NHDES

Robert R. Scott, Commissioner

Department of Environmental Services

July 18, 2023

The Honorable Ken Weyler, Chairman Fiscal Committee of the General Court State House Concord, NH

His Excellency, Governor Christopher T. Sununu and the Honorable Council State House Concord, NH

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, authorize the Department of Environmental Services (NHDES) to RETROACTIVELY amend Fiscal Committee item #FIS 23-034, approved on January 27, 2023, and approved by Governor and Council (item # 95) on February 8, 2023, by extending the end date from June 30, 2023 to September 30, 2024, upon Fiscal Committee and Governor and Council approval as of July 1, 2023 through September 30, 2024. No increase in funding is requested. 100% Federal Funds

EXPLANATION

The purpose of the grant is to fund enhancements of air monitoring of Particulate Matter 2.5 (PM_{2.5}) in Laconia to better capture the impacts on the region of winter wood smoke. Specifically, NHDES will utilize these funds to establish a new permanent monitoring station in Laconia equipped with continuous PM_{2.5} monitors that will provide the state and the community with real-time data relative to fine particulate impacts from wood smoke. This request is retroactive as this is the first scheduled Fiscal Committee meeting of the new biennium.

The extension is needed to provide NHDES additional time to complete the negotiations with the owner of the property where the equipment will be installed as well as complete the installation of the monitoring equipment. The time that it is taking to acquire the easement to move the project forward has taken longer than anticipated. To date, \$117,000 of the \$149,000 grant funds have been spent.

In the event federal funds become no longer available, general funds will not be requested to support this program. We respectfully request your approval of this time extension.

Robert R. Scott Commissioner

His Excellency, Governor Christopher T. Sununu and the Honorable Council State House

Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to RSA 14:30-a, VI, authorize the Department of Environmental Services (NHDES) to accept and expend \$149,000 in federal funds from the Environmental Protection Agency to fund the enhancement of air monitoring in Laconia, effective upon Fiscal Committee and Gövernor & Council approval through June 30, 2023. Funding is 100% Federal Funds.

NHDES is requesting funding to be budgeted as follows:

Air Monitoring Federal 03-44-44-443010-70610000 Fiscal Year 2023

Class	Budget Category	Current Budget	Requested Action	Revised Budget

Page 2 of 3

EXPLANATION

The Environmental Protection Agency's (EPA) Office of Air Quality Planning & Standards announced the availability of funds and solicited applications from eligible entities to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental and health outcome disparities stemming from pollution and the COVID-19 pandemic. EPA has awarded these funds to promote air quality monitoring partnerships between communities and tribal, state, and local governments.

The purpose of this grant is to advance enhanced monitoring of Particulate Matter 2.5 (PM2.5) in Laconia to better capture the impacts on the region of winter wood smoke. Specifically, NHDES will utilize these funds to establish a new permanent monitoring station in Laconia equipped with continuous PM2.5 monitors that will provide the state and the community with real-time data relative to fine particulate impacts from wood smoke. Availability of real-time data from the site will help residents reduce the risk of adverse health effects, including cancer and neurological effects.

NHDES is requesting to budget these funds as shown below:

Class 020 Current Expenses: To cover costs for supplies.

Class 024 Maintenance other than Building-Grounds: To cover maintenance and repairs of field equipment and other instrumentation.

Class 030 Equipment: To cover costs for new field equipment.

Class 041 Audit Fund Set Aside: To cover the cost of Audit Set-Aside charges related to the federal program.

Class 102 Contract for Program Services: To cover costs of contracts for site preparation and concrete pad installation.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

We respectfully request your approval of this item.

Robert R. Scott, Commissioner
