Requested Action

The Community Development Finance Authority (CDFA) requests to place this item on the Consent Calendar.

Authorize the Community Development Finance Authority (CDFA), under the Community Development Block Grant (CDBG) program, to amend a grant agreement with the County of Rockingham, 119 North Road, Brentwood, New Hampshire in the amount of \$355,850 by extending the completion date to December 31, 2024, from the original grant completion date of December 30, 2023. The original grant was approved by the Governor and Council on August 18, 2021, agenda item #49. This extension, if granted, will allow for the completion of the water system improvement project. Said extension shall be effective upon Governor and Council approval on November 29, 2023. No additional funding is involved in this time extension request. **100% federal funds.**

Explanation

The County of Rockingham, on behalf of the Rock Rimmon Cooperative, is requesting an extension of its CDBG award for its water system improvements project situated at 112 Long Pond Road, Danville, New Hampshire. The project was delayed due to the need for additional funding. Additional funding has now been approved by DES through the American Rescue Plan Act (ARPA). Project bids are to go out late fall with construction in spring of 2024. The grantee anticipates this extension of time, if granted, will allow the project to be completed and achieve its goal of benefiting 120 people of which 88 percent (88%) are currently of low and moderate income.

This Agreement allocates a portion of the Community Development Block Grant (CDBG) funds provided to New Hampshire by the U. S. Department of Housing and Urban Development (HUD). CDFA is administering this program as provided by RSA 162-L.

Sincerely,

Katherine Easterly Martey

14.6 Where the Grant Agreement or Subrecipient Agreement is terminated or the Project/Program Activity is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

EXHIBIT C

PROJECT/PROGRAM ACTIVITY COSTS; METHOD AND TERMS OF PAYMENT

1. PROJECT/PROGRAM ACTIVITY COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA

1.1 Project/Program Activity Costs: As used in this Agreement, the term "Project/Program Activity Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "General Administration Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project/Program Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. General Administrative costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of any Project/Program Activity closing and/or construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall General Administration Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a nonprofit subrecipient, such subrecipient shall meet the requirements of 2 CFR Part 200.

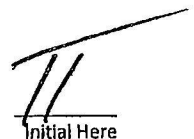

1.2 Delivery Costs: If applicable to this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

1.3 Payment of Project/Program Activity Costs: Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project/Program Activity Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project/Program Activity Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in CDFA's Community Development Block Grant Implementation Guide.

1.4 Review by CDFA; Disallowance of Costs: At any time during the performance of the Program Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Project/Program Activity Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT/PROGRAM ACTIVITY COSTS

2.2 Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project/Program Activity Costs incurred, CDFA agrees to reimburse Grantee for Project/Program Activity Costs. Reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.

2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project/Program Activity Cost until all Project/Program Activity Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS

3.1 Reimbursement requests for all Project/Program Activity Costs, including General Administrative Costs, Delivery Costs, and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. 4.4 Changes in Funding Project Activities: Grantee may submit a written request for the authority to transfer up to ten (10) percent of the full value of the grant from one approved activity to another listed in Exhibit C herein or from an approved activity within the approved project area to an approved activity located outside the project area and the Director of CDFA may approve the requested transfer.

4.5 Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 162-L:14 II(b) when submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6 Up to \$330,850 of Grant Funds may be applied by Grantee for costs related to the Project/Program Activity...

ATTACHMENT II

SUBRECIPIENT AGREEMENT MINIMUM TERMS AND CONDITIONS

The County of Rockingham ("Grantee") hereby warrants and agrees that the Subrecipient Agreement with the Rock Rimmon Cooperative, Inc. ("Subrecipient") to be executed in conformance with the requirements of Exhibit B of the Grant Agreement shall be subject to approval by CDFA. The Subrecipient Agreement shall incorporate the entire Grant Agreement and shall include it as an attachment, and shall contain at a minimum the following terms and conditions:

1. REPRESENTATIONS AND WARRANTIES. Subrecipient shall represent and warrant:

1.1 Subrecipient is a duly organized and validly existing New Hampshire nonprofit corporation in good standing under the laws of this State. Subrecipient has the power and authority to undertake the grant activities as provided in the Grant Agreement. Subrecipient has the power and authority to own its properties, to conduct business as it is now being conducted, has the power to execute and deliver and perform its obligation under the Subrecipient Agreement and all other documents as applicable to this grant agreement.

1.2 The Subrecipient Agreement is the legal, valid and binding obligation of Subrecipient enforceable against Subrecipient, in accordance with each document's respective terms.

1.3 Subrecipient has complied in all material respects with all applicable federal, state and local laws, statutes, rules and regulations pertaining to the grant activities.

1.4 No application, exhibit, schedule, report or other written information provided by Subrecipient or its agents in connection with the grant application knowingly contained, when made, any material misstatement of fact or knowingly omitted to state any material fact necessary to make the statements contained therein not misleading, in light of the circumstances under which they were made.

2. PROJECT DESCRIPTION AND SUBGRANT ACTIVITIES.

2.1 Project Description.

The project shall consist of the awarding of \$355,850 in Community Development Block Grant ("CDBG") funds to the County of Rockingham (the "Grantee"), which is to be subgranted to Rock Rimmon Cooperative, Inc. (the "Subrecipient") to support its water infrastructure improvements project situated at 112 Long Pond Road, Danville, New Hampshire (the "Project").

2.2 Benefit to Low- and Moderate- Income Persons.

The general purpose of the project is to principally benefit Low- and Moderate-Income Persons as that term is defined in the Grant Agreement: "those Persons whose income falls at or below the "low income" level as referenced in 24 CFR 570.483 as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire. Appendix 2 contains HUD's "low- and moderate-income levels" for its various programs and is updated on an annual basis. The most current HUD Income Limits may be found at CDFA's website at www.nhcdfa.org

Initial Here

Consistent with the National Objectives of the Community Development Block Grant Program under Title I of the Housing and Community Development Act of 1974, as amended, the Parties agree that eighty-eight percent (88%) of the 120 persons served shall be of low and moderate income as that term is defined in 24 CFR 570.483.

2.3 Grant of Funds/Matching Funds. Subrecipient shall use the Grant funds subgranted to it solely for the purposes described herein and consistent with the required terms and conditions of the Grant Agreement and Subrecipient Agreement.

2.3.1 Subrecipient shall be subgranted a total of \$330,850 of the CDBG funds, in order to carry out the Project Activity.

2.3.2 Grantee shall be permitted to use up to \$25,000 of CDBG funds as administrative cost reimbursement for Project/Program Activity Costs, as that term is defined by applicable state and federal guidelines and as is provided for in Exhibit C. In no event shall administrative costs reimbursable with grant funds exceed fifteen (15) percent of the total Grant Funds.

2.3.3 The required match for the CDBG funds shall not be less than \$355,850 consisting of a NH Department of Environmental Services loan and grant.

3. SUBRECIPIENT REQUIREMENTS.

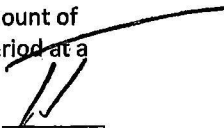

3.1 Compliance with Laws. Subrecipient shall comply with all applicable federal, state and local laws, statutes, executive orders and rules as they relate to the application, acceptance and use of funds for this Project, including, but not limited to, the requirements as specified in the Grant Agreement.

3.2 Disbursement of Grant Funds. Upon compliance with, and subject to the provisions of this Agreement and provided there shall exist no Event of Default under this Agreement, the Grant Agreement or any other agreements, in connection with the Project, and no condition or event which, with the giving of notice or lapse of time would constitute such an Event of Default, the Grantee shall, upon submittal of written requests for payment accompanied by invoices and other documentation or supporting documents as required by the Grantee, make disbursements of grant funds. Disbursement of grant funds shall be in accordance with the terms of all Exhibits of the Grant Agreement.

Disbursement of funds by the Grantee does not constitute acceptance by the Grantee or CDFA of any item as an eligible Project cost until all Project/Program Activity Costs have been audited and determined to be allowable costs. Upon the expiration of the Grant Agreement, or other termination of the project, Subrecipient shall transfer to the Grantee any Grant funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds.

3.3 Security. Prior to approval by CDFA of any construction contract for the Property, Subrecipient shall provide Grantee a mortgage lien in the amount of \$330,850 (the "Mortgage") on the Property, or other acceptable security to CDFA, as set forth in Exhibit B. Grantee shall submit to CDFA satisfactory evidence of such recording.

The mortgage lien shall provide for the recovery by Grantee, on behalf of CDFA, of the total CDBG funds expended on this Project in the event that the low- and moderate-income benefit as defined herein is not maintained for the required twenty-year period commencing upon the completion of the Project. The amount of CDBG funds subject to recovery in accordance with this paragraph shall decrease over the twenty-year period at a

rate negotiated between Grantee and Subrecipient and approved by CDFA.

4. COVENANT OF LONG TERM BENEFIT FOR LOW- AND MODERATE-INCOME PERSONS.

4.2 At time of Grantee's submission of the Closeout Report to CDFA as provided in Exhibit B of the Grant Agreement, Subrecipient shall certify the number and percentage of Persons served at the Project Property that are Low- and Moderate-Income Persons and benefiting as a result of this Project. Subrecipient shall, for closeout purposes only, gather information on those groups deemed as "Protected" by HUD and required for reporting on the "Periodic Progress Report" as provided in the most current edition of the "CDBG Implementation Guide."

4.3 Subrecipient shall further covenant and warrant that the Property shall remain in use as a public facility and shall be made available to Low- and Moderate-Income Persons for a period of twenty (20) years following completion of the Project (the "Benefit Period") and that Subrecipient has and will continue in its Bylaws or other administrative provisions an adequate administrative capacity to ensure that this benefit is maintained for said period. This covenant shall survive the expiration or termination of this Agreement.

4.4 In the event that Subrecipient grants, conveys, leases or otherwise transfers its interests in the Property, Subrecipient shall include a clause in such deed, lease or similar transfer instrument whereby the other party, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration therefore, covenants and agrees, as a covenant running with the land, that the property shall continue to be used a public facility and shall continue to be made available to Low- and Moderate-Income persons for the remainder of the Benefit Period.

4.5 Subrecipient shall not sell, lease, encumber, otherwise transfer, or dispose of any part of its title or other interests in the Property, for the duration of the terms, conditions, and assurances in this Agreement, without the approval of Grantee.

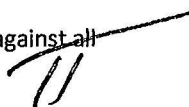

5. SCHEDULE.

5.1 Implementation Schedule. The Grantee and Subrecipient have agreed to an Implementation Schedule, which will provide for the completion of all grant activities, prior to the Grant Completion Date. A schedule of major milestones shall be provided within the Subrecipient Agreement, and shall serve as a basis for enforcement of the Agreement.

Subrecipient shall, at its sole expense, obtain and maintain in force insurance in such amounts and covering such risks as are customary for entities engaged in the same or similar business to include, where applicable, comprehensive general liability covering any property development/construction activities and landlord insurance. At a minimum, this shall include insurance against all

claims of bodily injury or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate.

6.2 If applicable, Subrecipient shall also, at its sole expense, obtain and maintain in force fire and extended coverage insurance covering all real property or assets purchased with Grant funds in an amount not less than 100% of the whole replacement value of the property.

6.3 Insurance Standards. The policies described in this section shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. All policies shall be on an "occurrence" basis. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than thirty (30) days after written notice thereof has been received by the Grantee and CDFA.

6.4 All policies shall name the Grantee and CDFA as additional insureds. Subrecipient shall provide the Grantee with certificates of insurance satisfactory to the Grantee, which evidences compliance with this Section.

6.5 Taxes. If applicable, Subrecipient shall pay all taxes, assessments, charges, fines and impositions attributable to the Property, which is the responsibility of the Subrecipient. Any alternative arrangements will require the approval of CDFA, whose consideration shall not be unreasonably withheld.

7. REPORTING REQUIREMENTS: PERIODIC AND CLOSEOUT AGREEMENTS.

7.1 Semi-Annual Reports. Semi-Annual reports shall be submitted by the Subrecipient to the Grantee, not less than five (5) business days prior to the semi-annual submission date, that is, no later than July 10, for the period of January 1 through June 30 and no later than January 10, for the period of July 1 through December 31 of each year. The reporting period shall begin on the date of Governor and Council approval and end on the Completion Date specified in Section 1.7 of the General Provisions of the contract between the Grantee and CDFA.

7.2 Closeout Agreement. Subrecipient shall enter into a Closeout Agreement with the Grantee and CDFA, which shall specify the reporting and other requirements applicable to the closing out of this Project.

Rockingham County – \$355,850 – (Public Facilities)

Applicant	Rockingham County
Subrecipient	Rock Rimmon Cooperative, Inc.
Project Name	Water Infrastructure Improvements
Project Location	112 Long Pond Road, Danville, NH
Request	\$355,850
LMI Beneficiaries	120 individuals (88% LMI)
HUD CDBG National Objective	03J (Water & Sewer Infrastructure)
NH State Category	Public Facilities

Project Summary: Rockingham County is seeking \$355,850 in order to upgrade the water system at Rock Rimmon Cooperative, a manufactured home park in Danville, NH. These improvements will respond to serious safety concerns on the part of the NH Department of Environmental Services (NHDES) that indicates urgency in remedying water system deficiencies in this 30+ year old community that began its life as a campground.

The water distribution system includes undersized pipes and lacks adequate valves and blow offs. Leaks in the system are common; some sections of the water distribution lines have, on occasion, frozen during winter months. NHDES has required four (4) log monitoring for chlorine residuals after the park experienced an E Coli event in 2017.

Application for the CDBG funding is needed to assist and/or offset the costly repairs and upgrades to the pump house and water distribution system. Daily maintenance of the water system is required, and includes recording water gallon usage, chlorine residual levels, water quality testing, chemical pump maintenance and leak detection throughout the park. This daily process is costly and time consuming for the cooperative.

The community has applied for NHDES funding and was approved for a loan of \$702,500 and a grant of \$250,000. Given the cost of the project and the high percentage (88%) of low- and moderate-income residents in the community, and a median household income of \$27,731, CDBG funding is needed to help make this an affordable project for the community by reducing the size of the NHDES loan.

Long term benefit (20+ years) will be achieved by nature of the improvements. The infrastructure upgrades have a life expectancy of greater than twenty years. Additionally, Rockingham County will place a performance lien on the property to assure primarily low- and moderate-income benefit.
