### EXPLANATION

Pursuant to Chapter 272:6, I, Laws of 2022, funds are available to raze the existing Department of Justice (DOJ) building and prepare the site to receive the new Legislative Parking Garage. This contract will raze the existing 59,000 square-foot, 3-story office building with a full basement and parking lot. Hazardous materials will be abated and the existing underground utility services will also be removed.

Since, the new Legislative Parking Garage will be located on this site, the building and all existing site paving and fixtures must be removed, in their entirety, to prepare for the new garage.

A public bid opening was held on April 5, 2023. Three (3) bid proposals were received and the contract was awarded to the lowest qualified bidder. Two (2) of the three (3) bids were below the Department estimate, with the low bid being 36% below. The Department estimate was based on prices from a similar demolition contract. The bids may have been below the estimate because this contract is larger than the one from which the estimate was based and, therefore, economies of scale could have factored into the bid prices.

This contract contained one (1) Alternate Bid Item (Alternates). Alternates are not included in the Base Bid and, therefore, not used to determine the low bid. Once the low bid is established, the Department may add or deduct scope as described in the Alternates and per the Alternate bid prices provided by the low bidder. For this contract, the Department decided not to accept the Alternate bid item to install a permanent chain link fence along the perimeter of the site. The contract was awarded for the Base Bid price of \$920,000.

Attached please find a copy of the tabulation of bids for this project.

Respectfully submitted,

Charles M. Arlinghaus,  
Commissioner
