November 29, 2023

His Excellency, Governor Christopher T. Sununu and the Honorable Council State House Concord, New Hampshire 03301

#### **REQUESTED ACTION**

Authorize the Department of Administrative Services (DAS) to enter into a contract with Allsteel LLC (VC#471106), Muscatine, IA, in an amount up to and not to exceed \$3,440,449.77 for office furniture and related services through a participating agreement with the National Association of State Procurement Officials (NASPO) Value Point (Contract MA3963) effective upon Governor and Executive Council approval through January 21, 2028.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

#### **EXPLANATION**

The Department of Administrative Services Bureau of Purchase and Property (BoPP) is requesting to join this NASPO agreement via a participating agreement. This participating agreement is aligned with the master agreement set in place by NASPO and the lead state, Utah, through a request for proposal (RFP) process, which included sourcing 18 select vendors through the NASPO sourcing platform. NASPO received 18 responses, resulting in 10 contracts for office furniture and related services. Of which, BoPP would like to participate in 3 of the resulting contracts.

The BoPP also issued a request for bid (RFB) 2819-24 on September 6, 2023, with responses due on September 21, 2023, to determine if the State should participate in this master agreement through NASPO or contract direct to meet agency needs. This RFB reached 35 vendors through the NIGP electronic sourcing platform with an additional 5 directly sourced. There were 3 compliant responses received. Upon reviewing the bid response from WB Mason Co. Inc., who is an authorized Allsteel supplier, the vendor offered a lower percent discount on only 1 out of 7 categories for Allsteel furniture compared to the higher percent discounts offered on 6 out of 7 categories from the NASPO Value Point contract (Contract MA3967). Based on the example provided herein this represents a cost avoidance of approximately 12%.

# His Excellency, Governor Christopher T. Sununu and the Honorable Council

The BoPP is requesting, based off the results of the RFB, to participate in three office furniture and related services contracts through NASPO, with the following vendors, Allsteel LLC, MillerKnoll, Inc., and Haworth, Inc. This request, upon approval, will provide brand consistency with existing Allsteel furniture, in addition to cost savings associated with the higher percent discounts available through NASPO. This will allow for connectivity with existing furniture, layouts, and designs. Sourcing a different vendor would require changes to State layouts and would affect consistency of items already in place. This also allows the State to retain the incumbents with the highest usage from the current contracts. Participating in this NASPO agreement would allow for reliable delivery and set up services which is essential to the State of New Hampshire and those needing to purchase compatible items. Utilizing participants would be required to obtain a request for quote (RFQ) for any office reconfiguration or installation services from all contracted vendors. The purchasing entity may select the quote that would be most advantageous or cost effective.

Upon approval, these contracts will allow for connectivity to existing infrastructure for expansion as opposed to complete replacement of office equipment in use today. With many State agencies already using Allsteel, MillerKnoll, and Haworth office furniture, it would be beneficial to enter into these NASPO agreements. The NASPO solicitation with Allsteel has produced discount rates off published list pricing of up to 74.3%. The attached bid summary represents most commonly purchased items and includes links to the published list pricing. The following table shows prices compared between the NASPO Agreement and the low compliant bidder from RFB 2819-24 for the Allsteel Category.

EXAMPLE: 17 Most commonly purchased items WB Mason Co. Inc. (RFB 2819-24) vs. Allsteel (NASPO)									
Company	Qty.		Extended List Price				ed Sell Price	-	
WB Mason Co. Inc. (RFB 2819-24)	50	\$10,206.00	\$ 510,300.00	S			153,090.00	-	
Allsteel LLC (NASPO)	50	\$10,206.00	\$ 510,300.00	\$	2,694.38		134,719.20		

The requested price limitation of \$3,440,449.77 will cover the full term of this requested contract and is based on financial research conducted by BoPP on State historical and projected spend.

Contract financials				
Annual cost	\$688,089.954			
Price limitation	\$3,440,449.77			

Based on the foregoing, I am respectfully recommending approval of the contract with Allsteel LLC.

Respectfully submitted,

Charles M. Arlinghaus Commissioner

The BoPP also issued a request for bid (RFB) 2819-24 on September 6, 2023, with responses due on September 21, 2023, to determine if the State should participate in this master agreement through NASPO or contract direct to meet the agency need. This RFB reached 35 vendors through the NIGP electronic sourcing platform with an additional 5 directly sourced. There were three compliant responses received. Upon reviewing the bid response from WB Mason Co. Inc., who is an authorized Allsteel supplier, the vendor offered a lower percent discount on only 1 out of 7 categories for Allsteel furniture compared to the higher percent discounts offered on 6 out of 7 categories from the NASPO Value Point contract (Contract MA3967) based on the example provided herein this represents a cost avoidance of approximately 12%.

In the event that Participating State receives any request made pursuant to RSA 91-A that seeks the disclosure of materials designated by Contractor as being confidential or protected as a trade secret, and Participating State determines that the provisions of 91-A require the disclosure of the materials so designated, Participating State will notify Contractor of the following:

#### II. Term of Master Agreement

- 2.1 Initial Term. The initial term of this Master Agreement is for five (5) years.
- **2.2** Amendment Limitations. The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 Amendment Term. The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions.

## III. Order of Precedence

- **3.1** Order. Any Order placed under this Master Agreement will consist of the following documents:
  - 3.1.1 A Participating Entity's Participating Addendum ("PA");

- **3.1.2** NASPO ValuePoint Master Agreement, including all attachments thereto;
- **3.1.3** A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;
- **3.1.4** The Solicitation or, if separately executed after award, the Lead State's bilateral agreement that integrates applicable provisions;
- **3.1.5** Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.
- **3.2 Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- **3.3 Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.
- IV. Participants and Scope
  - **4.1 Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
  - 4.2 Applicability of Master Agreement. NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order.
  - **4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State

Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

- **4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- **4.5** Notice of Participating Addendum. Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- **4.6** Eligibility for a Participating Addendum. Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- **4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.
- **4.8** Individual Customers. Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

- **4.9** Release of Information. Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- **4.10** No Representations. The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

## V. NASPO ValuePoint Provisions

**5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.

## 5.2 Administrative Fees

- 5.2.1 NASPO ValuePoint Fee. Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.
- **5.2.2 State Imposed Fees.** Some Participating Entities may require an additional administrative fee be paid by Contractor directly to the Participating Entity on purchases made by Purchasing Entities within that Participating Entity. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless prohibited by law or otherwise negotiated in a Participating Addendum, Contractor may adjust the Participating Addendum pricing by an amount no greater than the Participating Entity fee for purchases made by Purchasing Entities within the jurisdiction of the Participating Entity. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entity requesting the additional fee.

## 5.3 NASPO ValuePoint Summary and Detailed Usage Reports

**5.3.1 Summary Sales Data.** The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint

Quarterly Sales/Administrative Fee Reporting Tool found at <u>http://calculator.naspovaluepoint.org</u>. All sales made under this Master Agreement must be reported as cumulative totals by state. The report must be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports must be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports must include sales information for all sales under Participating Addenda executed under this Master Agreement.
- **5.3.3** Reporting on Personal Use. Reportable sales for the summary sales data report and detailed sales data report includes sales to employees for personal use where authorized by the solicitation and the Participating Addendum. Report data for employees should be limited to ONLY the state and entity ((state and agency, city, county, school district, etc.) under whose authority the employee is purchasing Product for personal use and the amount of sales. No personal identification numbers (*e.g.*, names, addresses, social security numbers or any other numerical identifier) may be submitted with any report.
- **5.3.4 Executive Summary.** Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The

6

executive summary is due thirty (30) days after the conclusion of each calendar quarter.

**5.3.5 Use of Data.** Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports will have exclusive ownership of the media containing the reports. The Lead State and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.
- **5.4.2 Onboarding Plan.** Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. - **5.4.3** Annual Contract Performance Review. Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.

- 5.5 Cancellation. In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than two years after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.
- 5.6 Canadian Participation. Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.

Any update must be submitted at least ninety (90) days prior to the effective date and the Lead Contract State Administrator may update the Master Agreement through a written amendment as appropriate.

The requested increase must be based upon a documented cost increase to the Contractor that is directly correlated to the price of the products on the Contractor's Published Commercial Price List that are covered under the Master Agreement. The price adjustment must not produce a higher profit margin than the original contract and must be accompanied by sufficient documentation supporting the request and demonstrating a reasonableness of the adjustment when comparing the current price list to the proposed price list.

Documentation shall include, but not be limited to, the Contractor's national price increase announcement letter, a complete and detailed description of what products are increasing and by what percentage, a complete and detailed description of what raw materials' and/or other costs have increased and provide proof of increase, index data, and other information to support and justify the increase. The Lead State Contract Administrator may conduct a thorough investigation of the data provided and substantiate whether the increase is valid or justified.

Any approved Published Commercial Price List price adjustments shall carry a price guarantee period of twelve (12) months and be effective on the date of the Master Agreement amendment or the designated effective date.

Any adjustment or amendment for a price increase to the Master Agreement will not be effective unless approved by the Lead State Contract Administrator. The End User will be given the immediate benefit of any decrease in the market or allowable discount.

No retroactive price adjustments will be allowed for Published Commercial Price List price adjustments.

- **6.2 Payment.** Unless otherwise agreed upon in a Participating Addendum or Order, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.

These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

## VIII. Shipping and Delivery

- **8.1** Shipping Terms. All deliveries will be F.O.B. destination, freight pre-paid and allowed, with all transportation and handling charges paid by the Contractor.

If after the cure period, the Product still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c)
