pay.

CASA will provide employees with time off for witness duty. The employee is required to present the subpoena requiring him or her to appear as a witness in a legal proceeding for which he or she is not a plaintiff or a defendant. Witness duty is unpaid, unless state law requires otherwise. Should the employee be subpoenaed by CASA, or otherwise requested by CASA to appear as a witness, any related absence time will be paid in the employee's normal wages.

Voting Time Leave

Generally, employees are expected to vote during non-work hours. If the employee can only vote during work hours, he/she must get prior approval from both the supervisor and President/CEO for unpaid time off to vote, unless state law requires otherwise.

Military Leave:

Employees who are Reservists in any branch of the United States Armed Forces or members of the National Guard in any state of the United States or are employees who enter active military service with the United States Armed Forces or National Guard or are members of the United States Commissioned Corps of the Public Health Service or any other person (collectively referred to as "uniformed services") designated by the President of the United States as entitled to benefits in accordance with the federal Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA") during a time of war or emergency will be provided with leaves of absence for active duty, training, or to meet military-related obligations.

Employees needing military leave must notify their supervisor and the Finance Manager as soon as possible after receiving their military orders. When possible, 30 days advance notice is requested. The notice may be verbal, but must be followed up by a copy of the employee's official military orders as soon as practicable, unless military necessity prevents giving notice, or notice is impossible or unreasonable. The employee is also responsible for giving proper notification of intent to return to employment upon release from military duty.

CASA will not discriminate in hiring, employment, reemployment, or any benefits of employment against any individual because of that individual's service in the United States uniformed services. Pay, benefit and reinstatement rights will be in accordance with USERRA and any applicable state law. CASA will not tolerate any retaliation against any individuals because of their service in the uniformed services or their engagement in any other activities protected under USERRA. Please contact the President/CEO for more information regarding military leave.

Crime Victim Leave (NH):

CASA provides unpaid leave to employees who are victims of crimes or who are the immediate family members of victims of certain crimes, subject to the terms and conditions of this policy.

For the purposes of this policy only, the following terms shall have the designated meanings:

Crime. An offense designated by law as a felony or a misdemeanor.

Victim. Any person who suffers direct or threatened physical, emotional, psychological, emotional, psychological, or financial harm as a result of the commission or attempted commission of a crime.

Immediate Family. Father, mother, stepparent, child, stepchild, sibling, spouse, grandparent, or legal guardian of the victim, or any person involved in an intimate relationship and residing in the same household with the victim.

CASA will grant an unpaid leave of absence for an eligible employee to attend court or other legal or investigative proceedings associated with the prosecution of a crime in which the employee: (i) was a victim; (ii) is part of the immediate family of a homicide victim; (iii) is part of the immediate family of a child under the age of eighteen (18) who was a victim; or (iv) is part of the immediate family of an incompetent adult who was a victim. Any employee who takes

leave under this policy may elect to use any accrued paid vacation time or personal leave time during any portion of the leave of absence.

An eligible employee must provide CASA with copies of written notices of hearings, conferences, and meetings that the employee must attend as part of the criminal proceedings prior to taking such leave (the "Required Documentation"). CASA will keep the Required Documentation confidential to the extent required by law. Upon receipt of the Required Documentation, CASA will grant employee unpaid leave for such period of time as necessary, as long as the length of the absence or the effect of the absence does not create an undue hardship to CASA.

Pay for Volunteer Firefighters, Auxiliary Police Officers or Volunteer Ambulance Attendants

If an employee serves as a volunteer fire fighter, auxiliary police officer or volunteer ambulance attendant, he or she should tell his or her supervisor and the President/CEO. When a state of emergency is declared by the Governor or General Court of New Hampshire during the employee's regular shift to respond to an emergency, he or she will be paid for time lost from work.

Payment will not be made for routine meetings or training. Volunteer ambulance attendants must not schedule themselves for volunteer time during their normal shift hours. Volunteer fire fighters cannot leave work for limited calls (gasoline wash-downs, etc.).

Payment will be made at the employee's regular straight-time rate.

Return to Work from Non-Work Related Illness or Injury

If an employee is returning to work following an absence, accident or illness and has been out for less than three (3) work days and is able to perform the full range of their job, it is not necessary for the employee to report to the Finance Manager.

Employees returning to work following an absence, accident or illness and have been out for three (3) work days or more must present to the Finance Manager prior to return to work. The supervisor will be advised if work restrictions are in effect.

Any employee who presents at any time with a note from a physician for restricted duty will be directed to Finance Officer.

6. EMPLOYEE BENEFITS

CASA provides certain group benefits which are summarized in this section. CASA periodically reviews the benefits package and reserves the right to amend or terminate, in whole or in part, at any time the package as appropriate to CASA's operation. If any question arises regarding the interpretation or operation of these plans, the answers will be determined by reference to the legal/formal plan documents rather than the summaries contained in this Handbook. For further information regarding the individual plans, you should review the most recent summary plan description, if applicable, and/or contact the Finance Manager.

Insurances & Group Benefit Plans

CASA offers eligible employees the ability to participate in a variety of insurance and group benefit plans. Please note that CASA periodically reviews its benefit programs and reserves the right to amend or terminate, in whole or in part, at any time, any of its benefit programs.

Benefits commence on various dates as specified in the Summary Plan Descriptions. Late entrants may be denied coverage or subject to plan limitations. Please note that certain part-time employees and temporary employees are not eligible for benefit coverage. Further details concerning these benefits, including eligibility requirements, can be found in the summary plan descriptions available from the Finance Manager.

Some insurances require an employee contribution. CASA sets these rates and may adjust them periodically in its discretion.

An employee who desires to change dependent coverage as a result of a life event should apply for the change in writing to the Finance Manager within thirty (30) days of the date of the life event (i.e. marriage, divorce, legal separation, birth or adoption of a child, spouse's change in insurance eligibility due to loss or gain of spouse's employment, change in the employee's status from benefits eligible to benefits ineligible, dependent loss or gain of insurance eligibility, etc.). Failure to do so may impact coverage under certain benefit plans.

Additionally, eligible regular full-time employees may participate in the flex spending accounts for medical expense and dependent care reimbursement, subject to the terms, conditions, and limitations of that benefit. Contributions for medical, dental, and flex spending accounts are generally made on a pre-tax basis, except in those instances where this favorable tax treatment is not available under the terms of the Internal Revenue Code.

Health Insurance

CASA currently offers regular full-time and part-time employees regularly scheduled to work a minimum of 30 hours per week enrollment in health insurance coverage options after 60 days following his or her date of hire. Employees have up to 30 days from their date of hire to make medical and dental plan elections. If you do not elect coverage within 30 days of your date of hire, you will not become eligible again until the next open enrollment unless you qualify for a special enrollment opportunity.

Health insurance coverage becomes effective 60 days from date of hire. CASA retains the right to change the terms and conditions of any health plan, group health plan, or similar plan offered by it, as well as change providers, as it deems necessary, with or without notice to plan participants. The health insurance benefits are described in summary plan descriptions, which are the only official and binding materials describing CASA health insurance. Eligible employees may obtain a copy of the summary plan descriptions from the Finance Manager.

CASA currently pays 100% of a full-time employee's premium. Employees are responsible for 100% of the premium portion for any additional coverage, including spousal or family coverage. Employees must pay their portion of the premium with pre-taxed dollars through payroll

deduction. CASA retains the right to change the amount employees are required to pay for health insurance at any time, as it deems necessary, with or without notice to plan participants.

Group Term Life Insurance/Disability Income Plans/Various Plans

CASA provides access to Group Term Life Insurance, Disability Income Plans and various other insurance plans through AFLAC. All plan premiums are paid 100% by the employee. Plan premiums must be paid by the employee through payroll deduction with either taxed or pre-taxed dollars. For AFLAC contact information please see the Finance Manager.

Retirement Plan

CASA offers regular, full-time and eligible part-time employees the opportunity to save regularly and defer taxes by participating in a 403B retirement plan. After meeting the eligibility requirements, an employee may invest a portion of gross pay in a variety of funds through regular payroll deductions. This plan is employee sponsored and there are no contributions from CASA.

Plan documents, investment options, and further detailed information are available from the Finance Manager. This policy is intended only as a general overview for this benefit which is governed by its plan documents.

Workers Compensation

In accordance with its obligations under state law, CASA provides workers' compensation insurance for employees. This insurance covers qualified work related illnesses and accidental injuries to an employee, as determined by CASA's workers' compensation carrier.

All employees must report any occupational illness or work related injury (no matter how minor) to their immediate supervisor who shall report the injury to the Finance Manager as soon as possible and in any event not later than 24 hours from the injury or onset of illness. The employee also must complete an incident report or other required insurance forms. Please read the following for more specific information:

Reporting Injuries

Employees who sustain work-related injuries or illnesses must inform the Finance Manager immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage as quickly as possible. CASA will not tolerate any retaliation against employees who report injuries or illnesses in accordance with this policy or who seek workers' compensation benefits for work-related injuries and illnesses.

Neither CASA nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, social, or athletic activity, even if sponsored by CASA.

Temporary Alternative Duty

Employees who are receiving workers compensation benefits and remain eligible for reinstatement in accordance with the state workers compensation law may be eligible for temporary alternative work duties that will allow them to progress towards returning to work in their regular position and their regular work schedule. Such temporary alternative work duties, which are short-term in nature, are identified by CASA. Temporary alternative work duties may also include reduced work schedules for a limited period of time.

An employee's eligibility for temporary alternative work duties will be made on a case-by-case basis, depending upon the employee's work restrictions and any available temporary work duties identified by CASA for which the employee is qualified and able to perform with or without reasonable accommodation. Such duties are not meant to be indefinite, but rather are generally short-term and temporary in nature. At the end of each assignment, employees will be re-evaluated to determine their ability to take on additional temporary alternative work duties and their progress in being able to return to their regular job position and work schedule.

7. WORKPLACE SAFETY

Health & Safety

CASA has a continuing concern for the health and safety of every employee. CASA has a safety committee which is intended to identify and provide the necessary resources for providing a safe workplace, and to locate and correct the conditions responsible for past and potential accidents. Responsibility for the control of accidents belongs to each employee. CASA encourages all employees to contact any member of this committee if they have a concern, question, or observation regarding safety.

The following safety rules will help us maintain a safe work environment:

1. Report all injuries, no matter how slight, to your supervisor immediately.
2. Observe all danger and warning signs.
3. Employees are required to wear seat belts while on CASA business at all times.
4. Employees are required to use cell phones in "hands-free" mode while operating a personal vehicle on CASA business.
5. Report any frayed or torn electrical wires to your supervisor.
6. Report to your Director of Operations all machinery, tools or other items in need of repairs.
7. If in doubt as to any unsafe act or condition, consult your supervisor.
8. Participation in all fire drills is mandatory.
9. Employees should be sent for medical care when there is any doubt whatsoever.

An employee must not perform any task he or she feels could cause injury or harm, to self or co-workers, such as lifting heavy objects, or climbing unstable ladders. All employees must cooperate with any request by their supervisor or a Safety Committee representative to discontinue or modify any task determined to be unsafe to the employee or co-workers. To keep the work environment safe, please follow basic safety rules and keep work areas, floors and

walkways clean and free of obstructions. Unsafe conditions should be reported to your supervisor as soon as possible.

If you observe or are involved in an accident in which an employee, volunteer or visitor is injured, report the incident to your supervisor immediately, regardless of how minor the accident may seem. You must report any incident before the end of your regular work day on the day of the occurrence. Violation of any safety policy or guideline is grounds for disciplinary action, up to and including termination.

Violence in the Workplace

CASA is committed to maintaining a safe work environment and to preventing violence in the workplace. CASA has established the following guidelines to deal with intimidation, harassment or other threats of or actual violence that may occur, whether during or after work hours, on the premises or while carrying out CASA business.

All employees are to be treated with courtesy, consideration and respect at all times. This behavior also extends to volunteers, visitors, contractors, and others we come in contact with during the course of business.

Any violent conduct or threats of violence against employee, volunteer or member of the public at any time, including off-duty periods, will not be tolerated. Examples of workplace violence includes actions such as stalking, aggression, intimidating acts, gestures or words towards another, invasion of privacy, assault, robbery, battery, and destruction of property. Violence also includes all acts of harassment, including harassment that is based on an individual's sex, race, religion, gender, age or any characteristic protected by federal, state or local law. Employees are also expected to refrain from any fighting, "horseplay", or other conduct that may be considered dangerous or intimidating to others.

If you feel you are being threatened or subject to workplace violence in any way, you must immediately report the matter to your supervisor and/or the President/CEO. The situation will be assessed and appropriate action taken.

Likewise, and given the nature of CASA's work, any person who witnesses any threats, threatening behavior, or acts of violence during work time, while on CASA business, or on CASA property (including parking or other outside areas) should report the incident immediately to your supervisor. This includes threats by employees, parents, as well as threats by volunteers, other visitors, solicitors or other members of the public. When reporting a threat or incident, be specific and as detailed as possible.

If you receive or overhear any threatening communications from an employee or outside third party, report it to your supervisor at once. Do not engage in either physical or verbal confrontation with a potentially violent individual. If you encounter a situation where you feel an individual is threatening immediate harm to an employee or other person on our premises and you are not able to contact your supervisor or President/CEO, you may contact an emergency agency (such as 911) immediately.

CASA intends to promptly and thoroughly investigate all reports or threats of actual incidents of violence and/or of suspicious individuals or activities. The identity of the individual(s) making the report(s) will be protected to the extent possible and practical. In order to maintain workplace safety and the integrity of the investigation, CASA reserves the right to suspend employees with or without pay, pending an investigation.

Anyone determined to be responsible for threats or actual incidents of violence, or other conduct that is in violation of these guidelines, will be subject to prompt disciplinary action up to and including termination of employment. Volunteers, contractors or others outside CASA determined to be responsible for threats or actual incidents of violence will be subject to possible legal recourse and will not be permitted on CASA premises nor allowed to work with/for CASA.

All employees who apply for an obtain a protective or restraining order which lists any or all CASA offices as being a protected area(s) must provide to their supervisor and the President/CEO, a copy of the petition and court order. Likewise, if any employee is involved in any personal situation involving potential violence, such as abusive partner behavior, which the employee has reason to believe would place them or employees of CASA in harm's way while on CASA premises or carrying out CASA duties, we ask you to notify the President/CEO so that CASA can assess if any protective workplace action is needed.

CASA management openly encourages employees to bring their disputes and differences with others to its attention before the situation escalates to potential violence.

Weapons Policy

Unless as otherwise permitted under applicable state law, employees are strictly prohibited from bringing firearms (loaded or unloaded), knives, hunting implements, explosive devices (including fireworks) or other weapons onto CASA premises, which includes all buildings, parking lots (and any vehicles in such lots), land adjacent thereto, and other sites while conducting business on behalf of CASA. Violators will be subject to appropriate disciplinary action up to and including immediate termination.

Drug and Alcohol Free Workplace and Testing

CASA has a longstanding commitment to provide a safe and productive work environment. Alcohol and drug misuse pose a threat to the health and safety of employees and to the security of our volunteers. For these reasons, CASA is committed to the elimination of drug and/or alcohol use and misuse in the workplace.

This policy outlines the practice and procedure designed to correct instances of identified alcohol and/or drug use in the workplace. This policy applies to all employees, all applicants for employment, and volunteers of CASA. The President/CEO is responsible for policy administration.

Employee Assistance and Drug-Free Awareness

Illegal drug use and alcohol misuse have a number of adverse health and safety consequences. Information about those consequences and sources of help for drug/alcohol problems is available from the President/CEO.

CASA will assist and support employees who voluntarily seek help for such problems. Such employees may be allowed to use accrued paid time off, placed on leaves of absence, referred to treatment providers and otherwise accommodated as required by law. Such employees may be required to document that they are successfully following prescribed treatment and to take and pass follow-up tests if they hold jobs that are safety sensitive or that require driving or if they have violated this policy previously.

Employees must report to work fit for duty and free of any adverse effects of illegal drugs or alcohol. This policy does not prohibit employees from the lawful use and possession of prescribed medications. Employees must, however, consult with their doctors about the medications' effect on their fitness for duty and ability to work safely and promptly disclose any work restrictions to their supervisor. Employees should not disclose underlying medical conditions unless directed to do so.

Prescribed or Over-the-Counter Medications

Prescription and over-the-counter drugs are not prohibited when taken in standard dosage and/or according to a physician's prescription. Any employee taking prescribed or over-the-counter medications will be responsible for consulting the prescribing physician and/or pharmacist to ascertain whether the medication may interfere with safe performance of his/her job. If the use of a medication could compromise the safety of the employee, fellow employees or the public, it is the employee's responsibility to use appropriate personnel procedures (e.g., call in sick, use leave, request change of duty, notify supervisor) to avoid unsafe workplace practices.

The illegal or unauthorized use of prescription drugs is prohibited. It is a violation of our drug-free workplace policy to intentionally misuse and/or abuse prescription medications. Appropriate disciplinary action will be taken if job performance deterioration and/or other accidents occur.

Medical Marijuana

Marijuana is a controlled substance under federal law. Thus, even if an employee has a valid prescription for medical use of marijuana, to the extent consistent with applicable state law, he or she must comply with CASA's drug-free workplace policy as set forth above and violation of the policy may result in disciplinary action, up to and including termination. In addition, CASA has no obligation to accommodate medical use of marijuana in the workplace unless otherwise required by applicable state law.

Crimes Involving Drugs

CASA prohibits all employees from manufacturing, distributing, dispensing, possessing or using an illegal drug in or on CASA premises or while conducting organization business. Employees are also prohibited from misusing legally prescribed or over-the-counter (OTC) drugs. Law enforcement personnel shall be notified, as appropriate, when criminal activity is suspected.

Fitness for Duty

CASA is committed to providing a safe environment for our employees and volunteers. If, at any time, there is a reasonable basis to believe that an employee cannot perform the essential functions of the job or that an employee poses a direct threat to the safety of themselves or to others, CASA may require that the employee furnish a statement from a physician or other

qualified professional attesting to the employee's physical and/or mental capacity for continued employment in the employee's current position. Upon review of the statement by the President/CEO, CASA may place the employee on mandatory leave or may terminate the employee if the employee is a direct threat or, with reasonable accommodation, is unable to perform the essential functions of the job.

Inclement Weather or Other Emergency

In the event that a storm occurs during working hours, CASA will always make every effort to remain open during snow days and other weather related events including floods, hurricanes or other acts of God. If the Courts are open, CASA is open since we may be required to report to Court for hearings and receive new Abuse/Neglect Petitions.

If the CASA office will not be open due to weather, supervisors will notify employees in advance via email or phone if they are required to report to the office. However, the decision to report to work or stay at home will be left up to the individual employee when safety is an issue. If employees will be late due to inclement weather they shall notify their supervisors as soon as possible.

Employees who wish to stay at home during these inclement weather events will have the option of using a vacation day, personal day, if available, or to take the day off as unpaid. Those who stay at home will need to report their preference to their supervisor for payroll accuracy.

Exempt employees working from home on an inclement weather day must set an automatic reply on Outlook indicating they are working from home and specifying how they can be reached.

Smoking Policy

Smoking poses a health risk to both smokers and nonsmokers. In addition, smoking can also damage sensitive technical equipment and can pose a safety hazard. This policy is designed to foster the health and safety of all employees and visitors to CASA. The success of this policy will depend upon the thoughtfulness, consideration and cooperation of both smokers and nonsmokers. All CASA employees, volunteers and visitors are expected to comply with the smoking regulations detailed in this policy. Employees should advise their volunteers or visitors of this policy if applicable.

Smoking or using any tobacco product, including electronic cigarettes, is strictly prohibited on CASA premises.

An employee who sees a violation of this policy may advise the smoker of CASA's smoking policy. If the smoking continues, the employee should inform his/her supervisor who will then be responsible for discussing the situation with the violator's supervisor. Further violations should be referred to the President/CEO. Violations of this policy may lead to disciplinary action up to and including termination.

Visitors

In the interest of safety and in order not to disrupt productivity, visits from members of employees' families, friends, and former employees who wish to visit should be limited. Children, in particular, pose an added safety risk and must be accompanied by an adult employee at all times while in the facility. Personal visits should coincide with the employee's breaks or lunch period. Employees are responsible for the conduct and safety of their visitors at all times.

If an unauthorized individual is observed on CASA premises, employees should immediately notify their supervisor or, if necessary, direct the individual to the lobby. Employees should accompany their visitors at all times and assure that their guests are not left unescorted throughout the building due to the confidential nature of our services. Animals are not permitted in the building, unless prior authorization is received by the President/CEO.

8. SEPARATION FROM EMPLOYMENT

Termination

This policy describes CASA's general philosophy and procedures concerning termination. It is not intended to form a contract between CASA and its employees, nor is it intended to undermine the at-will nature of the employment relationship. CASA recognizes that each employment relationship and termination situation presents a unique set of circumstances. CASA endeavors to deal with each individual situation on its individual facts and in the context of surrounding circumstances.

While CASA strives to address performance issues with employees on an ongoing basis, and to provide employees with an ample opportunity to improve, circumstances may arise when CASA makes the decision to terminate employment due to general performance concerns.

In addition, there are certain actions and misconduct that are so detrimental to the interests of CASA that they may result in disciplinary action, including immediate termination, without any warning or notice. While it is not possible to list all circumstances that rise to the level of warranting immediate termination, the following listing provides some examples of circumstances which are considered by CASA to constitute serious misconduct and may lead immediate termination:

- Disclosure of confidential information to unauthorized persons or entities
- Repeated tardiness
- Repeated and/or prolonged unexcused absences, or job abandonment.
- Violation of our Drug and Alcohol policy; this includes reporting for work under the influence of intoxicants or narcotics or using them while on the job; use, possession, sale, distribution or other involvement in illegal drugs or controlled substances without legal authorization or prescription
- Willful or negligent destruction of, or damage to, CASA property or products, a co-worker's property, or a customer's property or products; theft and/or unauthorized possession of CASA property or the property of others
- Engaging in any criminal activity in the performance of work duties

- Possession of firearms, explosives or other dangerous weapons or materials
- Mistreating other employees
- Dishonesty, including falsification of records or reports (oral or written)
- Insubordination
- Disregard for or violation of CASA safety policies or other CASA policies
- Failure to follow policies, guidelines and rules associated with computer hardware, software applications, information systems and resources, the Internet and/or other electronic means of communication
- All forms of discriminatory treatment, sexual harassment, harassment, and/or retaliation
- Fighting or other threatening or violent behavior, actions or remarks; verbal or physical acts of intimidation or coercion are also prohibited
- Any behavior that is offensive, immoral or indecent or that fails to respect the rights of others or lowers morale or interferes with work effectiveness
- Other misconduct detrimental to the best interests of CASA.

Resignation

CASA also understands that there are certain times when employees elect to resign from employment. In these situations, CASA requests the courtesy of at least two (2) weeks advance notice from employees (four (4) weeks for senior management) who decide to leave its employ with a letter of resignation sent to your supervisor, with a copy to the President/CEO.

Separation Procedures

Separating employees may be asked to meet with the President/CEO for an exit interview.

Return of CASA Property

All separating employees are required to return all CASA Property and Confidential Information, including, without limitation, tools, equipment, keys, credit cards, work uniforms, laptop computers, pagers, cellular telephones, tools, security access key fobs, documents, data, and other property, equipment or CASA owned materials before the conclusion of their last day at work. Any existing employee may be required to return CASA property and Confidential Information at any time upon request of management.

Re-employment

Former employees who leave CASA in good standing may be considered for rehire. Former employees who resign without adequate notice or who are discharged for cause will not be considered for rehire. A former employee who is rehired will be considered a new employee from the date of rehire for purposes of pay, benefits and years of service.

References

It is the policy of CASA not to give oral employment references or letters of recommendation to terminated employees, unless the employee signs an authorization for release of information. In the absence of such a release, the program will confirm only date of service, job position and salary.

Effect-on-Benefits

The last day worked is considered the termination date. Benefits are generally discontinued as of the last day worked, unless otherwise specified in the plan document. In this case, please refer to the appropriate benefit booklet or contact the President/CEO for information on the benefit termination date. There will be no compensation for any unused vacation, sick or personal time regardless of reason for separation from CASA.

Final Paycheck

Final paychecks reflect regular compensation due for days/hours worked up to the effective date of termination. Final paychecks are mailed to employees on the first regular payday following the last workday, unless otherwise required by state law. You should notify CASA if your address changes during the calendar year in which termination occurs so that your tax and benefit information will be sent to the proper address.

EMPLOYEE ACKNOWLEDGMENT FORM

*Please sign one copy of the Form and return it to the Finance Manager.
The other copy is for you to keep with your copy of the Handbook.*

I have received a copy of the Employee Handbook (the "Handbook") and understand that it is my responsibility to read the Handbook and comply with it.

I further understand that this Policy and Procedures Handbook is prepared for informational purposes only and does not constitute a contract between CASA and its employees and should not be construed as such. I understand that my employment by CASA is not for a definite term and may be terminated by CASA or the employee at any time, with or without notice or cause.

I am aware that CASA retains flexibility in the administration of the policies and procedures contained in the Handbook, and that CASA reserves the right to change or amend or eliminate any of the policies and/or benefits described in the Handbook at any time, with or without notice, as business, employment, legislation, and economic conditions dictate.

I understand that CASA has included in this Handbook an Anti-Harassment & Anti-Discrimination Policy because CASA seeks to provide a workplace free of sexual harassment and other prohibited discrimination. I understand that unlawful harassment will not be tolerated by CASA.

CASA has included an Information Systems Policy in this Handbook. This policy states that CASA's computer, telephone, electronic, and internet access systems are CASA property to be used primarily for business purposes and are subject to monitoring, searching, and accessing by CASA. CASA equipment and systems are not for my private use.

CASA also has included a Substance Abuse policy and policies regarding Workplace Violence and Bullying. I understand that CASA reserves the right to inspect any part of its premises, including but not limited to offices, desks or other suspected areas of concealment in order to enforce the Substance Abuse, Workplace Violence and Bullying, and other policies.

This Handbook is not intended to replace open communications. I understand that I should contact my supervisor or the President/CEO if something is not clear or if I have a complaint or problem that needs to be discussed.

APPENDIX #1
STANDARDS of PROFESSIONAL CONDUCT

Introduction

The CASA-N.H. program is committed to its staff and CASA volunteers adhering to high standards of professional conduct. This is essential if the program is to be respected for providing quality advocacy for abused and neglected children. In addition, CASA guardian's ad litem are subject to the N.H. Supreme Court Guidelines and Standards for Guardians ad Litem.

The standards that follow have been developed by the CASA-N.H. organization. They are of two types: general and those addressing conflicts of interest. For the most part, the general standards are of the black-and-white variety whereas conflicts of interest issues can be more challenging. Explanatory notes have been provided for those standards needing clarification. In addition, Appendix "A" provides several examples illustrating different types of conflict of interest.

An effort has been made to limit the number of Standards, and to only develop a standard for those problem or potential problem areas that CASA deems most important. Should there be a conflict between a CASA-N.H. standard and a N.H. Supreme Court standard, the latter prevails.

I. General Standards

Standard #1:

CASA staff members and volunteers are prohibited from transporting a "case" child or parent.

Standard #2:

CASA staff members and volunteers are prohibited from having a "case" child or parent in their home.

Standard #3:

CASA staff (except the staff attorney) and volunteers are prohibited from giving legal advice to anyone associated with a CASA case.

Explanatory note:

Legal "advice" is distinguished from legal "information" which may be appropriate to pass on to a parent or child but only after a staff member or volunteer has consulted with CASA's staff attorney.

Standard #4:

CASA staff and volunteers are prohibited from giving therapeutic advice to anyone associated with a CASA case.

Explanatory note:

Therapeutic “advice” is distinguished from therapeutic “information”.

Standard #5:

CASA staff and volunteers are prohibited from giving gifts to or receiving gifts from “case” parents or any professionals associated with a case.

Standard #6:

CASA staff and volunteers are prohibited from giving gifts to a “case” child except gifts of nominal value may be considered but only in special circumstances and only with permission from a volunteer’s case supervisor.

Standard #7:

CASA supervisors are prohibited from making a material change in a CASA volunteer’s court report without the volunteer’s permission or, in the event a supervisor continues to believe a material change is essential, as provided for in Standard #8.

Standard #8:

A conflict between a CASA supervisor and volunteer over a material issue in a case or a recommendation to the court shall be referred to CASA’s senior management team by the CASA supervisor for resolution.

Explanatory note:

Whenever possible, a member of the senior management team will speak with the CASA volunteer as well as his/her supervisor prior to the team rendering a decision.

Standard #9:

CASA staff shall promptly advise a member of the senior management team - and CASA volunteers shall promptly advise their supervisor - if they or members of their immediate family become involved or anticipate becoming involved in any court case other than in a CASA capacity or have been criminally charged.

Standard #10:

CASA staff shall promptly advise a member of the senior management team – and CASA volunteers shall promptly advise their supervisor - if they or members of their immediate family anticipate or become employed by or volunteer their services to an organization that is involved in RSA169-C cases.

Standard #11:

CASA volunteers shall ensure the confidentiality of any CASA case files (paper and electronic) maintained in their home.

Standard #12:

CASA volunteers shall promptly return all case files (paper and electronic) in their possession to their CASA supervisor upon completing their involvement in a case.

Standard #13:

CASA volunteers shall promptly eliminate all electronically stored information upon completing their involvement in a case.

Explanatory note:

Whereas Standard #12 requires CASA volunteers to download any electronically stored information and to return the disc(s) along with any paper files, Standard #13 requires CASA volunteers to eliminate any electronically stored information immediately after any such information has been placed on a disc.

Standard #14:

CASA staff and volunteers shall refrain from being disrespectful to anyone associated with a CASA case.

Standard #15:

CASA staff and volunteers shall strive to act professionally at all times.

Explanatory note:

This standard is not limited to court appearances. It extends to any activities associated with a case and being a CASA guardian ad litem including but not limited to DCYF administrative reviews, team meetings, IEP meetings, Court Improvement project meetings, and conferences.

Standard #16:

CASA staff and volunteers shall strive to conduct themselves in such a manner that an objective person would perceive them as singularly motivated to assist the child for whom CASA has been appointed guardian ad litem.

Standard #17:

CASA staff and volunteers shall strive to consistently maintain their focus on the child's needs and interests.

II. Conflict of Interest

Preface

Conflicts of interest are a special type of conduct or potential conduct deserving of special consideration. They arise in all professions but are a particularly sensitive matter in court cases where important legal rights are adjudicated, including (in some cases) the permanent loss of one's child. It is for this reason that CASA believes part of being a CASA staff member or CASA volunteer includes assuming a responsibility to be vigilant re: conflicts of interest. See Appendix A for examples of a conflict of interest, a potential conflict of interest, and the appearance of a conflict of interest.

Conflicts of interest involving guardian's ad litem in New Hampshire are also controlled by the N.H. Supreme Court Guidelines and Standards for Guardians ad Litem (GAL 403.06). See Appendix B.

Standard #18:

Staff and volunteers are discouraged from developing personal relationships with judges, DCYF personnel and other professionals who are involved with RSA169-C cases.

Explanatory note:

The purposes of this Standard are at least twofold: (1) the importance of CASA recommendations not being influenced by personal relationships; and (2) CASA avoiding the appearance that its recommendations are influenced by personal relationships. See Appendix "A" for a discussion of what constitutes a "personal relationship" as well as for other information bearing on conflicts.

Standard #19:

Staff and volunteers shall promptly advise the CASA organization of any personal relationship with a judge, professional person, parent, child or relative of the child who is involved in any active case for which CASA is the guardian ad litem.

Explanatory note:

Because the CASA organization's integrity may be affected, conflicts of interest or potential conflicts are best resolved through a group process vs. the involved staff member or volunteer deciding on his/her own whether there is or may be a problem.

If a CASA staff member has a personal relationship, the staff member shall so advise his/her supervisor. If a CASA volunteer has a personal relationship, the volunteer shall so advise his/her supervisor. In turn, a supervisor shall so advise the senior management team. If a member of the senior management team has a personal relationship, the member shall so advise CASA's Executive Director or Sr. Staff Attorney.

Standard #20:

Staff and volunteers are discouraged from developing a personal relationship with a "case" child, during the pendency of a case and after a case closes.

Explanatory note:

As one CASA volunteer eloquently put it in reference to a child she served as guardian ad litem: "...I know that he's happy and safe, and I hope he forgets I was ever a part of his life, that I ever needed to be part of his life."

There are exceptions, especially after a case closes and the "client" seeks to maintain contact with the professional. See Appendix "A" for further explanation.

Standard #21:

Staff and volunteers are prohibited from developing a personal relationship with a "case" parent, during the pendency of a case and after a case closes.

Explanatory note:

The CASA organization does not believe there is any situation which would justify CASA continuing to serve as GAL in a case where a personal relationship has developed between the GAL and a parent during the pendency of a case. Although there might be a rare instance where developing a personal relationship after a case closes would be acceptable, the CASA organization is not comfortable with a standard that "discourages" but does not prohibit such relationships.

Standard #22:

Staff and volunteers shall promptly advise the CASA organization of any personal relationship with a current or former CASA "case" child or with someone closely related to the child.

Explanatory note:

As with the other reporting Standard (#19), a group process is required to assess a personal relationship because the relationship may affect the CASA organization. Standard #22 calls for the same reporting procedure as discussed in paragraph two of Standard #19.

Standard #23:

Staff and volunteers are prohibited from providing non-case related services, paid or unpaid, to any "case" child, parent or professional person during the pendency of a case.

Explanatory note:

Reference is made to N.H. Supreme Court Guidelines and Standards
403.07 which is included in Appendix "B".

Standard #24:

Staff is discouraged from developing personal relationships with volunteers and vice-versa.

Explanatory note:

This standard refers to a CASA staff member and a CASA volunteer, not one
CASA volunteer with another volunteer or one staff member with another staff
member.

APPENDIX "A"

Standard #16, as well as Standards #17-20 hinge on the term "personal relationship." The term is not easy to define, yet most people have at least a general understanding of the distinction between a professional relationship and a personal relationship.

The former can involve certain types of socializing, such as having dinner together at a conference with a group of professionals. A relationship begins to become personal when it involves after-hours socializing outside of the work setting. Also, a personal relationship can include non-romantic, non-"best friend" type relationships. However, most personal relationships are "friends"-based.

The better policy is for any CASA staff member or volunteer who is unsure whether a relationship they have is "personal" is to bring it to their supervisor's attention rather than make a self-determination.

One of the purposes of the N.H. Child Protection Act is to assure all parties a "fair hearing". RSA 169-C: 2 II. (c). Moreover, it cannot be stated too often that CASA does its work within a framework which involves constitutional rights of a high magnitude. It is for these reasons that anyone who is involved in court-managed child protection cases needs to be especially sensitive to conflict issues.

Conflicts of interest present special challenges to professional persons and organizations alike. They come in several forms including an actual conflict of interest, a potential conflict of interest, and the appearance of either an actual or potential conflict of interest.

- Example of an actual conflict of interest:

Mary Smith is the CASA GAL. Midway through a case, the child for whom Mary is the GAL is placed in a foster home. The new foster mother is Mary's sister. There is an actual conflict of interest here because it would be very difficult for Mary not to give undue weight to her sister's opinions about the child and/or the child's parent(s). Knowing that other parties know or think this, Mary would also be vulnerable to overcompensating by putting too little weight on her sister's opinions as a means of persuading others that she is not unduly influenced by her sister.

Other conflicts, some actual and others potential, are also apparent.

For example, if another party developed concerns about the foster parent (Mary's sister), it could be awkward for that party to present her concerns in a forthright way, especially in Mary's presence. Similarly, Mary would be hard-pressed to assess any concerns in an objective way.

Clearly, it would be best for all concerned for Mary to withdraw from the case, and for another CASA to replace her.

- Another example of a potential conflict of interest:

Mary Smith is the CASA GAL. The CASA supervisor is considering assigning Mary to a new case in Hillsborough County in which the children will very likely be removed from their

parents' custody at some point. Mary's sister is a newly licensed foster parent who as yet does not have any foster children in her home. DCYF has a shortage of foster homes in Hillsborough County.

Although an actual conflict of interest has not yet arisen, there is the potential for a conflict because the children for whom Mary would serve as the CASA GAL if she is appointed to the case could wind up in Mary's sister's home. The concern for the CASA supervisor is that if this happened, the supervisor would then have to take Mary off the case, thereby causing another discontinuity in the children's lives.

It is probably better for the CASA supervisor to appoint another CASA volunteer to the case at the outset to eliminate this potential conflict of interest.

• Example of an appearance of a conflict of interest:

This type of conflict often presents the most difficulty, mainly because it stands for the proposition that "even if there isn't a problem, there is or may be a problem". This sounds very confusing and hair-splitting, but is not to be dismissed out of hand, particularly in court cases where judicial decision-making often affects very important legal rights. Here is an example:

Nancy Doe is the CASA GAL. Somewhat unthinkingly, Nancy has made it a practice of sitting with the DCYF case worker in the hallway outside the court room while waiting for their case to be called. Nancy does not know the case worker other than on a professional basis, but she finds it lessens stress to share a joke or humorous situation which has nothing to do with the case. Nancy also sits next to the case worker when the parties are called into the court room for a hearing. Her recommendations are usually the same as or similar to DCYF's notwithstanding Nancy arriving at her recommendations independent of DCYF.

Like many 169-C parents, the parent in Nancy's case (Bertha B.) believes DCYF, CASA and the judge are all buddy-buddy, and that the deck is stacked against her. Bertha B. was told this by a friend who also has a 169-C case. In addition, Bertha B. has used the internet to learn more about "the system", and has "chatted" with a number of other 169-C parents. There is even an attorney web site that says DCYF shafts parents, and that CASA and DCYF are part of a corrupt system. Bottomline, Bertha B. has learned that "it's me and my lawyer (maybe) against them".

If Bertha B. ever had any doubts about this, they were out the window the first time she went to court (and every time thereafter) where it was very obvious that her child's GAL (Nancy Doe) and the DCYF worker are personal friends. As Bertha B. told her attorney, "Just look at them. Always sitting together, laughing at me, and always coming up with the same recommendations about my child. The GAL will do what DCYF wants and vice-versa. They don't care about my child. What a joke."

No doubt, Nancy would be dismayed if she overheard this, especially given there is no truth to any of it other than she does sit with the DCYF worker in the hallway and in court, and they do share some humor on occasion but it is never at Bertha B.'s expense. In addition, Nancy Doe knows without any question that she would never make a recommendation about Bertha B.'s child unless she truly felt it was in the child's best interest.

Unfortunately, Bertha B. does not know this. And, even if Nancy attempted to dissuade Bertha B. of her beliefs, she would probably not be successful unless she overcompensated and began making recommendations to please Bertha B. rather than on the basis of what is best for the child.

It might be asked "why should CASA or anyone else care whether Bertha B. has an erroneous perception of the GAL, especially if Nancy Doe knows in her heart that the only basis for her recommendations is what is best for the child?"

At least part of the answer lies (once again) with important rights being at stake, and the corresponding importance of all parties feeling they have been treated fairly. In short, maintaining the integrity of the judicial process is important. Consequently, it is incumbent upon the professionals involved with court cases (DCYF, CASA, and the judges) to do whatever they reasonably can to promote fairness as well as the perception of fairness.

Nancy Doe can do her part by making it a point not to always sit with the DCYF worker in the hallway. She can also sit apart from DCYF in the hearing room, and she can refrain from sharing jokes with DCYF in a parent's presence. In addition, she can help by spending some time with the parent in the hallway while waiting for a hearing or, if this is not feasible, sitting by herself for at least part of the time. These are reasonable adjustments, and they send messages of neutrality and independence.

If Nancy did these types of things from the outset of a case and a parent such as Bertha B. nonetheless believed that Nancy was in cahoots with DCYF, it would be unfortunate. However, there would be nothing Nancy could reasonably do to alter a parent's perception, and, consequently, she should not further concern herself with this.

Standards #16 and #18 can present particularly difficult challenges, and are deserving of additional explanation.

The first distinction to be made is between "personal" and "professional" relationships. A "personal" relationship is generally understood to mean a friendship that carries on outside the context of an abuse/neglect case or attending professional conferences, and involves socializing with one-another during non-work time. Although professional relationships can be problematic as illustrated by the above appearance of a conflict example (Nancy Doe), personal relationships are cause for greater concern because of the greater difficulty of eliminating the conflict short of CASA withdrawing from the case.

A second distinction is seen in Standard #16 which speaks to avoiding the development of personal relationships once someone has assumed a CASA staff or volunteer position with the organization. It is distinguished from situations where a personal relationship existed prior to the individual becoming a staff member or volunteer. However, even prior personal relationships need to be disclosed to the CASA organization so that conflicts of interest (be they actual, potential or appearance of) can be minimized or eliminated.

A third distinction concerns whether the personal relationship is with someone who is directly involved with 169-C cases (e.g. a person who appears in 169-C cases or does evaluations for DCYF in 169-C cases that can affect the outcome of a case) vs. someone who has indirect

involvement (e.g. foster care licensing or operates out of a different district office). The former usually presents the greatest concerns, especially if the CASA staff person or volunteer and the professional person are involved in the same case. However, the latter is not always problem-free.

It is important to note that Standard #16 "discourages" such relationships but does not forbid them. Selection of the word "discourages" reflects CASA's reluctance to venture into the private lives of staff members. On the other hand, because of the problems these relationships sometimes cause (e.g. conflicts of interest, appearance of conflicts), there needs to be a standard. Ultimately, Standard #16 relies to a significant extent on each staff member and volunteer recognizing that such relationships can affect the CASA organization, and, consequently are not solely a private matter.

Standard #18 mainly pertains to whether it is advisable for CASA staff or volunteers to develop a personal relationship with a parent or especially a child once a case has concluded. Clearly, such a relationship is not acceptable while a case is pending. Generally speaking, CASA takes much the same position after a case closes.

However, in a very small number of cases, there can be situations where not to allow for a personal relationship would be unfair to a child. Usually, it involves an older teenager who cannot return home, has been involved with the court system and CASA for years, and it is the child who seeks a personal or post-case closure relationship with the CASA or CASA program. In such cases, "personal" relationship does not include socializing after hours, but does include the child having a degree of involvement with the CASA program and staff member(s) that is generally not allowed.

Standard #18 issues need to be addressed on a case-by-case basis, subject to review by the senior management team. An exception is where the CASA staff member or volunteer is no longer affiliated with the CASA program at the time the child seeks a personal relationship. In such cases, the program has no authority over the former staff member or volunteer.

APPENDIX "B"

GAL 403.06 Conflict of Interest

- (a) No person shall serve as a GAL who is involved as a party in a pending, contested matter involving areas of fact or law similar to issues that may be raised in matters to which the person may be appointed as GAL.
- (b) Upon discovery of any professional, personal, or financial relationship between the GAL and either of the parties or their counsel or any material witness in the matter, the GAL shall immediately disclose such relationship to the parties and, if appropriate, to the court.
- (c) A GAL who has prior acquaintance with a party, shall not accept appointment as GAL unless, after disclosure of such fact is made by the GAL, the parties in the matter before the court agree in writing to such appointment.

GAL 403.07 Prohibited Transactions

- (a) Except for the GAL's fee agreement, a GAL shall not, during the term of the GAL's appointment, enter into a business transaction with a child or represented person or party or material witness.
- (b) The GAL shall not knowingly acquire an ownership, possessory, security, or other pecuniary interest adverse to a child or represented person.
- (c) Nothing in this rule shall prevent a GAL from entering into a business relationship with the child or represented person after the GAL's appointment is terminated.

The above are taken from the N.H. Supreme Court Guidelines and Standards for Guardians ad Litem.

APPENDIX "C"

Governing Principles for Processing Violations of Standards of Conduct

- An organizational commitment to addressing violations and conflicts.
- Ongoing education and discussion within the CASA program involving staff and volunteers.
- Written standards addressing foremost areas of concern.
- A group process for identifying, processing, and resolving violations of conduct and conflict of interest issues.
- Assessing violations and conflicts with the well-being of the children CASA serves and the CASA organization foremost in mind.
- Recognition that standards of conduct cannot answer or resolve all violations and conflicts of interest, and that there can be exceptional circumstances which render a standard non-applicable.
- Recognition that all staff members and volunteers have a responsibility to ensure that standards are taken seriously.

Dear Richard:

I am happy to provide this letter of reference in support of CASA of New Hampshire's proposal to provide statewide Guardian ad Litem services. I have had first-hand experience with CASA as a judge serving in Family Division since 2007, and as the Lead Judge for the New Hampshire Model Court Project since 2015.

The volunteers for CASA who appear in front of me are consistently well trained and effectively supervised. CASA guardians ad litem devote, in my view, far more time to their work than many paid guardians and they bring a life experience to the courtroom that is very different from a lawyer's and invaluable to the courts. I cannot recall a single complaint concerning late-filed reports, and in those few instances where there has been an issue that was raised concerning a volunteer, I have found CASA's management team to be extremely responsive.

From the administrative perspective, for years I have worked very closely with Marcia ("Marty") Sink, President/CEO of CASA. She is a trusted member of the Model Court Executive Committee, and I serve with her on the Family Treatment Court Oversight Team as well as the Oversight Commission on Children's Services. Marty's involvement and commitment to issues affecting children and families is always complete and always valuable.

CASA has played an important role over the years in shaping public policy in the area of child abuse and neglect. CASA was at the forefront of the court's efforts, originally in the District Court and Family Division, in developing protocols in abuse

and neglect cases. These protocols have been recognized nationally and were made mandatory throughout the state in 2003. Marty has continued her involvement in multidisciplinary improvements for children through her role on the Executive Committee for the Model Court, and has been instrumental in producing additional sets of protocols, or revising existing protocols, over the past decade, including protocols for: 1) Children & Youth in Court, 2) Post-Permanency Hearings in APPLA Cases, 3) Termination of Parental Rights, Surrender, Voluntary Mediation and Adoptions, 4) Missing Parents, 5) Parental Fitness Hearings, and 6) statutory revisions related to Permanency Hearings. In short, CASA is a critical partner in the development and implementation of policy in this most sensitive and important area of the law.

On behalf of the Circuit Court–Family Division, I urge the support of the Judicial Council of CASA's proposal. Richard, if you or any member of the Council would like to discuss this further with me, I would be happy to do so at your convenience.

Very truly yours,

Dear Mr. Samdperil:

As the Director of New Hampshire's Division for Children, Youth and Families, I am pleased to be able to provide a letter of support on behalf of New Hampshire CASA and their proposal to provide guardian ad litem services for child abuse and neglect cases, termination of parental rights, adoption and all related appeals.

CASA has been and continues to be a key partner in New Hampshire's efforts to assure safety and advocacy for our children. Having CASA in the role of guardian ad litem in abuse and neglect proceedings presents the court with a unique "child-centered" perspective regarding the best interests of the child. The time, attention and focus on the child provided by CASA gives the much needed attention to our most vulnerable population.

As a child welfare professional, it has been my experience that CASA provides sustained advocacy for children engaged in the child protection system, and I appreciate the opportunity to speak affirmatively on their behalf as part of this proposal application.

If you have any questions or need additional information, please do not hesitate to contact me at any time (603) 271-4440.

Sincerely,

Support letter for CASA program

3-16-23

Dear Mr. Samdperil,

As the Child Advocate for the State of New Hampshire, I have the unique experience of assessing the needs of our State's children and the array of services available to support their best interests. As I have familiarized myself with these services, I quickly recognized the impact the CASA advocates have on the wellbeing of our most vulnerable children. Our State, much like most across the country, is experiencing a mental health crisis that has greatly impacted our children and their families. In my work, I am finding that the children who end up in care of the State have much higher needs than they have ever had. My office works diligently to review DCYF involved cases; we are finding that DCYF case workers cannot keep up with the rising needs and the complex trauma these children bring with them to placement. It is often the CASA Guardian ad Litem's that are fearlessly advocating for these children by ensuring their placements and the agency are doing all within their power to provide the level of support to safely maintain the children in these settings. DCYF cannot do it all on their own. Our children deserve the continued advocacy of trained adults, tasked specifically with ensuring their best interests remain in the forefront.

Beyond the advocacy of these outstanding volunteers, I work closely with CASA's President and CEO, Marty Sink, on many initiatives to further the State's progress towards system improvements. It is critical for CASA to remain at the table for all discussions that impact children. Our State has been working to implement preventative supports early on, to divert families from system involvement whenever possible. CASA has played a vital role in pushing for these services as they are able to collect and share data, speak on behalf of the children they serve, and highlight what they understand as the best interest of children, backed in research and training. Marty Sink also sits on the Oversight Commission on Children's Services, a commission created by statute which supports the work of my office. The purpose of this commission is to ensure an effective, comprehensive, and coordinated system of services available to support the needs of our children. This is another example of an avenue in which CASA highlights the trends and areas of needs that they identify through individual case assignments. I am grateful to have the opportunity to work closely with and be supported by CASA of New Hampshire.

I strongly believe that CASA plays an essential role in ensuring best interest of the children in care across our State. With adequate funding, they can continue to make a large impact and further their reach. I hope that you consider the importance of their role as you review the application before you. I would be happy to answer any questions you may have for me.

7. For the last five years, describe each complaint, claim or case in which your organization was involved. Please state the outcome of the matter.

RESPONSE:

1. On March 20, 2018, CASA received a Notice of Claim from counsel representing Christopher M. both individually and on behalf of M.M. and J.M.

This claim was noticed as a “companion” case to the W.B. matter which has been resolved. CM is the biological father of M.M. and J.M.; he has been reunited with his children. The biological mother has been tried and convicted for the murder of her daughter, the half-sister of M.M and J.M. *On October 10, 2019 CM filed a Complaint and Demand for Jury Trial*, CASA was named as one of the defendants. On December 24, 2019 the plaintiffs filed an Emergency Motion to Stay the matter in Superior Court pending the interlocutory appeal in the Supreme Court. On January 13, 2020 CASA filed A Motion to Dismiss. The matter was stayed while another defendant took an ancillary issue to the New Hampshire Supreme Court. On January 4, 2021 the Superior Court granted CASA’s Motion to Lift the Stay and request for Status Conference. A status conference was held and the court indicated that he would allow the parties to file supplemental briefs. CASA filed its supplemental brief on March 5, 2021. The Motion to Dismiss remains pending on March 31, 2021.

2. On March 22, 2018 Mr. Matthew Phillips hand delivered a “Notice of Suit” to the Keene CASA Office.

Mr. Phillips is not currently represented by counsel. This matter involves a recently closed abuse and neglect case. Mr. Phillips is involved with a divorce proceeding and custody dispute involving the mother of the child for whom CASA was appointed to advocate. After providing Notice to its insurer, CASA has received no further correspondence on this matter. The insurer has closed their file in the matter.

3. On August 3, 2018, DCYF, CASA of New Hampshire and other organizations received a Notice of Claim in the form of a draft complaint from counsel for DT, CB and SBT.

The claim was brought by the adoptive parents of a child previously in the child protection system. The plaintiffs alleged claims against CASA under a theory that it improperly trained the CASA GAL appointed in the case. The plaintiffs alleged numerous legal theories against all named defendants. The case resolved in March 2019 prior to the plaintiffs filing suit.

4. On October 15, 2018, CASA received an e-mail from DCYF reporting that a biological mother alleged inappropriate conduct on the part of the CASA GAL appointed in her case.

Pursuant to the Memorandum of Understanding ("MOU") with the Guardian Ad Litem Board, CASA staff attorneys investigated the complaint and found the allegations to be unsubstantiated. CASA responded in writing to both the GAL Board and to DCYF outlining the steps taken and outcome of the investigation. The matter is resolved, and the CASA continues to serve on the case. No complaint was filed with the GAL Board.

5. In early August 2019 a DCYF Supervisor reached out by telephone and e-mail to CASA Program Manager and Program Director with concerns regarding the conduct of a CASA/GAL. After having reached out to DCYF the CASA/GAL had contacted the Humane Society, the Police Department and town officials regarding conditions at the home a child was living in. The DCYF Supervisor expressed strong concerns that the CASA/GAL conduct had violated the confidentiality provisions of the Child Protection Act.

CASA did an internal review of the case and determined that the CASA/GAL had also shared her concerns with the Court at a hearing in early August. Pursuant to the Memorandum of Understanding ("MOU") with the Guardian Ad Litem Board, CASA staff attorneys investigated the complaint and found the allegations to be unsubstantiated. CASA responded in writing to both the GAL Board and to DCYF outlining the steps taken and outcome of the investigation. The matter is resolved. No complaint was filed with the GAL Board.

6. On August 24, 2020, CASA received an e-mail from a great aunt of a child for whom CASA serves as the guardian ad litem; the relative alleged that the CASA GAL was biased against her adopting the child and was too closely aligned with the child's non-relative foster parents.

Pursuant to the Memorandum of Understanding ("MOU") with the Guardian Ad Litem Board, CASA staff attorneys investigated the complaint and found the allegations to be unsubstantiated. CASA responded in writing to both the GAL Board and to the great aunt outlining the steps taken and outcome of the investigation. The matter is resolved, and the CASA GAL continues to serve on the case. No complaint was filed with the GAL Board.
