Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Environmental Services to amend a grant (PO#1082094) to the Town of Peterborough, NH(VC#177459-B003), by extending the completion date from September 1, 2023 to December 31, 2025 for water system improvements under the provisions of RSA 485:F, effective upon Governor & Council approval. The original grant was approved by Governor and Council on December 18, 2020, Item #52 and amended on May 18, 2022, Item #78. This is a no cost time extension. 100% Drinking Water and Groundwater Trust Fund.

EXPLANATION

We are requesting approval of this amendment to provide the Town of Peterborough additional time to complete the agreed upon scope of services for the Cold Stone Springs Water Supply Project. Due to a significant delay in the Town's application for federal funding from US Economic Development Administration (USEDA) being reviewed, the project had to be postponed until receiving confirmation that full funding was secured. The project is a combination project between the Towns of Jaffrey and Peterborough to develop existing supply wells in Sharon, NH, and connect the new source to the Towns' respective distribution systems.

To date, \$864,113.61 of the awarded \$5,830,500.00 grant has been spent.

In the event that these funds become no longer available, General funds will not be requested to support this project. This amendment has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval of this item.

REQUESTED ACTION

Authorize the Department of Environmental Services to amend a Drinking Water and Groundwater Trust Fund grant (PO# 1082094) to the **Town of Peterborough** (VC#177459-B003), Peterborough, NH, by increasing the grant amount by \$2,182,900 from \$3,647,600 to \$5,830,500 for water system improvements under the provisions of RSA 485:F, effective upon Governor & Council approval through September 1, 2023. The original grant was approved by Governor and Council on December 18, 2020, Item #52. 100% Drinking Water and Groundwater Trust Fund.

Funding is available in the following account:

EXPLANATION

NHDES is requesting approval of an amendment to the original Drinking Water and Groundwater Trust Fund (DWGTF) grant agreement to provide the Town of Peterborough additional funds to complete the agreed upon scope of services for the Cold Stone Springs water supply project. The project is a combination project between the Towns of Jaffrey and Peterborough to develop existing supply wells in Sharon, NH, and connect the new source to the Towns' respective distribution systems.

Working together during 2021, the Towns of Peterborough and Jaffrey advanced the design phase of the project and based on the updated basis of design and rising construction costs, the total project cost is estimated to be \$16,900,000, a \$4,300,000 increase. The Town of Peterborough's share of the total project cost is approximately \$9,877,900, an increase of \$2,182,900 in costs beyond the funding they have in place through an existing DWGTF grant and Drinking Water State Revolving Fund loan. The Town of Peterborough requested the additional funding from the DWGTF. On February 14, 2022, the Drinking Water and Groundwater Advisory Commission authorized the increase in grant funding. To date, \$591,575 of the original grant has been spent.

In the event that other funds become no longer available, General funds will not be requested to support this program. This amendment has been approved by the Attorney General's Office as to form, substance and execution.

We respectfully request your approval of this item.

EXPLANATION

The Town of Peterborough requested a total of \$7,695,000 in funding from NHDES for a new drinking water supply source that will be shared with the Town of Jaffrey. NHDES, through the Drinking Water and Groundwater Trust Fund (DWGTF) and the Drinking Water State Revolving Loan Fund (DWSRF) has arranged with the Town to provide the full \$7,695,000 in a combination of grant and loan funds.

The water system improvements include a regional project with the Town of Peterborough. The Towns of Jaffrey and Peterborough intend to purchase the Cold Stone Springs site for use as a shared municipal water supply, construct a joint water treatment plant to improve the finished water quality from the

The Town requested grant funding through the DWGTF in 2020. The Town's request for \$3,647,600 was approved by the Advisory Commission on August 10, 2020. This grant agreement has been approved by the Attorney General's Office as to form, substance and execution.

The final DWSRF loan amount will be based on the total DWSRF funds disbursed, and may be less than \$4,047,400. The loan interest rate may be adjusted downward if the DWSRF loan rate in effect upon project completion is less than the current rate of 0.810% for ten years. The Town is eligible for principal forgiveness under the 2019 DWSRF Intended Use Plan. The amount of principal forgiveness will be determined when the aggregate principal amount is established and the project is complete. There is currently a balance of \$27,688,354 in the DWSRF available for new loans. Attached is a tabulation of the DWSRF showing the effect of this loan on the funds available for loans.

7.1 Between the Effective Date and the date seven (7) years after the Completion Date the Grantee shall keep detailed accounts of all expenses incurred in connection with the Project, including, but not limited to, costs of administration, transportation, insurance, telephone calls, and clerical materials and services. Such accounts shall be supported by receipts, invoices, bills and other similar documents.

7.2 Between the Effective Date and the date seven (7) years after the Completion Date, at any time during the Grantee's normal business hours, and as often as the State shall demand, the Grantee shall make available to the State all records pertaining to matters covered by this Agreement. The Grantee shall permit the State to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, records or personnel, data (as that term is hereinafter defined), and other information relating to all matters covered by this Agreement. The Grantee warrants that all personnel engaged in the Project shall be qualified to perform such Project, and shall be properly licensed and authorized to perform such Project under all applicable laws.

8.2 The Grantee shall not hire, and it shall not permit any subcontractor, subgrantee, or other person, firm or corporation with whom it is engaged in a combined effort to perform such Project, to hire any person who has a contractual relationship with the State, or who is a State officer or employee, elected or appointed.

8.3 The Grantee officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement by the Grantee Officer, and his/her decision on any dispute, shall be final.

9.3 No data shall be subject to copyright in the United States or any other country by anyone other than the State.

9.4 On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

9.5 The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.

10. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.

11. EVENT OF DEFAULT; REMEDIES.

11.1 Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

11.1.1 failure to perform the Project satisfactorily or on schedule; or

11.1.2 failure to submit any report required hereunder; or

11.1.3 failure to maintain, or permit access to, the records required hereunder; or

11.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

11.2.1 give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the grant amount which would otherwise accrue to the Grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

12. TERMINATION.

12.1 In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.

12.2 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

14. **GRANTEE'S RELATION TO THE STATE.** In the performance of this Agreement the Grantee, its employees, and any subcontractor or subgrantee of the Grantee are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workers' compensation or emoluments provided by the State to its employees.

15. **ASSIGNMENT AND SUBCONTRACTS.** The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit A without the prior written consent of the State.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this Agreement.

17. **INSURANCE AND BOND.**

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

STATE OF NEW HAMPSHIRE
DRINKING WATER STATE REVOLVING LOAN FUND PROGRAM

TOWN OF PETERBOROUGH, NEW HAMPSHIRE
(Project No. 1871010-02)

ORIGINAL LOAN AGREEMENT

I. This Agreement is between the State of New Hampshire Drinking Water State Revolving Loan Fund Program (State) and the Town of Peterborough, New Hampshire (Loan Recipient) in accordance with RSA 486:14 and New Hampshire Code of Administrative Rules Env-Dw 1100 (Rules) for the purpose of financing, to the extent of the aggregate amount of funds transferred (Disbursements) to the Loan Recipient made hereunder, the Cold Stone Springs Water Supply Project (Project) now being undertaken by the Loan Recipient. The Project is described in Exhibit

A. The Loan Recipient shall abide by all of the requirements of RSA 486:14 and the Rules.

II. The State agrees to loan to the Loan Recipient, and the Loan Recipient agrees to repay to the State, in accordance with the terms of this Agreement, the principal sum of Four Million Forty Seven Thousand Four Hundred and 00/100 Dollars (\$4,047,400) (Principal Sum) or such lesser amount as shall equal the aggregate of Disbursements made hereunder by the State to the Loan Recipient. In addition to the principal sum, the Loan Recipient agrees to pay the applicable interest accrued as described in Paragraphs IV, VI, and VIII. Federal financial assistance provided through the Drinking Water State Revolving Loan Fund Program (CFDA #66.468) may comprise all or a portion of the Principal Sum. Any Disbursement or other payment from the State to the Loan Recipient is contingent upon the availability of funds.

III. The Loan Recipient is eligible for the Disadvantaged System Program as outlined in Section 8 of the 2019 State of New Hampshire Drinking Water State Revolving Loan Fund Intended Use

1 Plan. The amount of principal forgiveness will be determined when the aggregate principal loan
2 amount is established and the project is complete and will be applied to the loan upon the initial
3 repayment.

4
5 IV. Disbursements shall be made on a periodic basis, as requested by the Loan Recipient, but not
6 more frequently than monthly, subject to the approval of the amount of each Disbursement by the
7 State. The State shall approve the amount requested if it determines that the costs covered by the
8 request are eligible under Env-Dw 1104.01, as applicable. Interest on each Disbursement shall
9 accrue on the outstanding principal balance from the date of the Disbursement at the rate of 1%
10 per annum computed on the basis of 30-day months and 360-day years until the date of Substantial
11 Completion of the Project or the date of Scheduled Completion, whichever is earlier. At the option
12 of the Loan Recipient, such interest may be paid (1) prior to the commencement of Loan
13 repayment, (2) at the time of the first Loan repayment, or (3) by adding the charges to the
14 outstanding principal Loan balance so long as the Loan Recipient's authority to borrow is not
15 exceeded.

16
17 V. The aggregate of the Disbursements shall be consolidated by a Promissory Note (Note) of the
18 Loan Recipient in a Supplemental Loan Agreement issued under and in accordance with the
19 applicable provisions of this Agreement and the Municipal Finance Act, RSA 33, as amended and
20 supplemented, including the provisions of RSA 486:14. The Note shall be substantially in the
21 form of Exhibit B.

22
23 VI. The interest rate applicable to the Note will be 0.810%, as determined in accordance with
24 RSA 486:14 and Env-Dw 1100 et seq.

1 VII. The Loan Recipient hereby authorizes the State to compute the payments of principal and
2 interest on the Note. The principal shall be paid in full within ten (10) years from the date of the
3 Note. Note payments shall commence within one year of the Substantial Completion date of the
4 Project or the Scheduled Completion date of the project, whichever is earlier. The Scheduled
5 Completion date is hereby determined to be September 1, 2023; however, should the project
6 experience an excusable delay, an extension may be granted by the Commissioner of the
7 Department of Environmental Services upon request in writing by the Loan Recipient. In no event
8 shall Note payments commence later than ten years from the effective date of this Agreement.

9
10 VIII. The Loan Recipient reserves the right to prepay, at any time and without penalty, all or any
11 part of the outstanding principal or interest of the Note.

12
13 IX. In the event of a default in the full and timely remittance of any Note payment, any State Aid
14 Grant funds payable to the Loan Recipient under RSA 486:A may be offset against and applied to
15 the payment of any obligations that are due hereunder. The Loan Recipient agrees to be liable for
16 all costs of collection, legal expenses, and attorney's fees incurred or paid by the State in enforcing
17 this Agreement or in collecting any delinquent payments due hereunder.

18
19 X. No delay or omission on the part of the State in exercising any right hereunder shall operate as
20 a waiver of such right or of any other right under this Agreement. A waiver on any one occasion
21 shall not be construed as bar to any right and/or remedy on any future occasion.

22
23 XI. The Loan Recipient agrees to comply, and to require all of its contractors to comply, with all
24 applicable state and federal requirements contained in the Rules and applicable state and federal
25 laws, including those specific requirements outlined in Exhibit C.

1 XII. The Loan Recipient is required to develop an asset maintenance and renewal plan for the
2 assets(s) being funded under the loan or incorporate the funded asset(s) into an existing asset
3 management plan. At a minimum the plan must include a commitment to asset management,
4 financing and implementation strategy and an inventory of the funded asset(s).

5
6 XIII. The Loan Recipient agrees to permit the Comptroller General of the United States, an
7 appropriate Inspector General appointed under section 3 or 8G of the Inspector General Act of
8 1978 (5 U.S.C. App.), or an authorized representative of either of the foregoing officials, or of
9 the State of New Hampshire to have access to and the right to:

10
11 (i) Examine any of the Loan Recipient's, the contractor's or any subcontractor's
12 records
13 that pertain to and involve transactions relating to this Agreement, the Construction
14 Contract, the Engineering Contract or a subcontract thereunder; and

15
16 (ii) Interview any officer or employee regarding such transactions.
17

18 The Loan Recipient shall insert subparagraphs (i). and (ii). in the Construction Contract and
19 require the Contractor to insert subparagraphs (i). and (ii). in all subcontracts thereunder.
20

21 XIV. The effective date of this Agreement shall be the date of its approval by the Governor and
22 Executive Council. This Agreement may be amended, waived, or discharged only by a written
23 instrument signed by the parties hereto and only after approval of such amendment, waiver, or
24 discharge by the Governor and Executive Council.
25

1 XV. This Agreement shall be construed in accordance with the laws of the State of New
2 Hampshire and is binding upon and inures to the benefit of the parties and their respective
3 successors. The parties hereto do not intend to benefit any third parties and, consequently, the
4 Agreement shall not be construed to confer any such benefit.

5
6 XVI. The Loan Recipient acknowledges that by accepting the Loan it will be a sub-recipient of
7 federal financial assistance and, as such, subject to requirements of the federal Single Audit Act
8 and subsequent amendments (SAA). The Loan Recipient further acknowledges that, if the Loan
9 Recipient expends more than the required threshold in federal financial assistance from all
10 sources in any fiscal year, it must perform an SAA audit in accordance with the requirements of
11 Office of Management and Budget Circular A-133. In that event, the Loan Recipient shall
12 provide the State with a copy of the SAA audit report within nine months of the end of the audit
13 period.

14
15 XVII. This Agreement, which may be executed in a number of counterparts, each of which shall
16 be deemed an original, constitutes the entire agreement and understanding between the parties
17 and supersedes all prior agreements and understandings relating thereto. Nothing herein shall be
