and the Honorable Council  
State House  
Concord, New Hampshire 03301

### REQUESTED ACTION

Authorize the Department of Education to enter into a **sole source** contract with Fearless Inside, LLC Huntersville, NC, (Vendor Code 452925), in an amount not to exceed \$19,900.00 to provide impactful educational experiences, keynote presentations, workshops, and resources, to High Mowing School in Wilton, NH, effective upon Governor and Council approval through January 31, 2024. 100% Federal Funds.

Funds are available in FY24 in the account titled EANS II-ARP Act (EANS II) as follows:

06-56-56-562010-24990000-072-509073  
Grants Federal

FY24  
\$19,900.00

### EXPLANATION

This request is **sole source** because the Emergency Assistance to Non-Public Schools (EANS) portion of the American Rescue Plan Act, 2021, (ARP Act) guidance requires funding allocations to non-public schools. Eligible schools determine how to use these funds within the allowed parameters; it then becomes the responsibility of the State to secure those items or services on behalf of that school. By way of application, High Mowing School was allocated funding, in which they have requested Fearless Inside, LLC's services be contracted and provided to address the impacts of the COVID-19 pandemic within their schools.

The New Hampshire Department of Education (NHED) seeks approval of a contract with Fearless Inside, LLC. to provide services to High Mowing School to address the social-emotional impacts of the COVID-19 pandemic within their school. Specifically, Fearless Inside will provide engaging, impactful educational experiences, keynote presentations, workshops, and resources to inspire and encourage students to act through and overcome fear and anxiety as they live and lead in school settings and throughout life.

In this post-pandemic world, many students are living in a state of uncertainty, anxiety and fear. These emotions can and have interrupted students' ability to engage in academics. To help reduce the negative impacts of the pandemic, and to help students re-engage in academics, Fearless Inside, LLC, works with schools and students not to eliminate fear, but to learn how to understand, embrace, and thrive through feelings of fear, worry, and anxiety.

His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
Page 2 of 2

Fearless Inside, LLC will provide a full school-year of service to High Mowing School, to guide their community to transform anxiety into action through practical tools to face uncomfortable moments, change, and fear.

Fearless Inside, LLC will continue to provide remote support to High Mowing School throughout the school year, with a follow-up full-day on-campus experience scheduled for the end of May. The second full day on campus will serve as a wrap-up of services and will include an additional keynote presentation and continued engagement with the School's students to reinforce the strategies learned throughout the year. The High Mowing School community will be equipped with the skills and mindset to transform anxiety into action through practical tools to face uncomfortable moments, change, and fear.

Respectfully submitted,
