DIVISION of HISTORICAL RESOURCES

August 31, 2023

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Historical Resources, to award a Certified Local Government grant to the Town of Rye (VC #177470), in the amount of \$19,500 to complete a survey of the town's locally designated historic district, including adjacent properties proposed for inclusion in the local historic district effective upon Governor and Council approval through September 30, 2025. 100% Federal Funds.

Funding is available in account, Federal Preservation Programs, as follows:

	<u>FY 2024</u>
03-035-035-354010-14450000-072-500575- Grants Federal	\$19,500

EXPLANATION

The Division of Historical Resources is required to set aside 10% of its federal funds received through the Historic Preservation Fund for Certified Local Governments (CLG). Under federal program rules, only "Certified Local Governments" are allowed to apply for CLG funds. New Hampshire has twenty-eight CLG communities. No match is required for this grant and will use 100% federal funds.

The Rye Historic District Commission seeks to hire a qualified consultant to undertake the survey and inventory of the town's locally designated historic district, which will include the evaluation of properties currently outside the existing district's boundaries but may be included in the future. The end product will be a historic district area form that will both inform the historic district commission on the properties they already regulate, educate the public on the significance of these resources, and potentially expand the district in the future.

The Attorney General's Office has reviewed and approved this grant agreement as to form, substance and execution.

Respectfully submitted,

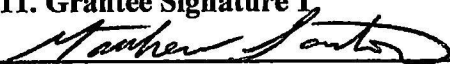

(15M)

Sarah L. Stewart
Commissioner
