EXPLANATION

RSA 21-P:69 establishes a Northern Border Alliance (NBA) program focused on reducing the instance of crimes and illicit activity occurring within 25 air miles from the Canadian border to other state, county, and local law enforcement agencies. These grant agreements are for the purpose of supporting activities that focus on reducing the instance of crimes and illicit activity occurring within the northern border alliance patrol area. Allowable costs under this grant include reimbursing grantees for law enforcement overtime (or straight time for part-time law enforcement above normally scheduled hours), employer share of benefits, and mileage which are a direct result of participating in grant-

related activities. Allowable grant related activities include completion of in-person training and law enforcement activity occurring within the northern border alliance patrol area.

Grant applications were accepted from December 1, 2023, to December 29, 2023. A total of eight applications were received and reviewed for eligibility. All applicants were awarded funding.

Due to the time required to fully execute and accept funding at the state, county, and municipal level combined with the timing of future Governor and Executive Council meetings, the Department of Safety, Division of State Police requests authorization to enter into the grant agreements noted above using the grant agreement form attached to this request. Governor and Executive Council approval of this authorizing item will permit these agreements to become effective after being fully executed and accepted at the state, county, and municipal level, without requiring further action by the Governor and Executive Council. These agreements will remain subject to a review of form and execution by the Attorney General's Office prior to final execution by the Department of Safety.

Respectfully submitted,

In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
