Dept. Environmental Services, ARPA DES Loans, Grants Federal

Activity Code: 00FRF602WB4401Q

EXPLANATION

The grant is funded through the American Rescue Plan Act (ARPA) of 2021. ARPA is a \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed into law by President Biden on March 11, 2021, to speed up the United States' recovery from the economic and health effects of the COVID-19 pandemic and the resultant recession. The Act defines eligible uses of the state and local funding, including responding to public health emergencies, responding to workers performing essential work during the COVID-19 emergency, providing revenue relief to states and making investments in water, sewer, and broadband infrastructure. ARPA provides funding for costs incurred after March 3, 2021. Grant and loan applications are accepted year-round and reviewed for eligibility in the order in which the applications are received.

NHDES approved grant funding up to \$144,375 for Chisholm Farm Homeowners Association to install treatment to address per- and poly-fluoroalkyl substances (PFAS) present within its drinking water supply. Grant funds will be used for the required environmental review, engineering design, treatment installation and associated infrastructure, engineering design and construction phase observation, and other associated eligible project costs. This is an allowable use of ARPA FRF funds under Section 602 (c)(1)(D) to make necessary investments in water, sewer, or broadband infrastructure.

If federal funds become no longer available, General Funds will not be requested to support this program. This grant agreement has been approved by the Attorney General's Office as to form, substance, and execution.

We respectfully request your approval.

Robert R. Scott

CERTIFICATE OF VOTE OF AUTHORIZATION GRANTS ONLY

American Rescue Plan Act (ARPA)

A Certificate of Vote of Authorization (COV) is a certificate that states that a grantee is willing to enter into a grant agreement with the State of NH Department of Environmental Services (NHDES) and that whoever signs the Grant Agreement (provided under separate cover) has the authority to do so. **Do not complete this form until you have received a Grant Agreement from NHDES. Follow the steps below**:

- 1. Following a funding offer from NHDES, obtain the authority to accept grant funds and assign an Authorized Representative (AR) from the grantees governing body. This will likely require a vote at a meeting of the governing body. A vote may take place any time prior to execution of the Grant Agreement.
- 2. Once the Grant Agreement has been received from NHDES, someone other than the AR (who can certify actions taken at the referenced meeting) completes and signs the COV. The AR cannot sign the COV. The COV must be signed and notarized on the same date as, or within 30 days of, when the AR signs the Grant Agreement. The 30-day window applies to either side of the execution date.
- 3. The AR signs the Grant Agreement and initials and dates the bottom of each page including the Exhibits.
- 4. Mail original COV and Grant Agreement documents to program contact at NHDES.
