August 23, 2023

His Excellency, Governor Christopher T. Sununu and the Honorable Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a contract with Pete's Tire Barns, Inc (VC#161448), Orange, MA in an amount up to and not to exceed \$753,500 for tire retread services with an option to extend for up to two additional years effective upon Governor and Executive Council approval for the period of October 1, 2023, through September 30, 2028.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

EXPLANATION

The Department of Administrative Services, through the Bureau of Purchase and Property, issued a request for bid (RFB) 2773-23 on June 12, 2023, with responses due on June 23, 2023. This RFB reached 33 vendors through the NIGP electronic sourcing platform with an additional 2 vendors sourced. There were 2 compliant responses received; Pete's Tire Barns, Inc provided a compliant response and low cost for this bid in total.

Upon approval, this contract with Pete's Tire Barns, Inc will allow tire retread services for all State fleet vehicles that require larger size tires due to the equipment weight loads. These services are an integral part of agencies' ability to maintain fleet resources in operation. Not providing this commodity and service to State agencies would lead to higher costs in tire replacement and unanticipated delays associated with tire repairs and proper maintenance.

The estimated annual spend of \$137,000 is based on estimated annual usage verified by data collected from the New Hampshire Department of Transportation. An additional 10% was added as an allowance of \$68,500 for additional parts that may be required during install and service under the balance of product line. There is an estimated cost increase of \$19,129.00 compared to the expiring contract (Contract #8003173). Although there was an increase between the expiring contract and the new contract, there is a cost avoidance of \$14,925.00 compared to second lowest response from the incumbent contractor Sullivan Tire Inc.

His Excellency, Governor Christopher T. Sununu and the Honorable Council
