REQUESTED ACTION

Pursuant to MOP 150, VII (C), authorize the New Hampshire Fish and Game Department to purchase various types of Fish Food from Moore-Clark USA Inc. dba Bio-Oregon (Vendor Code# 176134) Westbrook, ME in the amount of \$400,000.00, effective upon Governor and Council approval through June 30, 2024. Funding is 100% Fish and Game Funds.

Funding is available in account Inland Fisheries Management-Hatcheries as follows:

	<u>FY2024</u>
03-075-075-752020-21320000-020-500200 Consumables Supplies	\$400,000.00

EXPLANATION

The New Hampshire Fish and Game Department is requesting approval to purchase various types of Fish Food from Moore-Clark USA Inc. dba Bio-Oregon, as the State of New Hampshire does not have a statewide contract for fish food at this time. This food contract would supply all six of our state fish hatcheries and one federal hatchery with fish food through the fiscal year. We have an agreement with Nashua National Fish Hatchery that covers the husbandry of most of our Landlocked Atlantic salmon. We cover the food costs in that agreement.

We initiated the bid process in June 2023. Unfortunately, the wrong information was included in the initial request that resulted in a new bid request having to be made. The second request closed on July 21st and Moore-Clark USA, Inc. dba Bio-Oregon was the sole bidder. Fish food is a critical item that cannot be overlooked if we want to continue to stock the waters of the state for both resident and non-resident anglers.

Respectfully submitted,

Scott R. Mason
Executive Director

Business Division

Confidential, commercial or financial information may be exempt from public disclosure under RSA 91-A:5, IV. Any and all information contained in or connected to a bid or proposal that a Bidder considers confidential shall be clearly designated in the following manner:

If the Bidder considers any portion of a submission confidential, they shall provide a separate copy of the full and complete document, fully redacting those portions by blacking them out and shall note on the applicable page or pages of the document that the redacted portion or portions are "confidential." Use of any other term or method, such as stating that a document or portion thereof is "proprietary", "not for public use", or "for client's use only", is not acceptable. In addition to providing an additional fully redacted copy of the bid submission to the person listed as the point of contact on Page one (1) of this document, the identified information considered to be confidential must be accompanied by a separate letter stating the rationale for each item designated as confidential. In other words, the letter must specifically state why and under what legal authority each redaction has been made. Submissions which do not conform to these instructions by failing to include a redacted copy (if required), by failing to include a letter specifying the rationale for each redaction, by failing to designate redactions in the manner required by these instructions, or by including redactions which are contrary to these instructions or operative law may be rejected by the State as not conforming to the requirements of the bid or proposal. Marking or designating an entire proposal, attachment or section as confidential shall neither be accepted nor honored by the State. Marking an entire bid, proposal, attachment or full sections thereof confidential without taking into consideration the public's right to know shall neither be accepted nor honored by the State.

Notwithstanding any provision of this request for submission to the contrary, proposed pricing shall be subject to public disclosure REGARDLESS of whether or not marked as confidential!

If a request is made to the State by any person or entity to view or receive copies of any portion of a proposal, the State will assess what information it believes is subject to release; notify the Bidder that the request has been made; indicate what, if any, portions of the proposal or related material shall be released; and notify the Bidder of the date it plans to release the materials. To halt the release of information by the State, a Bidder must initiate and provide to the State, prior to the date specified in the notice, a court action in the Superior Court of the State of New Hampshire, at its sole expense, seeking to enjoin the release of the requested information.

By submitting a proposal, Bidders acknowledge and agree that:

- The State may disclose any and all portions of the proposal or related materials which are not marked as confidential and/or which have not been specifically explained in the letter to the person identified as the point of contact for this RFP;
- The State is not obligated to comply with a Bidder's designations regarding confidentiality, and must conduct an independent analysis to assess the confidentiality of the information submitted in your proposal; and
- The State may, unless otherwise prohibited by court order, release the information on the date specified in the notice described above without any liability to a Bidder.
