Hi Gary,

Thanks for getting back to me! Let me know if you need more info:

The Hometown Foundation, Inc. is a non-profit charitable organization committed to supporting those in need in conjunction with Bozzuto's, Inc., its family of retailers and community business partners. Established in 2002, The Hometown Foundation raises money to support a broad range of programs that meet community needs. The Foundation's focus and commitment center around five key program areas: Animal Welfare, Emergency Response Personnel, Individuals with Intellectual Disabilities or In Need, Major Illness, and the Military. Our year-round programs are devoted to strengthening our local communities to create a more cohesive and inclusive society.

The Foundation's Police K-9 Program falls under our Emergency Response Personnel pillar, and supports law enforcement agencies in need by donating fully equipped, single and dual purpose K-9s, training and equipment. Since the program's inception in 2017, The Hometown Foundation has donated 51 K-9s to law enforcement agencies in 13 different states. K-9 Units are an integral part to law enforcement agencies across the country and many are not fully funded by their local or state municipalities and rely heavily on private donations. The foundation understands the value of Police K-9s and our mission is to educate others on the invaluable assets that they offer to law enforcement agencies.

The Hometown Foundation partners with our retail stores to host K-9 Awareness during February/March to raise funds for local and state K-9 Units across the United States. Through this multifaceted program, 50% of all funds raised will be used to support the K-9 unit stores choice and the other 50% of funds will benefit The Hometown Foundation's Police K-9 Awareness Program. We partnered with LaPerle's IGA in Colebrook, NH and they chose the New Hampshire State Police K-9 Unit to be the beneficiary. Funds raised totaled \$1373.00 so each program will receive \$686.50

Thanks,
Meghan

I can put everything together if you give me the details on who your organization actually is and a little of your mission. Please let me know that amount you're looing to donate and I can stated to put something together.

Thank you for thinking about us.
