A RESOLUTION UNDER RSA 162-I:9 WITH RESPECT TO THE FINANCING
OF A COMMERCIAL FACILITY BY THE BUSINESS FINANCE AUTHORITY FOR
SIG SAUER REAL ESTATE INC. (OR AN AFFILIATE THEREOF) IN THE CITY OF
ROCHESTER, NEW HAMPSHIRE
AND THE AWARD OF AN UNCONDITIONAL STATE GUARANTEE OF UP TO
\$33,100,000 OF PRINCIPAL OF THE FINANCING

WHEREAS, the Governor and Council have received from the Business Finance Authority (the "Authority") its written recommendation that the Governor and Council make certain findings and a determination pursuant to RSA 162-I:9 with respect to the financing of a commercial facility for Sig Sauer Real Estate Inc. (or an affiliate thereof, the "Borrower") in the City of Rochester (the "Location"), by the Authority's financing and lease of additional improvements and renovations to an existing 89,000 square foot building (owned by the Authority and currently leased to the Borrower), and the construction of a 27,700 square foot extension thereto, including site work and related improvements, located at 7 Amarosa Drive, Rochester, and certain other site work ancillary thereto on adjacent land owned by the Borrower or an affiliate thereof, including landscaping, drainage, parking and a reconfigured driveway connecting to a future traffic circle to be located on Milton Road, Rochester (collectively, the "Project"), through the issuance of a taxable bond (the "Bond") in an amount up to \$33,100,000 under RSA 162-I (the "Act"), that will be supported by a State guarantee (the "State Guarantee") and the award of an unconditional State Guarantee of up to \$33,100,000 of principal of the Bond under RSA 162-I:9-b;

WHEREAS, the Governor and Council have received all the documentation and information with respect to the transaction that they have requested; and

WHEREAS, further action by the Authority with respect to the transaction is subject to the passage of this resolution and cannot be taken until after its passage;

IT IS HEREBY RESOLVED THAT:

Section 1. Findings. On the basis of the Authority's recommendation and the documentation and information received by the Governor and Council, and after a public hearing, the Governor and Council find:

(a) Special findings:

(1) The Project (as completed, the "Facility") consists of the renovation of an existing 89,000 square foot building and the construction of a 27,700 square foot extension, including site work and related improvements, located at 7 Amarosa Drive, and certain other site work ancillary to the Facility on adjacent land, including landscaping, drainage, parking and a reconfigured driveway connecting to a future traffic circle to be located on Milton Road, in the City of Rochester (the "Adjoining Property"). The Adjoining Property is owned by the Borrower or an affiliate thereof and will be

accessible to the Authority and the Facility pursuant to an Easement Agreement on Adjoining Property (the "Easement Agreement"). The Facility will be owned by the Authority (except as previously noted) and used by the Borrower for manufacturing, office space and cafeteria, including related improvements and site work.

The Project is within the definition of "commercial facility" in the Act and may be financed under the Act.

(2) The establishment and operation of the Facility creates and preserves employment opportunities directly and indirectly within the State of New Hampshire (the "State") and will likely be of general benefit to the community as a whole.

(b) General findings:

(1) The Project and the proposed financing of the Project are feasible;

(2) The Borrower has the skills and financial resources necessary to operate the Project successfully;

(3) The Bond, the Bond Purchase and Loan Agreement, the Guarantee Agreement, the First Amendment to Agreement of Lease, the Second Mortgage, Assignment of Leases and Rents, Assignment of Plans and Permits, Security Agreement and Fixture Filing, the Intercreditor Agreement, the Easement Agreement and the Construction Loan Agreement (collectively, the "Agreements") contain provisions so that under no circumstances will the Authority be obligated directly or indirectly to pay Project costs, debt service or expenses of operation, maintenance and upkeep of the Facility except from Bond proceeds or from funds received under the Agreements, exclusive of funds received thereunder by the Authority for its own use; and

(4) The proposed financing of the Project by the Authority and the proposed operation and use of the Facility will serve one or more needs and implement one or more purposes set forth in RSA 162-I:1, will preserve or increase the social or economic prosperity of the State and one or more of its political subdivisions, and will promote the general welfare of the State's citizens.

(c) Findings with respect to the State Guarantee:

(1) The award of the State Guarantee will contribute significantly to the success of the financing; and

(2) Reasonable and appropriate measures have been taken to minimize the risk of loss to the State and to ensure that any private benefit from an award of a State Guarantee will be only incidental to the public purpose served thereby.

Section 2. Award of State Guarantee. The Governor and Council hereby award an unconditional guarantee of up to \$33,100,000 principal of and interest on the Bond pursuant to RSA 162-I:9-b and authorize the State Treasurer (the "State Treasurer") to execute by her

manual or facsimile signature the endorsement appearing on the Bond Purchase and Loan Agreement and the Bond to evidence such guarantee.

Section 3. Authorization of Guarantee Agreement. The State shall be a party to the Guarantee Agreement between the Authority and the State (the "Guarantee Agreement") and the Governor and the State Treasurer are together authorized to execute and deliver the Guarantee Agreement on behalf of the State substantially in the form presented to this meeting but subject to such changes as the Governor and State Treasurer may approve, their signatures being conclusive identification of the Guarantee Agreement, with approved changes, if any, authorized by this resolution.

Section 4. Ultimate Finding and Determination. The Governor and Council find that the proposed financing, operation and use of the Facility and award of the State Guarantee will serve a public use and provide a public benefit; and the Governor and Council determine that the Authority's financing of the Project and the State's Guarantee of up to \$33,100,000 of principal of the Bond will be within the policy of, and the authority conferred by, the Act.

Section 5. Approval. The Governor and Council approve the Authority's, the Governor's and State Treasurer's taking such further action under the Act with respect to the transaction as may be required.

Section 6. Effective Date. This resolution shall take effect upon its passage.

His Excellency Governor Christopher T. Sununu
and
The Honorable Council

Dear Governor and Councilors:

(BFA – Sig Sauer Real Estate Inc.)

In this transaction Enterprise Bank and Trust Company (together with any other financial institutions, the “Lender”) will lend up to \$33,100,000 via the Business Finance Authority of the State of New Hampshire (the “Authority”) to Sig Sauer Real Estate Inc. (or an affiliate thereof, the “Borrower”) for the financing and lease of additional improvements and renovations to an existing 89,000 square foot building (owned by the Authority and currently leased to the Borrower), and the construction of a 27,700 square foot extension thereto, including site work and related improvements, located at 7 Amarosa Drive, Rochester, and certain other site work ancillary thereto on adjacent land owned by the Borrower or an affiliate thereof, including landscaping, drainage, parking and a reconfigured driveway connecting to a future traffic circle to be located on Milton Road, Rochester (collectively, the “Project”), which will owned by the Authority and used by the Borrower for manufacturing, office space and cafeteria, including related improvements and site work. A revenue bond in the approximate principal amount of up to \$33,100,000 (the “Bond”) will be issued pursuant to the Bond Purchase and Loan Agreement (the “Loan Agreement”). The Authority will also enter into a Second Mortgage, Assignment of Rents, Assignment of Plans and Permits, Security Agreement and Fixture Filing for the benefit of the State of New Hampshire (the “State”) in connection with the financing and a Construction Loan Agreement with the Lender to provide for disbursement of funds for construction related to the Project. The Authority is also entering into an Intercreditor and Subordination Agreement with the Lender and Service Federal Credit Union, as holder of a first Mortgage, Assignment of Rents, Security Agreement and Fixture Filing.

The Lender is prepared to purchase the Bond on the terms set forth in the Commitment Letter and Addendum, which are included in Tab #4. The Bond will be issued pursuant to and secured by the Loan Agreement and its term will be up to eighty-six (86) months, depending on market conditions at the time of sale. The Bond is expected to be a fixed interest rate bond, with an anticipated interest rate of five and seventy-five thousandths percent (5.075%); interest on the Bond, however, will not exceed ten percent (10.00%). The Borrower may prepay principal of the Bond at its option without penalty. The principal of the Bond will be further secured by an unconditional State guarantee.

The Authority’s obligation to pay the Bond is actually to be performed by the Borrower, which is unconditionally responsible for that performance. As in all transactions under RSA 162-I, neither the Authority’s money nor other public funds (except as expressly provided in the state guarantee) will or can be used to pay the Bond. Provisions appropriate for achieving this result, as required by RSA 162-I, are contained in the Loan Agreement and in the First Amendment to Agreement of Lease between the

Authority and the Borrower. The Authority is obligated to make payments only to the extent that it receives funds from the Borrower. The Bond will be repaid by the Borrower through lease payments made by the Borrower to the Authority pursuant to the Agreement of Lease, as amended by the First Amendment to Agreement of Lease, between the Authority and the Borrower.

Describe the effect the project has on the environment.

The project will improve the stormwater management. The site design will include upgrading the 1980's stormwater management and treatment system to current standards. The existing stormwater management system constructed in the 1980's has vegetation growing in the stormwater management areas and the stormwater swales are filled with silt. The new design will incorporate the latest New Hampshire Department of Environmental Services (NHDES) standards. The new design by a licensed professional engineer will be peer reviewed by the City of Rochester and NHDES staff for compliance to the current state and city stormwater standards. In addition to meeting 2023 stormwater treatment requirements the new design will also meet the current stormwater management requirements for stormwater detention/retention based on current rainfall intensity charts. This will likely result in a reduction of treated stormwater flows off site.

24. **Representations:** All representations made by Borrower to Lender in the loan application or otherwise with respect to obtaining the loan shall be deemed to be material and relied upon by Lender in issuing this commitment and shall survive the closing of the loan. If in Lender's opinion, exercising prudent banking and underwriting judgment, there shall be any material adverse change or discovery with respect to any fact or condition on which Lender has relied in making this commitment, Lender shall have the right to rescind this commitment.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and in consideration of the promises contained in this Agreement, the Authority and Lender hereby agree as follows:

Except for Permitted Encumbrances, the Property is free from any liens or encumbrance securing Indebtedness and from any other liens, encumbrances, charges or security interests of any kind. 4.11 Federal Reserve Regulations: Use of Bond Loan Proceeds. Authority is not engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any Margin Stock. No part of the proceeds of the Loan will be used, directly or indirectly, for a purpose which violates any law, rule or regulation of any governmental body, including without limitation the provisions of Regulations T, U, or X of the Board of Governors of the Federal Reserve System, as amended. Authority shall cause to be done all things necessary to preserve and keep in full force and effect its existence and rights as a body politic and agency of the State, to conduct its business in a prudent manner, to maintain in full force and effect, and renew from time to time, all franchises, permits, licenses, and trademarks, if any, that are necessary to operate its business. Authority will comply in all material respects with all valid laws and regulations now in effect or hereafter promulgated by any properly constituted governmental authority having jurisdiction; provided, however, that Authority shall not be required to comply with any law or regulation which it is contesting in good faith by appropriate proceedings as long as either the effect of such law or regulation is stayed pending the resolution of such proceedings or the effect of not complying with such law or regulation would not reasonably be expected to result in a Material Adverse Change.

6.4. Dispositions. While the Obligations remain unpaid or unsatisfied Authority shall not convey, sell, lease, license, transfer or otherwise dispose of all or any part of the Property or move cash balances on deposit with Lender to accounts at another financial institution without Lender's prior written consent.

6.5. Encumbrances. While the Obligations remain unpaid or unsatisfied Authority shall not create, incur, assume, or allow any Lien with respect to the Property, except for Permitted Liens, without Lender's prior written consent.

6.6. Payment of Taxes. While the Obligations remain unpaid or unsatisfied Authority shall cause to be timely paid all taxes, assessments, and other governmental charges levied upon the Property; except that no such taxes, assessments, or other charges need be paid if contested in good faith and by appropriate proceedings promptly and diligently conducted and if proper amounts, determined in accordance with GAAP, have been set aside for the payment of all such

taxes, charges, and assessments, including but not limited to any tax payments due the Town of Epping with respect to the Property.

6.7. Adverse Changes. While the Obligations remain unpaid or unsatisfied Authority shall not fail to notify the Lender in writing of (a) the occurrence of any event which, if it had existed on the date Of this Agreement, would have required qualification of the representations and warranties set forth in Section 3 hereof and (b) any Material Adverse Change.

6.8. Notice of Default. While the Obligations remain unpaid or unsatisfied Authority shall promptly notify Lender of any Event of Default under the Bond Loan Documents.

6.9. Inspection. While the Obligations remain unpaid or unsatisfied Authority shall make available for inspection by duly authorized representatives of the Lender, or its designated agent, Authority's books, records, and properties upon Lender's reasonable request, and shall furnish to Lender such information regarding its business affairs and financial condition within a reasonable time after written request therefor.

6.10. Environmental Matters. Authority shall include in the Lease environmental indemnities from Sig Sauer R-E acceptable to Lender and shall at all times comply with the Environmental Indemnification Agreement.

6.11. Health and Safety. Authority shall require in the Lease that Sig Sauer R-E maintain compliance with all requirements of applicable federal, state, and local environmental, health and safety and workplace laws, regulations, ordinances or rules with respect to the Property which would, in the aggregate, if not complied with, result in a Material Adverse Change.

6.12. Extraordinary Services. In the event extraordinary circumstances arise due to an Event of Default or Lender's reasonable belief that an Event of Default is in prospect which require post-closing Lender follow up, Bond Loan review and monitoring and related due diligence other than routine Bond Loan servicing ("Extraordinary Services"), Lender may conduct or require such for inspections, appraisals, tests or reviews, or other due diligence as it then reasonably deems necessary, upon which Lender may deduct the reasonable expense of such Extraordinary Services ("Extraordinary Expenses") from any account maintained by Authority with Lender and available for such purpose, or charge Authority for such, which upon request Authority shall pay in full, or add to the principal of the Bond Loan, with such duty to pay Extraordinary Expenses being included in the Obligations.

6.13. Authority Operating Account with Lender. So long as credit is available hereunder or until all principal, interest, and other outstanding amounts under the Bond Loan have been paid in full, Authority shall maintain with Lender its primary operating account (the "BFA Lender Account") into which the Authority shall deposit all Lease and other revenues from the Property. At the option of Lender, all Bond Loan payments and fees will automatically be debited from the

BFA Lender Account and all disbursements of any Bond Loan proceeds shall be made by the Lender's crediting of such disbursements directly into the BFA Lender Account.

6.14. Further Assurances.

(a) Other Documents As Lender May Require. Authority shall execute, acknowledge, and deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements, transfers and assurances as Lender may require from time to time in order to better assure, grant, and convey to Lender the rights intended to be granted, now or in the future, to Lender under this Agreement and the other Bond Loan Documents.

(b) Corrective Actions. Authority shall provide, or cause to be provided, to Lender, at Authority's cost and expense, such further documentation or information deemed necessary or appropriate by Lender in the exercise of its rights under the Commitment Letter to correct patent mistakes in the Bond Loan Documents or Bond Loan funding,

6.15. Mortgages, Security Interests and Liens. Authority shall not, directly or indirectly, create, incur, assume, or permit to exist or, under the terms of the Lease, allow Sig Sauer R-E to permit any Lien with respect to the Property other than:

B. Liens imposed by law, such as Liens of landlords, carriers, warehousemen, mechanics, and materialmen arising in the ordinary course of business for sums not yet due or being contested by appropriate proceedings promptly initiated and diligently conducted, provided other appropriate provision, if any, as shall be required by GAA.P shall have been made therefor;

C. Liens incurred or deposits made in the ordinary course of business in connection with workers' compensation, unemployment insurance, and other types of social security, or to secure the performance of tenders, statutory obligations, and surety and appeal bonds, or to secure the performance and return of money bonds and other similar obligations, excluding obligations for the payment of borrowed money;

D. Any judgment Lien, provided that the judgment it secures shall, within thirty (30) days after the entry thereof, have been discharged or execution therefor stayed pending appeal, or shall have been discharged within thirty (30) days after the expiration of any such stay;

E. Liens that secure the repayment of any Authority's Indebtedness to Lender;

F. Existing liens securing the first priority mortgage loan held by Service Federal Credit Union; or

G. Liens evidenced by or permitted under the terms of the Bond Loan Documents, Permitted Encumbrances, or the Title Policy.

7. EVENTS OF DEFAULT

The occurrence of any one or more of the following events shall constitute an Event of Default under this Agreement:

7.1. Payments. If (a) the interest on the Bond Note or any commitment or other fee shall not be paid in full punctually when due and payable or within fifteen (15) days thereof, or (b) the principal of the Bond Note shall not be paid in full punctually when due and payable, or within fifteen (15) days thereafter.

7.2. Covenants. If Authority fails to perform or observe any covenant or agreement contained in this Agreement or in any other of the Bond Loan Documents.

7.3. Representations and Warranties. If any representation, warranty or statement made in or pursuant to this Agreement or any Bond Loan Document or any other material information furnished by Authority shall be false or materially erroneous or fraudulent.

7.4. Validity of Bond Loan Documents. If (a) any material provision, in the sole opinion of Lender, of any Bond Loan Document shall at any time for any reason cease to be valid, binding and enforceable against Authority; (b) the validity, binding effect or enforceability of any Bond Loan Document against Authority shall be contested by Authority; (c) Authority shall deny that it has any or further liability or obligation thereunder; or (d) any Bond Loan Document shall be terminated, invalidated or set aside, or be declared ineffective or inoperative or in any way cease to give or provide to Lender the benefits contemplated thereby.

7.5. Bond Loan Document Default. If any Event of Default or default shall occur under any other Bond Loan Document, or if under any Bond Loan Document any payment is required to be made by Authority on demand of Lender, and such demand is made,

- (b) any financial statement, rent roll, or other report or information provided to Lender while any amount is outstanding under the Bond Loans; or
- (c) any request for Lender's consent to any proposed action.

7.10. Further Default Provision. Notwithstanding the foregoing, in the event that an Event of Default with respect to the Bond Loan authorizes Lender to accelerate the maturity of and demand payment of the Bond Loan and Lender makes such demand, the Authority shall have the right to continue making monthly interest payments on the Bond Note, and provided that such interest payments are timely made, Lender, notwithstanding its right to immediate payment in full of all outstanding principal and interest on the Bond Note pursuant to the State Guarantee, shall defer the exercise of its right to require payment in full of all outstanding principal and interest on the Bond Note until Lender has completed (or has made, in its sole discretion, reasonable efforts to complete) any Lien Enforcement Action.

7.11. Insecure. If as a result of any action or inaction by Authority, or any condition relative to the Obligations, Lender, in good faith, reasonably determines that the Obligations cannot be repaid according to the terms of the Bond Loan Documents, or that such action, inaction or condition renders the Lender insecure as Lender may reasonably determine based upon its review under the then available facts and circumstances of Authority's ability to repay, Lender shall give Authority notice of its determination, with the written basis for such determination and means of curing such, and Authority shall have thirty (30) Business Days to cure such situation or provide information to Lender sufficient to demonstrate said determination is incorrect, or provide a corrective plan, acceptable to Lender in its reasonable discretion, to cure such situation, If Authority provides such a plan that IS reasonably acceptable to Lender, the failure of Authority to comply therewith shall be an Event of Default. Upon Lender giving notice as above, Lender shall be entitled to withhold the advance of any Bond Loan funds until the determination of Lender is satisfied by one of the above means. The right to cure in Section 7.12 below shall not apply to this Section 7.11.

7.12. Non-Monetary Default. Any failure by Authority to perform any of its non-monetary obligations under this Agreement (including but not limited to those set forth in Sections 7.2, 7.3, 7.4, 7.5, 7.6, 7.7, 7.8, and 7.9) as and when required, which failure continues for a period of thirty (30) days after written notice of such failure by Lender to Authority; provided, however, such period may be extended for up to an additional sixty (60) days if Authority, in the discretion of Lenders is diligently pursuing a cure of such; provided, further, however, no such notice, grace period or extension shall apply if, in Lender's discretion, immediate exercise by Lender of a right or remedy under this Agreement is required to avoid actual and material harm to Lender or material impairment of repayment of the Obligation or of the Collateral given as security therefore.

7.13. Subrogation. At any time after the State has made any payments to the Lender under the State Guarantee that have not been reimbursed to the State (the "Guaranty Payments") the State shall be subrogated to the rights of the Lender with respect to such Guaranty Payments, and such Guaranty Payments shall be secured by all Collateral securing the Authority's obligations to the Lender; provided, however, that any outstanding amounts due Lender under the Bond Loan

Documents that are not included in the Guaranty Payments (including but not limited to any unpaid Late Fees, Extraordinary Expenses, or Related Expenses) shall remain secured by the Collateral and have priority over the State's subrogated rights with respect to recoveries from any Lien Enforcement Action.

8. REMEDIES UPON DEFAULT

8.1. Rights of Lender. If any Event of Default shall occur, Lender may, at its election, and without demand or notice of any kind, do any one or more of the following:

A. Declare all of the Authority's Obligations to Lender to be immediately due and payable, whereupon, subject to Section 7.10 hereof, all unpaid principal, interest and fees in respect of such Obligations, together with all of Lender's costs, expenses and attorneys' fees and professionals related thereto, under the terms of the Bond Loan Documents or otherwise, shall be immediately due and payable;

The remedies in this Agreement are in addition to, not in limitation of, any other right, power, privilege, or remedy, either in law, in equity, or otherwise, to which the Lender may be entitled. All Lender's rights and remedies, whether evidenced by this Agreement or by any other agreement, instrument or document shall be cumulative and may be exercised singularly or concurrently.

In addition, Authority shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution and delivery Of any Bond Loan Document, and the other instruments and documents to be delivered hereunder, and agrees to hold Lender harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes or fees. 9.3. Indemnification and Release. To the extent permitted by law, Authority shall indemnify and hold the Lender harmless against any and all liabilities, losses, damages, costs, and expenses of any kind (including, without limitation, the reasonable fees and disbursements of counsel in connection with any investigative, administrative or judicial proceeding, whether or not the Lender shall be designated a party thereto) which may be incurred by the Lender relating to or arising out of this Agreement or any actual or proposed use of proceeds of any Bond Loan hereunder; provided, that the Lender shall have no right to be indemnified hereunder for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction. AGREEMENT

1. Recitals; Defined Terms. The above Recitals are incorporated herein by reference. All capitalized terms used in this First Amendment without definition shall have the same meanings ascribed to them in the Lease.

2. 2023 Building Expansion. Tenant shall have the right to expand the Premises in its sole discretion, which renovations may include the work identified on the preliminary budget attached hereto as Exhibit A attached hereto ("2023 Expansion Project"). The 2023 Expansion Project shall be performed by the Tenant at the Tenant's cost and expense, subject to payment by the Landlord of the Expansion Allowance as set forth in Section 3 hereof. With respect to the 2023 Expansion Project, upon written request by Landlord, the Tenant shall deliver to Landlord the engineering, civil, architectural, electrical and mechanical construction drawings, plans and specifications for the Renovations (collectively, "Expansion Plans"). Tenant agrees to remain solely responsible for the timely preparation and submission of all such Expansion Plans.

Notwithstanding any review of Expansion Plans by the Landlord, the Tenant acknowledges and agrees that the Landlord has made no warranty or representation as to the accuracy of the structural, mechanical or legal compliance or sufficiency of the Expansion Plans as may be required by applicable law. The Landlord shall, at no cost or expense to the Landlord, reasonably cooperate in the Tenant's application for a building permit and other permits and approvals necessary to allow the Tenant to proceed with the 2023 Expansion Project.

Furthermore, the Landlord shall, at no cost or expense to the Landlord, reasonably cooperate with Tenant and join in or enter into agreements or easements for any public utilities and facilities, access roads, or other facilities useful or necessary to the use and operation of the building or other improvements or the construction thereof, all on commercially reasonable terms and conditions. In no event shall Landlord be responsible for the satisfaction of any terms, conditions and requirements of any permits and approvals issued for the 2023 Expansion Project; all of which shall be the responsibility of the Tenant. The 2023 Expansion Project shall be performed by contractors engaged by the Tenant at Tenant's sole expense. All construction work required or permitted by this First Amendment by the Tenant, shall be done in a good and workmanlike manner, free of defects and in compliance with the terms and conditions of the Lease, all applicable laws and all lawful ordinances, regulations and orders of governmental authority and insurers of the Premises. The 2023 Expansion Project will be completed within twenty-four (24 months) of the Effective Date of this First Amendment.

For the avoidance of doubt, from and after the Effective Date of this First Amendment, all references to the Premises in the Lease shall include the 2023 Expansion Project, except the Adjoining Property (defined below) and as otherwise expressly set forth or noted herein, but including the easement rights with respect to the Adjoining Property granted to the Landlord by the Easement Agreement described in Section 7 below.

3. Expansion Allowance. Landlord shall pay to the Tenant a construction allowance towards the 2023 Building Expansion of up to Thirty-Three Million One Hundred Thousand Dollars (\$33,100,000.00) (the "Expansion Allowance"). The Landlord shall disburse the Expansion Allowance to the Tenant in accordance with the disbursement schedule and process set forth in Exhibit B attached hereto ("Expansion Conditions"). Landlord shall not be required to disburse any such portion of the Expansion Allowance at any time during which an Event of Default exists and remains uncured after applicable notice and cure periods, including without limitation any such default arising from the existence of a lien on the Premises due to the 2023 Expansion Project. Furthermore, the Landlord shall have the right to undertake inspections and reviews to ensure that the 2023 Expansion Project is being performed in accordance with the Expansion Plans.

4. Expansion Rent During Term. **In addition to all Rent due under the Lease during the Term**, the Tenant agrees to pay without any offset or reduction whatsoever (except as made in accordance with the express provisions of this Lease) to the Landlord additional annual rent for the 2023 Building Expansion ("Expansion Rent") in the initial amount of \$ [redacted] and 00/100 Dollars (\$ [redacted] .00). Tenant shall pay Expansion Rent together with Rent in equal monthly installments in advance on the first day of

each month during the Term, subject to adjustment for construction disbursements made by Landlord as set forth in Section 5 below and prepayments made by Tenant as set forth in Section 6 below. Whenever any payment to be made hereunder shall be stated to be due on a day which is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or the fees hereunder, as the case may be.

5. Expansion Rent Adjustment. The Tenant has the right to request disbursements of the Expansion Allowance as set forth in Section 3 hereof, and all such disbursements shall be added to the Purchase Option Amount:

Each \$1.00 in disbursements for the 2023 Expansion Project shall increase the Adjusted Purchase Option Amount by the same amount.

Adjusted Expansion Rent due during the immediately following month is calculated by multiplying the total amount of the Expansion Allowance disbursed by Landlord by 6.075%, and dividing by 12 for a monthly Expansion Rent payment.

By way of example, if, following a disbursement of the Expansion Allowance, a total of \$20,000,000.00 has been advanced under the Expansion Allowance, the monthly Expansion Rent due during the immediately following month is calculated as \$20,000,000.00 multiplied by 6.075%, equaling \$1,215,000 divided by 12, for a monthly Expansion Rent payment due of \$101,250.

6. Prepayment; Purchase Option Amount. The Tenant has the right to make prepayments towards the Purchase Option Amount, defined as any payment made above the current Rent and Expansion Rent due at any time during the term of the Lease and all such prepayments shall be deducted from the Purchase Option Amount.

Each \$1.00 in prepayment shall reduce the Adjusted Purchase Option Amount by the same amount.

Prepayments shall be applied first to amounts of the Construction Allowance advanced to Tenant under Section 6 of the Lease and thereafter to amounts of the Expansion Allowance advanced to Tenant under this First Amendment. Prepayments shall reduce Rent and/or or Expansion Rent as follows: For the first \$21,100,000 of prepayments, Adjusted Rent under the Lease shall be calculated in accordance with Section 6 of the Lease. For prepayments above \$21,100,000, Adjusted Expansion Rent due under this First Amendment for the immediately following month is calculated by multiplying the remaining Adjusted Purchase Option Amount by 6.075%, and dividing by 12 for a monthly Expansion Rent payment.

As of the Effective Date, the amount of the Construction Allowance advanced to Tenant under the Construction Allowance under Section 6 of the Lease is \$21,100,000. For all purposes under the Lease, from and after the Effective Date, the "Adjusted Purchase Option Amount" shall be deemed to be the current Purchase Option Amount plus all disbursements of the Expansion

Allowance made by Landlord under this First Amendment minus any prepayments made by Tenant under the Original Lease or under this First Amendment.

7. Adjoining Property Easement. Since the date of the Lease, Tenant has acquired certain real estate which is located adjacent to and /or in close proximity to the Premises (“Adjoining Property”). The Adjoining Property is described in the following deeds conveyed to Tenant: (a) Map 205, Lot 1 and Map 210, Lot 33 conveyed to Grantor by Warranty Deed of the City of Rochester, dated August 22, 2023 and recorded in the Registry at Book 5132, Page 1020, (b) Map 210, Lot 32 conveyed to Grantor by Warranty Deed of 328 Cambridge LLC, dated April 27, 2022 and recorded in the Registry at Book 5028, Page 657, and (c) Map 205, Lot 2 conveyed to Grantor by Warranty Deed of Amarosa Industrial Park, LLC, dated March 30, 2022 and recorded in the Registry at Book 5022, Page 76. If requested by Landlord, Tenant agrees to reasonably cooperate with Landlord in connection with the exercise by Landlord of its right to complete construction of the 2023 Expansion Project following and uncured Event of Default including, without limitation, completing such construction under the 2023 Expansion Project Materials. Notwithstanding the foregoing, Landlord agrees that unless an Event of Default has occurred and is continuing, (i) the Tenant shall retain possession of the Premises in accordance with the terms and conditions of the Lease, and (ii) the Tenant alone shall have the right to assert claims in connection with the representations, warranties, covenants and indemnities in connection with the 2023 Expansion Project Materials; provided, that Tenant shall give Landlord notice of any intention to assert any such claims and keep Landlord informed of the status of any proceedings concerning such claims. 1.2 Secured Obligations.

(a) Mortgagor makes the grant, conveyance, and mortgage set forth in Section 1.1 above, and grants the security interest set forth in Section 3 below for the purpose of securing the following obligations (the "**Secured Obligations**") in any order of priority that Mortgagee may choose:

(i) Payment of all obligations at any time owing under Commercial Term Bond Note (the "**Bond Note**") of even Effective Date herewith, payable by Mortgagor in the stated total principal amount of up to Thirty-Three Million One Hundred Thousand and 00/100 Dollars (\$33,100,000.00) to the order of Mortgagee including all obligations on said Bond Note, even to the extent that such exceeds said principal amount thereof (the "**Bond Loan**"); and

(ii) Payment and performance of all obligations of the Mortgagor under this Mortgage, including future advances under Section 7.11 below.

(iii) Payment and performance of any obligations of the Mortgagor under any Bond Loan Documents; and

(iv) Payment and performance of all future advances and other obligations that Mortgagor or any successor in ownership of all or part of the Property may agree to pay and/or perform (whether as principal, surety or guarantor) for the benefit of Mortgagee, when a writing evidences the parties' agreement that the advance or obligation be secured by this Mortgage; and

(v) Payment and performance of all modifications, amendments, restatements, extensions, and renewals, however evidenced, of any of the Secured Obligations.

(b) All persons who may have or acquire an interest in all or any part of the Property will be considered to have notice of, and their interest in the Property will be subject to the terms of the Secured Obligations and each other agreement or instrument made or entered into in connection with each of the Secured Obligations.

2. **Assignment of Rents.**

2.1 **Assignment.** Mortgagor hereby irrevocably, absolutely, presently and unconditionally assigns to Mortgagee all rents, royalties, issues, profits, revenue, income, accounts, proceeds and other benefits of the Property, including but not limited to those arising under the Leases, whether now due, past due or to become due, including all prepaid rents and security deposits (to the extent permitted by law) (some or all collectively, as the context may require, "**Rents**"). This is an absolute assignment, not an assignment for security only.

2.2 **Grant of License.** Mortgagee hereby confers upon Mortgagor a license ("**License**") to collect and retain the Rents as they become due and payable, so long as no Event of Default, as defined in Section 6.1 below, shall exist and be continuing. Such License shall be revocable in Lender's sole discretion, only if an Event of Default has occurred and is continuing beyond any applicable notice and cure period, and without further notice to or demand upon Mortgagor, and without regard to the adequacy of Mortgagee's security under this Mortgage.

2.3 **Collection and Application of Rents.** Subject to the License granted to Mortgagor under Section 2.2 above, Mortgagee has the right, power, and authority to collect any and all Rents. Mortgagor hereby appoints Mortgagee its attorney-in-fact to perform any and all of the following acts, but only during such time that an Event of Default is continuing, then, if and at the times when Mortgagee in its sole discretion may so choose:

- (a) Demand, receive and enforce payment of any and all Rents; or
- (b) Give receipts, releases and satisfactions for any and all Rents; or
- (c) Sue either in the name of Mortgagor or in the name of Mortgagee for any and all Rents.

Mortgagee and Mortgagor agree that the mere recordation of the assignment granted herein entitles Mortgagee upon prior written notice to Mortgagor, immediately to collect and receive rents upon the occurrence of an Event of Default, beyond all applicable cure periods, as defined in Section 6.1, without first taking any acts of enforcement under applicable law, such as, but not limited to, filing foreclosure proceedings, or seeking and/or obtaining the appointment of a receiver. Further, Mortgagee's right to the Rents does not depend on whether or not Mortgagee takes possession of the Property as permitted under Subsection 6.2(t). In Mortgagee's sole discretion, Mortgagee may choose to collect Rents either with or without taking possession of the Property. Mortgagee shall apply all Rents collected by it in the manner provided under Section 6.5. If an Event of Default occurs and is continuing while Mortgagee is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Mortgage, Mortgagee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Mortgage and at law or in equity.

2.4 **Mortgagee Not Responsible.** Under no circumstances shall Mortgagee have any duty to produce Rents from the Property. Regardless of whether or not Mortgagee, in person or by agent, takes actual possession of the Premises and Improvements, unless Mortgagee agrees in writing to the contrary, Mortgagee is not and shall not be deemed to be:

- (a) A "mortgagee in possession" for any purpose; or

(b) Responsible for performing any of the obligations of the lessor under any lease; or

(c) Responsible for any waste committed by lessees or any other parties or any dangerous or defective condition of the Property; or

(d) Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it, unless caused by the gross negligence or misconduct of the Mortgagee.

2.5 Leasing. Upon the reasonable request of Mortgagee, Mortgagor shall comply with and observe Mortgagor's obligations as landlord or as tenant, as the case may be, under any Leases of the Property or any part thereof, and all future Leases and all amendments or modifications thereto shall be subject to Mortgagee's prior written approval. Unless otherwise directed by Mortgagee, all Leases of the Property made after the date hereof shall specifically provide that such Leases are subordinate to this Mortgage; that (subject to reasonable and customary non-disturbance provisions) the tenant attorns to Mortgagee, such attornment to be effective upon Mortgagee's acquisition of title to the Property; that the tenant agrees to execute such further evidences of attornment as Mortgagee may from time to time request; and that the attornment of the tenant shall not be terminated by foreclosure. Mortgagor shall not, without Mortgagee's written consent which shall not be unreasonably withheld, delayed or conditioned, execute, modify, surrender or terminate, either orally or in writing, any Lease hereafter made of all or any part of the Property, permit an assignment or sublease of such a Lease, or request or consent to the subordination of any Lease of all or any part of the Property to any lien subordinate to this Mortgage, provided that such Leases are on commercially reasonable terms. If Mortgagor becomes aware that any tenant proposes to do, or is doing, any act or thing that may give rise to any right to set-off against rent, Mortgagor shall (a) take such steps as shall be reasonably calculated to prevent the accrual of any right to a set-off against rent, (b) notify Mortgagee thereof and of the amount of said set-offs, and (c) within twenty (20) days after such accrual, reimburse the tenant who shall have acquired such right to set-off or take such other steps as shall effectively discharge such set-off and as shall assure that rents thereafter due shall continue to be payable without set-off or deduction.

3. Grant of Security Interest.

3.1 Security Agreement. The parties intend for this Mortgage to create a lien on the Property, and an absolute assignment of the Rents, all in favor of Mortgagee. The parties acknowledge that some of the Property and some or all of the Rents may be determined under applicable law to be personal property or fixtures. To the extent that any Property or Rents may be or be determined to be personal property, Mortgagor as debtor hereby grants Mortgagee as secured party a security interest in all such Property and Rents, to secure payment and performance of the Secured Obligations. This Mortgage constitutes a security agreement under the New Hampshire Uniform Commercial Code ("UCC") covering all such Property and Rents.

3.2 Financing Statements. Mortgagor hereby authorizes Mortgagee to file one or more financing statements. In addition, Mortgagor shall execute such other documents as Mortgagee may from time to time reasonably require to perfect or continue the perfection of Mortgagee's security interest in any Property or Rents. As provided in Section 5.13 below, Mortgagor shall pay all fees and costs that Mortgagee may incur in filing such documents in public offices and in obtaining such record searches as Mortgagee may reasonably require. In the event that Mortgagor fails to execute any financing statements or other documents for the perfection or continuation of any security interest,

Mortgagor hereby appoints Mortgagee as its true and lawful attorney-in-fact to execute any such documents on its behalf. If any financing statement or other document is filed in the records normally pertaining to personal property, that filing shall never be construed in any way as derogating from or impairing this Mortgage or the rights or obligations of the parties under it.

4. **Fixture Filing.**

This Mortgage constitutes (separate from and in addition to any financing statements with respect to personal Property as filed pursuant to Section 3.2 above) a financing statement filed as a fixture filing under Article 9 of the New Hampshire Uniform Commercial Code, as amended or recodified from time to time, covering any Property which now is or later may become fixtures attached to the Premises or Improvements. For this purpose, the respective addresses of Mortgagor, as debtor, and Mortgagee, as secured party, are as set forth in the preambles of this Mortgage. To the extent that any interest is to be filed in any other State filing agency to perfect Mortgagee's secured rights, Mortgagor authorizes Lender to make said filing.

5. **Rights and Duties of the Parties.**

5.1 **Representations and Warranties.** Mortgagor represents and warrants that:

(a) Mortgagor lawfully holds fee simple title to all of the Premises and Improvements free from all encumbrances, except as noted on Exhibit B (the "Permitted Encumbrances"), and shall and will warrant and defend the Premises to Mortgagee against the claims and demands of all persons for so long as the Secured Obligations are outstanding and unpaid;

(b) Mortgagor has good title to all Property;

(c) Mortgagor has the full and unlimited power, right and authority to encumber the Property and assign the Rents;

(d) This Mortgage creates a first priority mortgage interest and lien on the Property;

(e) The Property includes all property and rights which may be reasonably necessary or desirable to promote the present use and enjoyment of the Premises and Improvements; and

(f) Mortgagor's place of business, or its chief executive office if it has more than one place of business, is located at the address set forth at the beginning of this Mortgage.

5.2 **Taxes and Assessments.** Mortgagor shall pay or cause the tenant to pay all real estate taxes and assessments and charges of every kind upon the Premises before the same become delinquent, provided, however, that Mortgagor shall have the right to pay such tax under protest or to otherwise contest any such tax or assessment, but only if (a) such contest has the effect of preventing the collection of such taxes so contested and also of preventing the sale or forfeiture of the Property or any part thereof or any interest therein, (b) Mortgagor has notified Mortgagee of Mortgagor's intent to contest such taxes, and (c) Mortgagor has deposited security in form and amount satisfactory to Mortgagee, in its sole discretion, and has increased the amount of such security so deposited promptly after Mortgagee's request therefor. If Mortgagor fails to commence such contest or, having commenced

to contest the same, and having deposited such security required by Mortgagee for its full amount, shall thereafter fail to prosecute such contest in good faith or with due diligence, or, upon adverse conclusion of any such contest, shall fail to pay such tax, assessment or charge, Mortgagee may, at its election (but shall not be required to), pay and discharge any such tax, assessment or charge, and any interest or penalty thereon, and any amounts so expended by Mortgagee shall be deemed to constitute disbursements of the Bond Loan proceeds hereunder (even if the total amount of disbursements would exceed the face amount of the Bond Note). Mortgagor shall furnish to Mortgagee evidence that taxes are paid before imposition of any penalty or accrual of interest.

5.3 Performance of Secured Obligations. Mortgagor shall promptly pay and perform each Secured Obligation in accordance with its terms.

5.4 Funds for Taxes, Insurance and Other Charges. [Reserved]

5.5 Use of Property. Unless required by applicable law or unless Mortgagee has otherwise agreed in writing, Mortgagor shall not allow changes in the use for which all or any part of the Property was intended at the time this Mortgage was executed. Mortgagor shall not initiate or acquiesce in a change in the zoning classification of the Property without Mortgagee's prior written consent.

5.6 Liens, Charges and Encumbrances.

(a) Mortgagor shall pay or shall cause the tenant to pay all water and sewer rates, rents, taxes, assessments premiums, charges and impositions, attributable to the Property. Subject to Mortgagor's right to contest set forth in Section 5.6(b) below, Mortgagor shall promptly discharge any lien that has, or may have, priority over or equality with, the lien of this Mortgage, other than Permitted Encumbrances.

(b) If a mechanic's lien is filed against the Property and remains undischarged for a period of thirty (30) days, Mortgagor shall promptly notify Mortgagee and, at Mortgagee's request, shall, at Mortgagor's option, either (i) escrow with Mortgagee or, with the consent of Mortgagee, deposit in a court of competent jurisdiction a sum of money equal to the amount of the lien, or (ii) provide a bond against the lien in such amount and in such manner as to discharge the lien as an encumbrance against the Property. Without Mortgagee's prior written consent, Mortgagor shall not allow any lien, encumbrance, or other interest in the Property to be perfected against the Property, other than Permitted Encumbrances, unless Mortgagor is then diligently contesting same and has, as to the lien, encumbrance or interest being contested, complied with (i) or (ii) of the preceding sentence, and with all provisions of the Bond Loan Documents with respect thereto, with any conflict between the rights of Mortgagor under this Mortgage, and the Bond Loan Documents to be determined by Mortgagee, within its discretion.

5.7 Insurance. Mortgagor shall or shall cause any tenant under the Sig Sauer Lease, or any other tenant under the Leases, to keep all Improvements now existing or hereafter erected on the Property insured against loss by fire and such other hazards, casualties, and contingencies and in such amounts as Mortgagee may require from time to time with financially sound and reputable insurers, and Mortgagor will pay promptly when due any premiums on such insurance. All policies of insurance (or copies thereof if the originals are held by Service Federal Credit Union, its successors and assigns [the First Mortgagee]) shall be delivered to and held by Mortgagee and have loss-payable clauses in favor of and in form acceptable to the First Mortgagee and the Mortgagee. Not

less than fifteen (15) days before the expiration of any such policies, Mortgagor will deliver to Mortgagee new or renewal policies in like amounts covering the same risks. The policies shall provide that no cancellation shall occur without thirty (30) days prior written notice to Mortgagee. Should any loss occur to the insured property, Mortgagor will give immediate written notice to Mortgagee and will not adjust nor settle such loss without the written consent of Mortgagee, which may make proof of loss if not made promptly by Mortgagor. The insurance proceeds or any part thereof shall be applied in accordance with the terms of the Sig Sauer Lease. Subject to the terms of the Sig Sauer Lease, in the event of foreclosure of this Mortgage, all right, title, and interest of Mortgagor in and to any insurance policies then in force shall pass to the purchaser at foreclosure sale, and Mortgagee is hereby appointed attorney in fact for Mortgagor for the purpose of assigning and transferring such policies and receiving all or any part of the proceeds therefrom.

5.8 Condemnation.

(a) Mortgagor shall promptly notify Mortgagee of any action or proceeding relating to any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, and Mortgagor shall appear in and prosecute any such action or proceeding unless otherwise directed by Mortgagee in writing. Mortgagor authorizes Mortgagee, at Mortgagee's option, as attorney-in-fact for Mortgagor, to commence, appear in and prosecute, in Mortgagee's or Mortgagor's name, any action or proceeding relating to any condemnation or other taking of the Property, whether direct or indirect, and to settle or compromise any claim in connection with such condemnation or other taking. The proceeds of any award, payment or claim for damages, direct or consequential, in connection with any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, or for conveyances in lieu of condemnation, shall be paid or disbursed pursuant to the Sig Sauer Lease.

(b) Subject to the terms of the Sig Sauer Lease, with the consent of Mortgagee, which consent may be withheld in Mortgagee's reasonable discretion, Mortgagor may apply such awards, payments, proceeds or damages, after the deduction of Mortgagee's expenses incurred in the collection of such amounts, to restoration or repair of the Property. Otherwise, such sums so received shall be applied to payment of the Secured Obligations. Mortgagor agrees to execute such further evidence of assignment of any awards, proceeds, damages or claims arising in connection with such condemnation or taking as Mortgagee may reasonably require.

5.9 Preservation and Maintenance of Property. Mortgagor (a) shall not commit waste or permit impairment or deterioration of the Property, reasonable wear and tear excluded; (b) shall not abandon the Property; (c) shall, unless Mortgagee withholds insurance proceeds as security for or application to the Secured Obligations, restore or repair promptly and in a good and workmanlike manner all or any part of the Property to the equivalent of its original condition, or such other condition as Mortgagee may approve in writing, in the event of any damage, injury or loss thereto, whether or not insurance proceeds are available to cover in whole or in part the costs of such restoration or repair unless the improvements constituting the Property are (i) totally destroyed, (ii) insurance has been maintained thereon as required by this Mortgage, and (iii) Mortgagee applies the proceeds of such insurance to payment of the Secured Obligations; (d) shall keep the Property, including improvements, fixtures, equipment, machinery and appliances, in good repair and shall replace improvements, fixtures, equipment, machinery and appliances on the Property owned by Mortgagor when necessary to keep such items in good repair; (e) shall comply in all material respects with all

laws, ordinances, regulations and requirements of any governmental body applicable to the Property, including, without limitation, the Americans with Disabilities Act, as it may be amended from time to time; and (f) shall give notice in writing to Mortgagee, appear in and defend any action or proceeding purporting to affect the Property, the security of this Mortgage or the rights or powers of Mortgagee, except for any such action or proceeding caused by the gross negligence or intentional misconduct of Mortgagee. Unless required by applicable law or unless Mortgagee has otherwise consented in writing, neither Mortgagor nor any tenant or other Person shall remove, demolish or alter any improvement erected on the Property or any fixture (other than trade fixtures and alterations for tenant improvements and in the ordinary course), equipment, machinery or appliance in or on the Property owned by Mortgagor and used or intended to be used in connection with the Property.

5.10 Releases, Extensions, Modifications and Additional Security. From time to time, Mortgagee may perform any of the following acts without incurring any liability or giving notice to any person:

- (a) Release any person liable for payment of any Secured Obligation;
- (b) Extend the time for payment, or otherwise agree with Mortgagor to alter the terms of payment, of any Secured Obligation;
- (c) Accept additional real or personal property of any kind as security for any Secured Obligation, whether evidenced by deeds of trust, mortgages, security agreements or any other instruments of security;
- (d) Release any property securing the Secured Obligations;
- (e) Consent to the making of any plat or map of the Property or any part of it;
- (f) Join in granting any easement or creating any restriction affecting the Property; or
- (g) Join in any subordination or other agreement affecting this Mortgage or the lien of it; or
- (h) Release the Property or any part of it.

5.11 Protection of Mortgagee's Security.

(a) If Mortgagor fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced that affects the Property or title thereto or the interest of Mortgagee therein, including, but not limited to, eminent domain, insolvency, enforcement of local laws, or arrangements or proceedings involving a bankrupt or decedent, then Mortgagee, at Mortgagee's option, may make such appearances, disburse such sums and take such action as Mortgagee deems necessary, in its reasonable discretion, to protect Mortgagee's interests, including, but not limited to, (a) disbursement of reasonable attorneys' fees; (b) entry upon the Property to remedy any failure of Mortgagor to perform hereunder; and (c) procurement of satisfactory insurance.

(b) Any amounts disbursed by Mortgagee pursuant to this Section 5.11, with interest thereon, shall become part of the Secured Obligations and shall be secured by this Mortgage. Unless Mortgagor and Mortgagee agree in writing to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the Default Rate as defined in the Note. Mortgagor hereby covenants and agrees that Mortgagee shall be subrogated to the lien of any mortgage or other lien discharged, in whole or in part, by the Secured Obligations. Nothing contained in this Section 5.11 shall require Mortgagee to incur any expense or take any action hereunder.

(c) The procurement of insurance or the payment of taxes or other liens or charges by Mortgagee shall not be a waiver of the right of Mortgagee to accelerate the maturity of any of the Secured Obligations secured by this Mortgage. Mortgagee's receipt of any awards, proceeds or damages under the insurance or condemnation provisions of this Mortgage shall not operate to cure or waive any default in payment of sums secured by this Mortgage.

5.12 Release. When all of the Secured Obligations have been paid in full and all fees and other sums owed by Mortgagor under this Mortgage and the other Bond Loan Documents have been received, Mortgagee shall release this Mortgage, the mortgage interest and lien created thereby, and all notes and instruments evidencing the Secured Obligations. Mortgagor shall pay any reasonable and customary costs of preparation and recordation of such release.

5.13 Compensation, Exculpation and Indemnification.

(a) Mortgagor agrees to pay reasonable and customary fees as may be charged by Mortgagee, for any services that Mortgagee may render in connection with this Mortgage, including Mortgagee's providing a statement of the Secured Obligations or providing the release pursuant to Section 5.12 above. Mortgagor shall also pay or reimburse all of Mortgagee's reasonable costs and expenses which may be incurred in rendering any such services. Mortgagor further agrees to pay or reimburse Mortgagee for all reasonable, out-of-pocket costs, expenses and other advances which may be incurred or made by Mortgagee in any efforts to enforce any terms of this Mortgage, including any rights or remedies afforded to Mortgagee under Section 6.2, whether any lawsuit is filed or not, or in defending any action or proceeding arising under or relating to this Mortgage, including reasonable attorneys' fees and other legal costs, costs of any Foreclosure Sale (as defined in Subsection 6.2(k) below) and any cost of evidence of title. If Mortgagee chooses to dispose of Property through more than one Foreclosure Sale, Mortgagor shall pay all reasonable costs, expenses or other advances that may be incurred or made by Mortgagee in each of such Foreclosure Sales. In any foreclosure of the lien hereof or enforcement of any other remedy of Mortgagee under this Mortgage, mortgage interest or lien, or the Bond Note, there shall be allowed and included as additional indebtedness all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys' costs and fees (including the costs and fees of paralegals), survey charges, appraiser's fees, inspecting engineer's and/or architect's fees, fees for environmental studies and assessments and all additional expenses incurred by Mortgagee with respect to environmental matters, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies, and similar data and assurances with respect to title as reasonably necessary at any sale which may be had. All expenditures and expenses of the nature herein mentioned, and such expenses and fees as may be incurred in the protection of the Property and maintenance of the mortgage interest and lien

of this Mortgage, including the reasonable fees of any attorney (including the costs and fees of paralegals) employed by Mortgagee in any litigation or proceeding affecting this Mortgage, the Bond Note or the Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Mortgagor, with interest thereon at the Default Rate and shall be secured by this Mortgage.

(b) Mortgagee shall not be directly or indirectly liable to Mortgagor or any other person as a consequence of any of the following:

(i) Mortgagee's reasonable exercise of or failure to exercise any rights, remedies or powers granted to Mortgagee in this Mortgage;

(ii) Mortgagee's failure or refusal to perform or discharge any obligation or liability of Mortgagor under any agreement related to the Property or under this Mortgage;
or

(iii) Any loss sustained by Mortgagor or any third party resulting from Mortgagee's failure to lease the Property, or from any other act or omission of Mortgagee in managing the Property, after an Event of Default, unless the loss is caused by the gross negligence or willful misconduct and bad faith of Mortgagee.

Mortgagor hereby expressly waives and releases all liability of the types described above and agrees that no such liability shall be asserted against or imposed upon Mortgagee.

(c) Mortgagor agrees to indemnify Mortgagee against and hold it harmless from all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees and other legal expenses, cost of evidence of title, cost of evidence of value, and other costs and expenses which it may suffer or incur:

(i) In performing any act required or permitted by this Mortgage or any of the other Bond Loan Documents or by law, except in cases involving the gross negligence or willful misconduct of Mortgagee;

(ii) Because of any failure of Mortgagor to perform any of its obligations except in cases involving the gross negligence or willful misconduct of Mortgagee;
or

(iii) Because of any alleged obligation of or undertaking by Mortgagee to perform or discharge any of the representations, warranties, conditions, covenants or other obligations in any document relating to the Property other than the Bond Loan Documents.

This agreement by Mortgagor to indemnify Mortgagee shall survive the release and cancellation of any or all of the Secured Obligations and the full or partial release of this Mortgage.

(d) Mortgagor shall pay all obligations to pay money arising under this Section 5.13 within thirty (30) days of written demand by Mortgagee. Each such obligation shall be an additional Secured Obligation under this Mortgage.

5.14 Hazardous Waste Covenants and Indemnification.

(a) Mortgagor covenants and warrants that Mortgagor's use of the Property shall at all times comply with and conform in all material respects to all laws, statutes, ordinances, rules and regulations of any governmental, quasi-governmental or regulatory authority now or hereafter in effect ("**Laws**") which relate to the transportation, storage, placement, handling, treatment, discharge, release, generation, production or disposal (collectively "**Treatment**") of any waste, waste products, petroleum or petroleum based products, radioactive materials, polychlorinated biphenyls, asbestos, hazardous materials or substances of any kind, pollutants, contaminants and any substance which is regulated by any law, statute, ordinance, rule or regulation (collectively "**Waste**"). Mortgagor further covenants that it shall not engage in or permit any Person to engage in any Treatment of any Waste on or that affects the Property except for activities which comply with all Laws in all material respects. "Person" means any individual, sole proprietorship, partnership, joint venture, unincorporated organization, corporation, limited liability company, institution, trust, estate, government or other agency or political subdivision thereof or any other entity.

(b) Except as specifically disclosed to Mortgagee in writing, including those reports and submissions by and from GZA GeoEnvironmental, Inc., Mortgagor has no actual knowledge that the Property is the subject of any Notice, as hereinafter defined, from any governmental authority or Person.

(c) Promptly upon receipt of any Notice from any Person, Mortgagor shall deliver to Mortgagee a true, correct and complete copy of any written Notice or a true, correct and complete report of any non-written Notice. Additionally, Mortgagor shall notify Mortgagee immediately after having knowledge or receiving Notice of any Waste upon or affecting the Property. "**Notice**" shall mean any note, oral or written notice, information, knowledge, or report of any of the following:

(i) any suit, proceeding, investigation, order, consent order, injunction, writ, award or action related to or affecting or indicating the Treatment of any Waste in or affecting the Property;

(ii) any spill, contamination, discharge, leakage, release, threatened release, or escape of any Waste in or affecting the Property, whether sudden or gradual, accidental or anticipated, or of any other nature, in violation of applicable Law ("**Spill**");

(iii) any dispute relating to Mortgagor's or any other Person's Treatment of any Waste or any Spill in or affecting the Property;

(iv) any claims by or against any insurer related to or arising out of any Waste or Spill in or affecting the Property;

(v) any recommendations or requirements of any governmental or regulatory authority, insurer or board of underwriters relating to any Treatment of Waste or a Spill in or affecting the Property;

(vi) violation any legal requirement or deficiency related to the Treatment of Waste or any Spill in or affecting the Property; or

(vii) any tenant, licensee, concessionaire, manager, or other Person occupying or using the Property or any part thereof which has engaged in or engages in the Treatment of any Waste in or affecting the Property in violation of applicable Laws.

(d) In the event that (i) Mortgagor has caused, suffered or permitted, directly or indirectly, any Spill in or affecting the Property during the term of this Mortgage, or (ii) any Spill of any Waste has occurred on the Property during the term of this Mortgage, then Mortgagor shall immediately take or cause Sig Sauer to so act in tandem, or in addition, the following actions:

(A) notify Mortgagee, as provided herein;

(B) take all steps necessary or appropriate to clean up such Spill and any contamination related to the Spill, all in accordance with Laws; provided that Mortgagor may cause Sig Sauer to contest any such requirement, rule or regulation by appropriate proceedings diligently and in good faith, so long as (1) Mortgagor provide or causes Sig Sauer to provide Mortgagee, at Sig Sauer's cost, such sureties, performance bonds and other assurances as Mortgagee may from time to time request in respect of such Spill and contamination and the cleanup thereof, (2) any governmental or other action against Mortgagor and the Property is effectively stayed during Mortgagor's efforts so to contest, and (3) in Mortgagee's determination, a delay in such clean-up will not result in or increase any loss or liability to Mortgagee;

(C) subject to Section (B) above, restore the Property, provided that such restoration shall be no less than, but need not be more than, what is otherwise required by Law;

(D) allow any local, state or federal governmental or regulatory authority or agency having jurisdiction thereof to monitor and inspect all cleanup and restoration related to such Spill; and

(E) at the written request of Mortgagee, post a bond or obtain a letter of credit for the benefit of Mortgagee by itself or by Sig Sauer, (drawn upon a company or bank satisfactory to Mortgagee) or deposit an amount of money in an escrow account under Mortgagee's name upon which bond, letter of credit or escrow Mortgagor may draw, and which bond, letter of credit or escrow shall be in an amount sufficient to meet all of Mortgagor's obligations under this Section 5.14; and Mortgagee shall have the unfettered right to draw against the bond, letter of credit or escrow in its discretion in the event that either Mortgagor or Sig Sauer is unable or unwilling to meet its obligation under this Section 5.14 or, if Mortgagor fails to cause Sig Sauer to post a bond or obtain a letter of credit or deposit such cash as is required herein, then Mortgagee, at Mortgagor's cost and expense, may, but shall have no obligation to do so for the benefit of Mortgagor and do those things that Mortgagor is required to do under clauses (B), (C) and (D) of this subsection (d).

(e) Mortgagor hereby agrees that it shall indemnify, defend, save and hold harmless Mortgagee and Mortgagee's officers, directors employees, agents, successors, assigns and affiliates (collectively, "**Indemnified Parties**") against and from, and to reimburse the Indemnified Parties with respect to, any and all damages, claims, liabilities, losses, costs and

expenses (including, without limitation, reasonable attorneys', engineers' and consultants' fees and expenses, court costs, administrative costs, costs of appeals and all clean up, administrative, fines, penalties and enforcement costs of applicable governmental agencies) that are incurred by or asserted against the Indemnified Parties by reason or arising out of: (i) the breach of any representation, warranty or undertaking of Mortgagor under this Section 5.14, or (ii) the Treatment of any Waste by Mortgagor or any tenant, licensee, concessionaire, manager, or other Person occupying or using the Property, upon or affecting the Property, or (iii) any Spill governed by the terms of this Section 5.14; except to the extent the events described in subsections (i), (ii) or (iii) are caused by the gross negligence or willful misconduct of Mortgagee or occur after Mortgagee has taken possession of the Property through foreclosure or a deed in lieu thereof.

5.15 Defense and Notice of Claims and Actions. At Mortgagor's sole expense, Mortgagor shall protect, preserve and defend the Property and title to and right of possession of the Property, and the security of this Mortgage and the rights and powers of Mortgagee created under it, against all adverse claims. Mortgagor shall give Mortgagee prompt notice in writing if any claim is asserted which does or could affect any such matters, or if any action or proceeding is commenced which alleges or relates to any such claim.

5.16 Subrogation. Mortgagee shall be subrogated to the liens of all encumbrances, whether released of record or not, which are discharged in whole or in part by Mortgagee in accordance with this Mortgage or with the proceeds of any bond loan secured by this Mortgage.

5.17 Site Visits, Observation and Testing. Mortgagee and its agents and representatives shall have the right subject to the rights of tenants of the Property, at any reasonable time and upon reasonable advance notice, to enter and visit the Property for the purpose of performing appraisals, observing the Property, taking and removing soil or groundwater samples, and conducting tests on any part of the Property. Mortgagee has no duty, however, to visit or observe the Property or to conduct tests, and no site visit, observation or testing by Mortgagee, its agents or representatives shall impose any liability on any of Mortgagee, its agents or representatives unless such liability arises out of the gross negligence or willful misconduct of Mortgagee or its agents or representatives. In no event shall any site visit, observation or testing by Mortgagee, its agents or representatives be a representation that Waste are or are not present in, on or under the Property, or that there has been or shall be compliance with any Law, regulation or ordinance pertaining to Waste or any other applicable governmental law. Neither Mortgagor nor any other party is entitled to rely on any site visit, observation or testing by any of Mortgagee, its agents or representatives. Neither Mortgagee, its agents or representatives owe any duty of care to protect Mortgagor or any other party against, or to inform Mortgagor or any other party of, any Waste or any other adverse condition affecting the Property. Mortgagee shall give Mortgagor reasonable notice before entering the Property. Mortgagee shall make reasonable efforts to avoid interfering with Mortgagor's (and Mortgagor's tenants') use of the Property in exercising any rights provided in this Section 5.17.

5.18 Notice of Change. Mortgagor shall give Mortgagee prior written notice of any change in: (a) the location of its place of business or its chief executive office if it has more than one place of business; (b) the location of any of the Property, including the Books and Records; and (c) Mortgagor's name, business structure and/or state of organization. Unless otherwise approved by Mortgagee in writing, all Property that consists of personal property (other than the Books and Records) will be located on the Premises and all Books and Records will be located at Mortgagor's place of business or chief executive office if Mortgagor has more than one place of business.

5.19 Transfers. Except as expressly permitted hereunder or under any of the other Bond Loan Documents, it is an additional condition of this Mortgage, for breach of which the Secured Obligations shall become immediately due and payable and foreclosure may be commenced, that Mortgagor shall not (a) voluntarily or involuntarily sell, exchange, assign, convey, transfer or otherwise dispose of all or any portion of the Property (or any interest therein, legal or equitable), or all or any of the ownership interest in Mortgagor, or (b) convey to any Person, other than Mortgagee, a security interest in the Property or any part thereof or voluntarily or involuntarily permit or suffer the Property to be further encumbered, without the consent in writing of the Mortgagee, within its absolute discretion.

6. Default and Remedies.

6.1 Events of Default. Mortgagor will be in default under this Mortgage upon the occurrence of an Event of Default as defined in the Bond Loan Agreement, including, but not limited to the following events of default (some or all collectively, "Events of Default," any one singly, an "Event of Default").

(a) If any payment on the Bond Note shall not be paid in full within fifteen (15) days of the date when due and payable.

(b) If Mortgagor fails to perform or observe any covenant or agreement contained in this Mortgage or in any other of the Bond Loan Documents, and such failure remains unremedied in accordance with the cure provisions of the Bond Loan Agreement, as may apply, if at all.

(c) If any material representation or warranty made in or pursuant to this Mortgage or any Bond Loan Document shall be false when made.

(d) If any Event of Default shall occur under any other Loan Document, or if under any Bond Loan Document in which payment is required to be made by Mortgagor or any Guarantor on demand of Mortgagee, such demand for payment is not satisfied, after any applicable cure period has elapsed.

(e) If Mortgagor shall abandon any of the Property or shall sell, lease, convey or transfer (or contract to sell, lease, convey or transfer) all or any part of the Property without first obtaining Mortgagee's written consent.

(f) If Mortgagor shall assign any part of the rents or profits of the Property other than to Mortgagee without first obtaining Mortgagee's written consent.

6.2 Remedies. At any time after an Event of Default has occurred and is continuing for a period of 120 days thereafter, and subject to the terms of the Sig Sauer Lease, Mortgagee shall be entitled to invoke any and all of the rights and remedies described below, in addition to all other rights and remedies available to Mortgagee at law or in equity. All of such rights and remedies shall be cumulative, and the exercise of any one or more of them shall not constitute an election of remedies.

(a) Declare all of the Secured Obligations to be immediately due and payable, whereupon all unpaid principal, interest and fees in respect of such Secured Obligations, together with all of Mortgagee's costs, expenses and attorneys' fees related

thereto, under the terms of the Bond Loan Documents or otherwise, shall be immediately due and payable;

(b) Terminate any commitment to make any additional advances under the Bond Loan;

(c) Exercise any and all rights and remedies available to Mortgagee under any applicable Law;

(d) Exercise any and all rights and remedies granted to Mortgagee under the terms of this Mortgage and any of the other Bond Loan Documents;

(e) Mortgagee shall, as a matter of right, without notice and without giving bond to Mortgagor or anyone claiming by, under or through Mortgagor, and without regard for the solvency or insolvency of Mortgagor or the then value of the Property, to the extent permitted by applicable law, be entitled to have a receiver appointed for all or any part of the Property and the Rents, and the proceeds, issues and profits thereof, with the rights and powers referenced below and such other rights and powers as the court making such appointment shall confer, and Mortgagor hereby consents to the appointment of such receiver and shall not oppose any such appointment. Such receiver shall have all powers and duties prescribed by applicable law, all other powers which are necessary or usual in such cases for the protection, possession, control, management and operation of the Property, and such rights and powers as Mortgagee would have, upon entering and taking possession of the Property under subsection (g) below.

(f) Mortgagee, in person, by agent or by court-appointed receiver, may enter, take possession of, manage and operate all or any part of the Property, and may also do any and all other things in connection with those actions that Mortgagee may reasonably consider necessary and appropriate to protect the security of this Mortgage. Such other things may include: taking and possessing all of Mortgagor's or the then owner's Books and Records; entering into, enforcing, modifying or canceling leases on such terms and conditions as Mortgagee may consider proper; obtaining and evicting tenants; fixing or modifying Rents; collecting and receiving any payment of money owing to Mortgagee; completing any unfinished construction; and/or contracting for and making repairs and alterations. If Mortgagee so requests, Mortgagor shall assemble all of the Property that has been removed from the Premises and make all of it available to Mortgagee at the site of the Premises. Mortgagor hereby irrevocably constitutes and appoints Mortgagee as Mortgagor's attorney-in-fact to perform such acts and execute such documents as Mortgagee in its sole discretion may consider to be appropriate in connection with taking these measures, including endorsement of Mortgagor's name on any instruments.

(g) Mortgagee may cure any breach or default of Mortgagor, and if it chooses to do so in connection with any such cure, Mortgagee may also enter the Property and/or do any and all other things which it may in its sole discretion consider necessary and appropriate to protect the security of this Mortgage. Such other things may include: appearing in and/or defending any action or proceeding which purports to affect the security of, or the rights or powers of Mortgagee under, this Mortgage in the event that Mortgagor fails to do so; paying, purchasing, contesting or compromising any encumbrance, charge, lien or claim of lien which in Mortgagee's reasonable judgment is or may be senior in priority to this Mortgage, such judgment of

Mortgagee or to be conclusive as among the parties to this Mortgage; obtaining insurance and/or paying any premiums or charges for insurance required to be carried hereunder; otherwise caring for and protecting any and all of the Property; and/or employing counsel, accountants, contractors and other appropriate persons to assist Mortgagee. Any amounts expended by Mortgagee under this Subsection 6.2(g) shall be secured by this Mortgage.

(h) Mortgagee shall have the right, in one or several concurrent or consecutive proceedings, to foreclose the mortgage interest and/or lien hereof upon the Property or any part thereof, for the Secured Obligations, or any part thereof, by any proceedings appropriate under applicable law. Mortgagee or its nominee may bid and enter successive bids, and become the purchaser of all or any part of the Property at any foreclosure or other sale hereunder, and the amount of Mortgagee's successful bid shall be credited on the Secured Obligations. Without limiting the foregoing, Mortgagee may proceed by a suit or suits in law or equity, whether for specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, or for any foreclosure under the judgment or decree of any court of competent jurisdiction. In addition to the right provided in Subsection 6.2(a), upon, or at any time after the commencement of foreclosure of this Mortgage, Mortgagee shall be entitled to the appointment of a receiver of the property by the Superior Court for the county in which the property is located, and Mortgagor hereby consents to such appointment.

(i) Mortgagee may exercise all rights and remedies contained in any other instrument, document, agreement or other writing heretofore, concurrently or in the future executed by Mortgagor or any other person or entity in favor of Mortgagee in connection with the Secured Obligations or any part thereof, without prejudice to the right of Mortgagee thereafter to enforce any appropriate remedy against Mortgagor. Mortgagee shall have the right to pursue all remedies afforded to a mortgagee under applicable law and shall have the benefit of all of the provisions of such applicable law, including all amendments thereto which may become effective from time to time after the date hereof.

(j) If the Property consists of more than one unit, lot, parcel or item of property, Mortgagee may:

(i) Designate the order in which the units, lots, parcels and/or items shall be sold or disposed of or offered for sale or disposition; and

(ii) Elect to dispose of the units, lots, parcels and/or items through a single consolidated sale or disposition to be held or made under or in connection with the foreclosure thereof and sale; or through two or more such sales or dispositions; or in any other manner Mortgagee may deem to be in its best interests (any such sale or disposition, a "Foreclosure Sale;" and any two or more, "Foreclosure Sales").

(iii) If Mortgagee chooses to have more than one Foreclosure Sale, Mortgagee at its option may cause the Foreclosure Sales to be held simultaneously or successively, on the same day, or on such different days and at such different times and in such order as Mortgagee may deem to be in its best interests. No Foreclosure Sale shall terminate or affect the mortgage interest and/or liens of this Mortgage on any part of the Property which has not been sold, until all of the Secured Obligations have been paid in full.

6.3 Credit Bids. At any Foreclosure Sale, any person, including Mortgagee (but not Mortgagor) may bid for, enter successive bids on, and acquire the Property or any part of it to the extent permitted by then applicable law. Instead of paying cash for such property, Mortgagee may settle for the purchase price by crediting the sales price of the property against the following obligations:

(a) First, the portion of the Secured Obligations attributable to the expenses of sale, costs of any action and any other sums for which Mortgagor is obligated to pay or reimburse Mortgagee under Section 5.13 of this Mortgage; and

(b) Second, all other Secured Obligations in any order and proportions as Mortgagee in its sole discretion may choose.

6.4 Application of Foreclosure Sale Proceeds. Mortgagee shall apply the proceeds of any Foreclosure Sale in the following manner:

(a) First, to pay the portion of the Secured Obligations attributable to the expenses of sale, costs of any action and any other sums for which Mortgagor is obligated to reimburse Mortgagee under Section 5.13 of this Mortgage;

(b) Second, to pay the portion of the Secured Obligations attributable to any sums expended or advanced by Mortgagee under the terms of this Mortgage which then remain unpaid;

(c) Third, to pay all other Secured Obligations in any order and proportions as Mortgagee in its sole discretion may choose; and

(d) Fourth, to remit the remainder, if any, to the person or persons entitled to it, or if Lender so determines, paying into a court of competent jurisdiction on an interpleader action, naming parties with an interest therein, and retaining costs and attorney's fees for bringing and filing and maintaining said action.

6.5 Application of Rents and Other Sums. Mortgagee shall apply any and all Rents collected by it, and any and all sums other than proceeds of a Foreclosure Sale which Mortgagee may receive or collect under Section 6.2 above, in the following manner:

(a) First, to pay the portion of the Secured Obligations attributable to the costs and expenses of operation and collection that may be incurred by Mortgagee or any receiver;

(b) Second, to pay all other Secured Obligations in any order and proportions as Mortgagee in its sole discretion may choose; and

(c) Third, to remit the remainder, if any, to the person or persons entitled to it.

Mortgagee shall have no liability for any funds which it does not actually receive.

7. Miscellaneous Provisions.

7.1 Additional Provisions. The Bond Loan Documents fully state all of the terms and conditions of the parties' agreement regarding the matters mentioned in or incidental to this

Mortgage. The Bond Loan Documents also grant further rights to Mortgagee and contain further agreements and affirmative and negative covenants by Mortgagor which apply to this Mortgage and to the Property.

7.2 No Waiver or Cure.

(a) Each waiver by Mortgagee must be in writing, and no waiver shall be construed as a continuing waiver. No waiver shall be implied from any delay or failure by Mortgagee to take action on account of any default of Mortgagor. Consent by Mortgagee to any act or omission by Mortgagor shall not be construed as a consent to any other or subsequent act or omission or to waive the requirement for Mortgagee's consent to be obtained in any future or other instance.

(b) If any of the events described below occurs, that event alone shall not: cure or waive any breach, Event of Default or notice of default under this Mortgage or invalidate any act performed pursuant to any such default or notice; or nullify the effect of any notice of default or sale (unless all Secured Obligations then due have been paid and performed and all other defaults under the Bond Loan Documents have been cured); or impair the security of this Mortgage; or prejudice Mortgagee or any receiver in the exercise of any right or remedy afforded any of them under this Mortgage; or be construed as an affirmation by Mortgagee of any tenancy, lease or option, or a subordination of the lien of this Mortgage. None of the below provisions shall be deemed to remove any right to cure, if such exists as to such, within the Bond Loan Documents or this Mortgage.

(i) Mortgagee, its agent or a receiver takes possession of all or any part of the Property in the manner provided in Subsection 6.2 (f).

(ii) Mortgagee collects and applies Rents as permitted under Sections 2.3 and 6.5 above, either with or without taking possession of all or any part of the Property.

(iii) Mortgagee receives and applies to any Secured Obligation any proceeds of any Property, including any proceeds of insurance policies, condemnation awards, or other claims, property or rights assigned to Mortgagee hereunder.

(iv) Mortgagee makes a site visit, observes the Property and/or conducts tests as permitted under Section 5.17 above.

(v) Mortgagee receives any sums under this Mortgage, or any proceeds of any collateral held for any of the Secured Obligations, and applies them to one or more Secured Obligations.

(vi) Mortgagee or any receiver invokes any right or remedy provided under this Mortgage.

7.3 Powers of Mortgagee.

(a) If Mortgagee performs any act which it is empowered or authorized to perform under this Mortgage, including any act permitted by Section 5.10 or

Subsection 6.2(d) of this Mortgage, that act alone shall not release or change the liability of Borrower for the payment and performance of the Secured Obligations then outstanding, or the lien of this Mortgage on all or the remainder of the Property for full payment and performance of all outstanding Secured Obligations. The liability of the original Mortgagor shall not be released or changed if Mortgagee grants any successor in interest to Mortgagor any extension of time for payment, or modification of the terms of payment, of any Secured Obligation. Mortgagee shall not be required to comply with any demand by the original Mortgagor that Mortgagee refuse to grant such an extension or modification to, or commence proceedings against, any such successor in interest.

(b) Mortgagee may take any of the actions permitted under Subsections 6.2(e) and/or 6.2(f) regardless of the adequacy of the security for the Secured Obligations, or whether any or all of the Secured Obligations have been declared to be immediately due and payable, or whether notice of default and election to sell has been given under this Mortgage.

(c) From time to time, Mortgagee may apply to any court of competent jurisdiction for aid and direction in executing and enforcing the rights and remedies created under this Mortgage. Mortgagee may from time to time obtain orders or decrees directing, confirming or approving acts in executing and enforcing these rights and remedies.

7.4 Merger. No merger shall occur as a result of Mortgagee's acquiring any other estate in or any other lien on the Property unless Mortgagee consents to a merger in writing.

7.5 Applicable Law. The creation, perfection and enforcement of the mortgage interest and/or lien of this Mortgage shall be governed by the law of the state of New Hampshire.

7.6 Successors in Interest. The terms, covenants and conditions of this Mortgage shall be binding upon and inure to the benefit of the heirs, successors and assigns of the parties. However, this Section 7.6 does not waive the provisions of Section 5.19 above.

7.7 Interpretation.

(a) Whenever the context requires, all words used in the singular will be construed to have been used in the plural, and vice versa, and each gender will include any other gender. The captions of the sections of this Mortgage are for convenience only and do not define or limit any terms or provisions. The word "include(s)" means "include(s), without limitation," and the word "including" means "including, but not limited to."

(b) The word "obligations" is used in its broadest and most comprehensive sense, and includes all primary, secondary, direct, indirect, fixed and contingent obligations. It further includes all principal, interest, prepayment charges, late charges, loan fees and any other fees and charges accruing or assessed at any time, as well as all obligations to perform acts or satisfy conditions.

(c) No listing of specific instances, items or matters in any way limits the scope or generality of any language of this Mortgage. The Exhibits to this Mortgage are hereby incorporated in this Mortgage.

7.8 Waiver of Statutory Rights. Mortgagor for itself and all who may claim through or under it waives any and all right to have the property and estates comprising the Property marshalled upon

any foreclosure of the mortgage interest and/or lien hereof and agrees that any court having jurisdiction to foreclose such mortgage interest and/or lien may order the Property sold as an entirety. Mortgagor hereby waives any and all rights of redemption from sale under any foreclosure of this Mortgage on behalf of Mortgagor and on behalf of each and every person acquiring any interest in or title to the Property of any nature whatsoever, subsequent to the date of this Mortgage. The foregoing waiver of right of redemption is made pursuant to the provisions of applicable law.

7.9 Severability. If any provision of this Mortgage should be held unenforceable or void, that provision shall be deemed severable from the remaining provisions and shall in no way affect the validity of this Mortgage except that if such provision relates to the payment of any monetary sum, then Mortgagee may, at its option, declare all Secured Obligations immediately due and payable.

7.10 Notices. All notices, requests, demands or other communications provided for hereunder shall be in writing and mailed or delivered to any party hereto in accordance with the Bond Loan Agreement.

7.11 Mortgagee's Lien for Service Charge and Expenses. At all times, regardless of whether any Bond Loan proceeds have been disbursed, this Mortgage secures (in addition to any Bond Loan proceeds disbursed from time to time) the payment of any and all loan commissions, service charges, liquidated damages, expenses and advances due to or incurred by Mortgagee.

7.12 WAIVER OF TRIAL BY JURY. MORTGAGOR AND MORTGAGEE EACH WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, BETWEEN MORTGAGEE AND MORTGAGOR ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED BETWEEN THEM IN CONNECTION WITH THIS MORTGAGE OR ANY BOND NOTE OR OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS RELATED THERETO.

7.13 UCC Financing Statements. In addition, Mortgagor agrees to sign any and all other documents that Mortgagee deems necessary in its sole discretion to perfect, protect, and continue Mortgagee's lien and security interest on the Property.

7.14 Condominium Development of Premises. Mortgagor further covenants and agrees that, without the prior written consent of Mortgagee herein, no part of the Premises herein mortgaged shall be declared, or become the subject of, a condominium under the New Hampshire Condominium Act, as it may be amended or supplemented, or become the subject of any covenants or restrictions, or any planned unit development, or any other type of development that would control or restrict the uses to which the Premises may be put or the scheme or arrangement of its development or the design, location or character of its buildings or improvements, or which would impose obligations or assessments of any type upon any owners or tenants of the Premises, or upon any other parties who may use or enjoy the Premises.

7.15 Construction Provisions. A portion of the proceeds of the Bond Loan are for construction improvements to the Property, so that in addition to the provisions of this Mortgage and the Bond Loan Agreement, the provisions of the Construction Loan Agreement ("CLA") and of the applicable Bond Loan Documents, shall also specifically apply, with the CLA incorporated herein by reference.

7.16 Variable Interest Rate. [Not applicable, intentionally deleted.]

7.17 Statutory Power of Sale. This Mortgage is given upon THE STATUTORY CONDITION and with MORTGAGE COVENANTS, as aforesaid, and upon the further condition of full and seasonable compliance by the Mortgagor of all of the preceding terms, conditions, covenants and agreements, for any breach of which: (a) an Event of Default occurs hereunder; (b) Mortgagee shall have the right of foreclosure and any and all other rights and remedies given to a mortgagee and secured party under the law of New Hampshire, this Mortgage and any instrument it secures; and (c) Mortgagee, its successors and assigns, subject to compliance with New Hampshire law, shall have, to the full extent now or hereafter available, "THE STATUTORY POWER OF SALE" pursuant to New Hampshire Revised Statutes Annotated Chapter 479, as said Statutes have been and shall be amended, all of which are expressly incorporated herein by reference. In connection with the foregoing, Mortgagor acknowledges and agrees that this Mortgage is given primarily for a business, commercial or agricultural purpose. Mortgagor hereby represents that the Premises and all other collateral or security granted herein are not used for residential purposes whatsoever, and that the Premises contain no residential units or dwelling facilities. Such Statutory Power of Sale shall be in addition to all rights and remedies set forth herein or available under applicable law. Upon the occurrence of an Event of Default under this Mortgage, Mortgagee, its successors and assigns or its or their agent or attorney, may sell the Premises or such portion thereof as may remain subject to the Mortgage in case of any partial release thereof, either as a whole or in parcels, together with all improvements that may be thereon, by a public sale on or near any part of the Premises then subject to this Mortgage or at Mortgagee's principal place of business or at any other office of Mortgagee or any attorney or agent thereof located in the same county in which any part of the Premises is located, first complying with the terms of this Mortgage and the statutes relating to the foreclosure of mortgage by the exercise of a Power of Sale, and Mortgagee, its successors and assigns, may convey the same by proper deed or deeds to the purchaser or purchasers absolutely and in fee simple; and such sale shall forever bar the Mortgagor and all persons claiming under it from all right and interest in the Premises, whether at law or in equity.

7.18 Qualification.

Under no circumstances shall Mortgagor be obligated directly or indirectly to pay expenses of operation, maintenance and upkeep of the Property except from Bond Loan Proceeds or Lease Payments. Except as expressly permitted pursuant to RSA 162-I:9-b, nothing contained herein shall in any way obligate the State to raise any money by taxation or use other public funds for any purpose in relation to the Property. Except as expressly permitted pursuant to RSA 162-I:9-b, neither the State nor Mortgagor shall pay or promise to pay any debt or meet any financial obligation to any person at any time in relation to the Property except (i) from monies received or to be received under the provisions of the Bond Loan Agreement or derived from the exercise of Mortgagor's rights under the Sig Sauer Lease, other than moneys received for its own purposes, or (ii) as may be required by law other than the provisions of the Act. Nothing contained in this Agreement shall be construed to require Mortgagor to operate the Property itself or to conduct any business enterprise in connection therewith.

2. Priority of Loans, Liens and Encumbrances. The parties agree that, irrespective of: (i) the time, order, manner or method of creation, attachment and/or perfection of the respective security interests and/or liens grantor in favor of the Senior Creditor or Subordinated Creditor by Borrower; (ii) any provision of the applicable Uniform Commercial Code or any other applicable laws or decisions to the contrary; (iii) the provisions of any contract or document in effect between Subordinated Creditor, on the one hand, and Borrower, on the other; (iv) the giving or failing to give notice of the acquisition or expected acquisition of any purchase money or other security interests; and (v) whether Subordinated Creditor or any agent or bailee thereof holds possession of any part or all of the collateral securing the Subordinated Debt, all security interests, liens, rights and interests of Subordinated Creditor in and to the tangible and intangible personal property and business assets of Borrower, whether now existing or hereafter arising and howsoever existing, are and shall at all times be subordinated to any and all security interests, liens, rights and interests of Senior Creditor in and to the tangible and intangible personal property and business assets of Borrower such that Senior Creditor shall have a first priority security interest, lien, right and interest in all assets of Borrower. For purposes of the foregoing, any claim of a right of setoff shall be treated in all respects as a security interest, and no claimed right of setoff shall be asserted to defeat or diminish the rights or priorities provided for herein. Subordinated Creditor agrees to execute or authorize any UCC-3 amendment requested by Senior Creditor to evidence the foregoing priorities.

3. Subordination; Standstill. Subordinated Creditor hereby subordinates the Subordinated Debt to the Senior Debt, and Subordinated Creditor agrees not to demand, accept or receive any payment in respect of the Subordinated Debt, or any collateral, in contravention hereof other than regularly scheduled payments of interest made pursuant to the subordinated Loan Documents made prior to written notice from Senior Creditor of an Event of Default under the Senior Loan Documents. Any holder of the Senior Debt, whether now outstanding or hereafter arising, shall be deemed to have acquired the Senior Debt in reliance upon the provisions contained herein. Furthermore, Subordinated Creditor and Senior Creditor agree that:

(a) In the event of any insolvency or bankruptcy Proceedings, or any receivership, or insolvency liquidation, relative to Borrower or to its properties, or in the event of any Proceeding for voluntary liquidation, dissolution or other winding up of Borrower, whether or not involving insolvency or bankruptcy, then and in such event: (i) all of the Senior Debt shall first be Paid in Full before any payment or distribution of any character, whether in cash, securities, obligations or other property, shall be made in respect of the Subordinated Debt or to Subordinated Creditor; (ii) any payment or distribution of any character, which would otherwise (but for the terms hereof) be payable or deliverable in

respect of the Subordinated Debt (including any payment or distribution of any other indebtedness of Borrower), shall be paid or delivered directly to Senior Creditor, or its representative, until the Senior Debt has been Paid in Full, and Subordinated Creditor irrevocably authorizes, empowers and directs all receivers, custodians, trustees, liquidators, conservators and others having authority in the property and premises of Subordinated Creditor to effect all such payments and deliveries; and (iii) notwithstanding any statute, including, without limitation, the United States Bankruptcy Code (the "**Bankruptcy Code**"), any rule of law or bankruptcy rule or procedure to the contrary, the right of Senior Creditor hereunder to have all of the Senior Debt Paid in Full prior to the payment of any of the Subordinated Debt shall include, without limitation, the right of Senior Creditor to be Paid in Full all interest accruing on the Senior Debt due to it after the filing of any petition by or against Borrower in connection with any bankruptcy or similar Proceeding or any other Proceeding referred to in this paragraph, hereof, prior to the payment of any amounts in respect to the Subordinated Debt, including, without limitation, any interest due to Subordinated Creditor accruing after such date. Subordinated Creditor further covenants and agrees not to take or support any position in any bankruptcy Proceeding that challenges the enforceability of the terms of this Agreement or is in any way adverse to the interests of Senior Creditor hereunder.

(b) Senior Creditor agrees to notify Subordinated Creditor in writing within thirty (30) days of Senior Creditor's knowledge thereof if a default occurs under the Senior Loan Documents. In such event, Borrower shall not make any payment to Subordinated Creditor, Subordinated Creditor shall not accept any payment from Borrower related to the Subordinated Debt (including, without limitation, regularly scheduled payments on the Subordinated Debt), and Subordinated Creditor shall not take any action to enforce its rights and remedies under the Subordinated Loan Documents for a period commencing on the day on which Subordinated Creditor is in receipt of Senior Creditor's payment default notice *until the earliest to occur of* (i) a cure of the payment default, (ii) the waiver in writing by Senior Creditor of such payment default, (iii) Payment in Full of the Senior Debt, (iv) the commencement by Senior Creditor of any Proceeding against Borrower, as applicable, whether to reduce the claims of Senior Creditor to judgment or to enforce the terms of the Senior Loan Documents, or any act by Senior Creditor to obtain possession of or to exercise control over its collateral; or (v) one hundred fifty (150) days ("**Standstill Period**"). If Senior Creditor has not declared the Senior Debt to be immediately due and payable within the Standstill Period, then Subordinated Creditor may thereafter take any action to enforce its rights and remedies under the Subordinated Loan Documents, Borrower may resume making regularly scheduled payments on the Subordinated Debt, and Subordinated Creditor may resume acceptance of regularly scheduled payments on the Subordinated Debt. Notwithstanding the foregoing, Subordinated Creditor shall have the right to file a timely claim in any bankruptcy or insolvency Proceeding.

(c) Subordinated Creditor agrees to notify Senior Creditor in writing within thirty (30) days of Subordinated Creditor's knowledge thereof if there is an event of default under any of the Subordinated Loan Documents. Additionally, Subordinated Creditor agrees to furnish written notice to Senior Creditor of its intent to accelerate the Subordinated Debt ("**Acceleration Notice**"). Within thirty (30) days of receipt of the Acceleration Notice, Senior Creditor, by written notice of its own to Subordinated Creditor ("**Acceleration Postponement Notice**"), may, at its option, postpone such acceleration for a period commencing on the date of such Acceleration Postponement Notice and ending on the earliest to occur of (i) in the absence of any notice from Senior Creditor as described in subsection (b) above, one hundred fifty (150) days, or (ii) the commencement by Senior Creditor of any Proceeding against Borrower, whether to reduce the claims of Senior Creditor to judgment or to enforce the terms of the Senior Loan Documents, or any act by Senior Creditor to obtain possession of, or to exercise control over the collateral, or (iii) any

act by Borrower or any third party described in subsection (a) above (relating to bankruptcy, insolvency and similar Proceedings).

If, prior to the Payment in Full of the Senior Debt and the termination of the obligations of the Senior Creditor pursuant to the terms of the Senior Debt, Subordinated Creditor receives any payment from Borrower with respect to any of the Subordinated Debt (other than regularly scheduled payments of principal and/or interest as permitted hereunder) or any additional security for or on account of the Subordinated Debt without the consent of Senior Creditor, Subordinated Creditor shall forthwith deliver such payment or security to Senior Creditor, in precisely the form received, with Subordinated Creditor's endorsement if requested by Senior Creditor, for application on account of the Senior Debt and until so delivered, such payment or security shall be held in trust by Subordinated Creditor as the property of Senior Creditor.

(d) The [Bond Purchase and Loan Agreement and Bond Note]² evidencing the Subordinated Debt shall each bear a conspicuous legend that it is subject to the terms and conditions of this Agreement, in form and substance reasonably satisfactory to Senior Creditor.

4. Future Loans and Advances by Subordinated Creditor. Until the Senior Debt is Paid in Full, and notwithstanding anything herein to the contrary, Subordinated Creditor agrees not to make any future loans to Borrower secured by the collateral for the Senior Debt, and Borrower agrees not to accept any such loans, without Senior Creditor's prior written consent; provided, however, Subordinated Creditor may make optional protective, contingent or future advances made to protect and/or preserve the Subordinated Creditor's collateral securing the Subordinated Debt.

5. Payment on Subordinated Debt. Except as otherwise set forth herein, Subordinated Creditor may accept scheduled payments on Subordinated Debt as set forth in the Subordinated Loan Documents, including without limitation payments of interest. No prepayments of principal or interest may be received and retained by Subordinated Creditor without the express prior written consent of Senior Creditor.

6. Actions by Senior Creditor; Cross-Collateralization and Cross-Default. No action which Senior Creditor, or Borrower with the consent of Senior Creditor, may take or refrain from taking with respect to the Senior Debt, including a waiver or release thereof, or any agreement or agreements (including guaranties) in connection therewith, shall affect this Agreement or the obligations of Subordinated Creditor hereunder.

7. Right to Deal with Senior Debt. The terms of this Agreement, the subordination effected hereby, and the rights of and obligations of the parties arising hereunder, shall not be affected, modified or impaired in any manner or to any extent by: (a) any amendment, modification or termination of or supplement to the Senior Loan Documents or any other agreement, instrument or document executed or delivered pursuant thereto; (b) the validity or enforceability of any such documents; (c) the release, sale, exchange or surrender, in whole or in part, of any collateral security, now or hereafter existing, for any of the Senior Debt or any other indebtedness, liability or obligation of Borrower to Senior Creditor, now existing or hereafter arising; (d) any exercise or failure to exercise any right, power or remedy under or in respect of the Senior Debt or any of such instruments and documents referred to in clause (a) above or arising at law; or (e) any waiver, consent, release, indulgence, extension, renewal, modifications, delay or other action, inaction or omission in respect of the Senior Debt or any of the agreements instruments or documents executed and delivered in respect of any collateral security for the Senior Debt or any

other indebtedness, liability or obligation of Borrower to Senior Creditor, now existing or hereafter arising. Notwithstanding the foregoing, Senior Creditor agrees that it will not extend the maturity of the Senior Debt or increase the rate of interest on the Senior Debt without the consent of the Subordinated Lender.

8. Participants and Assignees. As used herein, the terms Senior Creditor and Subordinated Creditor shall include their participants, successors and assigns as holders or participants of the Senior Loan Documents or Subordinated Loan Documents, as applicable. Nothing contained in this Agreement or otherwise will in any event be deemed to constitute any holder of Senior Debt the agent of Subordinated Creditor for any purpose nor to create any fiduciary relationship between any such holder of Senior Debt and Subordinated Creditor.

9. Violation. If Subordinated Creditor, contrary to this Agreement, commences or participates in any Proceeding against Borrower, Senior Creditor may intervene and interpose as a defense or dilatory plea the existence of this Agreement. Should Subordinated Creditor in any way attempt to enforce payment of the Subordinated Debt or any part thereof in violation of this Agreement, Senior Creditor may restrain Subordinated Creditor from so doing, it being understood and agreed that (i) Senior Creditor's damages from Subordinated Creditor's actions may at that time be difficult to ascertain and may be irreparable, and (ii) Subordinated Creditor waives any defense that Senior Creditor cannot demonstrate damage and/or can be made whole by the awarding of damages. This provision shall not prohibit Subordinated Creditor from participating in any bankruptcy or insolvency Proceeding.

10. Indemnity. Subordinated Creditor agrees to indemnify and hold Senior Creditor harmless, and to pay upon demand, any costs and expenses (including, without limitation, reasonable attorney's fees and expenses) incurred by Senior Creditor arising from or relating to (i) actions of Subordinated Creditor taken in breach of this Agreement and (ii) the enforcement of this Agreement.

11. Successors and Assigns; Governing Law; Headings; Counterparts. This Agreement shall be binding upon Senior Creditor, Subordinated Creditor, Borrower and their respective legal representatives, successors and assigns. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of New Hampshire. Section headings used in this Agreement are for convenience of reference only and shall not constitute a part of this Agreement for any purpose or affect the construction of this Agreement. This Agreement may be signed in one or more counterparts, including execution by electronic mail or facsimile transmission, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

12. Severability. If any provision of this Agreement or the application thereof to any person or circumstance, for any reason and to any extent, shall be held to be invalid or unenforceable, neither the remainder of this Agreement nor the application of such provision to any other person or circumstance shall be affected thereby, but rather the same shall be enforced to the greatest extent permitted by law. In furtherance and not by way of limitation of the foregoing, it is the intention of Subordinated Creditor that if any provision hereof is capable of two constructions, one of which would render the provision void and the other of which would render the provision valid, then such provision shall be construed in accordance with the construction which renders such provision valid.

13. Notices. Any notice or demand required or provided for in this Agreement shall be in writing and shall be deemed to have been sufficiently given for all purposes when hand-delivered or mailed by certified United States mail, postage prepaid, return receipt requested, to the parties at their respective addresses set forth in the first paragraph of this Agreement, or at such other

address as any of them may from time to time hereafter designate by notice given to the other parties as herein provided.

14. Jurisdiction. The parties hereby consent to the service of process, and to be sued, in the State of New Hampshire and consent to the jurisdiction of the courts of the State of New Hampshire and the United States District Court for the District of New Hampshire, as well as to the jurisdiction of all courts from which an appeal may be taken from such courts, for the purpose of any Proceeding arising out of any of their obligations hereunder or with respect to the transactions contemplated hereby, and expressly waive any and all objections they may have to the venue in any such courts. The parties further agree that a summons and complaint commencing a Proceeding in any of such courts shall be properly served and confer personal jurisdiction if served personally or by certified mail to their respective addresses set forth above or as otherwise provided under the laws of the State of New Hampshire.

15. Consent. Senior Creditor and Subordinated Creditor each hereby consent to Borrower incurring the indebtedness, including without limitation the Senior Debt and the Subordinated Debt, to Borrower entering into the Senior Loan Documents and Subordinated Loan Documents, and paying and performing its respective obligations thereunder, and granting to Senior Creditor and Subordinated Creditor the liens and encumbrances set forth therein, and Borrower will be entitled to rely on the consents, as applicable, granted in this paragraph.

This Guarantee Agreement dated November __, 2023 (this "Agreement") is between the State of New Hampshire (the "State") and the Business Finance Authority of the State of New Hampshire (with its successors, the "Authority"). Pursuant to (i) a Bond Purchase and Loan Agreement dated as of November 15, 2023 (the "Bond Agreement"), between the Authority and Enterprise Bank and Trust Company (with its successors and assigns, the "Bond Purchaser"), the Authority is issuing a bond (the "Guaranteed Bond") in the principal amount of up to Thirty-Three Million One Hundred Thousand Dollars (\$33,100,000.00), which is being purchased by the Bond Purchaser to finance the improvements by the Authority consisting of the renovation of an existing 89,000 square foot building and the construction of a 27,700 square foot extension, including site work and related improvements, located at 7 Amarosa Drive (the "Project"), and certain other site work ancillary to the Project on adjacent land owned by the Lessee, including landscaping, drainage, parking and a reconfigured driveway connecting to a future traffic circle to be located on Milton Road located in Rochester, New Hampshire, to be leased by the Authority to Sig Sauer Real Estate Inc. (including any successors, assigns or affiliates thereof, the "Lessee") pursuant to the Agreement of Lease dated as of March 28, 2023, as amended by the First Amendment to Agreement of Lease dated as of November __, 2023 (together, the "Lease"). Pursuant to the Lease, the Lessee will make payments to the Authority in amounts sufficient to provide funds to pay the principal of and accrued interest thereon, when due, on the Guaranteed Bond. In order to facilitate the sale of the Guaranteed Bond to the Bond Purchaser, the Authority has requested the State to guarantee payment of the principal of and interest on the Guaranteed Bond pursuant to New Hampshire Revised Statutes Annotated ("RSA") 162-I:9-b (the "State Guarantee"). The State is willing to issue the State Guarantee subject to the terms and conditions of this Agreement.

In consideration of the premises and in order to induce the State to issue the State Guarantee, the parties hereto agree as follows:

SECTION 1. ISSUANCE OF STATE GUARANTEE

1.1 Issuance. The State agrees, on the terms and conditions set forth in this Agreement, to issue the State Guarantee at the time of the closing for the issuance and sale of the Guaranteed Bond, which is November [15], 2023 (the "Closing Date").

1.2 Reimbursement; Interest. To the extent permitted by law and subject to Section 1.3 hereof, the Authority hereby agrees to pay to the State on demand, (i) on and after each date on which the State shall make a payment under the State Guarantee, an amount equal to the amount so paid by the State, and (ii) interest on any such amount or any portion thereof remaining unpaid until payment in full, and interest or any other amount that may become payable under this Guarantee Agreement remaining unpaid from the date such amount becomes payable on demand until payment in full, at an interest rate per annum equal to five and seventy-five thousandths percent (5.075%), which is the guaranteed interest rate payable on the Guaranteed Bond.

1.3 Mortgage; Subrogation; Limitation of Obligation. The Guaranteed Bond is secured by a Second Mortgage, Assignment of Leases and Rents, Assignment of Plans and Permits, Security Agreement and Fixture Filing (the "Mortgage") from the Authority to the Bond Purchaser. As provided in the Bond Agreement, at any time after the State makes any payment to the Bond Purchaser under the State Guarantee that have not been reimbursed to the State (the "Guaranty Payments"), the State shall be subrogated to the rights of the Bond Purchaser with respect to such Guaranty Payments. The State recognizes that the Lessee is obligated to make payments to the Authority pursuant to the Lease and that the Authority's obligation to make payments to the State pursuant to this Agreement and to the Bond Purchaser pursuant to the Bond Agreement and the Mortgage is limited to amounts received by the Authority for such purpose pursuant to the Lease.

1.4 Loan Loss Reserve. The Authority shall establish a Loan Loss Reserve with respect to the Guaranteed Bond. The amount of the reserve shall initially be in an amount equal to twenty-five percent (25%) of the outstanding principal amount of the Guaranteed Bond. Changes to the reserve amount may be made consistent with the Authority's Loan Loss Reserve policy, provided that the Authority shall promptly notify the State Treasurer of any reduction in the reserve amount. Notwithstanding any other provision of this Agreement, the Authority shall apply the Loan Loss Reserve, as necessary, to reimburse the State for any unreimbursed Guaranty Payments, upon written request of the State Treasurer.

1.5 Obligations Absolute. Subject to Sections 1.2, 1.3 and 1.4, the obligations of the Authority under this Agreement shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including without limitation the following:

(i) any lack of validity or enforceability of the State Guarantee, the Bond Agreement, the Mortgage, the Lease, the Guaranteed Bond and other documents executed in connection therewith (as such documents are in effect from time to time, the "Financing Documents");

(ii) any amendment or waiver of or any consent to or departure from any Financing Document;

(iii) the existence of any claim, set-off, defense or other right that the Authority may have at any time against the Bond Purchaser, the Lessee, the State, or any other person whether in connection with this Agreement, the transactions contemplated herein or in the Financing Documents, or any unrelated transactions; or

(iv) any payment by the State under the State Guarantee that does not strictly comply with the terms of the State Guarantee.

SECTION 2. CONDITIONS OF ISSUANCE

2.1 Conditions Precedent to Issuance of State Guarantee. The obligation of the State to issue the State Guarantee is subject to the conditions precedent that the State shall have

received on or before the Closing Date the following, each dated the Closing Date (unless otherwise stated), in form and substance satisfactory to the State:

- (a) Fully executed versions of each of the Financing Documents;
- (b) An opinion of counsel to the Lessee in form and substance satisfactory to the State.
- (c) Such other opinions and documents as the State may reasonably request.

SECTION 3. REPRESENTATIONS AND WARRANTIES

3.1 Authorization. This Agreement, the Bond Agreement, the Lease and the Guaranteed Bond are valid and binding obligations of the Authority, enforceable against the Authority in accordance with their respective terms. The execution, delivery and performance of this Agreement, the Bond Agreement and the Guaranteed Bond have been duly authorized by the Authority.

3.2 No Breach. The execution, delivery and performance by the Authority of this Agreement and the other Financing Documents to which it is a party will not violate the provisions of any law, regulation or order of any governmental or regulatory authority applicable to the Authority, or the bylaws of the Authority, and will not result in a breach of, or constitute a default under, or require any consent which has not been obtained or create any lien, charge or encumbrance under, any agreement, instrument or document, or the provisions of any order, writ, judgment, injunction, decree, determination or award of any court, governmental or regulatory authority affecting the Authority or its properties.

3.3 Litigation. There are no suits or proceedings pending or, to the best knowledge of the Authority, threatened against or affecting the Authority or its properties, or by or before any governmental authority which bring into question the validity or enforceability of this Agreement or the Guaranteed Bond or other Financing Documents.

3.4 No Default. No Default or Event of Default has occurred or is continuing hereunder or under any Financing Document.

SECTION 4. AFFIRMATIVE COVENANTS

So long as the State Guarantee remains outstanding or the Authority shall have any obligation to pay any amount to the State hereunder, the Authority shall, unless the State Treasurer, on behalf of the State, shall otherwise consent in writing:

4.1 Compliance with Financing Documents. Punctually pay or cause to be paid its obligations hereunder and all amounts to become due in respect of the Guaranteed Bond in strict conformity with the terms of the Guaranteed Bond, the Bond Agreement and this Agreement and it shall perform and comply in all material respects with each and every obligation, covenant and agreement required to be performed or observed by it in or pursuant to the Financing Documents to which it is a party.

4.2 Furnish Documents. Upon request, promptly furnish to the State Treasurer copies of (i) all documents required to be furnished to Bond Purchaser or Lessee under any Financing Document and (ii) all notices, information or other documents received by it from any other party to any Financing Document.

4.3 Amendments. Not cause or permit the Financing Documents to be amended, modified or otherwise supplemented in a manner that adversely affects the rights, interests, security, remedies or obligations of the State without the prior written consent of the State.

4.4 Insurance. Cause the Lessee to maintain insurance in such amounts and against such risks as is required by the Lease or customarily maintained by comparable enterprises operating in the area, and promptly file with the State upon request, from time to time, certificates of all such insurance.

4.5 Maintenance of Properties. Maintain the property and improvements thereon that is the subject of the Lease in accordance with the terms of the Lease and the Mortgage and otherwise in good repair.

4.6 Accounting Practices. Keep proper books of account with respect to the transactions contemplated by the Financing Documents in which complete and accurate entries will be made of all transactions.

4.7 Compliance with Laws. Comply with all applicable statutes and regulations of each governmental authority having jurisdiction over it.

4.8 Financial and Other Information. Furnish to the State Treasurer promptly upon request, such information regarding the financial condition, business, properties and operations of the Authority with respect to the Project, as the State may reasonably request from time to time.

4.9 Notice of Default. Promptly upon becoming aware of the existence of any condition or event that constitutes an Event of Default under this Agreement or under any other Financing Document, or any condition or event that would upon notice or lapse of time or both constitute such an event, or of any other event or condition that would have material adverse effect on the financial condition, business or properties of the Lessee, give written notice to the State specifying the nature and duration thereof and the action proposed to be taken with respect thereto.

SECTION 5. INDEMNIFICATION

To the extent permitted by law, the Authority hereby indemnifies and holds harmless the State from and against any and all claims, damages, losses, liabilities, costs or expenses, including reasonable attorneys' fees and expenses, that the State may incur or that may be claimed against the State by any person or entity by reason of or in connection with the execution and delivery of this Agreement, the Financing Documents or the State Guarantee, or the issuance, sale or transfer of the Guaranteed Bond; provided, however, that the Authority shall not be required to indemnify the State for any claims, damages, losses, liabilities, costs or

expenses to the extent caused by the bad faith, willful misconduct or gross negligence of the State.

SECTION 6. COSTS, EXPENSES AND TAXES

CONSTRUCTION LOAN AGREEMENT

THIS CONSTRUCTION LOAN AGREEMENT (this "**Agreement**") is dated as of the 15th day of November, 2023 (the "**Effective Date**"), by and between **BUSINESS FINANCE AUTHORITY OF THE STATE OF NEW HAMPSHIRE**, a body corporate and politic of the State of New Hampshire, with an address of 135 North State Street, Concord, NH 03301 ("**Borrower**"), and **ENTERPRISE BANK AND TRUST COMPANY**, a Massachusetts Trust company with an address of 8 Michels Way, Londonderry, New Hampshire 03053 ("**Lender**").

1. Pursuant to Lender's commitment letter dated May 1, 2023 and amended on September 26, 2023 (hereinafter referred to as the "**Commitment Letter**"), Borrower has executed and delivered to Lender a certain Commercial Term Bond Note as of the Effective Date in the original amount of up to \$33,100,000.00 (hereinafter called the "**Bond Note**"). The Bond Note is secured by a Mortgage, Assignment of Leases and Rents, Assignment of Plans and Permits, Security Agreement, and Fixture Filing ("**Mortgage**") securing real estate located at 7 Amarosa Drive, Rochester, Strafford County, New Hampshire 03868, as more particularly described in the Mortgage (the "**Premises**") and subject to the terms and conditions set forth in in the Bond Purchase and Loan Agreement (the "**Bond Loan Agreement**") and the "**Bond Loan Documents**" as defined in the Bond Loan Agreement. Funds evidenced by the Bond Note are loaned for the purposes of the construction of leasehold improvements ("**Construction Build-out**") at the Premises and adjoining land of Sig Sauer Real Estate Inc. ("**Tenant**"). Tenant, pursuant to a Lease Agreement with Borrower dated as of December 21, 2020 (the "**Initial Lease**"), as amended by that certain First Amendment to Agreement of Lease, of near or even date herewith (the "**First Amendment**"; together with the Initial Lease, the "**Lease**"), joins this Agreement as the party overseeing the Construction Build-out pursuant to the terms of the Lease. Borrower remains primarily liable to Lender for compliance with this Agreement, notwithstanding the involvement of Tenant in the Construction Build-out process. Accordingly, the obligations and duties in this Agreement are directed to and agreed to by Borrower, with Borrower and Tenant agreeing to their mutual obligations to each other and to Lender under the terms of the Lease. Unless otherwise specified in the Bond Loan Documents or herein, capitalized terms used herein shall have the meanings ascribed to them in the Lease. In the event of any inconsistency among the terms hereof (including incorporated terms), the terms of the Bond Loan Documents shall dictate and control.

2. In consideration for periodic advances of the proceeds from the Bond Note in accordance with Lender's construction loan requisition procedures which are a precondition to any such advances, Borrower agrees to require Tenant to the extent required under the terms of the Lease:

(a) To perform the Construction Build-out as Tenant may elect, in its sole discretion, to undertake according to the Tenant Plans and Expansion Plans (as defined in the Lease) and otherwise in accordance with the terms and conditions of the Lease. The Construction Build-out shall be performed by contractors engaged by the Tenant at Tenant's sole expense subject to payment by Borrower of the Construction Allowance (as defined in the Lease). All Construction Build-out by the Tenant shall be done in a good and workmanlike manner, free of defects and in compliance with all applicable laws and all lawful ordinances, regulations and orders of governmental authority and insurers of the Premises. The Construction Build-out will

be substantially completed within [_____ ()] months of the date of this Agreement subject only to delays caused by Force Majeure (the "**Completion Date**");

(b) To keep the Premises, buildings and equipment free from mechanic's liens, other liens and claims whether inferior or superior to the Mortgage, provided, however, that Borrower or Tenant shall have the right to contest any lien, and provided, further, that if either is unable to obtain the release of such lien within thirty (30) days of the filing thereof, Borrower or Tenant shall either bond off such claim or make such other provision for the removal thereof in a manner which is reasonably satisfactory to Lender; and to furnish to Lender upon request from time to time a list of all unpaid bills with respect to any work labor or services or the furnishing of any materials, supplies or equipment in connection with the Construction Build-out, and certificates or acknowledgments of payment with respect to any such work, labor, or services fully performed or materials, supplies or equipment furnished, and any other costs and expenses relating to the project, such as Lender may reasonably request.

(c) To keep all buildings and improvements on said Premises in good repair, and to provide insurance against such perils and against loss by fire and other casualty in form and content required under the Lease and as may be required by law (including, without limitation, workers' compensation, public liability, property damage, builder's risk, and owners and contractors' protective liability insurance), with Borrower and Lender each named as an additional insured. In case of insured loss, provided there is no uncured default under the Bond Loan Documents after expiration of applicable notice and cure periods, Lender shall credit all or may permit Borrower or Tenant to use all or part of the insurance proceeds for rebuilding or repairing the loss or damage to the Premises or the improvements thereon. Lender does not represent that any such insurance, whether in scope or coverage or limits of coverage, is adequate or sufficient for the business or interests of Borrower or Tenant.

(d) To furnish Requisition for payment for Construction Build-out costs and expenses requested in accordance with Exhibit B of the First Amendment, and to comply with the requirement of ASI Management Companies, Inc. ("**ASI**"), retained by Lender at the expense of Borrower, in accordance with Exhibit B of the First Amendment.

(e) To allow Lender or ASI on Lender's behalf, including ASI's contractors, agents and employees, to enter and inspect the Premises and the Construction Build-out at all reasonable times upon reasonable advance notice to Borrower, subject to compliance with Tenant's security procedures, with all necessary equipment, which inspections Borrower acknowledges are for the sole benefit of Lender.

(f) To give Lender written notice of any material pending or overtly threatened legal proceeding or litigation affecting the Premises or the Construction Build-out, of which Tenant receives written notice, specifically including condemnation proceedings, and of any other event, condition, or circumstance of which Tenant receives actual knowledge which is reasonably likely to cause Tenant to be in default of any provisions of this Agreement.

(g) To defend, indemnify, and hold harmless Lender and its employees, agents, officers, and directors from and against any claims arising out of or in any way related to any violations of any statute, regulation, or other law or any judgment, award, or other order of any governmental entity with jurisdiction or any defective workmanship or materials in the

Construction Build-out. Further, Tenant will require its architect, engineer and any other design professional providing design or engineering services in connection with the Construction Build-out to obtain and maintain professional liability insurance covering claims asserted with respect to the Construction Build-out for a period of not less than one year after the date of completion of the Construction Build-out, with the terms of such post-Build-out insurance to be provided to and acceptable to Lender. The provisions of this paragraph shall survive the termination of this Agreement and the repayment of the Bond Note for a period of one year.

(h) To apply the applicable proceeds of the Bond Note only to pay costs lawfully incurred with respect to the Construction Build-out.

(i) To acquire and maintain all licenses, permits, consents, approvals and authorizations required by any governmental authority for the Construction Build-out and to provide to Lender upon request evidence that the same remain in full force and effect to Lender upon Lender's written request therefor.

(j) To fund Tenant's equity portion of the construction cost prior to Lender's first advance of Bond Note proceeds which will reduce the initial construction requisition by \$ _____.

3. Borrower represents and warrants that:

(a) There is no litigation or similar proceeding to Borrower's knowledge threatened or pending against Borrower, which may materially affect the value of the Collateral as defined in the Bond Loan Agreement or the ability of Tenant to complete the Construction Build-out or otherwise perform its obligations hereunder;

(b) To its knowledge, information and belief, there exists no event or circumstance which, with notice or lapse of time, or both, would constitute grounds for termination of this Agreement;

(c) Borrower has valid fee simple interest in and to the Premises, free and clear of all liens, charges, claims, opinions and other encumbrances except those set forth in a Title Policy to be issued to Lender as part of the Bond Loan Documents;

(d) There are no outstanding and unpaid judgments against Borrower and all federal, state and local tax assessments and fees imposed on the Borrower or the Premises have been paid;

(e) No consent, approval or other authorization is required with respect to this transaction from any person or under any document by which Borrower is obligated or bound except for usual and customary permits and licenses to be issued by the City of Rochester and the State for which conditions have been met except for the payment of fees and other customary charges required.

(f) Borrower or Tenant have obtained all approvals and will obtain all permits and licenses upon the closing of the Bond Loan as may be required in connection with the current condition of the Premises and for the completion of the Construction Build-out.

(g) Borrower's current and intended use of the Premises currently complies or will comply upon completion with all applicable federal, state and local laws, ordinances and regulations regarding the Premises or its use, including without limitation all laws related to zoning, environmental and land use matters and all applicable requirements of the Americans with Disabilities Act and the New Hampshire Law Against Discrimination, NH RSA 354-A, and other federal and New Hampshire laws prohibiting discrimination and protecting human rights.

4. (a) Lender agrees by acceptance of this Agreement to lend and advance to Borrower the principal sum stated in the Bond Note allowable for the Construction Build-out as shown on the Settlement Statement, subject to the provisions of this Agreement and the Bond Loan Documents, in periodic installments not more frequent than monthly as construction progresses in accordance with the Construction Build-out. Each request by Borrower for any advance hereunder shall constitute a reaffirmation of all representations and warranties made by Borrower in this Agreement and the Bond Loan Documents. Such advances shall be made in accordance with Exhibit B of the Lease, provided all of the terms and conditions of this Agreement have been met with respect to each Requisition, and each such advance shall be equivalent to such construction costs then approved by Lender after its examination of the stage of completion, if Lender so requires. All sums advanced shall be deemed advances for the Construction Build-out, secured by the Mortgage and all relevant agreements between Lender and Borrower. Such advances under the Bond Note may be made at discretion of Lender directly to Borrower, or to Tenant or to any contractor, subcontractor, materialman, or other person or entity providing labor, services or materials, or jointly to two or more of them.

(b) ASI shall at Borrower's reasonable cost and expense, (i) advise Lender as to the accuracy of the budget for the construction of the Construction Build-out; (ii) advise Lender as to whether the final plans and specifications for the Construction Build-out are satisfactory for the intended purposes; (iii) make periodic inspections of the Construction Build-out and coordinate with Lender, Borrower and Tenant, and approve Requisitions; (iv) advise Lender as to any requested change orders; and (v) review any construction contracts related to the Construction Build-out. Borrower authorizes Lender and ASI to consult with the general contractor, all subcontractors, materialmen, suppliers, and any other tenants upon the Premises concerning all matters pertaining to the Construction Build-out. Lender, or any of its officers or employees, or of ASI, shall have no liability or obligations to Borrower or Tenant or any other party concerning the quality of the Construction Build-out.

(c) If Lender or ASI in good faith believe that (i) any work or materials do not conform to the plans and specifications or sound building practices or otherwise depart from any of the requirements of this Agreement, or (ii) the consent of any person as to any aspect of the construction of the Construction Build-out is required but has not been obtained, or (iii) there has occurred or existed an Event of Default as defined hereinafter or in any other Bond Loan Document which has not been cured within any applicable grace or cure period, then, and in any case, the Lender may require the work to be stopped and may withhold subsequent advances until such matter or matters are corrected. In such event, Borrower shall promptly correct such matter or matters. Any such action by Lender shall not affect the Borrower's obligations to complete the Construction Build-out on or before the Completion Date.

(d) Lender shall have the right to erect and maintain at a suitable location on the site a sign indicating that the financing for the Construction Build-out is being provided by

Lender, such location and sign to be subject to the mutual approval of Lender, Borrower and Tenant.

5. (a) (i) If at any time before the entire Bond Loan has been advanced, the interest of the Borrower in the Premises passes from Borrower, voluntarily or involuntarily; or if Borrower should be adjudicated bankrupt or insolvent; or (ii) if any court action is commenced affecting any part of the loan amount remaining to be advanced is pending which, in the reasonable discretion of the Bank, impairs the completion of the Construction Build-out or the financial condition of the Borrower; or (iii) if the building or improvements on the Premises shall be substantially damaged in any manner for which insufficient insurance proceeds are available to repair such damage in the discretion of the Lender; or (iv) if any improvements on the Premises, including those constructed or provided for with the funds made available from the proceeds of the Bond Note, shall not be or have been constructed in accordance with the plans and specifications and all statutes, regulations and other laws, and all licenses, permits, consents, approvals, and authorizations required by any governmental authority with jurisdiction, or by any applicable board of fire, underwriters, or similar bodies acting in or for the locality in which the Premises are located; or (v) if the business or financial condition of Borrower shall have been materially adversely affected; or (vi) if Borrower fails to deliver to Lender evidence satisfactory to it that sufficient funds are available to complete the Construction Build-out and pay all costs associated therewith in accordance with all requirements of law and the construction plans and specifications; or (vii) if Borrower shall suffer a discontinuance of work on the Construction Build-out for more than sixty (60) consecutive days except as a result of an Act of God, war, riot, pandemic or other cause beyond Borrower's control (collectively, "**Force Majeure**"); or (viii) if any representation or warranty made by Borrower to Lender shall have been or shall become untrue or incorrect in any material way; or if any lien or encumbrance is entered against the Premises which is not discharged or as to which other satisfactory provision for the removal thereof has not been made as provided herein; or (ix) if Borrower shall violate or fail to perform any of the provisions in this Agreement and fail to cure the same in accordance with the cure provisions of the Bond Loan Agreement; or (x) if Borrower shall violate or fail to perform and provision of any of the other Bond Loan Documents beyond any applicable cure or grace period; then with respect to any of the foregoing, Lender shall not be required to advance any part of the remainder of the Bond Loan. Borrower expressly agrees that full performance of all of said provisions is a condition precedent to Lender's obligation to advance any unadvanced remainder of the Bond Note proceeds. No creditor of Borrower or any other person, entity or court shall have any claim upon the unadvanced remainder of the Bond Note proceeds, and Lender shall in no case be a trustee or fiduciary for anyone with respect thereto. Borrower agrees, however, that any one or more of such conditions precedent or any other requirement hereof may be waived at any time by Lender, but no such waiver shall be construed as a right to subsequent waiver of the same provisions or conditions.

(b) The obligation of Lender under this Agreement to make the Final Advance is subject to the fulfillment of the following additional conditions:

(i) All of the conditions precedent to all prior Requisitions set forth in Section 4(a) above shall have been satisfied as of the date of the request for Final Advance;

(ii) Tenant shall have received a permanent certificate of occupancy or its equivalent issued for the Premises by appropriate governmental authorities confirming that the Premises may be legally occupied for its intended purposes;

(iii) Lender shall have received final "as built" engineering and architectural drawings and an "as built" survey showing the location of all improvements, easements, rights of way, and other matters affecting the Premises, unless waived; and Lender shall have received copies of all applicable operating licenses or approvals issued by appropriate governmental authorities, all of which shall be in full force and effect; and

(iv) Lender shall have received final releases of liens from the Tenant in form and content satisfactory to Lender and ASI.

6. Lender, after any uncured default or failure by Borrower, as defined in Section 5(a) hereof, or in any one or more Bond Loan Documents, including but not limited to, the Mortgage, Bond Note and Bond Loan Agreement, may at its option enter upon the Premises and complete the construction of said buildings and improvements to an extent or stage satisfactory to Lender. All construction materials of Borrower at that time of entry on or near the Premises shall become the property of the Lender without payment therefor (except for payment to a third party which has not been paid and has a right to file a mechanics' or materialman's lien, to be used in said construction and the Lender is given full power to enter into such contracts and arrangements as may be reasonably necessary to accomplish the foregoing; moneys so expended by Lender shall be added to the principal amount of the Bond Loan and secured by the Mortgage and shall be payable by Borrower on demand with interest at the rate -set forth in the Bond Note and subject to any late payment penalties as set forth therein. Borrower hereby collaterally assigns all Borrower's right, title and interest in all contracts, now or hereafter existing relative to the Construction Build-out, for such construction to the Lender for its use in the event that Borrower defaults pursuant to the terms hereof and Lender enters the Premises for the purpose of completion of all or a part of said construction, but it is agreed that in any event Lender shall not be bound by any such contracts or under any obligation to fulfill the Borrower's commitments thereunder unless and until Lender exercises its option to complete all or a part of such construction. Anything herein contained to the contrary notwithstanding, (a) Borrower shall remain liable to perform all of Tenant's obligations under the contracts for the Construction Build-out in accordance with and pursuant to the terms and provisions thereof and (b) the obligations of the Borrower under such documents may be performed by Lender or its assignee without releasing Borrower therefrom.

7. During the term of this Agreement, Borrower shall not, without the prior written consent of Lender:

(a) Allow the Mortgage to cease being a valid second mortgage interest and liens on the Premises described therein, the improvements thereon, and the Construction Build-out subject only to first liens held by Service Federal Credit Union;

(b) Allow the improvements on the Premises or the Construction Build-out to encroach upon any street or adjoining property or upon any easement or right of way except as required by its Site Plan Approvals from the City of Rochester, as a condition to the Site Plan for the project;

(c) Cause, permit or allow to exist any lien or encumbrance on the Premises described in the Mortgage or the improvements thereon (except for the Mortgage, permitted liens under the Bond Loan Documents, other liens in favor of Lender and such other liens as Lender may permit in its sole discretion);

(d) Fail to comply fully with NH RSA 447 and its applicable provisions; pay all suppliers, contractors, and subcontractors when due; notify Lender of any mechanic's lien claim, discharge any mechanic's lien attachment; or, to the extent permitted by applicable law fully defend, indemnify and hold Lender harmless from and with respect to any such mechanic's lien or similar claim arising out of nonpayment or noncompliance with agreements or work provided by any supplier, contractor or subcontractor.

8. It is understood between the parties hereto that Tenant selected all architects, engineers, contractors, subcontractors, materialmen, as well as all others furnishing services or materials for the Construction Build-out, and Lender has and shall have no responsibility whatsoever for them or for the quality of their materials or workmanship, it being understood that Lender's sole function is that of lender and the only consideration passing from Lender to Borrower is the loan proceeds in accordance with and subject to the terms of this Agreement. It is also agreed that Borrower shall have no right to rely on any procedures required by Lender herein, such procedures being for the protection of the Lender as lender and no one else. Borrower hereby agrees to hold and save Lender harmless and indemnify it against and from claims, of any kind, of any persons, arising from or out of the Construction Build-out and the construction, use, occupancy or possession of the buildings, improvements, or Premises, including, but without limiting, the generality of the foregoing, employees of Borrower or Tenant, any contractor constructing the improvements and the employees of any such contractor, any tenant of Borrower, any subtenant or concessionaire of any such tenant, subtenant or concessionaire, but excluding, however, those resulting from gross negligence or misconduct of Lender or its agents.

9. This Agreement, together with the Bond Loan Documents, contain the entire agreement between Borrower and Lender with respect to the subject matter hereof, and supersedes each course of dealing or other conduct heretofore pursued, accepted, or acquiesced in and each oral or written agreement and representation heretofore made by Lender with respect thereto, whether or not relied or acted upon. No course of performance or other conduct hereafter pursued, accepted or acquiesced in, and no oral agreement or representation hereafter made by Lender, whether or not relied or acted upon, and no usage of trade shall modify or terminate this Agreement and the indebtedness, liability or obligation of Borrower pursuant hereto or any right or remedy of Lender pursuant hereto or otherwise. No modification of this Agreement shall be effective unless made in writing duly executed by Lender.

10. In the event any part of this Agreement is held to be unenforceable or void, such fact shall not affect the enforceability or validity of the remaining parts hereof. The provisions hereof shall be binding upon, and inure to the benefit of, the heirs, successors and assigns of the parties hereto, but the agreement may not be assigned by Borrower.

11. For the avoidance of doubt, amounts, if any, to be paid by Borrower hereunder shall be paid from funds received from Tenant or pursuant to the Lease.

FOR SIG SAUER INC.
IN THE CITY OF ROCHESTER, NEW HAMPSHIRE
AMENDING AND RESTATING THE RESOLUTION ADOPTED FEBRUARY 13, 2023

WHEREAS, the Business Finance Authority (the "Authority") of the State of New Hampshire (the "State") has been requested by Sig Sauer Inc. (with any successors or assigns; the "Borrower") to purchase and lease (the "Lease") a project (the "Project") located at 7 Amarosa Drive in the City of Rochester, New Hampshire comprising the renovation of an existing 89,000 square foot building and the construction of a 27,700 square foot building extension, including site work and related improvements at such location and certain other site work ancillary to the Project at adjacent land owned by the tenant entity, Sig Sauer Real Estate, Inc. (e.g., landscaping, drainage, parking and a reconfigured driveway connecting to a future traffic circle on Milton Road in the City of Rochester, New Hampshire, to be constructed by the City of Rochester), by providing financing in an amount up to \$33,100,000 comprising a revenue bond (the "Bond") that will be supported by a State guarantee and a loan of certain funds of the Authority, if available (the "Authority Loan," and together with the Bond, the "Loan"), which Loan shall not exceed \$33,100,000 in the aggregate, and which shall be taxable under RSA 162-I (the "Act");

WHEREAS, the Authority has been furnished with (a) information and materials about the Borrower and the Project, the Project and unemployment in the Rochester area, and (b) evidence that Enterprise Bank, among others (together with other financial institutions, the "Lender" or the "Purchaser"), has expressed interest in purchasing the Bond. In addition, the Authority expects to enter into (c) a LEASE AGREEMENT (or an amendment to an existing lease agreement, the "Lease Agreement") between the Authority and the Borrower pursuant to which the Borrower will be obligated to make debt service payments to the Authority in amounts sufficient to repay the Loan (the form of such Lease Agreement to be in form similar to existing lease agreements between the Authority and the Borrower; (d) a GUARANTEE AGREEMENT (or an amendment to an existing guarantee agreement, the "Guarantee") between the Authority and the State; (e) a SECOND LEASEHOLD MORTGAGE AND SECURITY AGREEMENT (the "Mortgage") from the Authority to the State and/or the Lender; (f) other financing documents and security agreements necessary to evidence the Lease, the Bond and the Authority Loan (collectively with the Lease Agreement, Guarantee and the Mortgage, the "Agreements"); and (g) other information, materials and assurances deemed relevant by the Authority;

WHEREAS, the Bond and the Lease will constitute evidence of indebtedness of the Authority under the Act to finance the Project, which will be repaid to the Authority by the Borrower under the Lease; and

WHEREAS, the Authority may provide its own moneys to fund the Authority Loan, which will be repaid to the Authority by the Borrower under the Lease;

IT IS HEREBY RESOLVED THAT:

Section 1. Findings. On the basis of the information, materials and assurances received by the Authority and considered by it at an open meeting, the Authority finds:

(a) Special Findings:

(1) The Project (as completed, the "Facility") consists of the renovation of the existing 89,000 square foot building and construction of a 27,000 square foot addition, all of which will be used for manufacturing, office space and cafeteria; and site work. The Facility will be owned by the Authority and used by the Borrower for products and services for the manufacture of firearms. The Project is within the definition of "commercial facility" within the Act and may be financed under the Act; and

(2) The establishment and operation of the Facility will either create or preserve employment opportunities directly and indirectly within the State and will likely be of general benefit to the community as a whole.

(b) General Findings:

(1) The Project and the proposed financing of the Project are feasible;

(2) The Borrower has the skills and financial resources necessary to operate the Facility successfully;

(3) The Agreements contain provisions so that under no circumstances will the Authority be obligated directly or indirectly to pay Project costs, debt service or expenses of operation, maintenance and upkeep of the Facility except from Loan proceeds or from funds received under the Agreements, exclusive of funds received thereunder by the Authority for its own use;

(4) The Agreements do not purport to create any debt of the State with respect to the Facility, other than a special obligation of the Authority acting on behalf of the State under the Act and except for the requested State guarantee; and

(5) The proposed financing of the Project by the Authority and the proposed operation and use of the Facility will serve one or more needs and implement one or more purposes set forth in RSA 162-I:1, will preserve or increase the social or economic prosperity of the State and one or more of its political subdivisions, and will promote the general welfare of the State's citizens.

Section 2. Determination and Recommendation. The Authority finds that the proposed financing, operation and use of the Facility will serve a public use and provide a public benefit and determines that the Authority's financing of the Project will be within the policy of, and the authority conferred by, the Act. The Authority recommends to His Excellency, the Governor, and The Honorable Council that (i) the State provide its guarantee on the Bond pursuant to RSA Section 162-I:9-b and (ii) they make findings and a determination similar to those set forth above and those required by RSA Section 162-I:9-b to provide a State guarantee, and for that purpose the Executive Director is directed to transmit to the Governor and Council copies of this

resolution, the materials received by the Authority with respect to the Project and any other documentation and information the Governor and Council may request.

Section 3. Authorization of the Agreements. The Authority shall be a party to the Agreements and the Chairman, Vice Chairman, Treasurer and Executive Director are each authorized to singly (except as otherwise required by the Act) execute and deliver (i) the Lease Agreement on behalf of the Authority; (ii) the Guarantee Agreement; and (iii) a Mortgage, but subject to such changes as the person so signing may approve, his or her signature being conclusive identification of the documents as the Agreements (with approved changes, if any) authorized by this resolution. The Authority is also hereby authorized to provide an Authority Loan and to execute and deliver any of the Agreements or other documents for such purpose.

Section 4. Actions Not to Be Taken Until After Approval by Governor and Council. The actions authorized by Section 3 above (meaning specifically the execution of the Agreements) shall not be taken until such time as the Governor and Council have made the findings and determination required by Section 9 of the Act, it being the intent of the Authority that the various actions on its behalf that are authorized above are subject to the action of the Governor and Council as required by the Act.

Section 5. Loan Proceeds. The proceeds of the Loan shall be deposited in accordance with the Agreements, and checks, if any, for such Loan proceeds may be appropriately endorsed by the Chairman, Vice Chairman, Treasurer or the Executive Director.

Section 6. Approval of Project. The establishment of the Project, all in accordance with the provisions of the Agreements, is hereby approved for the purposes of, and to the extent required by, the Act.

Section 7. Other Actions by Officers. The Chairman, Vice Chairman, Treasurer and the Executive Director are each singly (except as otherwise required by the Act) authorized to take all other actions and execute, deliver or receive such instruments or certificates as they determine are necessary on behalf of the Authority in connection with the whole transaction authorized by the preceding sections of this resolution, but subject in all events to Section 4 hereof. Without limiting the generality of the foregoing, such officers may execute and deliver: receipts; financing statement forms under the U.C.C.; certificates as to facts, estimates and circumstances; information returns for governmental bond issues for the purposes of federal income taxes; and certificates as to proceedings taken, incumbency of officers or any other facts for any other purposes.

Section 8. Discharge of Lien. The Chairman, Vice Chairman, Treasurer or Executive Director, whenever requested by the owners of the Loan, may join in the partial release or final discharge of the lien of the applicable Agreements.

Section 9. Authorization of Change of Dates. Without limiting any other discretion conferred in this resolution, the date of the Agreements as executed may be any date or dates acceptable to the Borrower, the State and the Purchaser and the officers of the Authority executing the Agreements.

Section 10. Amendment and Restatement. This Resolution amends and restates the Resolutions adopted for the Project on February 13, 2023.

Section 11. Effective Date. This resolution shall take effect upon its passage.

Passed: October 16, 2023

SUMMARY OF REQUIRED STATUTORY FINDINGS OF THE
GOVERNOR AND COUNCIL UNDER RSA 162-I.

(The materials appearing in quotations below are extracts from RSA 162-I:9. Ellipses indicate deleted provisions relating to pollution control projects or other matters that are not relevant to this transaction.)

Special Findings

“(1) For any project, the governor and council shall specify the type of facility and shall find that the project to be financed is within the definition of the commercial facility and may be financed under this chapter;”

The Project consists of additional improvements and renovations to an existing 89,000 square foot building (owned by the Business Finance Authority of the State of New Hampshire (the “Authority”) and currently leased to Sig Sauer Real Estate Inc. (or an affiliate thereof and including any successors or assigns, the “Borrower”) and the construction of a 27,700 square foot extension thereto, including site work and related improvements located at 7 Amarososa Road, Rochester, and certain other site work ancillary thereto on adjacent land owned by the Borrower or an affiliate thereof, including landscaping, drainage, parking and a reconfigured driveway connection to a future traffic circle on Milton Road, Rochester (collectively, the “Project”), that is and will be owned by the Authority and leased to and used by the Borrower (as described herein) for the purpose of financing products and services for the manufacture of firearms. The Project is within the definition of “commercial facility” in the Act and may be financed under the Act; and

* * *

“(2) If the facility is a commercial facility, the governor and council shall find that the establishment and operation of the facility will create or preserve employment opportunities directly or indirectly within the state. . .”

The Borrower expects the Project to enable it to preserve/create 2,400 existing and new jobs. (Please see Tab #3.) The information from the New Hampshire Employment Security, Economic and Labor Market Information Bureau (Tab #11) shows that there is unemployment in the Rochester area.

General Findings

“For any project, the governor and council shall find that:

(1) The project and the proposed financing of the project are feasible;" Enterprise Bank and Trust Company has agreed to purchase the bond (Tab #4). The application of the Borrower also supports the finding (Tab #3).

* * *

"(2) The proposed user has the skills and financial resources necessary to operate the facility successfully;"

The materials relating to the Borrower under Tab #3 support this finding.

* * *

"(3) The financing and security documents contain provisions so that under no circumstances will the authority be obligated directly or indirectly to pay project costs, debt service or expenses of operation, maintenance and upkeep of the facility except from loan proceeds or from funds received under the financing or security documents, exclusive of funds received under the documents by the authority for its own use;"

The Bond Purchase and Loan Agreement (Tab #5) (the "Agreement") is a combined financing and security document. Section 2.3 of the Agreement contains an express statement to the effect required; Section 2.3 of the Agreement obligates the Authority to pay all debt service on the bond when due from loan proceeds, lease payments or proceeds of the State guarantee; Section 7.18 of the Mortgage (Tab #7) limits the Authority's payment obligations from loan proceeds or lease payments; Section 3 of the Agreement of Lease and Section 4 of the First Amendment to Lease Agreement (Tab #6) (together, the "Lease"), require the Borrower to pay rent, which is in an amount sufficient to pay debt service on the bond when due; and Sections 14, 15 and 16 of the Lease require the Borrower to pay taxes and costs of operation, maintenance and upkeep.

* * *

"(4) Neither the financing documents nor the security documents purport to create any debt of the state with respect to the facility, other than a special obligation of the authority acting on behalf of the state under this chapter; and"

Express language to this effect is found in the Agreement under Tab #5 in Section 2.3.

* * *

"(5) The proposed financing of the project by the authority and the proposed operation and use of the facility will serve one or more needs and implement one or more purposes set forth in RSA 162-I:1, will preserve or increase the social or economic prosperity of the state and one or more of its political subdivisions, and will promote the general welfare of the state's citizens."

This finding can be based on all the materials as well as facts which are matters of general knowledge.

Ultimate Finding and Determination Required by the
First Paragraph of RSA 162-I:9

“ . . . the proposed financing, operation and use of the facility will serve a public use and provide a public benefit and . . . the authority’s financing of the project will be within the policy of, and the authority conferred by, this chapter.”

The materials and information furnished and the preliminary findings described above support, and enable the making of, the ultimate finding and determination.

Special Findings Required by RSA 162-I:9-b with respect to a State guarantee

“The award of a State guarantee will contribute significantly to the success of the financing; and . . . Reasonable and appropriate measures have been taken to minimize the risk of loss to the State and to ensure that any private benefit from the award of a State guarantee will be only incidental to the public purpose served thereby.”

The Borrower has requested the State guarantee as an essential part of the structure of the financing. The Bond Purchase and Loan Agreement and the Guarantee Agreement are responsive to the requirement to minimize the risk of loss.

Ultimate Finding and Determination Required by RSA 162-I: 9-b

“...such guarantee will serve a public use and provide a public benefit and . . .the authority’s financing of the project and the State’s guarantee of the bonds will be within the policy of, and the authority conferred, by this chapter.”

The materials and information furnished and the preliminary findings described above support, and enable the making of, the ultimate finding and determination.
